NEWS and VIEWS

Owing to Christmas holidays these notes must be compiled before the result is known of the away game against today's opponents, played on Friday evening. Quite a journey back for our lads, late at night, but it certainly got them home early enough to enjoy Christmas Day with their families and friends.

For several years now, it seems to have been our fate to play a long way from home on Boxing Day, thus entailing a bus journey usually beginning early in the afternoon of Christmas Day. This time the fixtures made things a little pleasanter for us.

The name Peterborough United seems most familiar, and it is difficult to realise that they only gained league status at the beginning of season 1960-61.

They had certainly made a name for themselves in the F.A. Cup competition. (How well we remember the struggles we had with them, before winning 2—1 after drawing at the County Ground.)

In their first season in Division IV they won promotion by occupying first position with 66 points. Second were Crystal Palace with 64 points, and third Oldham Athletic with 60 points. Their goal average was quite fantastic, with 134 goals scored for and 65 against. A wonderful achievement.

When we met them two seasons later, 1962-63, they seemed hot favourites for promotion. It was Easter 1963, when we felt we also had a chance. It was Good Friday, and Peterborough United came to Swindon and won 3—2 before an attendance

of 23,239 spectators. The return game was played on Easter Monday, and we were defeated 1—3. Our promotion hopes seemed very poor.

Last season we defeated Peterborough United at home on 23rd October by three goals to nil. We were just beginning our successful Autumn run, when we won our games with very high scores. East, as centre-forward, was in great form. The previous week we defeated York City six goals to nil. We followed with three home games: Reading five goals to nil; Merthyr Tydfil five goals to one; and Mansfield Town six goals to two. A great burst of scoring which our supporters enjoyed. The team which played against Peterborough United was: Downsborough; Dawson, Trollope; Morgan, Nurse, Shergold; Weaver, Smart, Lawton, Brown, Rogers. Goalscorers were Smart, Brown and Rogers. East replaced Lawton (injured) for the cup-tie against Merthyr Tydfil, and really found his form.

The return game was played on 15th January, 1966. Snow fell heavily that week-end, and there was much doubt about our match being played. To be quite sure of arriving on time, plans were changed and our team travelled overnight.

The game was played on a snow covered pitch, but was most entertaining. Result: Peterborough United 2, Swindon Town 3. Our team on that occasion was somewhat different: Downsborough; Dawson, Trollope; Morgan, Nurse, Richardson; Henderson, Smart, East, Brown, Rogers.

It is interesting to recall the Peterborough United team, and how it compares with the one playing today: Duff; Johnson, Crawford; Crowe, Rankmore, Wright; Watson, Deakin, Gould, Byrne, Barnes.

NEWS AND VIEWS—continued

The Football Association has invited the Chairmen of various clubs to write an article in the F.A. News. This seems to be a step in the right direction. These men behind the scenes, right in the heart of football, could open the eyes of many. We doubt if they will because, in the main, they are most modest about their work for football. They dislike talking in public about their own affairs. We wish they would sometimes come out with the bare facts. Mr. Tony Wood, Chairman of Notts Forest F.C., has some pungent remarks to make when writing in the Arsenal Supporters' Club Journal on "The Duties of Club Directors". In our opinion it is a sound article. We quote from the last paragraphs:

"There is one thing that distinguishes the Directorate of a Football Club from that of any other Limited Company. No Board is out to make money just for the sake of making it, although of course football is a commercial undertaking.

Many directors have had to dig deep in their pockets to keep their clubs going through hard times; all of them are men of integrity.

But transcending all else, they are men who do what they do for the genuine love of the game, and their particular club, and without payment."

SUPPORTERS *CLUB NOTES*

Because of printing requirements, these Notes are being written on Tuesday, the 20th. Accordingly the result of the away match at Peterborough last Friday is still in the future as far as I'm concerned, although, obviously, I am hoping that a win, with two valuable points, will have been recorded.

The match against Brighton & Hove Albion still has me puzzled. Why, when the middle of the field was obviously sticky, were the two wingers left out in the cold during the second half? I do not profess to be a football expert, but common sense tells me that five forwards being utilised to the full is infinitely more dangerous than using three — apart from the fact that the other side are not permitted so much scope in their own attacks.

I was somewhat amused — if that is the right word to use — to see that the powers that be are exerting Clubs to cancel matches when the ground is expected to be unfit to play, in order to save supporters the expense of travelling to away matches only to find on arrival that the game has been cancelled. Looking at the original fixture list for the Third Division, I note that only four matches were listed in November — one being the first round of the Cup. The English weather being what it is, with an average summer, grounds do not normally get waterlogged until middle or late December. Up until then the normal football ground, together with the surrounding countryside, can absorb the early winter rains. Once the ground, as a whole, becomes waterlogged, then rain-water will stay on top. Could not evening matches be arranged during November as well? I have been told that November is unsuitable because of the incidence of fog. But fog, these days, can be, and is, forecast with considerable accuracy — certainly in time for matches to be cancelled. This would at least help to

SUPPORTERS' CLUB NOTES—continued

relieve the congestion which will occur in March and April, which, in turn, would leave room for matches to be cancelled in the months of January and February without fear of congestion later in the season. If four matches were to be postponed between now and the end of February — and this could well happen — there would scarce be time to travel around between matches. No wonder the poor Managers are anxious for games to be played, even though the players may be ankle deep in mud. But this does not provide the quality of football that Supporters are entitled to expect.

Last Thursday, the 15th, was marked by the Supporters' Club Christmas Draw in the Social Club. The draw was made by our new Football Queen, Mrs. Margaret Dyball, this being her first official function. The first prize went to Mr. H. Huish, of Market Lavington, who served for some years on the Supporters' Club Committee — a just reward, I feel, for all his voluntary help in the past. Full lists of winners have been circulated to all Agents who sold tickets, and I would like to thank these Agents, on behalf of the Committee, for helping to make the draw a success.

The same evening, a cheque for £1,500 was presented to the Football Club, who was represented by Mr. E. Lane, the Vice-Chairman, as a Christmas present from the Supporters' Club Competition profits. As in past years, this will be followed by further assistance in due course.

On Boxing Day, after the Peterborough United match, and as near as possible to 5.0 p.m., the Football Club will be holding the weekly draw in the Supporters' Club, and this week will, of course, include the draw for a motor car. One thing is certain — someone will have a very Happy New Year.

For Social Club members, here's the programme of events for the next couple of weeks:—
