TWO MINUTES FROM GROUND

CLUB NOTES—CONTINUED

After all expenses have been met, such as advertising, referee, police, visiting team, etc., the balance remaining is divided into three parts: one-third to the home club, one-third to the visitors, and one-third to the Football Association. Out of a total of £3,448 11s. 9d. receipts for the Manchester game, the net amount to Swindon Town F.C. was £755 2s. 8d. A home gate really has to pay for two weeks' outgoings, wages, upkeep of ground, etc. A Cup run creates interest, enthusiasm, and often brings difficulties, but is not a road paved with gold.

The next match, at Aldershot, has certainly brought many problems. Our total allocation of tickets is 4,000, and the method of distribution at today's game was decided upon after much thought and consideration of the matter. Everyone has the same chance of obtaining a ticket. Obviously, some very loyal supporters are going to be disappointed. That is bound to happen with the small number of tickets available. However, with a little give and take and goodwill all round, no doubt the keen supporter should be able to see the game. Whatever system is devised, difficulties occur and people are disappointed. We are certain that with 16,000 people packed in the Aldershot ground, some discomfort will be felt by many spectators. We are sure also that our lads face a hard task. After their great win over Aston Villa, our opponents will be very confident. Whilst we shall take our full quota of supporters (and we know they will make themselves heard) about 12,000 will be behind the home team, who will have the advantage of playing on their own ground.

CLUB NOTES—CONTINUED

Meanwhile we face the task today, namely the home game against Leeds United, top of the table, and a strong, hard side. They give no quarter and ask no quarter, they fight for every ball and never give up. Worthy champions at the moment, but we know our lads will be out to lower their colours. We know how they fight and we know their fitness.

It will therefore be a great game, and we trust it will be enjoyed by everyone present. The match has aroused great interest, despite the wintry weather of the past week, and the gate should be one of the largest of the season.

As supporters are aware from reports in the Press, talks are still going on with officials of the Town Council regarding a new stand. Nothing definite yet has been settled and it could well be many months before final plans are completed. Many factors have to be considered, including the loss of popularity of football with the masses and the consequent falling in gate receipts. Also we must make sure the whole thing is right, rather than hurry the matter and in a few years' time begin another project.

SUPPORTERS' CLUB NOTES

We have stated on numerous occasions in these notes, in our Handbooks, and elsewhere, that in the event of an "All Ticket" match at the County Ground, each of our registered members will be assured of a ticket to secure admission.

Obviously we cannot make a similar promise in respect of an "All Ticket" match elsewhere, when Swindon Town is the away team.

We mention this in detail as we are receiving applications from members for tickets in connection with the "All Ticket Cup Tie" at Aldershot on Saturday next.

The whole of the allocation to the Swindon Town Football Club is 4,000, that is to say less than one-third of the number of members on our Register.

It will be obvious therefore that we must confine our promise to "All Ticket" home matches, and trust that there will be no further misunderstanding in the future.

Naturally, if on any future occasion, this Club should receive a share of the official allocation for an away match, the Committee would devise ways and means to ensure as equitable a distribution as possible.

We are very pleased to meet Leeds United, the leading Club in our Section, and hope that in spite of the distance involved they will bring some support.

SUPPORTERS' CLUB NOTES—CONTINUED

The Leeds Club is one of the comparatively younger clubs of the Football League. During the season 1919-20 the old Leeds City Club — members of the Second Division — disbanded, and Port Vale were elected to take over the remaining fixtures.

At the commencement of season 1920-21 the newly formed Leeds United Club were elected to the Second Division to the exclusion of Grimsby Town who, during that season, participated in the freshly constituted Third Division.

Swindon Town met Leeds United in a Cup Tie at the County Ground in 1921-22 and won 2—1. Both of the Swindon goals were scored by Fleming. Swindon's team was Skiller; Colebourne, Macconachie; Langford, Hawley, Wareing; Phillipson, Fleming, Rogers, Johnson, Davies.

In the past several Leeds United players have joined the Town, including Alan Fowler, Shanks and the Stephens twins.

Our Handbooks are selling well and we should like to clear them as soon as possible. The cost is one shilling and the books may be obtained before any match from sellers on the Ground or at our Headquarters. Make sure of your copy today. The books contain a good selection of photographs and records.

TODAY WE PRESENT FOR YOUR ENTERTAINMENT **THE ROYAL AIR FORCE POLICE DOGS**

A Demonstration of Training Methods and Exercises etc.

(By permission of the Air Council)

In war or peace at home or abroad, the Royal Air Force Police Dog is now recognised as an indispensable weapon in our security armour. Whether in the torrid heat of Aden and the Far East or the chill of a Scottish moor, whether patrolling in Cyprus or guarding vital installations and aircraft in the heart of England, the R.A.F. Police Dog is in its element. Tenacious, loyal, intelligent, strong, these are the sterling qualities of the dogs. Their handlers have immeasurable faith in them, and there is little wonder they are known as the finest police dogs of their kind.

Training is carried out at the R.A.F. Police Depot, where the R.A.F. Police handler, a volunteer for this work, is trained with the dog.

With its acute sense of smell the dog will detect and apprehend an intruder who might otherwise escape a sentry whose vigilance has been defeated by darkness. A dog will seize an intruder and hold on until recalled. Should the intruder be unwise enough to assault the handler his dog will attack without command. R.A.F. Police Dogs have died in defence of their handlers, so undivided is their loyalty.

The dogs now serving in the Royal Air Force were presented by civilian owners whose one desire was to find a suitable home for their dog where it would be usefully employed and well cared for. Gifts of suitable dogs would be gladly accepted and owners of Alsatians, between the ages of eighteen and thirty months, who feel disposed to present them to the Royal Air Force are invited to write to:—

The Commanding Officer, R.A.F. Police Depot, R.A.F. Debden, Nr. Saffron Walden, Essex.
