## NEWS & VIEWS

Unfortunately, with Bank Holiday intervening, these Notes must be written before the Bristol City game. No doubt most supporters will be a little disappointed, because at the time of writing we have one point out of a possible six.

Our first match, against Queen's Park Rangers, was a most entertaining but very hard one. Following that, we had to travel north to play Sheffield Wednesday and then Carlisle. The former club seems to have recovered much of their power and form. It is a club with a great tradition, and one of the finest grounds in the country. I have yet to see a better stand than the cantilever one alongside the whole of the pitch at Hillsborough. Ten thousand seats, each with a perfect view of the game, with no uprights to cause an obstruction.

Following the game against Sheffield we had to travel further north to play Carlisle, where few teams enjoy much success. Whether it is distance, the ground, the surroundings or the air, most visiting teams come away without any points. Certainly it has never been a happy hunting ground for Swindon. As long ago as 1950, I remember being defeated there in the F.A. Cup.

It is the cause of much wonder in the football world that Carlisle still exists, yet alone does so well. Usually their home gate is the lowest in the League. For several seasons now Carlisle has been very much in the running for promotion. It is certainly a credit to all those who run the club that it functions so well. It even seems to be a training ground for managers. Several now in charge of senior clubs began there, including Bill Shankly and Fred Ford.

This evening we play the return fixture with Sheffield Wednesday, and it is with real pleasure we welcome the team, officials and players of this great club to the County Ground. Among them, we hope, will be Dr. Stephens, Chairman of the Football Association. We greet too the manager, Derek Dooley, whom many of us remember as a great centre-forward, whose career was ended by an injury, which caused the amputation of his leg. No doubt this disability has had a bearing on his feelings towards two players so long out of the game – Peter Swan and 'Bronco' Layne. It is good to see them back, and there is sure to be a special cheer should 'Bronco' have made the first team for this game. However we do applaud the action of the Sheffield club in giving these players every opportunity to rehabilitate themselves.

We hope we shall witness a splendid game of football this evening, and is it too much to hope the result will be the same as last season, a resounding victory for Swindon?

After tonight's game we travel once again to the far north of the country to play Sunderland, and then 'hey presto', home to Derby County in the Football League Cup. Could that be the beginning of another epic making era?

## dave's column

What a great draw in the League Cup. Last year in the Football Association Challenge Cup we were drawn against Arsenal, who were the League Champions, and now we are fortunate enough to draw Derby County.

Derby, like ourselves, have not had a very promising start to the new season, and of course it is vital to both clubs to do well in the League Cup, so it is sure to be quite a tussle.

I feel much happier at the thought of playing Derby than I would have if it had been Arsenal, because I know Derby very well and I also know that we will be allowed to play football, whereas Arsenal just stopped us before we even started last year in the F.A. Cup. The thing that disappointed me was that we played badly as a team that day and just played into their hands.

We have just got to do better against Derby. Most of the real pressure should be on them and not on us because everybody will be calling us the underdogs (except me) and therefore we have nothing to lose and everything to gain by doing well.

It is very strange playing against your old club. After I left Tottenham for Derby, gaining promotion the first season, we of course met them in the League the following year at Derby. Of course I was excited and I wanted to do well against them, but much to my surprise and embarrassment we slaughtered them 5-0, and when I say I was embarrassed I really was because I had no grudge against Bill Nicholson or anyone at Tottenham. I even missed going into their dressing room because they might have thought I was taking the mickey. Still, I think I could stand it again if we could pull it off against Derby - but I think it is asking too much for a 5-0 victory. I think I would settle for the score Swindon beat Derby by (and I was playing) in the League Cup a few years back.

I would just like to take this opportunity to congratulate Derby on the great achievement last year of winning the League, and say they were a great bunch of lads, and it was a pleasure to be amongst them for three years.

The one thing in our favour is that I will at least know more about the opposition than anyone else, but when all is said and done it is not the opposition that really counts it is what Swindon Town do out there on the park that really matters.

### SOCCER QUIZ

- (1) Of the following clubs, which has been in its present Division for the longest time without a break? Aldershot, Celtic, Leeds.
- (2) When was the last time that three clubs from Lancashire finished first, second and third in Division One and who were they?
- (3) Since the war two clubs have reached the F.A. Cup Final three times and have won it on each occasion. Can you name them?

Answers: (1) Celtic (Div. 1 Scottish League for maximum possible number of seasons). (2) 1967/68 (Manchester City, Manchester United and Liverpool). (3) Newcastle U. (1951/52/55); Tottenham H. (1961/62/67).

Two action shots from last Saturday's match at the County Ground, Swindon Town Reserves v Plymouth Argyle Reserves, which resulted in a good win for the home team.

## **PUBLIC RELATIONS**

---

Today we welcome our friends from Sheffield, and I am sure we are going to have a very hard fought game. This is a very important game for the lads and I trust you will give them all the vocal support you can muster. If any of the lads behind the Town goal read these Notes before the match, I sincerely trust you will be on your best behaviour today and show Sheffield just how well you can support your team without spoiling other people's enjoyment.

The Board of Directors are seeking all methods to boost the financial support to the Club and, needless to say, we need your help. We are now making a special effort to put the 'Rendezvous Club' on a sound footing. We have appointed an entertainments manageress who will take up her duties later in September. In the meantime, we are arranging dinner/dances each Saturday evening with various other events during the week. To all members - please support us and bring your friends. If you are not a member, join now. This is one of the best appointed clubs in the district - good food, wine and service and plenty of car park space - and now plenty of entertainment.

We have a few large fixture cards available and if you know of any district which needs these, we shall be only too pleased if you would distribute them for us. Contact the Secretary.

Have you watched the Reserves this season? If not, why don't you come along? These lads deserve better support, and you will surely be surprised by the standard of play. At the same time you will again be helping the Club.

It has been decided that the Derby County match on Tuesday, 5th September, 1972 will not be an all ticket match, but we hope to progress, so keep those vouchers in a safe place.

We have already had several match balls donated for this season, needless to say, we need many more to fill our fixtures. So why not donate a match ball today? The cost is £13.75 and you will be mentioned on the tannoy and have your name printed in the programme.

F. L. COLLINGS,  
Public Relations Officer.

### Catering facilities

We would like to introduce ourselves, **Concessionaire Catering**, as your new club caterers. We believe that you as Swindon supporters deserve and expect a first class standard of service, a wide and varied range of products, and attractively presented snack and licensed bars. As you know, with matches every fortnight there are problems in ensuring continuously fresh products. We feel it is worth the effort to provide a first class service of both hot and cold foods. This season we shall be introducing hot fresh chips, licensed bar facilities to parts of the ground, and a wider range of cold drinks. Fresh cheese rolls will be available all the time and we are always trying to extend the selection of confectionery and pies.

We know that in order to maintain this service our prices may for some items be somewhat higher than you could find in shops. However, as we have pointed out before, whereas a shop has the advantage of being open all week, we have only the thirty-odd matches a year. Our aim is to provide a balance and all our experience leads us to believe that you, the customer, prefers the attractive bars and the selection now available to you. We have spent a considerable amount of time on the decoration and layout of the various bars and have provided new and larger bars to help speed up service. We look forward to seeing you at the County Ground.

## Golden Goal Competition

*Would you like £60?*

You would? – then make sure you buy your **Golden Goal** tickets at every first team home match. For a minimum outlay of only five new pence **you** could win at least £60 with the possibility of two further prizes of £10.

Don't forget – the more tickets you buy the greater is your chance of winning that £60.

Look out for the **Golden Goal** ticket sellers and make yourself some money.

The prizes **must** be won every time.

Tickets bearing the time in minutes and seconds will be on sale before the game — price five pence. The ticket with the exact

time when the **first goal** is scored will win **£60**. If exact time not claimed prize will be paid to the nearest claim received.
