## CLUB NOTES

Since our last issue, two fine victories and nine goals scored with two against.

Few spectators at the Leyton Orient game expected the outstanding display in the second half. Up to half-time our opponents had been the better team. In fact, Swindon were not in the game until suddenly in the fortieth minute Donald Rogers beat his full back for the first time, followed this up by rounding two other players and then produced an excellent centre from which Ernie Hunt scored. A splendid goal which pleased everyone, but none more than the scorer himself, although his team mates shared his joy. At last he had broken the spell. Then in the early stages of the second half came the scoring spree—three goals in almost as many minutes—and what grand goals! First, a cool, careful glide by Summerbee, then a great dribble, and a final shot from a narrow angle by Rogers, and the break-through and excellent goal by Captain Morgan. Credit Leyton for their fighting display. Despite the setbacks, they continued in their efforts to play good football. No resort to questionable tactics or other means. A real sporting

side. So were the officials who accompanied them. Although disappointed with the result, especially after their first-half display, they were loud in their congratulations of the team and the manner in which the goals were scored.

Thank you, Leyton Orient! It was a pleasure to entertain you, and we hope we shall meet on many future occasions.

Saturday, 26th October, and everyone most enthusiastic about the outcome of the game at Plymouth. Again we enjoyed a wonderful following. What a fine body of supporters, and what encouragement away from home! Some papers estimated the number of Swindon supporters in the region of 2,000. We thought it was more like 5,000.

How they enjoyed it all! It was well worth the long journey. Plymouth was probably slightly the better side in the first half, but once we got on level terms it was obvious there was no holding our lads. The longer the game went on, the more our team-work and training showed its worth. The last twenty minutes were undoubtedly all Swindon's. Ernie Hunt got two goals, twice putting us on terms, then Rogers scored the third, and Bobby Woodruff his first of the season with a cannon-ball free kick.

Whilst all this was going on at Home Park, well over 2,000 spectators were enjoying a most entertaining game at the County Ground. In a splendid fast, open match our Reserves defeated Brighton by seven goals to three. Our opponents scored a well-taken goal in the first minute, then our lads really went to town, scoring five in succession: Darcy, Leggett, Stephens, Shergold (2) in that order. A penalty goal by Brighton, and so half-time 5-2 in our favour. After the interval, Stephens and Shergold scored again, and Brighton replied through their right half.

## CLUB NOTES—CONTINUED

Taken all in all, certainly good football and real enjoyment throughout the full ninety minutes. As one wag aptly remarked in the stand, we even got a cheer from the Directors' Box.

The B.B.C. cameras will again be busy this afternoon, taking their final shots in connection with the documentary film they have been making of the Club and all its activities. Not until we saw this camera team (six men and one lady) in action, did we realise just how much work went into a B.B.C. recording. This film, when shown sometime in December (we hope to announce the date well in advance), will last half an hour. The actual time taken in the production has been over 3 weeks, with much preparation beforehand.

We thought these technical men excellent (they are back-room boys who are never in the limelight). They worked long sessions with very short breaks, getting something to eat at odd moments, yet despite the tension and pressures in such an undertaking, the spirit was marvellous. Never once did we hear a word out of place or see the least sign of anger or disagreement. They avoided causing any inconvenience if possible, and were most considerate. Yet, above all, they carried out their work with meticulous care, making sure of every detail. This wasn't just a job of work, it was a calling. A great deal of this attitude and spirit was due to the producer, John Boorman, a real gentleman. We hope, if only for his sake, the film will be a great success. It was a real pleasure meeting you John and how we admired the pluck of your secretary, the only lady in the group.

One last note, and this a domestic and very personal one: recently Mr. and Mrs. B. J. Head celebrated their *Silver Wedding*. We wish them another twenty-five equally happy and successful years.

Can that mean promotion to Division I? We sincerely hope so!

# OUR VISITORS

We take particular pleasure in welcoming our friends from Southampton for today's game. Though we have not met in a Football League match since Season 1953-54, we have memories of many grand encounters in the past. We are sure that today's match will be no exception.

Details of the players from whom the "Saints'" team will be selected are as follows:

## **STUART WILLIAMS**

Joined the "Saints" from West Bromwich in September 1962. Born in Wrexham, Stuart has represented and captained Wales on numerous occasions. Made 41 first team appearances last season.

## **TOM TRAYNOR**

The longest-serving member of the present team. Born in Dundalk, Tom signed for the "Saints" in June 1952. One of the very few players who has represented his country, both as an amateur and professional. Made 48 appearances in the first team last season.

## **KEN WIMSHURST**

Formerly with Gateshead and Newcastle, Ken joined the "Saints" as an inside forward from Wolverhampton in July 1961. After a spell in the reserves, Ken was brought into the first team as a wing half, a position in which he has given a number of outstanding displays. Made 48 1st XI appearances last season, scoring 4 goals.

## **TONY KNAPP**

One of Southampton's costliest players, Tony joined the "Saints" from Leicester City in 1961. Has played with remarkable consistency since he has been at The Dell, missing only one game in two seasons. An extremely safe player, both in the air and on the ground, his great asset seems to be his power of recovery. He has toured with the England party.

## **CLIFF HUXFORD**

Born in Stroud, Gloucestershire, Cliff joined the "Saints" from Chelsea in an exchange deal. Was a member of the promotion-winning side from the Third Division in the 1959/60 season. An extremely strong player in the tackle, and one who never knows when he is beaten. Made 48 1st XI appearances last season.

# FOOTBALL LEAGUE'S JUBILEE BOOK

Histories are something dull. No-one will say this of *The Football League's Jubilee Book*, just issued to mark the pioneer competition's 75th birthday. It is a thriller with about fifty illustrations—some in colour—to light up great teams, games and players.

The highlights and humours of the early days are summarised; the growth to 92 clubs is covered in a fascinating cavalcade of the League's star performers. A chapter on the League's outstanding teams explains why these sides are placed on the pedestal. A chapter on pioneers cites the players who made new moves—men like Alex James (Arsenal), Wm. R. ("Dixie") Dean (Everton), Don Revie (Manchester City), and also Billy McCracken (Newcastle United) whose off-side tactics revolutionised the game.

This Jubilee Book has been compiled by Ivan Sharpe (with half a century of experience on and off the field as background) with the collaboration of Alan Hardaker, the Football League Secretary, and the Headquarters Staff, who are responsible for the concluding statistical section containing every league match result since the last war.

This colourful panorama tells young and old all they ought to know about the League that showed the way for the rest of the world.

## **SUPPORTERS' CLUB NOTES**

At the Annual General Meeting of the shareholders of the Football Company, concern was expressed regarding the illness of Mr. B. T. Hamilton, doyen of the Board, and good wishes offered for his recovery.

Members of this Club will desire to be associated with these sentiments, for he has been a very good friend to us and for many years he allowed us to hold meetings at his premises.

The supporters who travelled to Plymouth returned very satisfied with themselves. The win was very gratifying to the writer, who (with several relatives, including a young nephew, all ardent Argyle supporters) would have been "shot down" with a bump, had the result been otherwise.

We welcome old friends amongst Southampton Supporters' Club today. We have had many exciting games in the past and anticipate another today.

Many supporters will remember a match in 1920-1, when Swindon, with seven reserves, won by 3-2.

In later years there was the ill-fated cup tie at The Dell, won by Southampton after we had the misfortune to lose Kaye with a broken leg early in the game.

## **SUPPORTERS' CLUB NOTES—CONTINUED**

We would remind spectators that at the next match, against Newcastle United, a collection will be made at half-time on behalf of the St. John Ambulance Brigade. We are confident that there will be a generous response in appreciation of the excellent work done by this organisation.

We take this opportunity to remind our young lady supporters, aged 16-26, of the Swindon Football Queen Contest. The rules have been well publicised, but, for convenience, we are reproducing an entry form again in this programme.

As previously mentioned, preliminary judging will be held at a Dance at Messrs. McIlroys Ltd. on Wednesday, 20th November. Prices of admission to the general public for this will be 3/6 and not 5/- as previously announced. The entry fee of 2/6 paid by the young lady contestants will admit them to the Dance.

Finalists will be invited to attend the Club's Dinner and Dance, also at Messrs. McIlroys, on Wednesday, 18th December, when the Queen will be chosen, and the Cup and Prizes will be presented.

Our Honorary Secretary looks forward to receiving a large number of entries.
