Injury list shrinking . . .

A warm welcome to Sheffield Wednesday and all their supporters.

Sheffield are on a high at the moment and in my view were unfortunate to be relegated. Like ourselves, Wednesday are a good footballing team which have one of the countries finest stadiums.

The match at Hillsborough was played at a frantic pace with plenty of good football. Sheffield dominated for long periods and we became stronger towards the end.

I was very pleased with our performance, especially after the debacle at Barnsley. We fought very hard for a draw and in the end were well satisfied. Equally pleasing was that we kept a clean sheet.

Tonight's game will be a very different one especially with the incentive of a home game with Derby County in Round Four. We shall, as usual, go out with a very positive attitude and try to win tonight.

Nicky Tanner has now returned to Liverpool after his months loan with us. We are grateful to Liverpool for

letting us have Nick to help us over some of our injury problems.

Talking of injuries, our list of injured players is now shrinking. I have never known so many senior players injured at one time. Hopefully I haven't spoken too soon and shortly I shall be able to select from a full squad with the exception of Dave Bennett and Colin Calderwood.

We really need your support tonight so let's hear you get behind the lads.

Thank you all for coming and enjoy yourselves tonight.

AND SWINDON TOWN

The squad

Ron Atkinson (Manager). Born Liverpool. Began his professional career at Aston Villa but his name became synonymous with Oxford United, where he figured prominently in their climb into the Football League in 1962 and their rapid rise from the Fourth to the Second Division. In 1971 he became player-manager at Kettering Town, and began his League management career at Cambridge United in 1974, leading them from Division Four to the brink of Division Two. He joined West Brom in 1978, building a successful First Division side before moving to Manchester United in 1981. In his five full seasons at Old Trafford, United never finished out of the top four, won the F.A. Cup twice and reached the League Cup Final. He returned to West Brom in 1987 and then had a brief spell at Atletico Madrid. He joined Wednesday in February 1989.

Trevor Francis (Striker). Born Plymouth. Started with Birmingham City in 1970. Quickly gained recognition as one of the outstanding players of his generation, gaining 52 England caps and becoming a £1 million player when he moved to Nottingham Forest in 1979 after scoring 118 goals in 280 League games. Manchester City also paid £1 million plus for him in 1981. He then went to Sampdoria and later played in the United States with Atlanta before returning to Britain with Glasgow Rangers. Returned to English soccer with Q.P.R., where he became player-manager for a short spell. Wednesday obtained his services on a free transfer in January 1990.

David Hirst (Striker). Born Barnsley. Started at Barnsley where he made 29 appearances scoring 9 goals before joining Wednesday for £200,000 in August 1986. Was a member of the England Youth Team to tour China in 1986 and South America in 1987. Has 7 England Under-21 caps.

Phil King (Defender). Born Bristol. Joined the Owls for £400,000 from the Town in November 1989 and missed only two games last season, making a big impact and proving popular with supporters. Came to Swindon from Torquay United for £12,500 early in 1987 and was previously with Exeter City.

Lawrie Madden (Defender). Born London. Veteran of over 400 League and Cup games with Mansfield, Charlton, Millwall and Wednesday. Went to Hillsborough in 1983 on a free transfer and helped the Owls win promotion. In his early career he played as a part-timer to concentrate on his studies, and he now boasts degrees from Manchester and Sheffield Universities.

Steve McCall (Defender). Born Carlisle. After over 259 League games for Ipswich Town and England honours at Youth, Under-21 and 'B' levels, he joined Wednesday in June 1987 for £250,000 but suffered a broken leg in only his fifth appearance. It marked the beginning of a long struggle for fitness which was not helped when he later suffered a cartilage injury. He made three appearances towards the end of last season.

Roland Nilsson (Defender). Born Helsingborg. Swedish International capped 35 times and a member of his country's 1990 World Cup side. Joined Wednesday in December 1989 from Gothenburg for £375,000. Recently absent through injury, having been carried off at Millwall.

Carlton Palmer (Midfield). Born Oldbury. Began with West Brom, for whom he made some 140 appearances before joining Wednesday for a club record fee of £750,000 in February 1989. Has gained 4 England Under-21 caps and played for England 'B' last season.

Nigel Pearson (Defender). Born Nottingham. Plucked from non-League Heanor Town in 1981, he made over 180 appearances for Shrewsbury Town before joining Wednesday for £250,000 in October 1987. Has been club captain for two years.

Kevin Pressman (Goalkeeper). Born Fareham. Celebrates his 23rd birthday today. Joined Wednesday as an apprentice in June 1984 after being on schoolboy forms. Became a full professional in November 1985. A former England schoolboy and England Youth player, he also has one England Under-21 cap. Made his League debut in March 1987 when Martin Hodge's long, consecutive run came to an end.

Peter Shirliff (Defender). Born Chapelton, Sheffield. Signed schoolboy forms in 1975 and went on to become an apprentice in June 1977. Moved up to professional level in October 1978. He made 223 appearances for Wednesday before joining Charlton in July 1986 and over 100 League appearances for the London side before returning to Hillsborough for a £500,000 fee in the summer of 1989.

John Sheridan (Midfield). Born Manchester. Made over 250 appearances for Leeds and scored some 50 goals, winning Republic of Ireland caps at Youth, Under-21 and Full International levels. Joined Wednesday in November 1989 for £500,000 after a brief spell at Nottingham Forest, where he made only one appearance in over three months.

Chris Turner (Goalkeeper). Originally with Wednesday as a schoolboy from September 1973, he made 115 appearances before being transferred to Sunderland for £80,000 in 1979. He made 223 appearances for the Roker club before moving to Manchester United for £275,000 in 1985. After some 80 games for the Old Trafford club, he rejoined Wednesday in September 1988 for £175,000.

Steve Whitton (Striker). Born East Ham. Has some 240 League appearances to his credit with Coventry, West Ham, Birmingham and Wednesday. Cost the Owls £275,000 in March 1989, and played a significant part in the push to avoid relegation that year. Last season he scored four times in the record 8-0 League Cup triumph at Aldershot, but his senior outings were infrequent. Had a loan spell at Halmstad, in Sweden, in the summer.

Paul Williams (Striker). Charlton's leading scorer in the last two seasons, having reached them from non-League Woodford Town and made such an impact following his debut in September 1987 that he gained England Under-21 recognition. Studied accountancy before becoming a full time professional. Joined Wednesday in August 1990 for a £600,000 fee.

Danny Wilson (Midfield). Born Wigan. Started with Wigan Athletic but began his League career at Bury in late 1977, since when he has made over 550 League and Cup appearances, scored some 90 goals, and collected nearly 20 caps for Northern Ireland. Joined Chesterfield in 1980 and had a year at Nottingham Forest before enjoying his best spells with Brighton and, since 1987, Luton Town. He helped Luton to two League Cup finals – and contributed to their dramatic escape from relegation last season. Cost Wednesday £200,000 in the summer of 1990.

Darren Wood (Defender). Made over 100 appearances for Middlesbrough and some 150 for Chelsea before joining Wednesday in January 1989 for £400,000. Has not appeared this season due to injury.

Nigel Worthington (Defender). Born Ballymena. Began his League career with Notts County for whom he made over 80 appearances before joining Wednesday for £125,000 in February 1984. Capped 28 times for Northern Ireland.

THE WINNING COMBINATION

PAUL PLOWMAN continues his season by season look back at Swindon Town through the years.

1967/68

Two new signings appeared in the Swindon line-up on the opening day against Brighton, right-half Dave Harper from Ipswich Town and right-winger Barry Lowes from Coventry City. But collectively they made only six appearances for the Town, with injury restricting Lowes to just two hours and four minutes League football.

Danny Williams wasted no time in securing a replacement for Lowes. His choice was Norwich City's Don Heath, who made his debut in a 4-0 win over Northampton on September 16.

Another new face in a Swindon shirt, later in 1967/68, was that of Peter Noble. Signed from Newcastle United on January 25, his first full appearance was in a 5-0 crushing of Grimsby a month later. The Town's fifth goal in that victory, incidentally, was an own goal conceded by the visiting left-back, a certain Graham Taylor! Noble's inclusion at number eight followed a two-goal strike after coming on as a substitute against Bury three days earlier.

Pat Terry, a hat-trick in 10 minutes.

Don Rogers and John Trollope made maximum League appearances for the fourth successive season. And, as in 1966/67, the 'ever-present' record also went to wing-half Stan Harland. The Liverpoolian was handed the number nine shirt in the Town's final two games, after hitting a hat-trick for the reserves at Northampton on April 30.

Rogers was the top goalscorer, as he had been the previous season, and was again the highest scoring winger in the Football League. His tally in 1967/68 was 28 goals, 25 coming in Division Three. He was followed by the all-action Pat Terry, who grabbed 19. In a 4-0 win over Bournemouth at the County Ground on October 14, Terry plundered a hat-trick in the opening ten minutes.

The Town's League form was once again patchy. Four wins out of six up to the turn of the year took them to third place, but following a 4-0 victory over The Orient on March 12, Swindon went nine games without a win, although only two ended in defeat. They eventually finished tenth.

New Signing Don Heath

Swindon's efforts in the League Cup that season are best forgotten. They were unable to defeat Fourth Division Newport County at home in the First Round – conceding an own goal through Mel Nurse and needing a penalty to force a 1-1 draw – and went down 2-0 in the replay.

In the F.A. Cup, Salisbury, Luton Town and Blackburn Rovers were all beaten at the County Ground before the Fourth Round draw gave the Town a trip to Hillsborough. Roger Smart gave Swindon a 34th minute lead, but Wednesday equalised through Wilf Smith in the 65th and grabbed a winner with just five minutes to go. The scorer was big John Ritchie, who had dealt the Town a similar knockout blow in the same competition seven years earlier when at Kettering.

Highlights . . .

With two teams tonight doing battle in a replay for a place in Round Five of the Rumbelows Cup, let's consider some of the highlights from last weeks other ties.

Third Division Orient held Crystal Palace to a goal-less draw at Selhurst Park. Steve Coppell's side had put eight past Southend United in the competition.

Matthew Le Tissier and Rod Wallace were on target in Southampton's 2-0 victory at Ipswich.

In the big match at Maine Road, Manchester City lost their unbeaten home record this season, 2-1 to Arsenal. Perry Groves and Tony Adams got the "Gunners" goals before Clive Allen hit a late consolation.

Second Division Middlesbrough scored twice in fifteen minutes in the first half to knock out Norwich 2-0 at Ayresome Park, thanks to Paul Kerr and John Hendrie.

Trevor Putney made his comeback for the "Canaries" from a broken leg.

Colin Harvey's managerial reign at Everton ended after a 2-1 defeat by Sheffield United at Bramall Lane - all the goals came after the break: Carl Bradshaw, Brian Deane and John Pemberton putting past his own 'keeper.

In the final fixture on Tuesday, Tottenham, led by Gazza, got the better of Bradford at White Hart Lane,

2-1 after going behind to a Gavin Oliver goal. Paul Gascoigne and Paul Stewart sealed "Spurs" success.

Tony Cascarino and a David Platt penalty were on target for Aston Villa at home to Millwall - the Midlands side 2-0 winners.

Chelsea and Portsmouth shared in a goal-less draw at Stamford Bridge.

Coventry recorded a 3-0 victory over Hull at Highfield Road, thanks to second half goals by David Speedie, Jason Livingstone and Cyrille Regis.

While the Town drew nil-nil with Sheffield Wednesday at Hillsborough, Swindon's next potential opponents, Derby, thrashed Sunderland 6-0 at the Baseball Ground with a Mick Harford hat-trick, Gary Bennett own goal and two further efforts from Craig Ramage.

Last year's beaten finalists, Oldham, lost 2-0 at Leeds, Lee Chapman and Gavin Speed were on the scoresheet.

Manchester United made the headline news with the first defeat of Liverpool since April, 3-1 at Old Trafford. A Steve Bruce penalty and Mark Hughes did the damage within 60 seconds. Lee Sharpe added a third, Ray Houghton replied.

West Ham suffered their first defeat in seventeen matches, 2-1, after taking the lead at Oxford through Trevor Morley. Martin Foyle equalised, before Jim

SHAUN HODGETTS OF GWR FM WITH HIS "IN-DEPTH" LOOK AT THE FOOTBALL SCENE

Magilton's last-gasp goal.

Nottingham Forest are now 22 matches unbeaten in this competition and have scored fifty goals in that sequence. Garry Parker and Nigel Jemson gave them the advantage at Plymouth. Argyle's marksman was Dennis Salman in their 2-1 loss at Loftus Road.

It was Queens Park Ranger's 2, Blackburn 1. Mark Falco started the scoring, Keith Hill levelled and then former Rovers' forward Simon Barker opened his account for the season for QPR with the decisive goal.

That's how the sixteen sides (plus two extra) have progressed so far. Let's hope Ossie's red and white army make their march all the way to Wembley.

CONGRATULATIONS

To Alan McLoughlin who has once again been included in The Republic of Ireland Squad for their forthcoming European Championship qualifying match against England in Dublin on Wednesday 14th November.

Alan is now a regular member of Jack Charlton's squad, and hopefully will add to his tally of caps next week.

★ ★ ★

COMMISERATIONS

To David Kerlake who, after being sent off in our match with Leicester City, starts a three match suspension after our replay with Sheffield Wednesday and misses our forthcoming matches with Portsmouth, Notts County and the (away League) fixture with Sheffield Wednesday.

★ ★ ★

TOWN END HOME OR AWAY?

Many of you are probably wondering why after the announcement that the "Town End" would revert to home fans use, it is now given over to Sheffield Wednesday supporters.

The answer is quite simple, under the rules of all Cup competitions the home club have to make available to the visiting club 25% of all accommodations both seating and standing.

The South Side corner ("The Wedge") takes care of the standing capacity and the "Town End" meets the rules of the competition regarding seating for visiting clubs.

For Barclays League Division Two matches, the "Town End" will revert to home fans.

INJURY SITUATION EASING?

September and October has seen our First Team squad decimated. David Kerlake sustained a nasty foot injury against Bristol City and missed three matches. Then Colin Calderwood was carried off against Wolves with severe ligament damage. Worse was to follow when new signing Dave Bennett was laid low when breaking his leg at Darlington. Alan McLoughlin missed the first three matches whilst Steve White's back trouble kept him on the side lines until late September. Steve Foley missed a couple of matches and to crown it all both new signings, Argentinian International Nester Lorenzo and Micky Hazard, who joined us from Spurs, were both laid low with injuries, that meant they have missed important matches. Duncan Shearer and Jon Gittens also missed matches through injury. Hopefully the situation can only get better and Ossie will soon have most of the walking wounded available for selection, Kevin Morris will be able to relax a little and we shall start to climb up the Division Two table.

If you are going to Hillsborough please allow extra travelling time on 17th November 1990.

ZENITH DATA SYSTEMS CUP IS LIVE ON SKY

Sky TV have confirmed live coverage of three Zenith Data Systems Cup ties. The games, which kick-off at 7.35, will be shown on the Sky One channel, as follows:

Tuesday 20 November	Middlesbrough v Hull City
Tuesday 27 November	Leicester City v Wolves
Tuesday 18 December	Sheffield Wednesday v West Bromwich Albion or Barnsley

SHRIVENHAM ROAD/FAMILY ENCLOSURE

There have been a number of complaints about supporters not being able to gain access to the above terrace when there appears to be plenty of space for spectators to stand.

The answer to this problem is that under the safety certificate issued by the Wiltshire County Council Safety Committee the total number of spectators allowed in this area is 2,630.

With 1000 season ticket holders guaranteed entry to each match, that leaves 1,630 spaces for paying customers on the day of the match. When the total of 1,630 has been reached then the turnstiles have to be closed. This is the law.

If you do arrive at the Shrivenham Road/Family Enclosure and the turnstiles are closed, then please come along to the Stratton Bank or Town End (League matches only) where you should be able to gain entry to the match.

TONIGHT'S WINNERS

The winners of tonight's match will be at home to Derby County week commencing 26th November.

If the scores tonight are level after 90 minutes then 30 minutes of extra time will be played. If the scores remain level then a replay will be arranged.

Dear Sirs,

Please find enclosed a recent photo of myself (right) and my friend Peter Thomas (left) at Hwange Safari Park in Zimbabwe.

I wonder if you might consider the photo for publication in your excellent match programme.

Peter is working as a teacher for two years at Centenary in Zimbabwe and I went out to visit him and for a holiday.

We are both keen Swindon fans and Peter relies on the BBC World Service to keep himself up to date with how the "Town" are doing. Like all Swindon fans he was delighted when we won at Wembley and very dejected when we were demoted by the Football League. (Of course, Pete couldn't make the game at Wembley as he was already out in Zimbabwe at that time).

We both hope that when Pete returned to the U.K. in January 1992 the "Town" will be back in the First Division.

Yours faithfully
Andy Day

RESERVES v TOTTENHAM
Saturday October 27th
Result: Lost 2-1

After the initial period of twenty minutes or so, where we allowed Spurs to dominate and dictate the play, our young reserve side really got to grips with the game and proceeded to give a very good account of themselves.

During that first period we conceded an early penalty which Philip Gray duly converted and Nicky Hammond was called on to make one or two excellent saves, but despite this pressure we held strong and gradually played our way back into the game. Before half time we had created several good openings, Paul Hunt forcing Mimms into a good save and Paul Trollope going close twice. Added to this having a perfectly good Hunt free kick disallowed, by the break we were full of confidence and running. It was no surprise, therefore, when we equalised shortly after half time, Nicky Summerbee scoring with a cracking shot on the run. Although we kept taking the game to Tottenham, we couldn't add to the scoreline and it was somewhat against the run of play when Spurs scored the

winner, Gray netting his second from a Mark Kelly cross.

This was an excellent team performance overall and as long as the lads play with the same confidence, commitment and self-belief throughout the season, we should have two or three more knocking on the door of the first team squad.

RESERVES v IPSWICH
Wednesday October 31st
Result: Won 3-1

Against a strong and experienced Ipswich side, we finally got the goals we deserved. Many times this season our excellent play hasn't been converted into goals so it was nice to sit back and relax as the ball hit the net three times. Paul Trollope (a fifth minute header), Robert Spence (slotting home from six yards) and Paul Hunt (a break from the half way line) did the damage, but it was a really good team effort over the ninety minutes.

Swindon dominated the early stages after taking the lead, but Ipswich, with the likes of Jason Dozell, David Lowe and Neil Thompson, gradually worked their way back into the game. Their goal came after thirty minutes when Lowe rode a couple of challenges to scoop the ball over Nicky Hammond's head.

Immediately after the break, however, Swindon really came out strong and scored twice in four minutes to put the game beyond Ipswich. Several more chances were created and missed, whilst the Ipswich front men rarely threatened our goal.

This was probably our best performance to date this season, fitting reward for a lot of hard work and enterprising play.

SOUTH EAST COUNTIES LEAGUE
v READING
Saturday October 27th 1990
Result: Lost 5-1

Fielding our youngest side of the season, due to reserve team calls and injuries, we never settled into any kind of rhythm against a bigger and stronger side. Going behind early in the game did not help, but we equalised within minutes but conceded another goal soon after. Poor defending allowed Reading another goal before the interval to gain a 3-1 lead.

Working harder and giving more thought and care when in possession gave us more of the game but we conceded two headed goals through lack of challenge from crosses.

Out of defeat we must look for some signs that improvement is being made by the individual. Andy Thomson had his best game of the season while Ryan Lovegrove gave a promising performance as an outfield player.

The younger players will gain experience from sampling this standard of football and now know what is needed to play at this level.

F.A. YOUTH CUP
v BRISTOL ROVERS
Monday October 29th 1990
Result: Won 3-0

This was one of our better performances, with the right approach and working as a team. On top from the start, we soon took the lead when Wayne O'Sullivan cut back a low cross for Richard Boden to open the scoring. The rest of the first half was even, with both sides having a chance to score.

Bristol missed an early second half penalty, and soon after we went further ahead when Marcus Phillips volleyed in a half clearance from a corner. We made the game safe when Jon Buchanan fastened onto a bad back pass to round the 'keeper for number three. Robert Spence missed a late penalty but we already had the game won.

A good team performance, working hard for one another with Edwin Murray and Andrew Thomson strong in defence in front of a safe Ryan Lovegrove while Robert Spence led the front line well.

HELPING THE GAME

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettors. This money will be invested in projects which benefit football throughout the United Kingdom.

Today's Mascot is RICHARD DLUCIK from Allied Dunbar. The position of Mascot has been donated as a 40th birthday present to Richard from his fellow supporters at Allied Dunbar.

You will have noticed that our Mascot tonight is a little older than usual. However, Richard's friends at Allied Dunbar are making a collection within the offices to honour his 40th birthday.

The proceeds will be donated to the Poppy Day Appeal.

Once again football fans are showing the kinder face of soccer.
