Talk of the Town by the Chairman

Today we welcome the players and officials from Brentford Football Club in the Second Round Proper of the F.A. Cup. Cup ties seem to have a special magic about them and as this is the round which gives entry to competition with the First and Second Division Clubs, at least to the successful team today there is that expectancy of something exciting around the corner. The draw for the next round is being made by the Football Association this evening and will be relayed to the public. Mr Lionel Smart, one of our directors, will be helping in this draw.

Brentford are almost considered neighbours of ours in the football world and are easily accessible on the M4 Motorway from Swindon and we can expect a following from them that will certainly make themselves heard. Chris Kamara will certainly be no stranger to the County Ground and in fact still lives in Swindon having bought an Off Licence business in York Road. There must be something about Swindon that attracts because so many footballers and ex footballers seem to make their homes in and around the area.

Our home games are attracting friends of the club to sponsor these matches and it is so popular with some that they book up several times. The match sponsors for the day are entertained before and after the game in the Harry Cousins Suite by Danny Williams and are given special car parking facilities for the day and V.I.P. seats for the match. For these facilities they pay £100 and this admits four people.

This week we are indebted to V & G Newman, Wholesale Meat Suppliers of Malmesbury, Bath Road Garages who may have some cars on display and Alan Vockings of the Metalite Company.

The Ball sponsor today is Mr Bill Collins who is very generous to the club in this way. The mascot of the day last week was the son of Mr. Bunce who comes from Wantage and Danny Williams did not have his name in time to be printed in the programme. We hope that he enjoyed his day out with us.

To all these generous people we are very grateful as we are to all friends of the club who give so much of their time. A Sponsored Walk was held around the ground on Sunday last organised by the Supporters Co-operative committee and this was very successful in raising money for their funds.

Our Annual General Meeting is due to be held on the 20th of this month and at the Extraordinary meeting to be held just prior to this we are asking the shareholders to enable the Board to increase its members from the present number of nine to twelve. This is being done to enable the Board to provide more money to the company which in turn will help the club to get through this critical period of low gates. We are naturally hoping that our lost support will return to enable the club to keep up its present standards which means encouraging youth and running a Reserve Team.

Hoping that we shall all enjoy today's game and thank you for your support.

JOHN TROLLOPE

Last Saturday we continued our run of good results in the League by defeating Peterborough by one goal to nil. Those of you who saw the game will have witnessed how difficult it is to break a side down who come to disrupt our pattern of play rather than to play open and entertaining football. This led to a frustrating afternoon both for you the supporters and our players and in comparison to previous games, the entertainment value was missing and considering that it takes two teams to make an attractive game it is very difficult for one team to get their game together when the other side is intent on spoiling tactics. However, the overall result was gratifying and the three points gained consolidated our third position in the league and opened up a small gap of four points between us and the team in fourth position.

This afternoon we are back on the F.A. cup trail and as I said in my notes for the first round match it is very important to the club that we progress in this competition. Not only does such a run interest and excite you the supporters, knowing as I do how much the Swindon folk enjoy the F.A. Cup, but also for the financial rewards which the club so badly needs. Today's game should, on form, be an entertaining one and I am sure that everyone would join me in welcoming Chris Kamara back to the County Ground, even if only for a short time.

I have received a number of enquiries regarding the situation of Roy Carter and Gary Williams, due of course to the fact that they are not appearing in the first team. In both cases it was the player who requested a transfer for not being able to command a place in the team. I only want players in my side whose hearts are really with the Club and who are prepared to give their all for ninety minutes and at this moment of time I do not honestly consider that either player can be included in this category.

I would like to say thank you to the Supporters Co-operative for the hard work they continue to put in for, during the last week, they have held a Jewellery Party in the Rendezvous Club and a group of supporters on the Co-operatives behalf have held a sponsored walk here at the County Ground. Thanks all round to all concerned.

Today we welcome everyone who have travelled down the motorway from Brentford. This next hurdle in the Cup is going to be a hard one and once again I ask you all to continue the good work you have been doing this season in your wonderful vocal encouragement of the team. Thanks for coming and I hope you have a great afternoon.

TERRY ROWE (Full-back) Former junior who made his League debut last season with considerable success and is expected to progress further this season. Was called up for training with England's Youth squad and is more than a useful cricketer being offered a trial at Lords but turned it down in favour of football.

GRAHAM WILKINS (Full-back) Signed in the close season from Chelsea after having been a target of Manager Fred Callaghan for two seasons. Brother of England International Ray Wilkins and son of George who played for Brentford as an inside forward in the 1930-1940's.

BARRY TUCKER (Full-back) Very experienced full back with nearly 400 League appearances to his credit. Born Swansea and came to the front with Northampton Town where he oftened partnered Phil Neal.

DANIS SALMAN (Central Defender) Won five England Youth International caps and although only 22 has made nearly 250 first team appearances. Created a Club record when he made his debut at 15 years 7 months after being taken to the Club as a schoolboy by John Docherty currently Manager of Cambridge United. Born in Cyprus of Turkish parents.

ALAN WHITEHEAD (Central Defender) Dominant centre-half signed in the 1981 close season from Bury for a record fee of 78,000. Although he took a little time to settle down he was voted "Player of the Year" by the Brentford Players in recognition of his sterling defensive performances.

FRANCIS JOSEPH (Forward) Impressed Brentford when he scored twice for Wimbledon inside five minutes against Brentford at Griffin Park last season, also scoring in the earlier match at Plough Lane. In fact finished Wimbledon's leading scorer with 13 goals and was voted their "PLAYER of the YEAR". Joined Griffin Park staff in close season.

TONY MAHONEY (Forward) Came to Brentford on a free transfer from Fulham during the close season having been in and out of the Fulham side for several seasons but has nearly 100 League games to his credit. A Londoner, born in Barking.

BOB BOOKER (Midfield/Forward) Versatile player who started as a centre-forward scoring a hat-trick in a 7-2 defeat for Hull City shortly after getting into the side. Was however very impressive last season as a central defender after coming on as a substitute against Fulham. Is equally at home in mid-field.

JIM McNICHOL (Central Defender) Former Scottish International 21 defender who came to the Club four years ago from Luton Town. Has played in a variety of positions and has nearly 100 games to his credit although often competing with Danis Salman for the number 4 shirt.

RON HARRIS (Defender) Was awarded a silver salver by the Club last season commemorating his 800 appearances in Cup and League football. Spent two decades at Chelsea during which time he skippered them to a famous FA Cup Final Replay victory over Leeds United. Joined Brentford in the summer of 1980 as Player-Coach although this season he is likely to concentrate on bringing the youngsters along in the Reserve team. Doubtless his experience will still be called upon from time to time in the Third Division.

TERRY HURLOCK (Midfield) Signed from Leytonstone & Ilford in August 1980 and has been an outstanding member of Brentford's midfield ever since, missing only a handful of games.

PAUL WALKER (Midfield) Former England Schoolboy captain who made his first team debut as a 15 year old but has never established a regular first team place although he has over 50 League appearances to his credit.

CHRIS KAMARA (Midfield) Club Captain, signed from Portsmouth in an exchange deal involving David Crown going to Fratton Park. Previously with Swindon Town his enthusiastic midfield play earned him the Runners-up spot as the Supporters Club "Player of the Year" last season.

STAN BOWLES (Midfield) Thought by many to be Brentford's best transfer for years when he signed from Orient in September 1981. Made his name with Queens Park Rangers where he won five England International caps. Has made over 400 appearances in a career spanning Manchester City, Bury, Crewe, Rangers, Nottingham Forest and Orient. Still one of the games great entertainers and recognised by Brentford fans who voted him "Player of the Year".

From the Brentford Archives

Compiled by PAUL PLOWMAN

Business between Brentford and Swindon, both on and off the field, dates back to the early years of the century. Brentford joined the Southern League Second Division in 1898, playing home games in South Ealing, and met the Town for the first time on April 29 1901 - by which time they were renting premises in Boston Park from a local cricket club. Brentford had been undefeated in 1900-01, whilst Swindon had won only three games out of 28 and had finished bottom of the First Division that winter. The end of season meeting was a Test Match, the then traditional method of deciding promotion and relegation between divisions and, as such, was played on neutral territory at Elm Park Reading. In the event, neither side had scored at the end of ninety minutes - or at the end of extra-time which was brought to an end only by darkness.

A few weeks later, Brentford formed a limited company and adopted professionalism, under which their first match was played at Swindon on September 7 1901. Again there were no goals. Brentford took the First Division wooden spoon from the Town in 1903 and continued to struggle until moving to Griffin Park a year later. The club suffered a setback in the summer of 1906 with the death of secretary-manager Dick Molyneux - but they recovered to make a profit on the following season's business - for the first time since gaining promotion. After another disastrous year, when Brentford again finished last, goalkeeper Archie Ling was signed from Swindon to bolster the defence. Ling, a Cambridgeshire cricketer, made some seventy appearances for the Bees before the club was relegated in 1913. Brentford had also signed a winger by the name of Elias Henry Hendren, but better known as 'Patsy', the Middlesex and later England batsman whose career in cricket was to last until 1937.

During the First War the Bees competed in the London Combination - which they won in 1918-19 - and could call on the services of Fred Keenor, the Cardiff and Wales centre-half, winger Charlie Allwright who was to join Swindon in 1920, and Ephraim Rhodes whose long and distinguished career at full-back was to continue until 1922 when he was appointed club trainer. A pre-First War Bees' winger, William Brawn, looked after team selection from 1920, when Brentford were elected to the Football League and re-signed Hendren, a Middlesex colleague in goalkeeper F.J. Dulston - all six feet five of him - and a former Town full-back Lionel Piggin. Harry 'Abe' Morris, who was such a success at the County Ground later in the decade, signed for Brentford in 1921 and was top goalscorer in 1921-22 and 1922-23 before being sold to Millwall for £500.

From the Commercial Office

Good afternoon Ladies & Gentlemen.

One question I am asked, probably more than any other, is how the fortunes of a lottery are affected by the success or failure of the football team it supports? I must admit at one time my answer would have been very non-committal.

Now however I am beginning to believe the answer should be, "very much."

If this is not so then it must be coincidental that the success now being enjoyed by "The Town" comes at a time when sales of our lottery tickets are increasing week by week.

To help this progress in the right direction we have just introduced a new lottery

ticket which itself is proving very popular. To all readers of these notes I ask the question, "Can you help in the sale of a few tickets either on a weekly, fortnightly or monthly basis"? I particularly address that question to any of our ex-Agents. If you have sold tickets previously for us but have had to cease in circumstances which have now changed then we shall welcome you back with us again. Just give us a call on Swindon 42984 and we will contact you.

A special word of thanks this week to the many season ticket holders who have taken up their books of Christmas draw tickets sent to them. Their response has been tremendous.
