CLUB NOTES

The good start to the season still continues. Let us be realistic about the matter; there is still a long way to go, and we have yet to meet most of the outstanding teams in the league. No doubt the team will do its utmost to rise to the occasion, but there are bound to be disappointments. We know from past experience that the people most upset will be the players themselves.

Our success in Division II has obviously made news, and we are attracting the interest of the press, and the broadcasting authorities.

On Saturday the second half of the game was broadcast on the Light Programme. The commentator was Maurice Eddleston, the ex-Northampton and Reading player. An English Amateur International, and an outstanding inside-right in his day. Our trainer Harry Cousins (for whom Maurice has the greatest respect) played against him many times. Incidentally, we thought Maurice was an excellent broadcaster and also a perfect gentleman; as were his two colleagues and the B.B.C. Technical Staff.

TWO MINUTES FROM GROUND

CLUB NOTES—CONTINUED

Later in the afternoon we again made news when Eamonn Andrews interviewed our Manager by direct line from the Centre Stand.

The whole of the Sport in the West programme at 6.25 p.m. was carried out from the County Ground.

In fact our ground was quite the centre of the B.B.C. activities.

We are also being visited by scores of press reporters. Some are helpful, some can be a nuisance.

Naturally press men have a job to do giving the public a true picture of events. We didn't altogether enjoy being referred to as the team with the "little wooden hutted ground".

One vital factor in all this publicity, one which can be lost sight of, is the fact it does not help the players. "Write-ups" often impose a strain and a tension on the team. They have a reputation to live up to. However, we feel our lads are young enough and resilient enough to take all in this in their stride, and get down to business. One thing we can be sure of is they will fight to the very end, and they never know when they are beaten.

The game against Rotherham was not quite up to the standard of the two previous home games. The wet, greasy ball seemed to shoot off the pitch very quickly at times and unsettle both teams. Consequently play was occasionally a little ragged. We did however see four well-planned and well-taken goals. Rotherham's goal and our second were both the result of real academic football.

The gate, the third highest in Division II, was very good, yet two thousand below the figure for last Tuesday. Strange,

CLUB NOTES—CONTINUED

our mid-week games seem to be producing bigger attendances than those played on Saturday afternoons. The demand for tickets for this evening's game has far exceeded the number available. The only sure way of obtaining a seat is to purchase a Season Ticket (only a small number of those remain unsold). Inquire at the office after the game.

For the benefit of many of you, may we explain what the figures issued really mean? Saturday, 7th September, 1963 v. Rotherham. Attendance 19,448. That means everyone on the ground, including season ticket holders. In other words the total number of spectators present at the game. Receipts £2,850 13s. 9d. The actual money taken at the gates on the day. Money already received for season tickets **is not** included.

In our last programme we appealed to everyone to show our visitors what a grand enthusiastic sporting crowd watch the games at the County Ground. On Saturday our lads, on entering the field of play, received a resounding cheer. Rotherham followed to a mild form of booing. Please, please let us welcome our visitors into the arena with encouragement, and surely appreciate good play by them or our own team in the proper manner.

Can we also say one final word about the officials (Referee and Linesmen). Theirs is a most difficult task, especially with capacity gates, and the game played at the speed it is today. Surely they need help and encouragement. On Saturday last we thought all three excellent. The referee controlled what could have been a difficult game splendidly. He was right on the spot and gave every decision without hesitation. The players realised he was the "boss", no arguments or incidents. Yet **he** was subjected to several outbursts of booing.

OUR VISITORS

We are pleased to extend a warm welcome to our visitors from Manchester this evening. Little can be said about City that isn't already known to football followers throughout the country.

A fine Club with a distinguished record we are glad to have the opportunity to entertain them tonight.

SUPPORTERS' CLUB NOTES

It seems probable that the members of the Swindon Borough Council are now more "football minded" than at any time previously.

His Worship the Mayor and a number of his predecessors are ardent followers of the Town; several Aldermen and Councillors are Season Ticket holders. Others are regular supporters, and two Councillors are also members of our Committee.

Nevertheless, it was, no doubt, purely a coincidence that the Council Meeting held on the evening of the Grimsby match lasted for ten minutes only, and was one of the shortest in the records of the Borough!

In reply to a number of enquiries we may say that our publishers have promised that the Handbooks for 1963/4 will be available before the end of September. We shall have them on sale as soon as they arrive.

Several people have raised a point regarding our Competition and, in reply, we should explain that the numbers on the weekly leaflets have no significance so far as the Competition is concerned. The leaflets are numbered solely for the purpose of facilitating the counting and issue of quantities to our agents. It is the three part number on the Membership Card that will produce the goods.

SUPPORTERS' CLUB NOTES—CONTINUED

The winning numbers of the Football Club Development Fund Competition bear the suffix "D".

Once again we invite supporters to join our Competition.

In addition to assisting the funds there is the amusement of checking the results on Saturdays and of looking hopefully for winning draw numbers during the week.

We heard of supporters at Portsmouth who said that they were unable to obtain tickets. As we have said on several occasions previously, if such people will kindly get in touch with us at our Headquarters we shall gladly arrange for them to be placed on the list of an Agent with whom they can readily get in touch, either at their places of business or in the neighbourhood in which they live. Please regard this as a permanent invitation.

It is with the greatest pleasure that we welcome this evening the supporters of one of the most famous and respected Clubs in the country. There have been previous encounters between Swindon and Manchester City in the F.A. Cup.

The old timers relate how in one match the City, at the height of their fame, did not think it necessary to have a preliminary "kick-about" prior to the game, and immediately lined-up in readiness for the start. On that occasion Harold

SUPPORTERS' CLUB NOTES—CONTINUED

Fleming and Company sprang a surprise on the footballing public, and Swindon won the Cup-tie.

In subsequent encounters the City have had the advantage, so that it appears to be Swindon's turn again this evening. In any event we look forward to an interesting and exciting game.

We were pleased to have news of George Hudson from various supporters who went to Portsmouth. He still has a lot of affection for his old Club, and for his many friends here.

After this evening's game we shall not be appearing in print until 21st September, when we hope to give further details regarding Bertram Mills' Circus Gala Performance. In the meantime, please remember that we have booked the whole of the seating accommodation for the 7.45 p.m. performance on Monday, 30th September. Will you please keep the evening free and support us in this venture?
