Club Notes

This is the last programme of the 1957/58 season. May we therefore thank you all for your wonderful support throughout the whole year. The average gate has improved by almost 4,000 in number.

In programme No. 1, 24th August 1957, we wrote "Today is the opening of a new season, probably one of the most momentous in the history of the Club." Truly, it has been momentous, and may even yet be more so. We still have a faint chance of promotion. But frankly, how many of us, when we began the season last August, thought the time would come when, with only three more matches remaining to be played, we should be in keen competition with three other clubs for the top place in Division III.

Again we quote from the first programme "Thank you ladies and gentlemen for your support. May you have a happy season, and may we see you often, both at First Team and Reserve matches."

Finally, on behalf of you all, can we say to Mr. Head, the two trainers, and all the players—

"Good Luck! Let us see some good games, and above all, please finish in the *top half of the Table.*"

While it may be a little disappointing not to gain promotion after being so near, surely all the conditions mentioned above have been well and truly fulfilled.

Undoubtedly it has been an excellent season, and may next year be even better.

Club Notes (continued)

We take this opportunity to wish the team success on its close season tour. The players leave for Germany on May 8th, where they play two games. The first against Stuttgart Kickers on May 10th and the second against Reut Lingen on May 11th. The team will then travel to Switzerland to play Fribourg on May 15th, and the final game is at Dieppe in France on May 19th.

Today we are fortunate to have a visit from the Newark Imperials Carnival Band. The Band is performing free of charge, and it relies entirely on the collection at half-time to cover its expenses, so please be as generous as you are able. Thank you!

Many of you will have read in the press that we purchased a double deck stand from the Tattoo Ground at Aldershot. Work on its removal will commence shortly and it is expected to be re-erected on the Shrivenham Road side of the ground for the opening match next season.
