official **6^d**

**FOOTBALL LEAGUE DIVISION 3
SWINDON TOWN**

SATURDAY 27 NOV 1965
Kick-off 3.00 p.m.

Club notes BY RANGER

WHAT a month November has been for us so far! Two wins and a draw in the League, all away from home, and a win in the Cup, have certainly given us something to talk about. Tuesday's win at Brighton has taken us within three points of the second club, Grimsby.

Another feature about November is the way Les Allen has come bang into form. Les has scored a brace of goals in each of the last three games. For the games at Southend and again at Brighton, Les was switched to Centre Forward. This switch has certainly paid dividends.

Today we play promotion candidates Swindon Town who have also been

banging in the goals lately. This is the 65th League meeting between the clubs so we are no strangers to one another. Since the war, Rangers have won 12 matches, drawn 5, and lost 9. We lost to Swindon at home in season 1963/64. Looks like a good game is assured.

One player who has left the Club since the last programme is Frank Smith. Wimbledon signed Frank on the 19th November and according to press reports he had a blinder at Corby the next day. Good luck with your new club Frank, and may you have many more clean sheets!

Frank Sibley and Tony Hazell have again brought honour to the Club. This time by being selected to travel with the England Youth party to play Everton (under 19's) on the 7th December.

Our congratulations also go to Alan Spratley, a 16-year-old goalkeeper, from Maidenhead, who we signed as an apprentice footballer this week. And to Lew Adams, who scored a hat trick against Fulham Juniors. Lew has now scored 14 goals this season.

Praise from the players to the Supporters who have travelled to the last two away matches. "They have really got behind us and cheered us on all the way" said one of the boys. Thank you Supporters, but remember, anything you say or do at away matches is the yardstick which the home supporters judge us by. Say and do the right thing and make our Supporters the envy of all others.

F.A. CUP v. GUILDFORD

Stand seats are now available at the office for next Saturday's F.A. Cup match v. Guildford (kick off 3 p.m.). Seats are priced at 8/-, 7/- and 6/- each. Guildford have already taken a thousand seats and expect to ask for more, so book early. The match should be a thriller, particularly as the winners go in the draw for the next round, together with Clubs from the 1st and 2nd divisions.

LONDON CHALLENGE CUP FINAL v. ARSENAL

The Supporters' Club are still taking bookings for the coaches going over to Highbury on December 6th. We need all the support we can get. Why not book now?

kick off 7.30 p.m.

STOP PRESS

We very much regret to announce that young goalkeeper John Brooks broke his leg in the Football Combination match at Leyton Orient on Wednesday last. We all wish John a speedy recovery.

SUPPORTERS' CORNER

WE extend a warm welcome to Swindon, and their many supporters, who we know will be here to encourage them. This should be a great game. Swindon are playing well, and scoring plenty of goals. Our results are also more encouraging.

The supporters who make the away trips are doing their part, giving plenty of good vocal support.

If you have not already joined our Supporters' Club, do so today at the huts around the ground. Membership enables you to travel on any of our organised away trips, and who knows, this season may be our year for a Cup run, and promotion.
