### Club Notes

#### SWINDON TOWN

Apparently it is on the cards that our visitors this afternoon will be a young team. At least this is so judging by press reports in the week. Also it appears that at least one of the team is First Division material. We wonder whether he can be spotted by virtue of his play here.

Last season Swindon Town were near us in the League Table but in both our encounters they defeated us.

#### RECENT MATCHES

The Reserves must take the laurels in respect of the matches played since we last discussed the position. They played Swindon Town away and won by two goals to one. Then followed a couple of home games, which no doubt most of you saw, from which we obtained 9 goals; five against Peterborough to their two, and four against Millwall to their one.

The Reserve Table should show us excitingly in the upper half and with such handsome wins a small hope (instantly subdued of course) begins to grow that we might have the measure of our various opponents in the League and be in the running for a little glory. But its a long

long season and we don't want to ruin their chances by counting their chickens for them. A little congratulations on the instalment principle however never did any harm.

The other side of the coin is not so much pure gloom as complete frustration, lightened by a 2—1 win over Port Vale as long ago now as the 10th September. The frustration arises from the results against Tranmere and Torquay both losers and both, to say the least, against the run of play.

The printing times of programmes and the fixture list are necessarily such that they prevent us from discussing news but merely allow us to comment upon history, and the Port Vale game is ancient now. We will just remark that Corthine and Fryatt both netted handsomely.

#### OTHER GAMES

We will continue the story on Monday next when we play Shrewsbury at home, only 5 days after playing them away, namely on Wednesday evening last. We were informed on Wednesday morning that the team would include Wall, Houghton and Kellard but Fryatt would not be playing and Stenhouse would be travelling with the team.
