SWINDON TOWN

Tuesday, 27th September 1983

Kick-off 7.30 p.m.

Team Talk...

Swindon Town, our visitors tonight, had a good away win at the weekend beating Stockport County 3-1. They have had a similar start to ourselves in their League programme and are a point behind us with both of us having played six games. They are one of our two local derbys in the League this season, the other one being recently relegated Reading Football Club. If the standard of tonight's match is anything like the corresponding fixture last year, I am sure we are in for a good night's entertainment.

Saturday's home match with Wrexham was disappointing in that we did not win the match, but I think the standard of football in the first half was very good and while in the second half most of the game was in Wrexham's half we could not get the goal which would have meant the three points being ours. Ian Gillard had to come off before half-time with a re-occurrence of a hamstring strain and is unfit for tonight's match.

During the coming weeks we have two First Division teams coming to the Recreation Ground, with the visit of Notts County our opponents in the second round of the Milk Cup on October 4th, and the visit of Arsenal Football Club on October 18th to play a Testimonial Match for Glen Johnson our long serving goalkeeper who is having to retire from the game with a back injury. A very big 'Thank you' to Terry Neil for giving his player's, his own and his club's time for such a match so early in the season and it gives all local people a chance to see so many international stars in action on their doorstep. Players such as Charlie Nicholas who, I think, given time will prove to be as good as anything to come out of Scotland and with the likes of Graham Riv, Tony Woodcock and Pat Jennings to name but a few, a wonderful night in prospect.

Thank you

Shots from the Past

MALCOLM CROSBY

Malcolm Crosby played over 300 first team games for the Shots and scored 26 goals before moving on to York City in the exchange that brought Ian Macdonald to the Recreation Ground in November 1981.

Malcolm started as a 16 year old apprentice at the Rec in 1970 after being offered a trial by the then Boss—David Smith.

He signed professional forms in the summer of 1972 when he was 18 and by way of showing the club's gratitude a cheque for £50 was sent to Horton and Westoe Juniors in South Shields, the club which had produced both him and his friend—Joe Jopling.

Malcolm made his first team debut as substitute in the 4-2 defeat at Darlington on February 12th 1972.

The one game he remembers in particular was the League Cup 1st round, second leg match against Wimbledon in September 1981. Malcolm recalls "We had taken a few hidings at Wimbledon in the past but we all played great that night and won 3-1. I scored a goal from the half-way line, which is the best goal I've ever scored. That game and that goal I will always remember".

An enthusiastic competitor, Malcolm mainly played in midfield but also appeared at right and left back. He even took over in goal during the F.A. Cup game against Lincoln back in 1976, when Tony Godfrey was injured.

Malcolm although enjoying his football now at York obviously regarded the move as something of a wrench after being here for so long. He left behind good friends in Joe Jopling (who helped him so much in his early days at the club), Alex Macgreggor and Murray Brodie.

Malcolm would like to put on record his thanks to all those who treated him well during his stay especially Len Walker, Tommy Mac, John Anderson and a group of supporters from Ascot who still invite him and his wife Carole to their annual end of season dinner.

DAVID HALL

Backtrack to Season 1977/78

The opening game of the League season resulted in a 2-1 win at York, with Aldershot players scoring all three goals. Needham put the Shots ahead in the 23rd minute, but the home side were presented with a gift equaliser when Joe Jopling, attempting a back pass to Johnson, unfortunately lifted his pass over the keeper and into the top corner of the net. However, a clever Dungworth lob won both points for the Shots.

Home wins against Stockport (2-1) and Doncaster (1-0) gave Shots an ideal start to the season, and also won Tommy Mac the Bells 'Manager of the Month' Award.

Two consecutive draws (v Huddersfield and Barnsley) were followed by Shots' first-ever League visit to Wimbledon, which provided an exciting match that boiled to a remarkable climax. Shots took the lead in the 42nd minute. Crosby's inswinging corner took a deflection, giving Needham an easy chance. However, an identical situation arose in the 51st minute and gave the Dons the equaliser, Bill Edwards scoring. With both sides pledged to attack, numerous chances were created. The all-important goal was scored in the 81st minute, Brodie sweeping over a right wing cross which McGregor squared to Dungworth, who picked his spot with a powerful header.

With victories against Rochdale and Crewe, Shots went to the top of Division Four.

Two difficult away games followed, and both resulted in 1-0 defeats for the Shots—thus ending the unbeaten record.

A morale-boosting win over League leaders Watford at The Rec in front of a large crowd gave Shots revived confidence in their push for promotion. A rare goal by Malcolm Crosby in the 76th minute settled the issue. Watford included Roger Joslyn, former Shots favourite, who sprayed long and accurate balls from midfield up to the Hornets' impressive forward line of Jenkins, Mercer and Mayes. The noisy crowd, swelled by the Londoners' travelling fans, witnessed an absorbing contest which gave The Rec a rare atmosphere.

Aldershot's opponents in the first round of the F.A. Cup were near neighbours Reading. Shots began well and were awarded a penalty in the 25th minute, but Mick Earls drove his kick wide of an upright. Two minutes later McGregor received the ball on the halfway line and dribbled his way to the edge of the area, from where he hit a beautifully-judged angled shot over Death into the far corner of the net. However, two goals by Reading just before the interval set the game up for an exciting second half. Unfortunately, Shots conceded a goal in the 46th minute, and from this point the game became fiercely contested, with some blatantly late tackles and petty squabbles culminating in Tommy Youlden being sent off in the 63rd minute for a late tackle on Earles.

A win, a draw and a defeat were Shots' results over the Christmas period, with the better performance being the 1-1 away draw with Northampton, where Shots had to battle for the majority of the second half with ten men, Jopling having been sent off.

In a remarkable game v Huddersfield, Shots saw a two-goal lead (Brodie and Bell) turn into a one-goal deficit within a 15-minute spell—Butler, the Terriers' striker, grabbing all three with fine opportunism. A late flurry by Shots saw Terry Bell grab the equaliser just on full time.

January/February saw a disappointing run of eight games without a win, on top of which bad weather in February meant the postponement of matches—which proved to be a disrupting influence on the team.

Dennis Longhorn became a Shots player in late February, signing from Sheffield United for a £13,000 fee. He made his debut v Darlington in 3-2 win.

Hartlepool were the opponents in Shots' final home game—a game which Shots had to win and Swansea to lose at home for Shots to have a chance of winning the final promotion place. Although Shots played their part in winning 3-0, Swansea's opponents, Halifax, could not muster the necessary away win, and therefore Shots had to be content with 5th position.

Dixon and Dungworth topped the appearances with 45—with the latter also scoring 23 goals and being voted 'Player of the Year'.

BARRY SMITH.

TODAYS OPPONENTS

Disappointment at failing to regain Third Division status last season has resulted in a number of personnel changes at The County Ground, where Ken Beamish is manager after a distinguished career as a player with many clubs and a spell as caretaker manager with the Wiltshire club.

Beamish was appointed in April 1983, having joined the club in the summer of 1981 as a player coach. His playing career spanned Tranmere, Brighton, Blackburn, Port Vale, Bury and then Swindon. He recruited a number of new players in the summer, including goalkeeper Scott Endersby, defender Nigel Gray, midfielder Paul Richardson, plus forwards Dave Hockaday, Alan Mayes and Gary Nelson.

Endersby was on the books of Kettering as a schoolboy when he became the youngest player to appear in the first round proper of the FA Cup some years ago. Now he has linked up with Swindon after keeping goal for Tranmere following a spell as an Ipswich apprentice.

Gray made his name as a centre-back with Orient and had been introduced by them to League football some eight years ago. He made over 230 League appearances at Brisbane Road.

Richardson is the Swindon player-coach and was an apprentice at Nottingham Forest originally before moving to Chester, Stoke and subsequently Sheffield United. He also had a brief spell on loan to Blackpool last season and has made over 400 League appearances in his career.

Hockaday was also at Blackpool, but this was his only previous club, having joined them as a youngster. He plays on the flank in attack and made over 100 League appearances for the Seaside.

Mayes is in his second spell with Swindon, but started with Queen's Park Rangers and later played for Watford, Northampton (on loan) and then Swindon. He moved to Chelsea in December 1980 before returning to the County Ground in July.

Nelson was with Southend United before his move to Swindon and had appeared in around 125 League games as a forward for the club he joined from schooldays.

Ever-present players in the side last season were defender Mike Graham, who played extra cover in defence, and midfielder Leigh Barnard. Graham started with Bolton Wanderers and has been with Swindon for two or

three seasons. Barnard was with Portsmouth previously apart from a spell on loan to Peterborough and came to Swindon in the summer of 1982.

Goalkeeper Jim Allan missed only one League outing in 1982-83, and is the club's longest-serving player, having been signed in 1970. He is moving towards 400 League appearances now.

Andy Rowland missed only one League game himself and was second highest League scorer with 16 goals. Top marksman was Paul Rideout (now with Aston Villa). Rowland was with Derby County and Bury previously and has scored well over 100 League goals.

Full-back Charlie Henry has been on the senior roster since he was a teenager and has made over 100 League and Cup appearances for his only senior side, whom he joined as an apprentice.

Other full-backs at Swindon are Kevin Baddeley and Colin Bailie. Baddeley was with Bristol City previously but Bailie started as an apprentice.

Completing the staff are midfield players Paul Batty and Gary Emmanuel and forward Jimmy Quinn. Batty is a local discovery, Emmanuel was with Bristol Rovers and Birmingham City, while Quinn (an Irishman like Bailie) was signed from Oswestry.

Canon

Introducing The Canon League.

From the beginning of the 1983 football season, The Football League Championship becomes The Canon League.

This is as a result of the biggest sponsorship in British sporting history and because Canon UK believes in the future of League Football you, the fans, will benefit from the best football deal of all time.

Canon sponsorship injects £1,000,000 into football each year for the next three seasons and there is plenty in it for you, the fans.

Canon's involvement with football will not change the format of The League. The Championship will run in the traditional and well proven way but with one important difference. Each of the 92 clubs will benefit and, for the first time, winners of all four divisions plus placed clubs will receive prize money.

In addition, to generate greater excitement and entertainment, awards will be given for monthly and seasonal goal-scoring achievements by clubs. And there will be payments to clubs that attract family audiences, loyalty awards to individuals and many more exciting and worthwhile benefits.

But why has Canon, manufacturer of cameras and business equipment, including copiers, computers, copyphones, calculators, microfilm and electronic typewriters, whose years in sports sponsorship have been spent mainly at an international level, suddenly chosen to sponsor The Football League Championship?

Canon (UK) Ltd., whose headquarters are at Croydon in Surrey, is a company employing more than 700 staff. This sponsorship can be interpreted as a gesture of faith in the same British expertise that has taken the company from nothing to market leader in just seven years.

Canon has been involved with sports sponsorship for many years – World Cup football; skiing; ice-skating; showjumping; motor racing and the Olympics. Now it has chosen to sponsor League Football and looks forward to an association with the world's most famous national football competition – The Canon League.

For Your Information

Stand tickets for the forthcoming Milk Cup match with Notts County, which is to be played at The Recreation Ground on Tuesday, 4th October, kick-off 7.30 p.m., are now on sale from the Football Club Office priced at £2.70, £2.60 and £2.50. The Office is open tonight for ticket sales and during normal office hours during the week. Postal applications, accompanied by a stamped, addressed envelope and the correct remittance, will also be entertained. The game is not an 'all-ticket' match, and supporters wishing to stand on the terraces can pay at the turnstile on the evening of the match.

Arsenal visit The Recreation Ground on Tuesday, 18th October, to play a Testimonial Match for Aldershot's long-serving goalkeeper, Glen Johnson. Stand tickets for this game will be on sale from the Club Office as from next Monday, 3rd October, and personal applications for tickets can be made to the office from that date during normal office hours. Again, postal applications will be entertained, accompanied by a stamped, addressed envelope and the correct remittance, and the price of tickets will be £2.70, £2.60 and £2.50. The game will **not** be an 'all-ticket' match, and admission to the terraces (which can be paid on the night) will be £2.00 for adults and £1.00 for juveniles under 14 years of age and senior

citizens. Cheques to be made payable to 'The Glen Johnson Testimonial Fund'.

Older supporters may be able to help the Club with an enquiry they have recently received as to the current whereabouts of former Aldershot winger George Rayner, who regularly turned out for the Shots in the late 30s and early 40s, and went on to coach the Swedish International side when they won the 1948 Olympics and were the losing finalists in the 1958 World Cup Final. If anyone has knowledge of George's whereabouts, then please contact the Secretary at The Recreation Ground either in person, by letter or by telephoning Aldershot 20211.

An interesting newspaper cutting arrived at The Recreation Ground during the latter part of last week from one of our Hong Kong supporters, Mr. Lopez. The cutting (from the Sunday, 18th September edition of *The South China Morning Post*) is reproduced below, showing the football results from the Canon League played on Saturday, 17th September. The result for the Torquay v Aldershot game would indicate that possibly there were more than a few 'chinks' in the home side's defence that day.

Aldershot Football Supporters' Club

With Division Four currently being made up as it is with mainly Northern teams, tonight's fixture against Swindon Town is one of only a handful of 'local Derby' fixtures that we have in our League programme. Therefore we must hope that this evening's attendance is a good one—especially when you bear in mind that this season home clubs will retain all gate receipts.

Preparations for our Programme Fair on Sunday, 20th November, are now well under way—this will be a must for all programme collectors. With several well-known dealers in attendance, there will be many rare and interesting programmes on sale. The venue is the Vice-Presidents' Club on the Ground behind the South Stand, and the Fair begins at 10 a.m.

In answer to a few enquiries during the past few weeks, we would like to inform Supporters that we are still operating our 'Sponsor A Goal' Fund this season. If you would like to participate in this scheme, then Les Chandler, our Treasurer, would be pleased to see you at 'Radio Shots' on any match day. You may sponsor an individual player, or the team as a whole, for each goal they score, for anything from five pence upwards. Last season, thanks to your generosity, a considerable amount of money was paid into the Fund. Tickets for our Disco at Lakeside Country Club on 22nd October are on sale once again this evening, priced at £2.50. If you haven't bought your ticket yet, just call in at 'Radio Shots' either before or after the game.

We are in need of a Mascot for next week's Milk Cup Tie with First Division Notts County. If your son is aged between 6-10 years, then this may be a birthday present to remember. The price of £15 includes a full Aldershot kit and an autographed football. Parents may contact 'Radio Shots' or phone Caroline Wooderson on Farnham 725869.

Finally, anyone wishing to travel to Mansfield on Saturday can book at 'Radio Shots' after this evening's game.

D. A. BREWER.

Today's Mascot

Today's Mascot is LEE TRODD.

Lee comes from Aldershot and is 10 years old. He plays for his local football team, Rushmoor Saints. His favourite Shots players are Dale Banton and Ian McDonald.

We hope you enjoy your evening as Mascot for the Shots.
