## **EDDIE GRAY'S TEAM TALK**

Today we entertain Lou Macari's Swindon in what will provide a most difficult test, they are the type of side capable of upsetting the opposition by their non-stop effort and aggression. A warm welcome to all from Swindon — let's hope the game provides the entertainment that fans want to see. Our last two matches against Chelsea and Leeds have been well contested affairs with plenty of goalmouth excitement and both games were good value for supporters and an excellent advert for football. Although the result against Chelsea proved pretty conclusive, the game itself was very close and I felt that the Chelsea side looked very strong going forward and gave us plenty of worries. They won't be too far away when the promotion honours are handed out. The Leeds game took a little longer to get going but there were plenty of thrills around the 'goals' in the later stages and we were probably unlucky not to share the points, but you won't see two better goals than those scored by United. We were all delighted to see Charlie Palmer on the scoresheet at long last! One of the most pleasing aspects of the last two games has been the support and encouragement the lads have received from our fans, it is a tremendous lift to players when supporters really get behind them and it helps the team greatly. The Reserves and Youth Teams are still doing well, both winning games this week — the Reserves 5-2 at home to Darlington and the lads with a fine away win 2-0 at Middlesbrough. Hope you all enjoy today's game, get behind the lads!

## Tigers Supporters' Association

c/o Chalk Lane, 200 Hawthorn Avenue, Hull.

Last Saturday's result at Leeds was extremely disappointing, as the Tigers deserved at least a point from such a spirited display. It was still an enjoyable afternoon, however, with the atmosphere intense and the support of the City fans highly vociferous. Our Association ran two coaches to the game and allowing for the result, a great day was had by all. We hope the vocal backing and encouragement given at Elland Road can find its way back onto the home terraces, where it is often eerily quiet.

### SPECIAL SPORTS FORUM — NOT TO BE MISSED

In conjunction with the Ex-Tigers we are planning a BUMPER SPORTS TALK-IN for late November, to support Billy Wilkinson's family in their hour of need. So please help us to help a popular Ex-Tiger and his family, by supporting the event. Watch local press for further details.

### AWAY MATCH TRAVEL

For all your TSA travel information, including bookings: TEL. 504196. Our next trip is to STOKE next Sunday. Please book early to avoid disappointment.

### MONTHLY MEMBERSHIP DRAW

The winner of our free draw for October was Martyn Thornes (no.591) of Hardwick Street in Hull, a copy of the book: 'The Boys of '66' is in the post. REMEMBER — OUR ANNUAL SUBSCRIPTION IS STILL JUST 75p. Join today and you will qualify for entry into our November Draw. Please write to the T.S.A c/o our Chalk Lane HQ.

### TSA TIGERS' SUNDAY LEAGUE FOOTBALL

No game last Sunday, which gave us more time to recover from a very frustrating 4-3 defeat at the hands of Cook D & D F.C. We started extremely badly to turn round at half-time 3-0 down but completely dominated the second period and were unlucky not to force a result. Keith McDonald notched a further two goals for the TSA, with Derek Fleetwood blasting home the third from the edge of the area.

## Beverley Branch of the Hull City AFC Supporters' Club

c/o 34 Grovehill Road, Beverley.

Due to The Tigers' tour of Bermuda, our Sports and General Knowledge Quiz at Armstrong's Social Club on Tuesday, 13th December will not now be in aid of the Garreth Roberts' Testimonial Fund as, of course, Garreth and his colleagues will not be able to attend — we hope to be able to announce a 'rearranged' date very soon. But the show must go on so the 13th December Quiz will go ahead in the usual format and we trust that those teams who have already booked their place will still wish to take part. Should you want to join them, please contact Les Elvidge on 865003.

Tickets are now available for our Christmas Party on Saturday, 17th December at £1.50, which includes a disco and buffet. The party at Armstrong's Social Club will start at 7.30 p.m. and members are advised to book early to avoid disappointment.

### TIGERS' TRAVEL CLUB

Bookings are taken at Armstrong's SC every Monday evening 7.30 to 8.30. Coaches depart from Beverley to almost all Hull City's away matches.

## STAR PLAYER — STEVE WHITE (Striker)

Steve must represent one of the best free transfer signing in the history of the club. Since he was signed from Bristol Rovers in July 1986, he has scored 35 goals, in 61 full first team appearances. The former Charlton Athletic and Luton Town striker, had no hesitation in renewing his links with Swindon Town in the summer after his contract had expired. Steve, who was once the subject of a six figure transfer fee between Bristol Rovers and Luton Town, in his first spell with Rovers, signed a new three year contract in June 1988. Born: Chipping Sodbury, 2/1/59.

## LAST TIME HERE — Tuesday, 12th April, 1988

(Chris Elton)

**Hull City 1 Swindon Town 4**

An evening which the Tigers began promisingly turned to disaster. Leigh Jenkinson put us in front after 23 minutes, but a penalty four minutes before the break allowed Jimmy Quinn to equalise. Before the half finished Dave Bamber gave Town the lead, and in the second half he and Quinn each added another goal as the Robins took complete control.

Hull City: Norman, Brown (sub. Roberts), Jacobs, Jobson, Skipper, De Mange, Barnes, Payton, Edwards, Thompson (sub. Saville), Jenkinson.

Swindon Town: Hammond, Hockaday, King, McLoughlin, Parkin (sub. Calderwood), Wegerle, Bamber, Gittens, Quinn, Foley, Barnes.

Referee: Mr. D. Scott, Burnley.

Attendance: 4,583.

# SWINDON A.F.C.

**FRASER DIGBY.** Last season was somewhat disappointing for the former Manchester United goalkeeper, who joined the Club in December 1986, for a fee of £32,500, after an initial period on loan at the County Ground. A thumb injury sustained at Crystal Palace in late October, restricted Fraser's appearances to thirty-one league matches. It also cost him his England under-21 position, although he was included in several of the end of season squads named by England under-21 Manager, Dave Sexton. Born Sheffield 23.4.67.

**DAVE HOCKADAY.** Dave signed a new two year contract with the Club in the summer of 1988. The former Blackpool player, who moved to the County Ground in August 1983 as a winger, enjoyed one of the best seasons of his career, last season. Since his conversion to a full-back position, his form has been enhanced. Dave has been a regular member of the Swindon Town team that has risen from the Fourth Division under the guidance of Lou Macari's managership. Born Billingham 9.11.57.

**PHIL KING.** Phil was the only player to appear in every league match last season. Phil began his career with Exeter City in May 1985, before joining Torquay United in July 1986, for a League tribunal settled transfer fee of £3,000. Although Phil originally joined Swindon Town on a month's loan in February 1987, his transfer became permanent one month later for a £12,000 fee. Torquay United are entitled to one-third of any transfer fee, if Phil is transferred in the future. Born Bristol 28.12.67.

**TIM PARKIN.** During the close season, Tim signed a new two year contract with the Club. The former Blackburn Rovers, Malmö and Bristol Rovers central defender was named 'Player of the Year' in May 1988 by the Club Supporters. The vastly experienced defender must rate as one of Lou Macari's best signings, when he secured the signature of the Penrith born player in July 1986. The subsequent fee of £27,500 was settled by a League tribunal. The same tribunal had sat only minutes earlier deciding the fee that Torquay United had to pay for Phil King, who is now on the Club's staff. Born Penrith 31.12.57.

**COLIN CALDERWOOD.** Colin, who joined Swindon Town from Mansfield Town in June 1985, for a Football League tribunal fee of £27,500, has been a stalwart at the heart of the Town's defence in the Club's last three seasons. Colin had the honour of captaining the Club through two successive seasons of promotion in the 1985-86 and 1986-87 campaigns. After making 131 consecutive league appearances since his signing in July 1985, injury interrupted Colin's progress last season. Although the form of the Scottish born defender has often attracted the attention of several of the country's leading Clubs, he remains at the County Ground. Born Glasgow 20.1.65.

**JON GITTENS.** The former Southampton defender proved himself a firm favourite with the County Ground faithful, with some determined and enthusiastic performances last season. Jon, who moved to the County Ground for a £45,000 Football League tribunal fee, in July 1987, was playing non-league football for Paget Rangers in the Midland Combination league, before accepting a successful trial period at the Dell. It was a commanding central defensive performance against Ian Rush, for the 'Saints', versus Liverpool, that first brought him to the attention of Lou Macari. Born Mosely 22.1.64.

**ROSS MACLAREN.** Ross joined Swindon Town on a conditional transfer fee, decided by a Football League tribunal at £150,000, in July 1988. Ross entered the Football League from Glasgow Rangers on a free transfer to Shrewsbury Town. After five seasons with the Gay Meadow Club, Ross joined Derby County in July 1985, after a Football League tribunal commission had set the fee at £67,500. In three seasons with the Baseball Ground Club, Ross helped the East Midland Club to win promotion from the Third Division to the First Division. Ross was an ever-present during his first two seasons with Derby County. Born Edinburgh 14.4.62.

**STEVE FOLEY.** Steve joined Swindon Town in July 1987 for a League tribunal fee of £35,000. The former Sheffield United midfielder player had joined the Yorkshire Club from Grimsby Town in July 1985. Steve began his career with Liverpool, without making a breakthrough into the Anfield Club's league team. His actual League debut came while he was on loan to Fulham in December 1983. Suspensions dogged his first season with the Club. Born Liverpool 4.10.62.

**LEIGH BARNARD.** This hardworking midfielder player is one of only three players who were at the County Ground, before Lou Macari arrived to take over the Managerial role in July 1986. A free transfer signing from Portsmouth in July 1984, Leigh has played a significant role in the Club's successful efforts to regain its Second Division status, after languishing in the lower Divisions for twelve seasons. Leigh signed a new one year contract with the Club in July 1988. Born Worsley 29.10.58.

**CHARLIE HENRY.** Charlie, who is due a testimonial match this season, after ten years, service with Swindon Town, originally joined the Club as an apprentice, and epitomises all the good factors of our national game. A utility player, who can virtually play in any position, he was the Club's leading goalscorer in the season that Swindon Town won the Fourth Division championship, with a record number of points — 102 in 1985/1986. Charlie signed a new one year contract with the Club in July 1988. Born Acton 13.2.62.

**BOBBY BARNES.** Bobby, joined Swindon Town from Aldershot for £50,000, in an exchange deal that took midfielder, Steve Berry, to the Recreation Ground in October 1987. Bob was an instant hit with Swindon Town fans, with some dazzling displays. The former West Ham United apprentice scored 11 goals last season, to help the Wiltshire Club attain a comfortable mid-table position on their return to the Second Division. Born Kingston-on-Thames 17.12.62.

**NICKY HAMMOND.** Signed on a free transfer from Arsenal in July 1987, the former Highbury apprentice was forced into first team action last season, due to the injury that Fraser Digby sustained in October 1987. Previously Nick's league experience had been confined to his spell with Bristol Rovers, on loan. The former Arsenal keeper signed a new two year contract with the Club in May 1988. Born Chelmsford 7.9.67.

**ALAN MCLOUGHLIN.** The former Manchester United apprentice moved south to join Swindon Town on a free transfer in August 1986. Another of the players on the Town books who can be rightly described as a utility player. Alan, who has spent two loan spells with Torquay United, signed a new two year contract with the County Ground Club in May 1988. Alan was a member of Manchester United's Central League team during Lou Macari's playing career at Old Trafford, and played alongside the former Scotland International in the latter days of his career. Born Manchester 20.4.67.

**PAUL BODIN.** Paul was signed from Newport County in March 1988 for a fee of £25,000. Amazingly he had only been with the Somerton Park Club for four weeks following his signing from Bath City. The former Cardiff City midfielder player must have been relieved to have another opportunity to build a career in League soccer, for Newport County were destined to leave the Football League at the completion of last season. Paul will be hoping to establish a regular position, in the Town's midfield section this season. Born Cardiff 13.9.64.

**PETER COYNE.** The former Manchester United apprentice was Lou Macari's first ever signing for Swindon Town, when he took over as Manager in July 1984. The former England Schoolboy International, who was outstanding at this level, never matured to the level expected of him, and despite a short period at Old Trafford, and several seasons with Crewe Alexandra, he twice drifted into non-league soccer between spells with these two Football League Clubs. Peter cost Swindon Town £5,000, when they signed him from non-league Hyde United. The former 'Wonder Boy' of English Schoolboy soccer played the best football of his career as Swindon Town swept from Fourth Division to Second in the space of two seasons. Born Manchester 13.11.58.

**MARK JONES.** The former Oxford United midfielder player missed the whole of last season through injury. After sustaining a knock in training, his knee gave way in a pre-season friendly against Gloucester City in August 1987. Mark had helped Swindon Town to promotion from the Third Division the previous season. Mark cost the Club £25,000 when they obtained his signature from their nearby rivals in October 1986. Mark had enjoyed playing a part in Oxford United's rise to the First Division during his career at Manor Road. Born Oxford 26.9.61.

**DUNCAN SHEARER.** Duncan was the subject of a quarter of a million pounds transfer deal during June, that was a record for both Huddersfield Town and Swindon Town. He had been a target for Town boss, Lou Macari, when he was with Chelsea before moving north to Huddersfield. The free scoring striker would appear to be an ideal replacement for Northern Ireland International striker, Jimmy Quinn, who moved to Leicester City in June, on a freedom of contract move. Born Fort William 28.8.62.

## BOOTHFERRY BEAT

The last match at Boothferry Park against Chelsea saw an improved performance from the Tigers. Their finishing on the night was far better than in previous matches as they came out 3-0 winners. Congratulations to Mike Smith on scoring his first senior goal for City.

Last Saturday the Tigers travelled down the motorway to Leeds but unfortunately came away losing 1-2. They were a little unlucky not to get at least a draw. I'm sure the Leeds' supporters were relieved when the final whistle blew after almost fifteen minutes of constant Hull pressure. It was nice to hear the excellent vocal support the Tigers were given during the match and I'm sure that spurred them on during the last part of the game when they tried so hard to score an equaliser. Today we welcome the players and supporters of Swindon Town to Boothferry Park. Let's hope the Tigers can avenge last season's 4-1 defeat.

At the moment the Second Division is there for the taking with so many teams capable of moving into the top six with just a couple of wins. So let's hope the Tigers put another win under their belts this afternoon to help them move towards the top of the table.

I hope you all enjoy today's match.

Steve Drifill

## “The coach will get to Wembley this season”

Expert drivers, top class coaches and a sales force who know all there is to know about coaching make a pretty good team.

## KING'S SPOT

The Juniors certainly did us proud last week when they made the early morning journey to Middlesbrough for the Northern Intermediate League game and returned with maximum points. I can comfortably predict that few teams will go to that 'hot bed' of soccer talent and emulate our lads' performance. The final result was a 2-0 victory with goals coming from our New Zealander 'Harry' Ngata and Simon Mennell. It is good to see young Mennell shaking off a long illness and returning to the squad. He is the sort of youngster who is an influence off the field as well as on it. We certainly need all our players fit and ready for coming events because we are still involved in all three Youth competitions: the F.A. Youth Cup, the Northern Intermediate League Cup and of course the League itself. In the F.A. Youth Cup we have to travel to Bury or Tranmere which is new ground. However, in the League Cup we face a more familiar challenge with a home encounter against Hartlepoons. Perhaps this could be the year when we add a domestic trophy to the one we won in Holland. All the lads would love to go one better than our losing finalist position in last year's Northern Intermediate League Cup.

Enjoy the game, Dave King.

## WITH THE RESERVES

The Reserves made it seven wins out of eight this week when they beat Darlington Reserves by five goals to two. Darlington played much better than their lowly position would have suggested and in a bright opening to the game were the first to show. We held firm against their aggression and in virtually our first attack, John Moore scored after a good cross from Les Thompson had been nodded down to him.

The game was end-to-end after that with not much time for build-up and Darlington equalized after half and hour when we failed to clear from the edge of the box and the score remained the same until half-time.

Immediately after half-time, Andy Payton went on a run down the right after receiving a good pass from Tim Hotte, cut in across the edge of the box and scored with a firm left footer. We started to knock the ball about very well after this with Paul Waites and Ken De Mange setting up passes for Leigh Jenkinson, Tim Hotte and our strikers, Andy Payton and John Moore to show their paces and Darlington's goal led a charmed life. A harsh penalty against Nicky Brown for handling brought Darlington back on terms and with ten minutes to go, a draw looked on the cards, but the lads' response was immediate.

A good run and cross from John Moore gave Andy Payton the chance to head us into the lead and almost immediately afterwards, Andy beat the keeper to a through ball to complete his hat-trick and then Ken De Mange made it five after more good work by John Moore.

This was another good performance by the Reserves and an excellent game to watch and keeps us right up there in the League.

We go to Oldham next week in search of our eighth win and another step nearer promotion.

## DIVISION TWO NEWS

### BRUMMIE BONANZA

Despite being almost relegated, Birmingham City made a profit of £414,512 last year. This was mainly due to the sale of their Edmdon training ground.

### DUNCAN AIMS TO TURN TOWN RED

Ipswich Town manager is to make a second bid to bring top class internationals from the Soviet Union to play for the Portman Road club. In an effort to revive their flagging promotion hopes, Ipswich want to recruit members of the Russian European Championship squad - Oleg Protasov and Gennadij Litovschenko are thought to be the likely targets. A Town spokesman said 'We contacted the Russians in September and were told to wait until their winter break. This time we hope to be more successful'.

### BANTON BARTER

Walsall have signed York City striker Dale Banton in a £75,000 deal. The 27 year-old former West Ham United apprentice joined City from Aldershot in November 1984 - the £50,000 being a record for the Bootham Crescent club.

### TWO REVIEW — HIGHLIGHTS OF LAST WEEKEND'S MATCHES

Angry scenes at the Manor where OXFORD UNITED supporters vented their frustration following the £1m sale of Dean Saunders and the subsequent sacking of manager Mark Lawrenson - away from the ground some 200 fans staged a sit-in demo at the home of former chairman, Robert Maxwell. More trouble on the field for Brian Horton's new charges, a second defeat in the week, this time by the odd goal in seven against BRADFORD CITY. Les Phillips, Martin Foyle and Richard Hill finding the mark for United but goals from Mark Leonard, Micky Kennedy, Peter Jackson and Leigh Palin for the visitors made it a sad day for the ex-Tigers' boss.

WEST BROMWICH ALBION'S fourth win in a row put caretaker chief Brian Talbot firmly into pole position for the vacant manager's post at the Hawthorns. Their 'shock of the day' 2-1 success at BLACKBURN was Rovers' first home defeat since they went down to Middlesbrough on 26th September, 1987. Keith Hill gave the home side an early advantage but a Chris Whyte header gave WBA an equaliser right on half-time. Just two minutes after the break, a superb individual effort from Colin Anderson put Albion on the way to another victory.

After six games without success, today's visitors, SWINDON TOWN, returned to winning ways with the 2-1 defeat of bottom club BIRMINGHAM CITY. A close range effort from leading scorer Steve White gave Town a 23rd minute lead, then nearly recorded their second when a chip from ex-Aberdeen man Tom Jones struck the bar. Charlie Henry hit a post before White bagged a brace with his sixth goal of the season. City reduced the arrears with 11 minutes left when Ian Atkins converted a penalty conceded by Tim Parkin, but it proved to be too little too late.

IPSWICH TOWN must be glad to see the end of October. On the 1st of the month they led the table but last week's defeat at BOURNEMOUTH was their fourth in succession and they have now slipped to 9th spot. The only goal was a disaster for young Canadian 'keeper Craig Forrest who allowed Ian Bishop's 70th minute, 25 yard free kick to slip from his grasp and into the net. Some cheer at last then for the Cherries, their previous eight outings had resulted in one draw and seven defeats.

### **MISCELLANEOUS INFORMATION**

On your travels around the stadiums of the Football League have you ever been bemused by an advertising hoarding that hasn't quite got that all important message across? For instance, during our pre-season friendly at Mansfield Town we could not help but notice that Field Mill's North Stand was fronted by this slogan in an attempt to promote the excellence of a local Estate Agent — "More people use XXXXXX than for any other reason" — which if you think about it doesn't make a lot of sense. If you've seen any better, or should it be worse, signs that have amused or confused we'd be pleased to hear from you.

Tigers' striker Andy Payton must be wondering what he has done to upset the publishers of the Rothmans Football Yearbook. Last season 'the undisputed bible of soccer' stated that our up and coming goalgetter was born on 23rd October 1906 — this would mean that on 4th April, 1987 when he made his first First Team appearance at Stoke City he smashed all Football League records by making his debut at the ripe old age of 80 years 164 days! Quickly amending this little slip-up, this season Rothmans printed his birthday as 23rd October, 1966 — much better, only a year out this time as Andy celebrated his 21st birthday last month! But by way of an apology maybe, in the team line-ups section, Andy is attributed with substituting for Neil Williams at Millwall last year — actually Andy Saville was the replacement. Never mind, there's always next year!

Charlie Palmer's goal at Leeds United last week was his first in 68 appearances for the Tigers. His last strike was when he found the back of the net in Derby County's 5-1 win at Swansea City on 29th December, 1984. But clearly Charlie has got the taste for goals as in the dying moments at Elland Road, he came within inches of the 5th goal of his career when his spectacular overhead kick slammed against the Leeds crossbar. All-in-all a day to remember for the former Watford full-back — you may recall that in an earlier Tigers' programme feature, Charlie declared that his favourite team was . . . Leeds United!

Fireworks on 5th November? Over the years, the Tigers have completed 10 League matches on this date, resulting in 3 wins, 2 draws and 5 defeats, City scoring 15 goals and conceding 24. There have been some high scoring games, our biggest win being in 1910 when Barnsley's hopes exploded in a 5-1 blast — Tom Browell setting Anlaby Road alight with a hat-trick. But no doubt it was the Tigers who received a rocket from Player/Manager Raich Carter when the Guy Fawkes goals backfired at Southampton in 1949. Saints' centre-forward Charlie Wayman put in a sparkling performance helping himself to three goals in a cracking 5-0 victory.

## HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers and spends it all on projects which benefit football throughout the United Kingdom.

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Toxteth, refurbishment at Wembley to repairs at Welling, closed circuit television at all League clubs to community

facilities at Oldham Athletic; transport improvements at Sheffield Wednesday to storm damage in the South East of England; from policing costs at Hull City to an artificial pitch at Hyde United.

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community.

## WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust.

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

## CLOSED CIRCUIT TELEVISION

## SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988.

**MAN-OF-THE-MATCH** — With Keith Edwards winning the award against Chelsea (who incidentally became the first forward to win the award) — the leading positions read: Richard Jobson (4 awards); Garreth Roberts (2 awards); Steve Terry (1 award); Keith Edwards (1 award).

Welcome back to our friends MAJOR - BURMAH PETROL who are sponsoring today's match. The Swindon fixture is of corporate interest, as Major are a wholly owned subsidiary of Burmah Petrol, whose Head Office is in Swindon. Our thanks to Major and Burmah, not just for today's match but for all their continued support.

**TIGER TALK 0898 888688** Your very own hotline giving information and interviews from Boothferry Park. Listen in next week for exclusive interviews with Alex Dyer and Ken De Mange — coming shortly, competitions to win two Matchday Tickets.

**MATCHBALL SPONSORSHIP** — As you will note from the programme, the Ball is sponsored today, not by a local company, but by an individual supporter — Mrs. Mary Good, to whom we are most grateful. She hopes her gesture will be followed by other supporters who want to offer relatively inexpensive support to the club.

**HULL CITY SPORTSMEN'S DINNER** — Sponsored by Ladbroke Racing. A great night out at the Willerby Manor Hotel on Monday, 5th December. Tommy Docherty + Comedian + Eddie Gray and Players. Tickets from the Club Shop.
