## CLUB NOTES

Swindon had a large following at Bristol, and we are sure all our supporters considered the journey well worthwhile despite the very wet afternoon and early evening. Only one disappointment the goal against in almost the last second of the game.

Our team played superb football, perhaps too much football (if that is possible). It was a real pleasure to watch and fully appreciated and enjoyed by everyone present. All that is required now, is the ability to score more goals per game. Surely if the team continues to play this style of football goals are bound to come. Perhaps a little more "punch" is needed to finish off the moves. Nevertheless may we enjoy for a long time this brand of football.

After the fine showing at Bristol, supporters were somewhat disappointed when they heard the result of the match at Bury. Defeat had to come sooner or later, and Bury are a very strong experienced side. Two hard games per week impose quite a strain on our young lads. We hope for better things today, after a week free from midweek matches.

The Reserve game against Southend was most disappointing; no doubt the very warm weather had its effect. So many of our lads have moved from the reserve side, that it will take a little time to build up a nucleus of young players ready for Combination games. The only way, of course, to improve their standard is to play them in this type of football, and hope they will soon achieve success. In the meantime supporters are asked to be patient with the young lads who are gradually gaining experience and confidence.

### CLUB NOTES—continued

This afternoon we entertain once again a team from the north—Chesterfield. They hold a good position in the league despite setbacks. Their playing strength was lowered in numbers because of financial obligations, and then early in the season several players were injured. May we wish them the best of luck, and hope their troubles will soon be over.

Once again we must appeal to all spectators not to "invade" the playing pitch at the end of the game. Apart from any incident which may arise, it certainly lowers the dignity and prestige of the club.

As can be seen the floodlighting scheme goes on apace. The magnificent towers certainly add distinction to the ground, and will soon be a landmark for the surrounding district. It is hoped that the lights will be operating before the end of the month, and so all games at the County Ground throughout the season will begin at **3 p.m.** Evening time of kick-off will be announced according to each game. May we enjoy the spectacle of some fine games under floodlight, and thus justify the expense of something like £15,000.

## OUR VISITORS

### CHESTERFIELD F.C.

The Chesterfield Club, known throughout the country as the team of the "Crooked Spire", can claim to be one of the oldest clubs in the country, having been formed in 1866. They first became members of the Football League (Second Division) in 1899 and remained so until 1909. They continued as members of the Midland Counties League until the formation of the Third Division (Northern Section) in 1921, being one of the prime movers in the formation of this competition. They have had their "ups and downs" having been relegated on three occasions from Division 2—in 1909, 1933 and 1951—while they were Champions of Division 3 (Northern Section) in 1931 and 1936.

**RONALD POWELL (Goalkeeper).**—Born at Knighton, Radnorshire. Commenced with Manchester City as understudy to the late Frank Swift. Transferred to Chesterfield in 1952 and was a regular first team player until displaced by Gordon Banks who subsequently moved on to Leicester City. Recently regained his position and playing exceptionally well.

**GERALD CLARKE (Right Back).**—A local from Barrow Hill. Was a member of the Chesterfield Schools team which reached the semi-final of the English Schools Shield. Later joined Chesterfield, after a short spell with Sheffield United Juniors. A real utility player who has been tried in all positions, apart from goal, but prefers full back.

**GERALD SEARS (Left Back).**—Another local lad, from Arkwright Town, who came to Chesterfield as an outside-left but quickly moved to the full back position where he has been a regular first team player for the past three seasons.

**DAVID BLAKEY (Centre Half-Back).**—Born at Newburn, Northumberland, and signed for Chesterfield when 17 years old. Has been one of the stalwarts of the side for many seasons and is also the captain.

**JOHN ALLISON (Right Half-Back).**—Born at Cramlington, Northumberland, and signed by Chesterfield at the end of his Army service. Has not played many times in the League side, owing to the consistent form of Blakey, but given very good service in the Reserve (Central League) team.

**DAVID GILBERT (Outside Right).**—Born at Smethwick, Staffs. A newcomer to Chesterfield this season who has quickly earned his place in the first team. Previously with Redditch Town.

**KEITH HAVENHAND (Inside Forward).**—Born at Dronfield, Derbyshire. Was signed by Chesterfield as soon as he left school, after being a member of the team which reached the final of the English Schools Shield. Immediately became one of the Junior Team which reached the final of the F.A. Youth Challenge Cup Competition in 1954-55.

**BRYAN FREAR (Left Half).**—Began his playing career with Huddersfield Town, signing for that Club on leaving school and becoming a professional at 17. Later transferred to Chesterfield, in February, 1957. Born at Cleckheaton.

**CHARLES RACKSTRAW (Inside Forward).** — Another from Sheffield who has made his way from the Junior team and, like Havenhand, was in the side which reached the final of the F.A. Youth Challenge Cup. Completed his National Service last year.

**JAMES MADDISON (Outside Left).**—Born at South Shields. An experienced winger who has seen service with Middlesbrough, Darlington and Grimsby Town before being transferred by the latter club to Chesterfield, in March, 1958.

**TERENCE FOLEY (Centre Forward).**—Another newcomer to Chesterfield, being transferred from Portsmouth during the summer. Made a number of appearances in Portsmouth's League Team last season.

## SUPPORTERS' CLUB NOTES

Our competition for Saturday, 10th September, showed the following return:—

12,560 tickets sold at 1/- ...	...	...	£628
Approximate allocation:—			
Prizes ...	...	...	£280
Expenses (Printing, etc.) ...	...	...	£60
			£340
Balance to Club ...	...	...	£288
			£628

The approximate net profit of £288 is allocated, as to £57 to the special Floodlighting Fund, and the balance of £231 to our general funds, and will form part of the normal donation to Swindon Town F.C.

As previously stated, the competition is run in accordance with the provisions of the 1956 Act, which provides for a maximum return of £750 per competition.

It will therefore be seen that we still have a margin of £122 (or 2,440 tickets at 1/-) to clear, and our competition secretary is anxious to fill the gap and to reach the maximum before the season progresses far.

We value very highly the work done by our collectors, who have already achieved a very creditable result, but should welcome the assistance of more, particularly in some of the surrounding districts which have not yet been adequately covered, including Cirencester, Faringdon, Shrivenham, Pewsey and Winterbourne Monkton (where we have just lost the assistance of a collector).

Any supporters in those places, and indeed, elsewhere and anywhere, who can help is invited to get in touch with our Competitions Secretary, Mr. F. N. Deane, of 93 Clifton Street, Swindon (Telephone 4757), or in our Club Office before any match. Will you please consider if you can help us?

The holders of the lucky programmes on 3rd September were:—  
1117, Mr. A. Smith, Stanton St. Bernard, Marlborough. 4040, Mr. C. Davidson, County Road, Swindon.
