Our useful unbeaten run in the League ended at Millwall last Saturday when missed chances, particularly in the first half, cost us dearly.

The lesson was again clear, you have to put away the chances you create, especially to gain anything away from home and we'll be looking to bounce back against Swindon today.

We faced Lou Macari's team in our Cup run last season and I've thought all along, that they could provide us with one of our toughest challenges of the season. They play a very direct game and it's up to us to match them for effort and endeavour this afternoon and to hang in there over our next few matches until the return of some of our key players who are out injured at the moment.

It's always difficult predicting when players will be back after injury but all being well John Sheridan, Mark Aizlewood and Neil Aspin could be ready to return early in December.

John Buckley moved on from Elland Road this week joining Rotherham and we wish him well in the future. John never really settled at Leeds and now has the chance of regular first team football.

DAVID RENNIE

David Rennie's name has been added to United's seemingly never-ending injury list in the last few weeks and United's big Scottish defender admits that his injury has been frustrating.

"It's an infection in the groin and there's not a lot of hoping it will sort itself out," says David who completed fifty League games for the club this season.

"I'd been playing for a few games with the injury but it gradually got worse and my leg was stiffening up. It's not as bad as it was but I can still feel the problem after a game and hopefully I'll get rid of it once and for all soon."

David played in United's first fifteen games of the season and says that he was happy with his form in that spell, partnering Jack Ashurst at the heart of the United back four.

"No player likes being out with an injury and it's even worse with an injury like I've had where there's really no course of treatment," says David.

A former Scottish youth international David has been at Elland Road for almost two years since moving from Leicester City. He was on target twice last season including the goal that gave United an F.A. Cup semi-final lead against Coventry and he opened his goal account this season against Bournemouth at Elland Road a month ago.

"I think all players enjoy getting their name on the scoresheet and I hope I can score a few more over the remainder of the season," he says.

David is settling down into married life with his wife Ann-Marie. The couple who got married during the close season live in Adel and away from football David has an interest in most sports and likes a game of squash during the summer to help keep himself fit.

Looking to the next few months David hopes to see United's run of bad luck changing. "We really seem to have been up against it in recent matches," he says.

"We thought we were in with a good chance of getting something from the game at Millwall last week when we were level at half time but decisions went against us in the second half. When things are not going for you, you need the breaks."

John Sheridan hands over an autographed ball and a United pennant to a special visitor who was at Elland Road for our home game against Shrewsbury.

He was Michael Lynch who was paying his first visit to Elland Road to complete a three-year trip to all the grounds in the Football League. Mr. Lynch was due in Leeds last season to see our F.A. Cup tie against QPR but had to postpone the trip after breaking his leg.

A Londoner now working in Ireland, Mr Lynch started his marathon trip round the League grounds at Queens Park Rangers three years ago and says that his hardest trip was getting to a game at Carlisle last season.

"I've been watching two or three games a week and travelling by train so it has cost me quite a lot and I'm delighted to finish off by coming to Leeds," he explained.

United's injured midfield star was delighted to hand over the souvenirs to commemorate the end of Mr Lynch's travels.

PLEASE HELP THESE CHARITY APPEALS

United supporters are asked to respond generously to a couple of special charity appeals taking place in Leeds over the next few weeks.

Radio Aire are holding their annual Charity Auction next weekend, November 28th and 29 and among items that will be auctioned off is a VIP afternoon out at Elland Road later in the season including a tour behind the scenes at the ground and the chance to watch United in action from the comfort of Tetley's Executive Box. All proceeds from the auction will go to local children's charities.

And with Christmas just round the corner United are again asking for children's toys and games which will be passed on to the Leeds Council for Voluntary Services for distributing to needy children.

Over the years there has been a massive response from supporters for this very worthwhile cause so once again we ask you to sort out any unwanted toys that are still in a good condition so that they can be passed on to brighten up Christmas for children. Call in with any suitable items to the Elland Road Pools Office.

T oday's Visitors

by Tony Pullein

Swindon Town have risen from the Fourth to the Second Division in successive seasons and, by the end of October, they seemed to have a real chance of becoming the first ever to rise right the way through the four divisions in consecutive years.

But, following a few adverse results, it looks as if they will probably settle for a middle-of-the-table position though manager Lou Macari has certainly not abandoned hope of achieving further promotion this term.

In 1986 Swindon walked away

with the Fourth Division Championship, setting up a new Football League record of 102 points. Last season they finished third in Division Three, earning a place in the play-offs. They defeated Wigan 3-2 in the semi-final and then had to go to a third game with Gillingham in the final after finishing 2-2 on aggregate. Swindon ultimately beat the Gills by 2-0 at Selhurst Park and thus stepped back into the Second Division for the first time since 1974.

Mr Macari made several new signings during the summer. Defenders Keiran O'Regan and Jon Gittens came from Brighton and Southampton respectively. Mid-field man John Kelly was signed from Chester whilst forward Steve Foley came from Sheffield United.

During the course of the season, Mr Macari has added goalkeeper Nicky Hammond (from Arsenal)

and midfielder Bobby Barnes (Aldershot) to his squad.

Swindon have a good away record with League victories at W.B.A. (2-1), Middlesbrough (3-2) and Barnsley (1-0) to their credit. They also drew at Millwall (2-2). Swindon were beaten at Bradford City (0-2), Ipswich (2-3), Crystal Palace (1-2) and Leicester (2-3).

The Robins reached the third round of the Littlewoods Cup with aggregate victories over Bristol City (5-3) and First Division Portsmouth (6-2). After being held at home by Watford (1-1), they lost the replay 2-4.

In the first round of the Simod Cup, Swindon dismissed the holders Blackburn Rovers by 2-1 at Ewood Park and they are now at home to Derby or Birmingham in the next round.

The Swindon side today is expected to be selected from:

NICKY HAMMOND (Goalkeeper). Nicky got his chance in the Swindon side last month following an injury to England under-21 'keeper Fraser Digby. Nicky developed in the junior teams at Arsenal and last season played some League football whilst on loan to Bristol Rovers. He joined Swindon in July.

DAVID HOCKADAY (Defender). David was a forward in his early days with Blackpool but is now well established at right-back. He made his league debut for Blackpool in 1977 and made well over 100 League appearances for them before transferring to Swindon in 1983.

COLIN CALDERWOOD (Defender). Colin got his League chance with Mansfield in 1982 and quickly earned himself a place in their senior squad. Swindon signed him for £27,500 in 1985 and he hasn't missed a game since his arrival at the County Ground.

TIM PARKIN (Defender). Tim joined Swindon from Bristol Rovers in 1986. Earlier, his career had taken some surprise twists. After turning professional with Blackburn, he got 13 outings in their League eleven and then decided to try his luck in Sweden in 1980. He played for Malmo and then Almondsbury but he returned to England in 1981 to join Bristol Rovers. He completed more than 200 League games for Rovers before leaving.

PHIL KING (Defender). Phil was introduced to League soccer by Exeter City in 1984 and was a fairly regular member of their side for two seasons. He moved on to Torquay during the summer of 1986 but it wasn't long before a further

transfer took him to Swindon.

KEIRAN O'REGAN (Defender). Keiran was spotted in Irish football by Brighton who offered him a professional contract. He made his League debut for the Seagulls in 1983 and, whilst with them, he won four Republic of Ireland caps. Swindon signed him this summer.

JON GITTENS (Defender). Southampton were impressed by Jon's performances with Paget Rangers and they invited him along to The Dell. He was blooded in their First Division side towards the end of the 1985-86 season. Swindon signed him this summer.

CHRIS KAMARA (Midfield). Chris is now in his second spell with Swindon. After taking his League bow with Portsmouth in 1975, he moved on to Swindon two years later. But in 1981 he went back to Portsmouth — but only for a few weeks. Brentford signed him and he remained at Griffin Park until re-joining Swindon in 1985.

LEIGH BARNARD (Midfield). Leigh kicked-off his League career with Portsmouth in 1978 and made almost 100 first-team appearances before going to Peterborough on loan. Swindon signed him in 1982 but in 1984-85 he was loaned out to Exeter. Leigh made his 200th League appearance for Swindon this season.

BOBBY BARNES (Midfield). Bobby is a recent arrival from Aldershot. He started his career with West Ham, making his League debut during the 1980-81 campaign. He made more than 40 League appearances for the Hammers before going to Scunthorpe on loan in 1985. He then made the full transfer to Aldershot.

CHARLIE HENRY (Midfield). Charlie is a versatile player who was a defender when he made his League debut for Swindon in 1980. Two seasons ago he switched to attack and finished top scorer with 18 goals. Now he usually plays in midfield.

DAVE BAMBER (Forward). Dave has been a consistent scorer since joining the club from Portsmouth in 1985. Last season he netted 20 times and he has bagged seven goals so far this term. He started his career with Blackpool and it was after leading their scorers for two successive seasons that Coventry signed him in 1983. He didn't stay for long at Highfield Road before signing for Walsall. Portsmouth signed him three seasons ago.

JIMMY QUINN (Forward). Jimmy is the Second Division's leading scorer with 17 goals in all com-

petitions. His shooting form has earned him a recall to the N. Ireland team and he picked up his 15th cap. Swindon initially signed Jimmy from Oswestry Town and he made his League debut during 1981-82. Blackburn signed him in 1984 and it was then that he became an international. He re-joined Swindon last season.

STEVE FOLEY (Forward). Steve, who joined Swindon from Sheffield United in the summer, began as a Liverpool apprentice. He didn't make the League team at Anfield but he got his chance when loaned to Fulham during 1983-84. At the end of that season he was transferred to Grimby and he moved on to Sheffield United just over a year later.

STEVE WHITE (Forward). Steve was top scorer with 21 goals last season, including the two which finally beat Gillingham in the replay of the play-off finals which clinched promotion. He was originally a Bristol Rovers player, moving off to Luton in a £175,000 deal in 1979. Charlton signed him in 1982 but a year later he returned to Bristol Rovers. Swindon signed him during the 1986 close-season.

MEMORY MATCH

SWINDON TOWN 2

LEEDS UNITED 2

January 18th, 1964

The only two previous League encounters between the clubs were played on September 14th and January 18th of United's 1963-64 Second Division Championship season.

Swindon had made a flying start to their first season in the Second Division. Seventeen goals from six straight wins left them the only team with a 100% record when they visited Elland Road for the first League meeting, a goalless draw between the clubs.

It was United's turn to be divisional leaders in the return fixture and their first visit to the County Ground in January 1964. Injuries deprived them of four key players in Gary Sprake, Jack Charlton, Fred Goodwin and Jim Storrie.

Atkins scored twice to put Swindon two up inside fifteen minutes. Johnny Giles pulled one back before the interval and a Norman Hunter goal a minute from time ensured the points were shared.

They played for LEEDS

Part 12 — by Tony Pullein

GRAY, Frankie. Frankie enjoyed two spells as a Leeds' player. A defender, Frankie played for Scotland schoolboys and first came to Elland Road as a junior. He made his League debut during the 1972/73 season and later won five Scotland under-23 caps. He went on to play for the full Scotland team on 32 occasions. In 1979 he was transferred to Nottingham Forest for £500,000 and he was a member of their European Cup-winning team a year later. He returned to Leeds in a £300,000 deal in 1981 and remained a fixture in our first-team for four years before moving on to Sunderland.

League record: Leeds 188(5) aps., 17 gls.; Nottingham Forest 81 aps., 5 gls.; Leeds 141(1) aps., 9 gls.; Sunderland 70(2) aps., 8 gls. (to end of last season).

GREENHOFF, Brian. When Brian became a junior player with Manchester United he used to wonder if he would ever achieve the heights attained by his older brother, Jimmy, who was then a First Division player with Leeds. Brian, in fact, went on to exceed his brother's achievements. He made his League debut for United in 1973, quickly earning himself a regular place. He started off in attack, then played in midfield, but he did so well in his first season that he won two England under-23 caps. He eventually picked up four caps at that level. When he made his debut in the full England team, against Wales at Cardiff in 1976, he played centre-back. Brian eventually won 18 full caps, often playing in midfield. Leeds signed him for £350,000 in 1979 and he held his place in our senior side for two seasons. In 1982 he drifted into Fourth Division football with Rochdale.

League record: Manchester United 218(3) aps., 13 gls.; Leeds 68(4) aps., 1 gl.; Rochdale 22(1) aps.

GREENHOFF, Jimmy. Jimmy developed into an outstanding First Division forward here at Elland Road in the mid-'sixties but he eventually left because of the wealth of talent on the club's books at the time. He made his first League appearance during the 1962/63 season and he was in the side that won the League Cup at Wembley in 1968. Later that year he played in the second-leg of the European Fairs Cup final in which we were beaten. During the opening weeks of the 1968/69 campaign he was transferred to Birmingham, scoring

ten times in his first eight games for them. His form earned him four England under-23 caps but he remained at St Andrews for only one season. Stoke City invested a then club record fee of £100,000 and he remained at the Victoria Ground for almost eight years. Jimmy helped Stoke to win their only major trophy — the League Cup in 1972. Jimmy was on two occasions Stoke's leading scorer and in 1976, when Manchester United were sadly lacking in scoring power, they signed him for £100,000. He repaid them by scoring the winning goal against Liverpool in the 1977 F.A. Cup final. He played in another F.A. Cup final for United two years later, picking up a runners-up medal. In recognition of his services to United, he was given a free-transfer in 1980 and he moved on to Crewe. He then went to Toronto and upon his return to England, he signed for Port Vale. In 1982 he joined Rochdale, soon being appointed manager.

League record: Leeds 90(6) aps., 19 gls.; Birmingham 31 aps., 14 gls.; Stoke 274 aps., 76 gls.; Manchester United 94(3) aps., 26 gls.; Crewe 11 aps., 4 gls.; Port Vale 44(4) aps., 5 gls.; Rochdale 28(2) aps.

HAIR, Grenville. Grenville became something of a legend at full-back for Leeds in the 'fifties. He became a professional on his 17th birthday in November 1948 but it was about three years before he got his chance in the first-team. After making his breakthrough in 1951, he quickly won a firm place in the side and for 12 years he was not shifted.

League record: Leeds 443 aps., 1 gl.

HAMPTON, Peter. Peter was a full-back who won England youth honours during his early days at Elland Road. He made his League debut during the 1972/73 season but, because of the wealth of international stars with the club at the time, it wasn't until 1976 that he broke into the side on a regular basis. Peter commanded a £200,000 fee when he was transferred to Stoke in 1980 and he held his first-team place for four years. He then moved on to Burnley, spending three seasons in their senior side until joining Rochdale this season.

League record: Leeds 63(5) aps., 2 gls.; Stoke City 134(4) aps., 4 gls.; Burnley 116(2) aps., 2 gls.

Back-Track

A crowd of 18,482 watched a dour goalless Second Division game against Middlesbrough at Elland Road.

Swindon achieved a 2-0 home win over Wealdstone in the first round of the F.A. Cup, Charlie Henry and Paul Rideout scoring their goals.

First Division leaders Liverpool found themselves a goal down at Notts County by half-time but second-half efforts from Craig Johnston and Kenny Dalglish turned the game Liverpool's way by 2-1.

Arsenal won 2-1 at Swansea with goals from Tony Woodcock and Lee Chapman.

Charlton crashed 1-5 at home to Rotherham in a Second Division game, Ron Moore netting a hat-trick for the visitors.

Trevor Steven scored Burnley's goal in a 1-1 draw at Sheffield Wednesday in Division Two.

In the first round of the F.A. Cup, Altrincham defeated Fourth Division Rochdale 2-1, Slough dismissed Millwall 1-0 and Bishop's Cleeve achieved a 2-1 win at Reading.

Tony Mahoney scored a hat-trick in Brentford's 7-0 victory over Windon & Eton.

'82

A goal from Ray Hankin (pictured) was sufficient to inflict the second defeat of the season on First Division leaders Nottingham Forest and enthrall a crowd of 42,925 at Elland Road.

Chris Guthrie and Ray McHale were the scorers in Swindon's 2-0 home Third Division victory over Rotherham.

The Ipswich-Everton game was goalless until the 64th minute but eventually ended 3-3.

Kenny Dalglish scored an early goal for Liverpool in their home game with Bristol City. But Gerry Gow levelled matters in the 26th minute and Bristol held on to draw 1-1.

Stuart Pearson scored the only goal in Manchester United's home victory over Norwich.

Fourth Division leaders Watford were defeated 0-1 at Southend.

In another Fourth Division fixture, Wimbledon achieved a 2-1 home win over York City, John Leslie getting both the goals.

'77

We trailed 0-2 to two John Craven goals in our First Division game at Crystal Palace. But Mick Jones and Johnny Giles were on target after the break to earn us a 2-2 draw.

Goals from Peter Noble and Steve Peplow (2) gave Swindon a 3-1 home win over Orient in Division Two.

Newcastle were soon trailing to a Peter Cormack goal at Liverpool. John Tudor equalised but a goal from Alec Lindsay restored the home side's lead before the interval. John Toshack made it 3-1 to Liverpool and Malcolm Macdonald hit a late one for Newcastle who lost 2-3.

Southampton came from behind to beat Chelsea 3-1 at The Dell, Brian O'Neill and Ron Davies (2) scoring their goals.

Martin Dobson's goal won the game for Burnley at Brighton and kept them on top of the Second Division, two points in front of Rangers.

The first round of the F.A. Cup produced its usual shocks. Margate defeated Swansea City 1-0 whilst Hayes ousted Bristol Rovers by a similar score.

Yeovil Town achieved a 2-1 win over Brentford on their famous sloping pitch.

Walton & Hersham dismissed Exeter City by 2-1.

'72

Peter Lorimer (pictured) edged us into a 35th minute lead in our home First Division encounter with Coventry but Ernie Hannigan scored during the second-half to give the Sky Blues a point.

Bruce Walker's goal gave Swindon a 1-1 draw at Southport in the Third Division.

Manchester United defeated Southampton 3-2 at Old Trafford to remain on top of Division One. John Aston, Brian Kidd and Bobby Charlton scored their goals.

Francis Lee scored twice in Manchester City's 3-2 victory at West Ham. Mike Summerbee got their other goal with Martin Peters and Geoff Hurst registering for the Hammers.

Blackpool remained on top of the Second Division following a 2-0 success over Charlton at The Valley.

Luton won 3-2 at Lincoln in a Fourth Division game.

RESERVES AND JUNIORS REVIEW

LEEDS UNITED RESERVES 1 HUDDERSFIELD TOWN RESERVES 3 Wednesday 11th November

A disappointing performance from United's Reserves who went ahead in the sixth minute but conceded goals by Ward almost straight from the re-start and seconds before the interval. Cooper scored Town's third after 77 minutes.

Jim Melrose was the United scorer. Town's keeper only cleared the ball as far as Russell Doig who knocked it back towards the goal with Melrose firing in from the edge of the box.

NEWCASTLE UNITED JUNIORS 5 LEEDS UNITED JUNIORS 0 Saturday 31st October

Both the Junior's two earlier October meetings with North Eastern opposition yielded five goals and it was five goals for a third time when United visited Newcastle, the unbeaten League leaders on the last day of the month. Sadly, it was the home team doing the scoring.

Too many of the United side had an off day in what was United's heaviest Northern Intermediate League defeat for almost three years — Newcastle had beaten Leeds 6-0 in November 1984.

MIDDLESBROUGH JUNIORS 3 LEEDS UNITED JUNIORS 3 Tuesday 3rd November

It was back to the North East three days after the Newcastle game this time for the Challenge Cup quarter final tie at Middlesbrough. This game, played on the Ayresome Park pitch, was brought forward because of Middlesbrough's F.A. Youth Cup commitments. The goals flowed, six in a 3-3 draw, though it was a match

United's youngsters let slip ten minutes into the second half they were leading 3-0.

It was 2-0 at half time. Simon Grayson beat two defenders before slotting past the keeper for the opening goal and this was added to by a Vince Brockie penalty.

Peter Maguire put United into what seemed a winning position when he made it 3-0 after Kevin Noteman had created the opening. However defensive lapses allowed the home side back into the game with goals from Crosby, Fletcher and Criddings.

Simon Grayson... on target for United's Juniors

LEEDS UNITED JUNIORS 2 BARNSELY JUNIORS 1 Saturday 7th November

There were not quite so many goals when the Juniors entertained Barnsley on a very sharp Saturday morning. The first half was goalless, surprisingly in view of the useful chances created.

Most of these fell the way of the visitors who at the final whistle came to regret their earlier misses. Not all were off target, one thundering 30 yarder was matched by a fine save from Neil Edwards.

Marshall put Barnsley ahead four minutes into the second period but it was a goal which only served to inspire Leeds with Darryl Franklin, a half time substitute for the injured Gary Speed, playing a key role.

Maguire equalised after 61 minutes following a Connor knock on from a Franklin cross. The winner came 11 minutes later when United broke quickly from defence. Shorte headed out, Darren Edmonds knocked the ball forward to Nigel Smith on the left. A switch of wings found Franklin on the right and the move was completed when Grayson fired home from the centre.

When you've made up your mind, there's still a big decision to take.
