Our two most recent results, a 3-0 win over Birmingham City and a 1-1 draw at Watford have given me a great deal of encouragement.

For in both those games, the players came through with fighting displays just at the right time.

In the game against Birmingham, they pulled out all the stops in the second half and Roger Hunt scored a great hat-trick.

Then at Watford, where we had easily as much play as the home side, John Manning headed the equaliser only a couple of minutes after we had gone a goal down.

We have been showing the right sort of spirit and we aim to keep it up this afternoon against our visitors Swindon Town.

Those of you who saw our youth team beat Oldham Athletic 4-0 and Tranmere Rovers 2-0 will agree with me that these "babes" are really worth watching.

And one of them, 17 year old Don McAllister, is proving his worth in the first team.

Several others are experienced Central League players - and we are looking forward to a good FA Youth Cup run this season.

I can't stress too much that these youngsters are the club's future and so many of them look like making good.

In the Tranmere game they were helped a great deal by the supporters on the terraces. They were given encouragement and applause throughout the game and they responded to it.

When I was a player, I used to respond to the crowd spurring me on to greater efforts and this support got me out of many a difficult situation.

Lofthouse**

FROM THE LION'S DEN

The Bolton players on the field this afternoon need your support and encouragement just as much as I did. Everyone makes mistakes and to be howled at doesn't help.

At this stage the players need your support. They showed what they could do in that second half against Birmingham when you were right behind them.

Don't let them down and they'll do their best not to let you down.

We're on the right track!

The Supporters' Club turned a £2,446 loss into a profit in the year ending July 31st 1970.

At last week's annual meeting chairman Mr. John Banks said: "The club is now making steady progress. We donated £1,043 to the football club and although the balance sheet shows a loss of £432, this donation means that we made a profit of £611 on the year.

"We are on the right track and we intend to stay that way. But I take no credit, I want to compliment the voluntary workers who have done so much for this club."

Mr. Banks said that overheads have risen from £85 to £100 per week.

He forecast better things to come and backed his words with figures. He said: "In the period from July 31st to Nov. 11th we have made £1,000 profit."

FLASHBACK

Swindon's long, long climb to the top . . .

The story of Swindon Town is particularly the story of football south of the Thames. Founded in 1881 by a clergyman, the Rev. W. Pitt, as an amateur club, it was quickly accepted as the best in Wiltshire, and the Wilts Cup was nearly always held by Swindon Town. In fact, the final was once contested between the first and the second teams of the club.

In time the club broadened its attitude, began to engage professionals and was accepted as one of the original members of the Southern League in which it had, with Millwall and Southampton, continuous membership from the inception in 1894 to 1920.

Then Swindon became a founder-member of Division Three South of the Football League.

During this period Swindon had varied fortunes. They finished the first season at the foot of the table and so became a completely professional side with a wage bill of £10 a week.

In 1900 they reached fourth position, but financial resources were so inadequate that the club had to part with many good players, several of whom went to Nottingham Forest.

In 1902 Swindon were a bad last and the "Railwaymen" were in sore straits. Thanks, however, to the hard work of such men as Sam Allen, a devoted club-man, difficulties were overcome for a time.

Season 1907-8 began a memorable period for the club. Swindon Town entered the F.A. Cup for the first time, reached the third round and three years later got to the semi-final to be beaten by Newcastle United, the ultimate winners, at Tottenham.

Two years later they again reached the semi-final, losing to Barnsley in a replay. Between 1907 and 1914 they won the Southern League Championship twice and were never lower than fifth in the final tables.

Since Swindon Town have been in the Football League they have been obliged to seek re-election in 1933, 1946, and 1957 and five times reached

fourth place before finally gaining promotion to Division Two at the conclusion of season 1962/63 when they finished in second position in Division Three.

Following an outstanding start in 1963/64 when they set up a record for a newly promoted club, being undefeated for 9 games, Town finished well down in the League. The following season saw them relegated to Division Three after only two seasons in the higher sphere.

Swindon again gained promotion to Division Two at the conclusion of season 1968/69, being runners up to Watford. During the same season they beat Arsenal 3-1 at Wembley to win the Football League Cup.

Originally the Swindon team played in green shirts on the Croft, but they moved to the County Ground in 1896 and they have occupied it since then without interruption, even in war-time.

Its capacity is said to be 30,000, but the highest pre-war attendance was 24,730 at the Cup-tie with Burnley in 1929.

This was easily surpassed at the League game with Watford in March 1969 when the record 28,898 was established.

Naturally, with so long a history of professional players, many outstanding men have been connected with the club. Perhaps the best known was Harold Fleming, always an attractive and dangerous inside forward, capped nine times for England.

Others of renown were the backs, Harry Kay, J. Hogan, S. Lamb and F. Richardson.

In more recent years the names of Billy Lucas capped for Wales, Norman Uprichard for Ireland, Mike Summerbee for England and Ernie Hunt who gained an 'Under 23 cap', spring more readily to mind.

At the present time they have Rod Thomas who has been capped for Wales and Don Rogers who has played for the England 'Under 23' side.

BURNDEN BULLETIN

RESERVES DRAW

The Wanderers Reserves were held to a 1-1 draw by Stoke City at Burnden on Saturday.

Stoke's defence was under constant pressure in the first half as John Byrom, Paul Fletcher, Garry Jones and Alan Waldron went near to scoring.

Appeals for a penalty were turned down when it looked as if Byrom had been pulled back by his shirt as he attempted to break through.

The Wanderers were rewarded in the 57th minute when Garry Jones hit a shot at goal which got a deflection on its way past John Farmer.

Ten minutes from the end, Stoke earned a point when Smith fastened onto a lucky rebound and beat Peter Clarke from close range.

★ ★ ★

Former Wanderers' favourite Doug Holden is back in this country after playing in Australia ... and Eddie Hopkinson has signed him up to play in his testimonial match on April 21st.

ROGER HUNT

Congratulations to Roger Hunt (above) who was selected to play for Europe against Benfica in the testimonial game for Portugal skipper Mario Coluna next week.

Roger is all set to fly out to Lisbon for the game which should pack the Benfica stadium.

When he heard the news, manager Nat Lofthouse had no hesitation in releasing Roger for the game. He said: "It's a great honour. If I had been selected for such a game I would have been so delighted I'd have walked there and back."

Roger is looking forward to renewing his acquaintanceship with many international stars from all over the Continent.

It will be a real step back to the big-time for a man who was an England star for so long and a member of the World Cup winning side.

Birmingham City goalkeeper Mike Kelly smothers a cross from the wing as Bolton's John Manning closes in (above). Wanderers went on to win the game 3-0 thanks to a Roger Hunt hat-trick.

A Good Start!

The new Wanderers' chairman, Mr. John Banks, hasn't seen a Bolton team beaten since he took over the reins.

Shortly after he was appointed at a board meeting, the youth team went out and beat Oldham, the first team hammered Birmingham, then the youngsters beat Tranmere and the seniors followed up with a point at Watford.

Keep on watching, Mr. Banks!

Bolton Wanderers have their own 007! Even the initials ... J. B. ... are the same.

No prizes for guessing the man himself. Yes, John Byrom, who collected his Supporters Club membership card this week and found he was member 007.

Licensed to score, John!
