## CLUB NOTES

Supporters who made the trip to Bournemouth were rewarded with a most entertaining game. No end of the season display this. Both teams played hard, fast, good football, providing many thrills in each goal-mouth. The most encouraging sign was the fight back by our lads after being in arrears. Most of us felt the lead we took early in the second half would have been held but for the injury to Peter Chamberlain, which was a great handicap to him. Nevertheless, a draw was a fair result on the run of the play, and while our first goal was well deserved and well worked, Bournemouth's first was one of the finest seen for a long time, a real cannon-ball header by inside-left Burgess.

The Reserves, by obtaining six points out of a possible eight, maintained their effort to finish in the top three of the London Combination Table, and so obtain promotion to Division I. It is good to see so many of the young players performing so well in Senior Football.

Supporters will be pleased to know that Maurice Owen is making good progress towards a complete recovery.

This incident serves once more to show the wonderful spirit of comradeship and friendship existing among professional Football Clubs.

Doncaster during the past eighteen months have passed through a very difficult period, losing Division II status, their manager, and many of their best players, and yet on this occasion nothing was too much trouble for them. The Swindon party could not speak too highly of them and their kindness, and yet Doncaster wanted no thanks. They were most pleased to help, and were quite sure every Football Club would have done the same under such circumstances.

As soon as Maurice was taken from the field by a most wonderful ambulance man, he was attended by one of the finest orthopaedic

surgeons in the North of England. As soon as he was comfortably settled in hospital this same surgeon, who is a personal friend of the Doncaster Vice-Chairman, went straight away and set the broken limb, and did everything to make Maurice comfortable. Several persons connected with the Club visited the hospital on the Saturday, and on the Sunday, when the Doncaster team were due to travel to Swindon, arrangements were made to bring Maurice with them.

The bus company kindly removed two seats and built a little platform, upon which they placed a complete bed. The bus then went to Doncaster Infirmary to save any movement from an ambulance, carefully installed Maurice on the bed and then went to the ground to collect the team.

On the journey to Swindon Maurice was given every attention, food and drink. On arrival in Swindon at 7 p.m. he was quite rested and most cheerful.

Thank you Doncaster! May we soon have the real pleasure of renewing acquaintanceship with such splendid people.

We just cannot afford to do without them in Division III of the Football League.

### SUPPORTERS' CLUB NOTES

There is no doubt that, for all Supporters, the enjoyment of Easter was marred by the unfortunate accident to Maurice Owen at Doncaster on Good Friday. He has been one of the leading personalities at the County Ground for upwards of fourteen years, and many supporters, who have never even met him, have come to regard him as a personal friend. We all wish him a speedy and complete recovery. The accident provides for him a most unfortunate close to a season in which he has, week by week, shown consistently good form.

In the meantime R. Tilley has taken the chance offered to him. He is still most highly remembered by supporters of Plymouth Argyle, as we found during a recent visit to that City.

Goals have been all too scarce at the County Ground this season, but we hear that the "hat trick" was recently performed—by one of the Directors! We understand that it happened at our recent social evening, and that the gentleman concerned now has a certificate in evidence of his achievement. The evening was a social success, although the attendance was lower than expected. This seems to be
