SALTERGATE CHATTER.

**TWO MORE WELCOME POINTS
AGAINST TRANMERE ROVERS.**

Two more points in the bag as the result of last Monday's home encounter with Tranmere Rovers were very welcome indeed.

The victory was well-deserved, although a little more slickness might well have resulted in the margin being much larger than 2—0.

One or two of our players were inclined to hesitate at the vital moment. No team can afford to do this. The ball must be kept moving if results are expected.

SALTERGATE CHATTER—continued.

Injuries have hit us pretty badly, but against York on the previous Saturday, and against Tranmere, our two deputy backs, Gerald Clarke and John Wilson, acquitted themselves quite well.

The goal scored by Terry Glossop after 26 minutes against Tranmere Rovers was first class. He tricked Frith, the Tranmere left-back, swerved past Millington, centre-half, and coolly shot the ball to the right of Payne into the net.

It was his first League goal, and his play promised more to come. Gwyn Lewis was unfortunate at times and also missed one or two chances, but he added the second near the end when he fastened on to a good pass from Arthur Bottom.

We are under no illusions about the strength of our team, but if a settled team can be found we should soon improve our position in the table.

Many say we were fortunate to get away from York with only a 1—0 defeat, but, like ourselves, York appeared to be goal-shy.

Left out of the first team for the match at York, Lewis led the reserve attack at home against Bolton Reserves last Saturday, and scored all three goals in the 3—0 win.

On Monday, however, the Central League side crashed 5—0 against a strong Aston Villa Reserves team at Villa Park.

Our Northern Intermediate League side made the long journey to Sunderland last Saturday morning, and went down 4—0 against a more experienced side.

Our young players acquitted themselves very well on Wednesday when Rotherham were their opponents in the First Round of the F.A. Youth Cup. Although we held the upper hand in the second half, a draw of one goal each was a fair result. Manager Livingstone has a lot of good material here, and the future looks well for the Club.

Today we welcome Swindon Town as visitors, and they appear to have quite a good side this season.

A 4-1 home win over Wrexham on Wednesday night brought their points total to twelve from ten games, compared with Chesterfield's total of six points from nine games. This victory gave "the Robins" a goal average of 19 goals for and 16 against. Our goal average is 14 for and 21 against.

At home Swindon have won four and drawn two matches, but on opponents' ground they have not done so well, having one win and three defeats to date. So we are hoping to obtain both points today.

On Monday our senior side go to Prenton Park, Birkenhead, for the return match with Tranmere, and we shall have to improve on our display against them last Monday if we are to complete a double.

On the same night we have Stoke City Reserves as visitors to Saltergate. Kick Off, 5-15.

Next Saturday Barnsley visit us in the Third Division, and this game should attract our best gate so far this season.

Relegated Barnsley are not finding things easy in the lower sphere, but they have several youngsters in their side who are being blooded into League football and are capable of big things.

SALTERGATE CHATTER—continued.

Despite our own team's failings, it is encouraging to see a Northern team, Halifax Town, doing so well. Manager Harry Hooper, who was a spectator at Saltergate on Monday, has every reason for feeling pleased with the start made by his side.

There is still a very long way to go, but we sincerely hope that Halifax keep up the good work and that before Christmas our own side is somewhere near them at the top of the table.

That may seem to be a little optimistic, but our Manager will not be satisfied until he puts Chesterfield right back on the map in the football world.

OUR VISITORS.

SWINDON TOWN ONCE EARNED THE TITLE OF
CUP "GIANT KILLERS."

Colours :—Shirts, Red with White Edging. Shorts, White. Stockings, Black with Red Tops.

Ground :—County Ground, Swindon.

Swindon Town have never reached any really great heights in the football world.

Joining the League Third Division, Southern Section, when it was formed in 1920-21, Swindon Town did exceptionally well to finish with 52 points.

However, in the years that followed, they had many ups and downs, and three times had to seek re-election.

In the last season of the old set-up, 1957-58, they had one of their best-ever campaigns, and had the distinction of finishing fourth with 57 points—only three behind Brighton and Hove Albion, who were promoted.

Their good run had a big effect on their home gates, and the average was 12,040.

Last season, however, they had a hard struggle in the new Third Division, and just managed to pip us in the table by one point.

Twice "the Robins" have managed to reach the last four in the F.A. Cup, and quite naturally at one time they earned the tag as the "Giant Killers."

The record attendance at the County Ground stands at 28,400 when Stoke City were the visitors in the F.A. Cup on February 2nd, 1952, while the best receipts were on January 25th, 1930, when they totalled £2,787 with Manchester City the visitors in the Cup.
