Plus our weekend coverage starting on Friday at 17.15 with the exclusive Swindon Town coverage featuring Ossie Ardiles, players and management from the County Ground.

Saturday sport is a full four hours starting at 14.00 with detailed match coverage and radio's first classified football results at 16.55.

Changes on the field . . .

Good afternoon ladies and gentlemen, welcome once again to the County Ground.

We are at the moment facing a loss of confidence on the field. You can rest assured that we shall continue to try and get out of the present crisis. It's at times like this when you find out who your friends are.

It is not an easy time for any of us and I appeal to all of you to give the lads maximum support in their fight to get back on the winning trail.

With Jon Gittens and David Kerslake suspended we have had to make changes. Today will see Nestor Lorenzo's debut for the club. Nestor is an experienced International and we hope he settles well today.

Micky Hazard, who was signed at the same time as Nestor, is approaching fitness again and, hopefully, it will not be long before he's back in action.

Colin Calderwood and Dave Bennett are making steady progress, but it

will be some time yet before either will be restarting training.

We extend a warm welcome to everyone from Portsmouth today. Portsmouth, with former Town striker Frank Burrows as Manager, will provide difficult opponents this afternoon.

I appeal to all of you to get behind the lads today and cheer us, hopefully, to the three points.

Enjoy yourselves and thank you for coming.

GWR FM 97.2

AND SWINDON TOWN

The squad

Frank Burrows (Manager). Frank is currently enjoying his second spell as Pompey manager, having been officially appointed again in May 1990 after five months in which he had been acting as caretaker/manager following the dismissal of John Gregory. As a player he appeared for Raith Rovers and Scunthorpe United before moving here to Swindon in 1968, where he teamed up with Stan Harland (later to become his assistant at Pompey between 1979 and 1982) in the centre of the Town defence. During his years at the County Ground, Frank won promotion to the Second Division and a League Cup winners medal. In January 1978 Frank was appointed coach to Pompey manager Jimmy Dickinson, and was appointed manager in April 1979 when Dickinson resigned through ill health. During the next season, Frank built a highly entertaining side that not only scored 98 goals in all competitions, but which regularly attracted 20,000 plus crowds. On April 1st, 1982, despite having laid the foundations for Pompey's eventual return to the First Division in 1987, Frank was dismissed. After coaching spells with Southampton and Sunderland Frank returned to soccer management in June 1986, when he took charge of Cardiff. He steered Cardiff to promotion from the Fourth Division in 1987/88.

Warren Aspinall (Forward). Born Wigan. Warren missed almost the entire campaign last season after breaking an ankle during the first match of 1989/90 against Watford at Vicarage Road. Pompey's most expensive signing when he joined from Aston Villa in August 1988 for £315,000. Warren began his career at Wigan, making his League debut in March 1985. After joining Everton for £150,000 a few months later, he was loaned back to Wigan to score 21 goals in 41 League games. In 1986/87, Warren signed for Aston Villa for £300,000. He also gained caps as an England Youth International.

John Beresford (Full Back). Born Sheffield. Since moving to Pompey from Barnsley on the eve of the 1989 transfer deadline for £300,000, John has made the left back berth his own. John began his career as an apprentice midfielder with Manchester City where he won England Schoolboy and Youth honours. In the summer of 1986 John moved to Barnsley.

Kenny Black (Midfield). Born Stenhousemuir. Joining Portsmouth from Heart of Midlothian in May 1989, for £250,000, Kenny began his career at Linlithgow Rose before joining Glasgow Rangers and making his League debut in November 1981. In the summer of 1983 Kenny moved to Motherwell before joining Hearts a year later. During his five seasons with 'The Jam Tarts', Kenny helped Hearts twice finish as runners up to Celtic in the Premier Championship while also helping them to reach the quarter finals of the 1988/89 U.E.F.A. Cup.

Mark Chamberlain (Winger). Born Stoke. Mark gained eight England caps between 1982 and 1984. Beginning his career at Port Vale after winning England Schoolboy honours, Mark made his League debut in August 1978. During the summer of 1982, Mark moved for 150,000 to Stoke City and after 112 League appearances moved to Sheffield Wednesday for £300,000. He joined Pompey for £200,000 in July 1988. Mark will be 29 tomorrow.

Colin Clarke (Forward). Born Newry. Colin became Portsmouth's most expensive signing on May 23rd, 1990, when he signed from First Division Queens Park Rangers for £450,000. Starting his career as an apprentice with Ipswich Town, Colin soon moved to Peterborough United where he made his League debut in September 1981. After a loan spell with Gillingham during 1983/84, Colin moved on a free transfer to Tranmere Rovers and AFC Bournemouth, where he scored 35 goals in 1986/86. These goals earned Colin an International call-up, and after starring for Northern Ireland in the 1986 Mexico World Cup Finals, he joined Southampton for £400,000, scoring a hat-trick on his First Division debut. Colin was transferred to QPR in March 1989 for £800,000, after a loan spell with Bournemouth.

Andy Gosney (Goalkeeper). Born Southampton. Andy served his apprenticeship at Fratton before making his League debut in May 1982, but had made only 22 League appearances prior to this season. Andy took over from Alan Knight during September. He scored four goals for the Reserves in November 1988, while recovering from a dislocated finger, which prevented him from keeping goal.

Graeme Hogg (Centre Half). Born Aberdeen. Graeme was described as the "best old fashioned centre half in the Second Division" last season by manager Frank Burrows. A former Scottish U-21 International, Graeme began his career as an Old Trafford apprentice, making his debut in January 1984. He made 83 League appearances (plus another seven during a loan spell with W.B.A. during November and December 1987) in five seasons with United. During July 1988, he joined Pompey for £150,000.

Alan Knight (Goalkeeper). Born Balham, London. Last season Alan broke the Portsmouth club record for most League appearances by a goalkeeper, previously held by John Milkins. Currently the club's longest serving player, Alan was brought to Fratton by Jimmy Dickinson as a 16 year old apprentice in 1977, making his debut in April 1978. Since then, Alan has represented Pompey in every Division of the Football League and has won England Youth and U-21 honours and a 1982/83 Third Division Championship medal.

Martin Kuhl (Midfield). Born Frimley, Surrey. Began his career as an apprentice at St

Andrews and made his League debut in March 1983. After 111 League appearances, Martin moved midway through 1986/87 to Sheffield United in a swap deal that took current Pompey team mate Steve Wigley in the opposite direction. He stayed with the Blades until February 1988, when he was transferred to Watford in a deal worth £40,000. In September 1988, after just four First Division appearances, Martin moved to Pompey for £125,000.

Gavin Macuire (Defender). Born Hammersmith. Beginning his career as an apprentice with Queens Park Rangers, Gavin made his League debut for Rangers in December 1986. On New Years Eve, 1988, Gavin joined Pompey for £225,000 to become Alan Ball's last signing as Pompey's manager. A sweeper who can play in the centre of defence or in midfield, Gavin established himself in the Welsh side last season.

Warren Neill (Full Back). Born Acton. Arriving at Fratton Park from QPR for £110,000 in July 1988, Warren began his career at Rangers as an apprentice, making his League debut for the London side in August 1980. Between then and his transfer to Pompey, Warren played in over 180 matches, winning a 1982/83 Second Division Championship medal and a 1982 F.A. Cup runners up medal.

Gary Stevens (Midfield). Born Hillingdon. Gary moved from First Division Tottenham Hotspur for £250,000 following an impressive two month loan spell on the eve of the 1990 transfer deadline. Beginning his career with Brighton, Gary made his League debut in September 1979. After four seasons with Brighton, Gary moved to Spurs during the summer of 1983, where he soon added to his eight England U-21 caps. Gary's career was temporarily halted in November 1988 following medial ligament damage to his right knee.

Guy Whittingham (Forward). Born Cheltenham. Guy completed his first year as a professional footballer by not only finishing as top scorer with 24 goals, but by also receiving the Portsmouth Player of the Year award. Arriving at Pompey during the summer of 1989, after buying himself out of the Army for just £450, Guy first began on the road that would lead to the Football League by occasionally playing for non-League Oxford City after returning from West Germany with the Army in 1986. During 1988/89 Guy scored 90 goals in 100 matches for Yeovil, Waterlooville, Pompey Reserves, the Combined Services and the Army. Guy scored his first League hat-trick at Oldham on December 30th, 1989. He celebrates his 26th birthday today.

Steve Wigley (Winger). Born Ashton. A £300,000 eve of transfer deadline signing in 1989, Steve began with Cheshire amateur side Curzon Ashton. In April 1981, he joined Nottingham Forest where he made over 100 European and domestic appearances for Brian Clough. After moving during October 1985 to Sheffield United, Steve joined Birmingham City in March 1987 in a part-exchange deal.

**THE WINNING
COMBINATION**

PAUL PLOWMAN continues his season by season look back at Swindon Town through the years.

1968/69

Danny Williams made three acquisitions for 1968/69. The late John Smith arrived in mid-June and both Frank Burrows and Chris Jones arrived at the end of July.

Smith, the midfield 'general', was a polished performer, cast in the West Ham mould and then finely honed at Tottenham. His transfer fee was just £7,000. Burrows, a rugged uncompromising centre-half, added steel at the back.

It was the defence who took the early honours. Not a single League goal was conceded until 568 minutes into the season – in the seventh game. Torquay, who had recorded the first goal in Swindon's opening League Cup tie, also claimed the first goal to be conceded in a home League match – but that did not arrive until October 19, again in the seventh game. A 2-1 victory that day took the Town to the top of the table for the first time.

The season may have opened in grand style for the Town, but not so for full-back John Trollope. In his 368th consecutive League and Cup appearance, at Hartlepool on August 24, he sustained a broken arm and was out for nearly five months. However, he celebrated his return to the number three shirt on February 1 with a goal after only eight minutes.

By then, Swindon had already booked a place at Wembley for their League Cup Final date with Arsenal. When it came, on March 15, the Town adapted quickly to conditions which were not unlike the beach at Weston Super Mare. Bobby Gould tried to ruin Swindon's day with a late equaliser to Roger Smart's 34th minute goal, but Don Rogers' two extra-time gems brought the trophy home to Wiltshire.

But Bradford City might have become the season's giantkillers had they held on to an early two-goal lead in their League Cup Second Round replay at the County Ground. They didn't, and the rest – as

they say – is history. Swindon themselves tossed away a similar lead at Coventry in the Fourth Round. They survived to crush City 3-0 in a second game.

Two goals conceded in a minute cancelled out a fine Semi-Final First Leg performance at Burnley, but again the Town rallied to draw level. And once more they refused to lie down after seeing the First Division side equalise in injury time and go ahead with almost the first kick on extra-time. As the Daily Mail correspondent said at the time "... only an astonishing side would recover now, and Swindon were that side ...".

Quite apart from their Cup adventures, the Town attracted huge gates for Third Division football. No less than seven games were seen by crowds in excess of twenty thousand. Leaders, and eventual champions, Watford topped the list with 28,898 on the evening of Grand National day. The average for the season at the County Ground finished at 17,856.

Only 35 League goals were conceded all season – just seven at home – but Watford's goal average was superior, by 0.15, and so they took the championship.

The World Cup . . .

Bitten by World Cup fever, with Italia '90 and Ossie Ardiles and Nestor Lorenzo at Swindon Town, let's consider the history of this most famous of all football competitions.

The sport had been played in the Olympic Games, but as it grew professionally, F.I.F.A., the Federation Internationale de Football Association, formed in 1905, wanted its own equivalent tournament. At the Antwerp Congress in 1920 there was the first real proposal, the dream became a reality a decade later, masterminded by the President of the French Football Association, Jules Rimet, after whom the trophy was named.

It was solid gold, 32 cms high and weighing more than 4 kilograms. Designed by Le Fleure, it cost 50,000 francs.

At the F.I.F.A. conference of 1928, in Barcelona, it was decided that Uruguay (Olympic champions in the two previous Games) would be the host nation. The country was also celebrating one hundred years of independence.

Thirteen teams competed in that inaugural event, won by the South Americans. Home advantage has paid off in five of the fourteen series so far: Uruguay, Italy, England, West Germany and Argentina.

Now F.I.F.A. has 150 affiliated associations, 105 of which entered the most recent qualifying rounds. There's a new "World Cup", again solid gold, 36 cms high. It's 18 carat

gold, cost £8,000 and was selected from 53 entries. It's been used since 1974. Brazil – the only country to have appeared in all the "final stages" and the first to win three times, were presented with the "original" four years earlier.

For 1986 there were more than one billion television viewers of what happened in Mexico City – a special centre was built for the media, eight floors high, half of them below ground level (!).

Back in the beginning, the opening goal was credited to Louis Laurent of France, v Mexico in Montevideo on July 14th 1930.

Pele, the Brazilian, is perhaps the greatest player, having made four appearances in 1958, two in 1962, two in 1966 and six in 1970. For the goalkeepers, Gordon Banks was beaten just three times in England's 1966 triumph, twice in the Final.

Two people have lined up in 21 World Cup Final internationals: Wille Scale from West Germany and Poland's Wladyslav Bonwda.

The United trainer hit the headlines in 1930, protesting about a refereeing decision, he ran onto the pitch, stumbled and dropped his box of medical supplies, which included a bottle of chloroform. It shattered and he felt the full effect of the fumes as he bent down to pick up the pieces. He collapsed and had to be carried

SHAUN HODGETTS OF GWR FM WITH HIS "IN-DEPTH" LOOK AT THE FOOTBALL SCENE

off!!

My personal memories are dominated by the "total football" of the Dutch in 1974. Holland were runners-up to West Germany – the "man in the middle" for the Final was an Englishman, Jack Taylor.

That tournament, 16 summers ago, had started with a spectacular opening ceremony – so impressive officials had forgotten to put in the corner and halfway line flags.

Brazil/Yugoslavia had a delayed kick-off, while matters were put right!!

Stuart Mac on the Microphone

Good afternoon everyone, welcome to today's match against Portsmouth. First of all, thank you for your letters and comments, both good and bad, on my pre-match chat on the field.

Let me begin with the sound system which has come in for most criticism, i.e. "quality, can't hear in some places, too loud, microphone cuts out (Norman Collier impressions)", all valid points, which are due to be checked out by sound consultants and which hopefully will be rectified within the next few weeks.

A lot of fans ask: "Why bother? Don't you feel silly?" The answer is NO! Despite the problems, I enjoy the job and it really is for the benefit of you, the fan. It's easier for someone to relate to an individual rather than just a voice in the speaker.

There are also other benefits: it's easier and more personal when it comes to introducing new players, presentations, penant exchanges etc. This has proved the case during past matches. And don't forget it adds a bit of fun. To prove my point, you only have to listen to the reception I got from the Shrivv Road (sorry Southsiders!).

A lot of younger fans ask me "Don't you get scared when they boo you?" or "Do they put you off what your saying?"

The answer is, of course not. It would not be the lads if that did not happen. Moreover, it gets them warmed up for the opposition and, anyway, why should Roger Malone have all the fun!

Exchanging of penants has proved exceptionally popular and I have had countless letters from all over the U.K. stating support. Even the media have praised the idea and now rumour has it that a First Division club has made enquiries... where S.T.F.C. leads, others follow!

Another frequent question asked by youngsters is can they have a chance to come on the field for the exchange? Well, no promises but you can write to me here at the County Ground and I'll see what I can do.

I'm glad common sense has prevailed and the Town End is now for S.T.F.C. home supporters only! (Except for Cup competitions).

I got a slap on the wrist for announcing on the microphone that it's too expensive but you, the supporter, have voted with your absence, and the matter of admission to the Town End is to be reconsidered and hopefully a fairer price will result, it did as I write, the price is £6.50 and £3.50.

Well that's about all for now, but my thanks to Ron, Dave and Keith, up in the Moonraker Radio box, for all their help, also to Shaun Hodgett's of G.W.R. sports for my chance on radio.

Congratulations to Mel and Gary Vincent on the arrival of their baby daughter Claire and finally to YOU, the S.T.F.C. fan, for your loyal support to the club, when it needs it most, during the turbulent times.

Keep shouting for the lads and enjoy the game.

Stuart Mac

OUR THANKS TO TODAY'S MATCH SPONSOR MULTI-AGG LTD., SHELLINGFORD QUARRIES

MULTI-AGG LIMITED is an Oxfordshire based company which was first formed in 1984 as a Specialist Aggregate Bagging Contractor and were the originators of the 1 TONNE MULTI-AGG BAG, the new method of sand and gravel distribution now used by major builders merchants groups throughout the country.

The Company first came to prominence when completing a 15,000 tonne bagged sand export order to the Falklands. Further export orders followed and in 1986 the Company opened its first quarry at Shellingford, near Faringdon, which enabled them to provide the complete range of sands, gravels, hardcore and road base materials.

The company continues to expand and grow with two new quarries scheduled for opening in 1991.

Cliff Puffett, the Company's Managing Director, is a keen supporter, season ticket holder and shareholder of Swindon Town. His first involvement with the club goes back 40 years when, as a boy, he collected the pennies that missed the blanket in the traditional half time collection. Cliff's life-long ambition is to see Swindon Town in the First Division!

BARCLAYS SECOND DIVISION SET FOR SEASON'S HIGH

The biggest Second Division crowd of the season watched third placed Sheffield Wednesday entertain top of the table Oldham Athletic. The Owls already hold the current record, set when over thirty thousand spectators watched their clash with Newcastle United back in September.

The two promotion contenders are both showing some of the biggest attendance rises this season in the Division, with Oldham's gates up nearly a third and Wednesday's by 20%. Overall, thirteen of the division's twenty-four clubs are experiencing higher gates than last season.

TRAVEL CLUB NEWS

As new members continue to join the Travel Club, may I remind you that we are now booking for:

Sheffield £7.50 – 9.30 a.m.
Notts County £6.00 – 10.00 a.m.
Ipswich £8.00 – 9.15 a.m.

As mentioned in our last programme notes we need to know definitely who will be travelling to Newcastle on Boxing Day by December 8th.

The Travel Club Committee would like to point out that the telephone number quoted in the Western Daily Press, advertising seats to an away match is in **NO WAY** connected with the Official Swindon Town Travel Club, which is run in conjunction with supporting the club and players of Swindon Town.

Remember, no alcoholic drinks are allowed on Travel Club coaches.

Sets of Travel Club rules are available from the Travel Club office.

We would like to welcome the Junior Blues to our ground today and hope they will all have a great time. We are sure that our Junior Robins will enjoy their games after such a long lay-off.

We had an enjoyable and constructive meeting last Monday, with a very good attendance, despite the fact that it was Bonfire Night! We would like to thank those parents and children who did attend.

We were very pleased to have Colin Calderwood and David Kerslake with us, and for the first half an hour the players answered questions from the floor.

The remainder of the meeting was devoted to discussions on the future plans for expanding the Junior Robins and we were grateful for the many offers of help from parents.

The next meeting will be the Christmas Party on December 3rd.

Reserves & Youths

Andy Rowland

All of the following have appeared on one occasion:-

Hockaday, White, Jones, Lorenzo, Hall, Pick, Lee + 1S, Thomson (S), Rowland (S).

This list gives you an insight into the difficulties of running a reserve side, which from week to week can vary so much. All credit goes to the nucleus of the side for their consistent performances, to the likes of Hammond, Trollope, Costello and Summerbee, who've been ever-present and closely followed by Hunt, Dixon, Close, Murray and Spalding. All the others have done their part so far in maintaining a good standard of performance.

**SOUTH EAST COUNTIES
v OXFORD UNITED**
Saturday November 3rd 1990
Result: Won 2-1

Going ahead in the third minute when Richard Boden read a back pass, rounding the 'keeper, set us up for a fine team performance. Playing with the right approach and commitment, working for one another, whether in possession or defending.

All departments functioned well, doing the right things. We had the better of play but could not get that finishing touch to some good approach work.

Oxford equalised with only four minutes left, but to our credit we fought back and deservedly snatched the winner in the last minute when Wayne O'Sullivan's low cross was tapped in from close range by Boden.

A good team performance, playing some good football with the right approach and getting the result this performance deserved.

Team: Lovegrove, Spalding, Braidwood, O'Sullivan, Thomson, Murray, Phillips, Buchanan, Boden, Spence, Fishlock.

Substitutes: Jones, O'Driscoll.

**ALLIED COUNTIES
v HUNGERFORD TOWN**
Monday 5th November 1990
Result: Won 3-0

This was a dull game with neither side showing too much appetite or approach, with very little thought or know-how. Although winning by three goals we failed to show the necessary enthusiasm required to lift the game, with no one stamping their authority on the match.

Murray Fishlock, Dean Goble and Andrew Bates scored our goals, with many more missed and good possession wasted.

A game to forget, as nothing of note came out of it for the individual or as a team.

Team: Lovegrove, Skinner, Bates, Jones, Pritchard, Thomson, Sly, O'Driscoll, Matthews, Goble, Fishlock.
Substitutes: Buchanan, O'Sullivan.

HELPING THE GAME

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettors. This money will be invested in projects which benefit football throughout the United Kingdom.
