Talk of the Town by the Chairman

Tonight we welcome the Players and Officials from Oxford United who are having an exciting season and are hoping for promotion to the Second Division. I am sure that everyone will enjoy the game if it is as exciting as our last few games. At this stage of the season, every game becomes a cup-tie and this atmosphere spreads through the players to the supporters who have been magnificent in their encouragement. I know that John and his players are very appreciative of this vocal support.

We have missed the tremendous efforts of Russell Lewis who received a two match suspension from officials of the Football Association who sit in judgement to decide the length of punishment the club concerned shall suffer. Supporters who know how honest and enthusiastic are the efforts of Russell Lewis when he gets on to the field will wonder how these verdicts are arrived at, but the referee's word is the law and final and if one is unlucky enough to be penalised with your name in that little book a few times, then the penalty is two-fold to the player and the club. The referee was criticised in our local paper for constantly stopping the game against Lincoln, but at least he did not consider that anything warranted a booking. With our final four games to decide our future we can ill afford to lose the players who are dedicated to give everything to our club. I look forward to the day when a system is found that will only punish the intentional fouls.

Looking forward to the future, we are thinking of introducing a team mascot again, as we used to do several seasons ago, only this time with a difference. We are proposing to offer this opportunity to both boys and girls. The mascot for the day will be kitted out in our colours, which they will be presented with after the game. They will have the opportunity to be photographed with the team, and this could be an exciting day for the family. Why not make this a unique birthday surprise. For details contact Danny Williams at the Ground. Call early and book your day to make certain that you are not disappointed.

Another important and exciting event which we are planning for next season is to make each home game an opportunity for businesses to meet before and after games with a view to mix business with pleasure. Danny Williams will be making contact with everyone that may be interested. We shall be allotting car parking spaces, the comfort of our Harry Cousins Suite to enjoy before, at half-time and after the match; to be able to meet over light refreshments and enjoy a social occasion.

Our last couple of home games have given us fresh hope for our future and I know that everyone of our supporters enjoyed Paul's hat-trick. By the time that these notes are printed, we shall know whether the Football Combination have decided to play its matches in mid-week or not. At the first meeting held to decide this, there was a strong feeling for the London Clubs to keep it to Saturdays, but the economics of football today is forcing clubs to cut back on playing numbers and to play reserve games in mid-week is the obvious remedy.

After tonight's game, we are left with only one more home game against Newport County and this could be a very vital game for both clubs. Hoping that you enjoy tonight's game and thank you for your support.

Before the last two games we needed to get maximum points to give ourselves any chance of avoiding relegation - this we achieved and although we have narrowed the gap between us and the others, there is still a lot of hard work for us to do in order to stay in the Third Division. In both of those games the commitment of the players cannot be questioned and if only this had been evident in our previous home games we would not find ourselves in the present position. Obviously the highlight of our game against Chester was Paul Rideout's hat-trick, however in no way was this a one-man show, but a one hundred percent team effort. We set about our task right from the beginning of the game. and although the rythm seemed to go astray on a couple of occasions, I never doubted what the result would be.

The vocal backing of our supporters in our game against Lincoln was marvellous - maybe because we were considered to be the under dog, playing a team who had only been beaten once in their previous nineteen games. Although the support was there to begin with when we played Chester, it seemed to me that it was only when we scored our second goal did that fantastic sound of encouragement come back. As I've said before - you cheering the team really does have an uplifting effect on the lads. Even if the game is not going well for us, please do what you did for them against Lincoln and let them hear you are one hundred percent behind them right from the beginning.

I can only hope that our game at Chesterfield produced the same commitment and dedication from the team as I feel now that our destiny is in our own hands.

The day before we played Chester, our Reserve Team went to Fulham and because of the uncertainty of injuries of two or three of the first team players, we had to field many of our very young players, but they were unfortunate to lose 1-0 due to a penalty against them in the last few minutes of the game.

Don's Midland Youth team lost to Leicester City at home 3-2 but again the side was mostly our younger apprentices and some schoolboys. This League will be sorely missed by us next season, as a decision has been made to suspend it for a while, as I felt it was such an important stepping stone to the Reserve Team.

Peter Rooke will be making a sponsored parachute jump on May 15th, the proceeds of which is being donated to the Supporters' Cooperative. Of course, I am also looking for sponsors for the Marathon on May 30th. All the sponsor forms are available at the Club Office and members of the Cooperative Committee.

We welcome tonight the players, officials and supporters of Oxford United. Thank you for your continued support and PLEASE LET US HEAR IT FOR SWINDON TOWN.

TOWN THROUGH TIME a question of age

by PAUL PLOWMAN

In the last twenty years or so, the appearance of teenagers has become commonplace throughout the senior game. In the days when it was possible to leave school at the age of fourteen, considerable fewer made the Football League grade before their twenty-first birthdat. The apprentice professional has only been with us since 1960 and it was about this time that Swindon manager Bert Head began the trend of fielding young players in his first team - and one of his proteges, current Town manager John Trollope, has continued in the same vein.

At the other end of the scale, fewer players now continue in top grade football beyond the age of thirty-two - whereas in the pre-war era the senior professional was very often retained until he was thirty-six. Just after the war, there was even the case of goalkeeper Neil McBain, who as manager of New Brighton, played himself in a Third Division game at the age of 52!

Early records, during the Town's Southern League days, are unreliable for it was not uncommon to ie about one's age - but the oldest player to appear for Swindon in a Football League game was also a goalkeeper, ALEC FERGUSON. Born in Glasgow in 1904, he had taken over fro 1 Swindonian Freddy Fox at Gillingham in 1925 and assisted Swansea Town during the thirties. He signed for Swindon on a two-month, trial from Bristol City and played seven League games - the last of which was against his own club on November 15 1947, at the age of 43 years and 3 months! The oldest outfield player at the County Ground was fullback 'TOBER' WESTON, Born at Calne in 1888. Albert Mark Weston made the last of some 270 League appearances at the age of 41, on April 15 1929. Of the forwards, ALBERT DERRICK, with just one Football League appearance on the right-wing on November 11 1946, was the oldest at 38 years 2 months. PAT TERRY was the 'elder statesman' of hat-trick scorers, against Bournemouth in October 1967. He was then just 34

To return to youth, Bert Head gave two lads their League baptism within weeks of their seventeenth birthday - CLIFF JACKSON and MIKE SUMMERBEE - and took the unprecedented step of introducing two to fill both the full-back positions for the start of the 1960-61

season. TERRY WOLLEN was just seventeen years and 21 days, while partner JOHN TROLL-OPE was a month his senior. The youngest to appear by this time had been ERNIE HUNT, whose League debut at Grimsby on September 15 1959 came at the tender age of 16 years 6 months. While there are no records of average ages of a complete side fielded, the Town eleven at Reading on March 2 1962 was probably the youngest overall. It followed soon after the retirement of keeper Sam Burton - and centre-half Maurice Owen was unfit. Six teenagers were included, with Mike O'Hara the 'babe' at 17 years 7 months. The senior man was Peter Chamberlain at twenty-six:

O'Hara; Wollen, Trollope; Smart, Chamberlain, Woodruff; Summerbee, Hunt, Smith, Atkins, Jackson. Average age 20 years 10 months.

November 1980 saw the arrival of PAUL RIDE-OUT in League football, just three months after his sixteenth birthday and last week, against Chester, he became the youngest player ever to record a League hat-trick for Swindon Town.
