Club Notes

This afternoon we start, once again, what everyone hopes will be a protracted Cup run.

Last week our colleague, the writer of the Supporters' Club notes, referred to the last visit of Bradford and the beginning of the great Cup run in 1924. We feel we must join in this reminiscence.

Actually when Bradford played us in 1924 they were members of Division 3 (Northern Section). At the end of Season 1920-1 they were relegated from Division 1. Season 1921-22 saw them occupying 21st position, and Bristol City in 22nd position. Bristol, therefore, came in Division 3 (South) and Bradford became members of Division 3 (North). In the following season (1922-23) Bristol City won Division 3 (South) and were promoted back to Division 2. Bradford gained second place to Division 3 (North). The promoted club from that section was Nelson, who were relegated to Division 3 (North) the following season, and eventually in 1931 failed to gain re-election, when finishing bottom of that league.

Now to season 1923-24, the one with which we are concerned. It

was an excellent one for Swindon, because in addition to the great Cup run, we finished in sixth position in Division 3, with 47 points. The club promoted from our section was Portsmouth, with 59 points from 42 games. Bradford, at the end of the season, occupied fifth position in the Northern Section, with 52 points from 42 games. The promoted club from that section was Wolverhampton Wanderers.

We would not agree with the writer that "the fortunes of both clubs are at lower ebb than on the previous visit of Bradford". Even in those days, money in football was not very plentiful. We are sure that Swindon Town is certainly in a much stronger position than in 1924. Our club was well known for its cup-fighting tradition. The writer of these notes has vivid memories of the fourth round game against Burnley. Swindon might easily have won that match and figured in the Semi-final. Incidentally, five members of the team—Dickenson, Cooper, Denyer, Johnson and Davies—are still living in Swindon. Other players on the books well-known to supporters were Archer, Nash and Daniels. Five of

those named were local Swindon-born boys.

Thank you, "Mr. Supporters' Club", for suggesting the ideas for our notes. After your little quip of last week, we felt we must reply. Nevertheless, thank you for all your help and your splendid contributions each week. They help considerably to make the programme more attractive. We also feel our friend the sports writer had his tongue in his cheek when he wrote his article for the Monday evening edition.

So much for the days of yesterday. May we all three have

pleasant things to say after today's game.

Although Kettering have lost their last three games, they occupy a high position in the Southern League (above Bath City—remember last year?) and will, no doubt, prove dour and determined opponents. Many of their players have had league experience, and no doubt many of our supporters will have seen some of the fine displays given by centre-half Jack Froggatt for Portsmouth and England.

May we all enjoy a grand game of football, and may the better team win.

Our Visitors

KETTERING TOWN F.C.

This afternoon we take pleasure in welcoming to the County Ground the Directors, Officials and Players of Kettering Town Football Club. This is not the first time the two clubs have met, but it is doubtful whether many people will remember the meetings when both clubs were members of the old South-Eastern League.

At the moment Kettering are members of the Premier Division of the Southern League, being promoted from Division I last season after finishing champions of that Division.

Today's team will be selected from the following players:—

Pen Pictures of the "Poppies"

Ted Smethurst (Goalkeeper)

Played in every game last season, became a firm favourite with supporters. Previous clubs—Chesterfield and Derby.

Maurice Marston (Right Back)

Born Sunderland, for whom he played nine seasons, was four seasons at Northampton. Is now in his fifth season for the Poppies.

Norman Lawson (Full Back)

Aged 27. New signing from Watford. Was with Bury three seasons before being transferred to Swansea for a four figure fee. Spent the last two seasons with Watford, playing 50 first team games.

John Harding (Left Back)

England Amateur International when with Pegasus. Has had a cartilage operation and hopes to play regular when fully fit.

Jack Froggatt (Half-back)

Born Sheffield. Holder of thirteen International caps whilst at Portsmouth. Transferred to Leicester City in 1954. Was their captain and centre-half in their promotion team 1956-57. Signed for the Poppies for £6,000 in November, 1957.

George Armour (Half-back)

Graduated from our "A" team. Has played regularly in the first team the last two seasons.

Mike Quigley (Centre-half)

Second season with the Poppies for this popular Scot. Was signed from Scottish League club Airdrie.

Terry Smith (Half-back)

Now in his eighth season with the Poppies. A fine clubman, a ninety-minute player.

Hughie Morrow (Outside Right)

Born Larne, Northern Ireland. Was with West Bromwich three seasons. After one season with the Cobblers was signed by the Poppies, now in his fifth season. Proved to be a match winner on several occasions last season.

Supporters' Club Notes

We hear from a former Town Supporter, now living at Bourne-mouth, that Swindon Reserves were the first side to play under the new floodlights there, although the official "switch-on" took place the following week at a Division III match.

Apparently the Reserves' full-dress rehearsal was not entirely successful, as the lever refused to stay "put", with the result that it had eventually to be wedged into position, and we are told that the kick-off was about half an hour late.

The tickets for our Christmas Draw will soon be on sale and will be obtainable from the agents who deal with the tickets for our weekly competitions.

As in the past there will be substantial cash prizes, and also prizes of goods particularly popular at Christmas. Please make sure of your tickets early.

Whatever criticisms are made about Swindon football, there can be none regarding the efforts which are being made to raise funds to defray the existing debt on the Floodlight Installation, and to improve the amenities at the County Ground.

Our own competition is prospering and maintaining a steady level, while the Directors' Jackpot Competition is gaining in popularity.

Owing to its nature its success depends, to a certain extent, on the size of the gate at each individual match, but a larger percentage of supporters are now

buying tickets, and it appears that this particular scheme is now firmly established. Once again we commend it to those spectators who have not yet "chanced their luck", and, incidentally, visiting supporters stand an equal chance of gaining prizes.

No doubt a number of people from Kettering will be visiting Swindon today for the first time, and it is probable that some of them will visit our office.

Cup-ties give us an opportunity sometimes to come into contact with officials of Supporters' Clubs, whom normally we should not meet.

We have many friends among officials of Supporters' Clubs attached to the League Clubs — many of whom we see at the County Ground season by season — but the Cup Draw has provided us with the opportunity to make new friends today.

We hope that we shall have the pleasure of seeing them in our office, and that they will enjoy their visit to Swindon, but that they will not be accompanying their team to any more Cup-ties this season! ✓

We heard this week of a young lady (still at school) who, when she is older, hopes to have the opportunity to write these notes for the Supporters' Club. (That will be the day!) May her enthusiasm for the Club never diminish. We aim always to attract young supporters — they will be the mainstay of the Club in the future.

Holders of lucky programmes on 28th October were 9, Mr. Clapton, 112 Ermin Street, Stratton St. Margaret. 2106 Mr. Heath, 12 Marlborough Street, Swindon.
