## BACK TO SUNSHINE

At last it was back to winning ways as we comfortably beat Oxford 2-0 away to end a dismal run of four successive defeats.

The win was a repeat of last year's victory at Oxford and the determination shown by our lads was tremendous. In the second half we started turning on the skill and showed more confidence and better balance all round.

It was a good week all round. The win at Oxford followed two days after we signed Wayne Entwistle from Leeds United for a knockdown £50,000.

We have been chasing a striker for weeks now and I was delighted to clinch this particular deal. Wayne is only 22 and looks the ideal man to take the weight off Colin Morris and Dave Hockaday.

Leeds originally wanted £90,000 for Wayne so I feel it was a good deal all round. We had suffered frustrations in our bids to sign several strikers but patience and determination paid dividends.

I did not want to splash it all over the

Press before Wayne came for talks because if the deal fell through the fans would have been doubly disappointed.

Still, it all worked out right.

Now we all hope to get back in the top half of the table. I never talk about promotion, relegation or championships. A good run and you're back in contention.

## SUPPORTERS Club Notes:

For this afternoon's match we welcome all our visitors from Swindon to Bloomfield Road. This is the return fixture from that played at the County Ground on the opening day of the League season in August when Blackpool won 2-1 with Dave Hockaday and Paul Fletcher scoring. At the time Swindon were one of the highly fancied teams in the Third Division but their performances and results have not come up to expectations and they are currently struggling in the bottom four. In nine away games they have mustered only four points in the form of a win at Exeter and draws at Gillingham and Oxford. Not very far into this season they sacked manager Bobby Smith who had been instrumental in taking Swindon to the League Cup Semi Finals only six months previous. Last season's corresponding fixture ended in a 1-0 win for Swindon but the season before that Blackpool recorded one of their best Third Division victories in hammering the Robins by 5-2. Blackpool's complete record against Swindon is as follows:-

	Pl.	W.	D.	L.	F.	A.	Pts.
Home	6	5	0	1	16	6	10
Away	7	2	2	3	5	6	6

It is strange how over the years Blackpool have struggled to win consistently at home and this season is no exception. Only two home wins out of a possible nine has meant that Blackpool have found themselves in the wrong half of the Third Division table and only some excellent away performances have kept them out of more serious trouble. A win today would be an excellent boost to all connected with the club before the break from League football for that much publicised F.A. Cup tie against Fleetwood.

### TURKEY DRAW

Once again the Supporters Club are organising their Turkey Draw competition. One turkey will be raffled each Sunday night up to Christmas and the proceeds from this venture will go towards the Christmas outing to be arranged for members' children. Once again Norman Turner is working hard selling tickets to make the Turkey Draw another success.

### CHRISTMAS KNOCKOUTS

The Christmas singles knockout competitions in dominoes, handicapped snooker, men's darts and ladies' darts are now well under way. In order that the final stages can be held on one night shortly before Christmas please try and play your first and second round matches before Saturday, 22nd November.

### AWAY TRAVEL

Blackpool's next away League match is at Reading on Saturday, 29th November. The Supporters Club coach to this match at Elm Park will leave at 7.30.

## The English Schools' Football Association/ Smiths Food Group 6-A-Side Championship

"What is probably the largest football competition in the world, is about to get underway. Over 5,000 Primary Schools from the length and breadth of England will be competing in the early stages of the English Schools' Football Association/Smiths Food Group 6-A-Side Championship, 1980-81. With eight players in each school team squad, this means that more than 40,000 excited youngsters will be setting their sights on Wembley Stadium, where the Semi-Finals and Final of the competition will be played on Saturday 13th June, 1981, on the occasion of the England v West Germany Under 15 Schoolboy International.

The popular schools competition, which was started in Season 1978/79 with an entry of over

2,500 schools, has more than doubled its entry, what a terrific competition, with the winners of the four regional competitions playing on the famous Wembley turf, for the honour of mounting the steps to the Royal Box as winners.

Smiths Food Group will present each of the four teams which reach Wembley with a full set of playing strip manufactured by Bukta. Each set will consist of tracksuit, shirt, shorts and socks, and will number 12 in all so that the school may benefit in future years.

# In RESERVE!

## GIVE US A GAME!

The Reserves have found it hard to strike up any form of rhythm because their matches are so few and far between. In the last month they have played only two games. Their last home game was over two weeks ago when they lost 2-1 to Bolton. Blackpool scored first through young left-winger Phil Williams who made an impressive debut but then Bolton won by scoring two late goals. The match at Derby was postponed as Derby were unable to raise a team due to illness and injury. The Res-

erves are next in action at home to Everton on Tuesday, 18th November. Phil Williams has since signed professional forms with us.

### 'A' TEAM

Because of the inactivity of the Reserves, the 'A' team have been able to field some strong teams lately. They thrashed Blackburn 5-1 for the second time this season with goals from Steve Bennett, John Butler 2, Keith Bowey and a John Deary penalty. Then they lost 1-0 away to Everton for only their third defeat in 11 matches.

Keith Bowey continues to make a fine comeback in the 'A' team after a year's absence through injury.
