## Club Notes

The victory at Shrewsbury was a very pleasant surprise. It certainly was sweet revenge for the home defeat inflicted upon us on 11th November, 1961, immediately following our exit from the F.A. Cup at Kettering. The next week we were again defeated, this time at Peterborough 2-3. So today, again we have an old score to pay off.

However, back to the game at Shrewsbury. Our lads played really well on a hard, dry ground. At half-time we were "one up" as a result of a well-taken goal by Bill Atkins from a centre by Jack Smith.

After the interval we continued to dominate the game, and further goals were scored by Bill Atkins and Jack Smith. The home side scored near the end of the match. This was our fourth away win of the season. Rather a good performance, as we have won only seven of our home games. Continuing comparisons, we have drawn eight at home and six away, but we have fulfilled one more away game. We now have five home and four away matches.

Swindon occupies fifteenth position in the league table, and are seven clear points above Lincoln in twenty-first position. Nevertheless, we cannot let points slip; the gap can soon narrow.

The Board spent a very pleasant evening last Monday as guests of The Worshipful the Mayor (Ald. T. G. Gay). His Worship is one of our oldest (please excuse the term) supporters, having followed the fortunes of Swindon Town Football Club for fifty years.

Thank you, Mr. Mayor; may you enjoy many more happy seasons at the County Ground.

Last week, two games concerning outside organisations were played on the Ground, viz:-

29th March — Wiltshire Premier League v. Hellenic League. Spectators 327.

31st March — Wiltshire Senior Cup Competition—Highworth Town v. Malmesbury Town. Spectators 616.

It would appear from the above figures that such matches arouse little interest. It seems certain the gate, especially in the first instance, will not cover expenses.

## Our Visitors

This afternoon we welcome to the County Ground the Directors, Officials and Players of Peterborough United. This is the second occasion we have had this pleasure; the first time was when we played Peterborough in an F.A. Cup-tie. The result was 1-1. The replay at Peterborough resulted in a 2-1 win for Swindon.

Details of the players from whom today's team will be selected are as follows:-

### **Jack Walls (Goalkeeper)**

Born Co. Durham, came from Barnsley 5 years ago for small fee; full-time player this season; agile with safe pair of hands.

### **Dick Whittaker (Right Back)**

Eire International; signed for Chelsea when a boy, remained there 9 seasons, joined Peterborough United last season and helped gain promotion with his strong tackling and intelligent covering.

### **Jimmy Walker (Left Back)**

Previous clubs — Sheffield United and Huddersfield Town. Six-footer, strong and fast.

### **Jimmy Rayner (Left Back)**

Was leading goalscorer for two sea-

sons when playing centre forward; converted to right half, he improved with every game; previous clubs—Bury and Grimsby.

### **Norman Rigby (Centre Half)**

Captain and centre half for eleven seasons; came from Notts County, where he figured at left back; dominant pivot.

### **Keith Ripley (Left Half)**

On the books of Leeds, Norwich and Mansfield before coming to Peterborough last year; plays anywhere; powerful player.

### **Billy Hails (Outside Right)**

Joined us five years ago from Lincoln City; fast go-ahead winger who gets goals.

### **Dennis Emery (Inside Right)**

Six-foot inside forward, clever schemer with deadly shot in either foot.

### **Terry Bly (Centre Forward)**

Another six-footer transferred from Norwich City, with whom he starred during the famous Cup run three years ago; leading League scorer last season with 52 goals.

### **Ray Smith (Inside Left)**

Now in his sixth season, came from Hull City; nippy, tenacious attacker.

# Supporters' Club Notes

We have reached that stage of the season when there is little to report other than the continuation of steady work—which, after all, is the main purpose of the Club's existence.

A weekly return of approximately £265 from the Competition is gratifying, and, no doubt, reassuring to the Directors of the Football Club.

The prizes have circulated very well between Town and Country members—but not, so far, in this direction.

The second half of the season has been, generally speaking, more satisfactory than the first, with the danger of relegation gradually receding, and we trust that the increasingly improved form of the team will now be maintained until the end of the season, for there will then be the possibility of larger gates, with, we hope, the better weather that is to come.

We make no apology for returning once again to the subject of Maurice Owen's third benefit. Every effort has been made to stage an attractive game on Monday.

It is a compliment to a Third Division club that well-known internationals are prepared to travel long distances to participate in the match, and an apparent indication of the high esteem in which Maurice is held in the football world.

It is obviously an achievement to have retained a first team place for fifteen seasons, but, apart from footballing ability, Maurice has gained the respect and affection of all Swindon football fans (and, in fact, in wider circles) for his conduct on and off the field, and for his loyalty to the Club.

We can think of no player whom any youngster might adopt as a better model than Maurice Owen. This is by no means an individual opinion—a well-known referee, who has often officiated at the County Ground, said, a few years ago, that Swindon have a real "toff" at centre forward.

With some players a move to centre half might have meant a change of tactics, but Maurice remains a "toff". The best of luck on Monday, and for the future!
