## CLUB NOTES BY RANGER

**S**EVEN points out of eight and figure "16" in the goals-for column represents one of the finest starts in Q.P.R. history. Well played indeed!

You cannot build without foundations, and with this sort of opening to the season we could hardly have put in more solid groundwork.

Since last we gathered here, the lads have made two long away trips and returned with full points, following five goals at Carlisle last Friday night with four more at Halifax on Monday.

Early days that these are, the League table made pleasant reading on the train home from Halifax on Tuesday. Frank Large, switched to centre forward for this game because of a pulled groin muscle sustained by Bernard Evans at Carlisle, skippered the side on the occasion of his return to the Halifax ground and played a big part in the victory.

Though without actually scoring himself, he gave the home defence a mighty shaking-up, and considered the result more than worth the buffeting he took.

### ONE POINT AND FOUR GOALS UP

So, after four matches, we are one point and four goals better off than a year ago, when we took six points from the first four fixtures — and lost the fifth.

Brian Bedford and Mark Lazarus have the distinction of having scored in every game. Incidentally, Mark scored two at Carlisle — not one as appeared in the newspaper summaries, in which one of his goals was mistakenly credited to Bernard Evans.

## ONE OVER THE EIGHT?

Can we make it a ninth successive home victory over Swindon Town, who have not taken away a point from this ground since they won 2—0 in season 1953-54?

Subsequent results of this fixture have been:

1954-55	...	...	3—1
1955-56	...	...	1—0
1956-57	...	...	3—0
1957-58	...	...	2—1
1958-59	...	...	2—1
1959-60	...	...	2—0
1960-61	...	...	3—1
1961-62	...	...	6—1

Our six goals in the corresponding match last September were scored by Mark Lazarus (2), Jim Towers (2), Mick Barber and Bernard Evans.

## TOWERS TRANSFERRED

Only a few hours before the season's kick-off, we transferred inside forward Jim Towers to Millwall. It was pleasing all round to see him strike hat-trick form for his new club so soon last Saturday, and we wish him continued success in the Millwall colours.

## OUR NEW DIRECTOR

We welcome to our Board of Directors Mr. Frederick Kay. He is a company director in business at Chesham, and has been a Q.P.R. supporter since 1934.

## No. 3 FRANK SMITH

After a frustrating past at Tottenham—eight years and nine seasons without a first team chance—goalkeeper Frank Smith decided he must make his Soccer future elsewhere. He became a Q.P.R. player on May 21st.

Born at Colchester, Frank joined Spurs as a lad from Colchester Casuals. At 17 he was all set for his big-match debut—Reynolds and Ditchburn were unavailable—against an England XI under floodlights at White Hart Lane, but just half an hour before the kick-off he was replaced by a "guest", Ian Black.

Says Frank: "It broke my heart, and from that moment my luck with Spurs never seemed to change."

Now 26, he and his wife Margaret have two children, Yvonne (4) and Mark, nine months. The Smiths live at Cobham, Surrey.

Not surprisingly, the ambition of 6ft. lin. Frank is to play in League football. He started in our reserves, but says, with a glint in his eye: "It's a long season. I must have a better chance here than if I had stayed on at Tottenham."

### KEEN CRICKETER!

Mike Keen showed he's no one-sport star last Sunday week. In a 12-a-side cricket match against Eastcote—proceeds went to the local club's pavilion fund—he took ten wickets for 92 then made top score for the Q.P.R. cricketers with 69.

But it wasn't enough. Eastcote won by 82 runs.

### NEW STRIP

It was a "normal" dressing-room scene half-an-hour before kick-off at Carlisle last Friday night. Then trainer Alec Farmer opened the kit-skip—and the place was agog!

For out of the hamper came our new "away" strip—red shirts, with white-ringed sleeves and collar—and took the players completely by surprise.

Manager Alec Stock had decided it was time we had a new strip for occasions when our colours clash with the home side, and this was a real eye-opener!

For the rest of the time up to kick-off, it was the only talking point among the lads. How did they react? With goals. Five of them.

### FRONT COVER PHOTO

Our front cover shows a match in progress at White City, which will be the venue of all Rangers first-team home games as from October 1st.

### ANDERTON BACK

While the League side were winning at Halifax on Monday night, the Reserves began the season's Football Combination programme here against Millwall, who won 2—0.

Despite the result, there was satisfaction in the return to competitive football of right half Sylvan Anderton.

This was his first game since March, and it was good to see Sylvan showing no sign of the ankle trouble that had affected him for much of last season.

### TODAY'S REFEREE

Mr. Tom Langdale, born at Chilton Colliery, Co. Durham, and a template-maker by trade, became a Class I referee in 1944 and was appointed to the Football League list at the start of season 1954-55.

This is his second consecutive appearance in London, for on Wednesday night he was in charge of the Spurs v. Aston Villa match.

Aged 45, he is well on the way to having refereed 1,000 matches. His total at the start of the season was 867, and at his Darlington home, he keeps a complete statistical record of every game—name of competition, result, scorers and names of linesmen.

He is a keen badminton player and club cricketer and, at home, a do-it-yourself handyman.

**S**WINDON Town, whom we welcome here this afternoon, have some of the best young prospects in the Third Division among their players, and it is certain that Manager Bert Head's side will attract as much scouting attention from the big clubs this season as they did last term.

A bad start a year ago left Swindon with much ground to make up—their first League win did not come until the tenth game—but they finished the season in excellent form, and by winning eight of the last eleven matches they climbed to a final position of ninth, their highest for four years.

Their heaviest defeat of the season (1—6) was inflicted by ourselves during the club's poor patch in the opening weeks.

#### THEIR PLAYERS

**Mike O'Hara** (Goalkeeper): An Irishman from Co. Down, he is only 18, and was transferred from Luton Town last November. Succeeded long-serving Sam Burton, and a fine future is predicted for him. Is still eligible for Town's youth team. 5ft. 10in.

**Terry Wollen** (Right back): Local boy who made his debut when only 16 and has missed few games in the two subsequent seasons. 6ft.

**John Trollope** (Left back): Other half of one of Soccer's brightest young full back partnerships. Was selected for first-team duty when 16 at start of season 1960-61 and has been ever-present since. Like Wollen, a Swindon lad. 5ft. 10in.; 10st. 13lb.

**Keith Morgan** (Right half): Attacking wing half who joined Swindon from Westbury as a youth. Has missed only three games in two seasons. Born Trowbridge. 6ft.; 12st.

**Maurice Owen** (Centre half): Club captain and senior player, he joined Town in season 1946-47. Originally a centre forward, he has in recent years served splendidly at centre half. Born Abingdon. 5ft. 10in.; 11st. 4lb.

**Bob Woodruff** (Left half): Joined

## OUR VISITORS

Swindon straight from the local schools team. Has played centre forward for the club. 5ft. 11in.; 11st. 7lb.

**Mike Summerbee** (Outside right): Much-sought young winger from Cheltenham and a product of Swindon's youth scheme. Switched to the wing from centre forward. 5ft. 11in.

**Arnold Darcy** (Outside right/left): Signed in November 1959 from Wigan Athletic. Born Blackburn.

**Ernie Hunt** (Inside right): Signed on to the groundstaff from Swindon schools, he went into the League side at 16 and has been the club's top scorer for the past two seasons.

**Jack Smith** (Centre forward): Previously with Hartlepoons and Watford, he joined Swindon in June, 1961. Born West Hartlepool.

**Bill Atkins** (Inside left): Strong, ball-playing forward signed from Aston Villa at end of season 1958-59. Born Solihull. 6ft.; 11st. 8lb.

**Cliff Jackson** (Outside left): Swindon-born and a schoolboy international, he made his debut at 17. Also plays inside forward. 5ft. 10in.; 11st.

## "BEATING ABOUT THE 'BUSH'"

**SWINDON TOWN S.C.** It is with great pleasure that we welcome to Loftus Road this afternoon, our friends from the County Ground. The young and talented players of the Town have been attracting considerable attention recently, and we are looking forward to a keen and exciting game from them. Naturally, we hope that our lads will continue their good form, and with your support to urge them on during the game, the R's may well give Swindon a "warm reception".

So don't forget, let's be hearing from you all today.

**MEMBESHIP.** Our Membership Secretary, Mr. Albert Biggs, reports that there has been a very good response to the recent appeals to join your Supporters' Club.

As we have said before, it costs very little to enrol, and at the same time, why not swell the size of our Club by enrolling the family as well!

You can join at any one of the Supporters' Club Huts on the Ground, or if you are near the Clubroom, pop in and sign up there. We will assure you that you are very welcome.

**AWAY TRIPS.** Following our good form in the opening games at home, a party of Supporters made the long journey to Carlisle, and you can bet your life that every single one of them was darned glad he went.

What a start to the away programme! If you would like to see the team in action at Peterborough or, at Selhurst Park, make enquiries at the Huts, or from the Clubroom **RIGHT AWAY**. Don't delay, as there is bound to be a big rush.

**HANDBOOK.** Just a quick reminder to you that the Handbook will be available in Souvenir edition, to coincide with the move to White City, in October.

**THE FOOTBALL COMPETITION.** This very popular competition is once again attracting a lot of attention, and with the increased incentive of Bonus Prizes, we hope that **YOU** will assist our Organiser Mr. Hooper, by asking him if you can become an Agent. He will be only too pleased to help.
