After being two nil down against Tranmere at half time, we came out and completely outplayed them in the second half to come back on level terms but on reflection I feel that we lost two points instead of gaining one. Once again, I would like to thank you supporters for the wonderful support you gave us in this game. The lads do appreciate this encouragement away from home.

Regarding the new rules, I myself handled the ball at Swindon and probably should have been sent off, but thankfully the Referee used his own discretion and let common sense prevail. I believe players should get sent off for a professional foul because they have time to think about what they are doing. I don't believe players should be sent off for handling on the goal line after someone blasts the ball straight at them from six yards as it is a natural reflex then to handle.

I think these two new rules will cause havoc through the season with different interpretations by Referees.

I would like to thank the Supporters from the East End for visiting Russell Musker in hospital and taking him a beautiful basket of fruit.

**BADDELEY, Kevin** Defender. Born Swindon. Although brought up in Swindon Kevin joined Bristol City to serve his apprenticeship and made one league appearance for them against West Ham United in August 1980. Joined Swindon in July 1981 and established himself in the first team last season making 29 league appearances. Can play in either full back position although usually found on the left.

**BAILIE, Colin** Defender. Born Belfast. Promising young full back who signed professional last season after completing his apprenticeship. Made one first team appearance at Oxford United in April 1982.

**BARNARD, Leigh** Midfield. Born Worsley. A busy hardworking player he made around 90 league appearances for Portsmouth before joining Swindon in July 1982.

**BATTY, Paul** Midfield. Born Edlington, Yorkshire. Young player who completed his apprenticeship last season and signed professional but had not appeared in the first team at the season's end.

**BAVERSTOCK, Ray** Defender. Born London. Young fullback who served his apprenticeship with Swindon but had not appeared in the first team at the end of last season.

**BEAMISH, Ken** Forward. Born Bebbington. Ken is a coach at the County Ground but also available as a player and made 2 league appearances last season. A very experienced player with a good scoring record he made 552 league appearances for Tranmere Rovers (twice), Brighton, Blackburn, Bury and Port Vale before joining Swindon in July 1981.

**CARTER, Roy** Midfield. Born Torpoint. Roy played part time football for Falmouth before joining Hereford in the summer of 1975. His league debut was at Halifax Town in April 1975 and he played in the Third Division Championship team of 1976. Made 71 league appearances before his transfer to Swindon in December 1977. His height and pace have made him a complete utility player and he has played in every outfield position whilst with Swindon for whom he had made 97 league appearances at the end of last season. Usually found as an attacking midfield player he was the team captain and penalty taker last season.

**EMMANUEL, Gary** Midfield. Born Swansea. Gary started his career with Birmingham City making his debut in January 1975 at Stoke City. He played 71 first division games for the blues before a transfer to Bristol Rovers in December 1978. A further 65 league appearances followed for the Eastville Club and he joined Swindon in an exchange deal during the 1981 close season. Gave some all-action displays last season.

**GRAHAM, Mike** Defender. Born Lancaster. Mike began his career with Bolton Wanderers and made his league debut as substitute at Mansfield in March 1978. He had made 46 league appearances for Bolton, mostly at fullback before he joined Swindon in the summer of 1981. He made 30 league appearances last season often in the centre of the defence but also in midfield.

**HENRY, Charlie** Defender. Born Acton. Charlie grew up in Swindon and served his apprenticeship with the club signing professional in February 1980. By September 1980 he had made his first team debut in a league cup match at Lincoln City and went on to establish himself in the first team at right fullback although he can also play at centre half. Had made 69 league appearances at the end of last season.

**HUGHES, Brian** Midfield. Born Ludgershall. A former Swindon apprentice he signed professional in 1980 and made his first team debut in a league cup-tie at Lincoln City in September of that year. A player of considerable potential despite his lightweight build he had made 51 league appearances at the end of last season.

**LEWIS, Russell** Defender. Born Blaengwynfi. Russell joined Swindon from Welsh League Football in 1976 and made his league debut at York City in April 1977. He had to spend several seasons as reserve centre-half before winning a regular first team place at right full back during the 1979-80 season. The following season he took over at centre-half and at the end of last season had 138 league appearances to his credit. A wholehearted tough-tackling player.

**PRITCHARD, Howard** Forward. Born Cardiff. Howard served his apprenticeship with Bristol City and made his league debut against Aston Villa in August 1978. He made 38 league appearances over the next three seasons and was released to join Swindon in July 1981. He made 28 league appearances for Swindon last season and usually plays as an orthodox winger on either side of the pitch although usually favouring the right.

**QUINN, Jimmy** Forward. Born Belfast. Swindon signed Jimmy from Northern Premier League side Oswestry Town in December 1981 after a months trial and he made his league debut as substitute against Walsall in March 1982. He made 2 full appearances and 1 more as substitute last season after a rapid rise from junior football. An old fashioned centre forward who is good in the air.

**RIDEOUT, Paul** Forward. Born Bournemouth. Paul was the regular centre forward in the England Schoolboys team for two seasons and signed as an apprentice for Swindon in May 1980. He was given a professional contract on his seventeenth birthday but by that time has already scored on his league debut against Hull City in November 1980 and made 16 league appearances last season to take his total to 51 before his eighteenth birthday. His ability to produce goals out of unpromising situations marks him as a player with the potential to succeed at the highest level.

**BLACKLER, Martin** Midfield. Born Swindon. A former Swindon apprentice who has yet to make a first team appearance.

During 1974 he was transferred to Bury and made his league debut at Swindon in August that year. He was three times leading scorer for Bury and played 174 league games for them before his transfer to Swindon in September 1978. He made 141 league appearances for Swindon at the end of last season and has a consistent goalscoring record.

**STEVENS, Mark** Goalkeeper. Born Bristol. Tall goalkeeper who served his apprenticeship with Bristol Rovers and signed for Swindon in the summer of 1981. He was awaiting his first team debut at the end of last season.

**WILLIAMS, Gary** Defender. Born Nantwich. Although he made his league debut at Gillingham in May 1977 whilst playing as an amateur for Tranmere Rovers his professional career began in Sweden where he played several seasons for Djurgarden of Stockholm. In 1980 he was signed by Blackpool and made 31 league appearances for them in one season. He signed for Swindon in August 1982 and made 36 league appearances last season. He prefers to play at left fullback but spent quite a lot of last season playing in midfield.

## **RESIDENTS:**

I chaired a meeting in Kickers a few weeks ago with the local residents where the people had the chance to raise any queries with our Directors. A fruitful meeting was held and others are planned and printed here is a letter from a local resident

on the Stones concert:-

Dear Mr. Evans,

It is some weeks now since you put on the Stones' concert at the City Ground with, in our opinion, such panache and successful organisation it still remains in our minds a marvellous and uplifting day in an otherwise dreary and uneasy summer. We had such a smashing time that we thought we would write to thank you for the inspiration and hard work of yourself and your team.

In the depressing financial climate of the moment, it gladdens the heart when someone has the nerve and enterprise, as you did, to risk a great deal to put on a show that brought pleasure to the many thousands in the audience, made some much needed money for the Bristol City Football Club, brought custom into the Ashton area, gave employment to several hundred people over a period of two weeks, and provided almost a carnival atmosphere for the local people, a carnival which, moreover, went off with no disturbance of the peace and more or less pleasure to the eardrums. On the whole, most people, even those for whom the Rolling Stones' music would not be a personal choice, felt that some minor inconveniences were worth the pleasure and fun the day brought to so many.

It gladdened one's heart too, in the present time of unrest and unemployment and problems, to see that a great number of people could come into a small area of Bristol to be well entertained, and to behave so well.

We live just opposite the City Ground and so can vouch for it that the 30,000 or more people, many of whom queued for hours for the show, caused no more bother to us than the few hundreds who show up for the football matches on Saturdays or Tuesday. Many thanks.

It was only rock 'n' roll but we, and many other grateful local people, liked it. What's the next show to be? We are looking forward to it.

Yours sincerely,

Gabrielle Goodchild, Roderick Pearce, 5 Bower Ashton Terrace, Bristol 3.

# LOOKING BACK

**WALSALL 2 - BRISTOL CITY 8**

**February 26th, 1938**

Bristol City must have gone to Fellows Park with some confidence for this Division 3 (South) League match having won the corresponding game in the previous season by 5 goals to 1, but no-one could have envisaged the goal avalanche that was to come. Especially as for the first 20 minutes the game, played in steady drizzle, was evenly balanced with play going from end to end.

Then it happened! - within the space of 5 minutes, 4 goals were scored with City getting 3 of them.

Clarrie Bourton scored his first since returning to Ashton Gate; Joe Brain and Alfie Rowles netting the others.

At half-time it was Walsall 1, Bristol City 4.

Amazingly the scoring continued in the second half and at one stage the visitors were leading 8 - 1 before Walsall pulled one back just before the end.

City Right back Brook joined in the fun by scoring direct from a free-kick taken near the half-way line the ball dropping over the 'Keepers' head. Incidentally, the 17 year old Walsall goalie was the same Bert Williams who played many fine games for Wolves and England in later years. Right winger Frank Peters weighed in with 2 goals while Alfie Rowles finished with a hat-trick, continuing his amazing scoring sequence. Rowles, a slightly built local lad, made his debut against Exeter City on January 15th 1938 when he scored a hat trick and had scored in every game since. His record was now 12 goals in 6 matches. Unfortunately a knee injury forced him to pack up the game early (shades of Paul Cheesley in later years!)

This record away win kept City on the heels of the 3rd Division Leaders with a great opportunity to narrow the gap the following week with a home match against Cardiff City coming up.

However, it was not to be; Rowles failed to add to his remarkable record and City went down 1 - 0 before a crowd of 38,066.

## **Teams:**

**Walsall:** Williams, Shelton, Bennett, Askew, Morgan, Payne, Drew, Woolhouse, Evans, Robinson, Redwood.

**City:** Dawson, Brook, Turner, Morgan, Pearce, Armstrong, Peters, Bourton, Rowles, Brain, Dryden.
