# OSSIES OFFICE

Good afternoon and welcome to this Easter clash with our good friends from Newcastle United Football Club.

Games against Newcastle can always be relied upon to produce some good entertaining football as was proved at Christmas when we played at St. James' Park. That game resulted in a draw and although I hope for a similar type of game today, hopefully we will get three points, points which are badly needed to ensure we stay in Division Two.

After our encouraging performance against Bristol Rovers at Bath, I feel that we let ourselves down badly in last Saturday's home game with Brighton & Hove Albion. We approached the game in a very lethargic fashion and were punished, going behind to an early sixth minute goal from Garry Nelson. Although we drew level again from Duncan Shearer, we lost the game through some careless errors. We realise that our

performance just simply was not good enough and things must change if we are to win our fight against relegation. We must start to work hard now as this is a critical time for everybody at the club and work hard we must if we want to enjoy similar success as last year.

The players are themselves determined to win the battle to ensure Second Division survival - nothing else matters.

On a brighter note, it was very pleasing to see both David Kerslake and Paul Bodin voted as top choice full backs, in Division Two, by their fellow professionals in last weeks P.F.A. awards. Paul, although now no longer with the club, was nominated while at the County Ground and this is an honour that I am delighted both players are receiving. David is due to receive his award prior to kick-off this afternoon from Mr. Martin Taylor who is corporate manager at Barclays Business Centre here in Swindon. Again Barclays are showing their support to football by sponsoring the P.F.A. awards. Please give David the appreciation he so greatly deserves.

Nine points available between now and next Saturday, here's to the first three this afternoon.

## WELCOME

This afternoon we are pleased to welcome to the County Ground the players, officials and supporters of Newcastle United Football Club for this Barclays League Division Two fixture.

## BARCLAYS LEAGUE

This Monday afternoon we meet West Bromwich Albion at The Hawthorns in the Barclays League where the kick-off is at 3.00pm.

We are at home again next Saturday in the League when we entertain Watford who, like us, are in need of the points. Kick-off for this crunch match is at 3.00pm.

We are still offering our Easter Special ticket prices in the Town End Stand for members for this game. Tickets for one adult and one child are £7.50 or £8.50 for two children. Two adults and one child will be admitted for £14.00 or £15.00 for two children. These tickets must be purchased in advance from the Ticket Office and membership cards will have to be produced.

Following the Watford game we are faced with three consecutive away trips. On Saturday 13 April we travel to Home Park where we meet Plymouth Argyle kicking-off at 3.00pm. On Tuesday 16 April we return to the West Midlands, this time it is for the re-arranged game with Wolverhampton Wanderers which was a victim of the blizzards last month. Then on Saturday 20 April we meet F.A. Cup semi finalists West Ham United at Upton Park with a 3.00pm kick-off.

## WITH THE RESERVES...

Just when we thought the worst of the winter weather was behind us, the rain came and forced the postponement of the recent Ovenden Papers Football

Combination game against Fulham here at the County Ground. No new date has been set for the game. The reserves next game is on Wednesday 3 April when they entertain Charlton Athletic here kicking-off at 7.30pm. The following Wednesday the other Selhurst Park team are here - Crystal Palace again with a 7.30pm start.

Following on from their impressive 10-0 win over Westbury United in the quarter final of the Wiltshire Premier Shield the Reserves now face Trowbridge in the semi final which is to be played at Chippenham.

## ... AND THE YOUTHS

This morning the Youth Team were in action on the South Coast in the South East Counties League when they took on their counterparts from AFC Bournemouth. Next Saturday it's local derby time again when they clash with Bristol City at Keynsham, kicking-off at 11.00am.

The Youth Team's next home League fixture is not until Saturday 13 April when Brentford are at Southbrook Park with the usual 11.00am kick-off.

## PROGRAMMES FOR SALE

Phil Daniels has advised us that due to lack of space he is selling a large number of his football programmes in bundles of 200 for £10 (post free). If you are interested please write to Phil direct at 77 Darley House, Wallace Close, Oldbury, Warley, B69 1HT.

## SKY'S THE LIMIT

BSkyB are showing live the Finals of both the Zenith Data Systems and Leyland DAF Cups. Chelsea, who finished our interest in the competition, meet Everton in the Zenith Data Systems Final at

Wembley on Sunday 7 April to be screened on Sky One with another showing the following day on the Sports Channel. The Leyland DAF Final for the Associate Member Clubs will be between the winners of the Northern Section, Preston North End or Tranmere Rovers and the Southern Section winners Brentford or Birmingham City. Again from Wembley, this game will be shown live on the new Skysport Channel.

## SHEARER IN THE TOP TEN!

Duncan Shearer's goal in last week's game against Bristol Rovers has put him into the top ten goalscorers this season in Division 2.

## FOR THE RECORD

Highest gate so far this season in Division 2 was for the top of the table meeting at Hillsborough between Sheffield Wednesday and Oldham Athletic watched by 34,845 fans. The lowest was 4,166 when Hull City met Blackburn Rovers at Boothferry Park.

The lowest Football League gate in all Divisions this season to date was just 625 when Scarborough met Wrexham in Division 4. No doubt the public address system announced the crowd changes as well as the team changes!

## OXYGEN AT THE READY

Youth Team Manager John Trollope and former Town star Don Rogers will be getting the boots out again tomorrow week when they play for BBC Wiltshire Sound in a charity match at Marlborough Town against a British Telecom Select XI. Kick-off is at 3.00pm and we have the iron lung on stand by!

**THE WINNING  
COMBINATION**

# SEASON BY SEASON

We continue our look back  
at Swindon Town through the years . . .

## 1979/80

### THE CUP TRAIL

Swindon were left smarting at the start of the season by the loss of John McLaughlin and Steve Aizlewood who exercised their right to move under the freedom of contract system and joined Portsmouth. Town officials were disappointed that a League tribunal awarded them only £45,000 for each, roughly half the amount the Town had requested. The First Round League Cup victory over Pompey by 3-1 on aggregate must have been even sweeter as a result but little did anyone dream it was the start of a Cup run which was to take Swindon within ninety minutes of Wembley. Round Two produced a 2-1 aggregate victory over Chester but a trip to First Division Stoke in Round Three looked a daunting prospect. The Potters took a two goal lead but Alan Mayes pulled one back before half time and Andy Rowland shot home an equaliser four minutes from time. This brought the Midland side back to the County Ground where they were defeated 2-1. Swindon earned a place in the last eight with a victory at Wimbledon's Plough Lane. Substitute Chic Bates scored from a knock down by Alan Mayes five minutes from time to give Swindon another 2-1 win.

### ARSENAL OUTGUNNED

Swindon produced some of their best football of the season in the quarter final match at Highbury. Alas, it all appeared to be in vain. The Gunners were leading through a first half Alan Sunderland penalty and it looked that Swindon would be left with only the professional pride of a good performance to take away with them. Then substitute Billy Tucker headed home a Ken Stroud corner with just five minutes remaining. The replay at the County Ground was watched by a 26,000 capacity crowd and had everything a great Cup tie should: goals, swaying fortunes and, of course, a Swindon victory! Swindon led 3-1 with less than twenty minutes left when a Liam Brady inspired fight back brought the Londoners level. Once again a late goal showed Swindon's staying power, Rowland forcing the ball home in a goalmouth scramble minutes from the end of extra time.

### SO, NEARLY AT WEMBLEY

Swindon faced a two leg semi-final with Wolves, but bad weather delayed the first leg at the County Ground. When it was played it was the combination of Mayes and Rowlands that gave Swindon a 2-1 advantage to take to Molineux. Alan 'He's here, he's there, he's every \*\*\*\* where' Mayes and 'Handy' Andy Rowland enjoyed a great season. Alan Mayes had become an instant favourite with Town fans thanks to a debut hat-trick against Rotherham, Andy Rowlands had taken a little longer to win their admiration but his determined style and heading ability soon made him a long term favourite. In the League they produced 39 goals between them with Andy just finishing top scorer by one. Sadly neither of Swindon's deadly duo could find the net at Molineux as Swindon went down 3-1. Two goals in five minutes early in the second half blitzed Swindon's hopes. The Town responded quickly. Mayes was bundled down by goalkeeper Bradshaw with a challenge that might well have warranted a sending off in today's climate and McHale netted from the spot but it was John Richards, with his second goal, that ensured Wolves and not the Robins went to Wembley.

### OSSIE ON TARGET

Swindon also enjoyed a good run in the F.A. Cup, reaching Round Four and leaving Manchester United and Tottenham to fight for the honour of a trip to the County Ground. A goal by a certain Osvaldo Ardiles in the 118th minutes of the Old Trafford replay earned Spurs the trip. A fierce fought Cup tie saw Tottenham fans burn down a programme but the game itself produced fewer fireworks ending 0-0. McHale gave Swindon the lead from the penalty spot in the replay but two goals in the last ten minutes again wrecked the dreams of Swindon fans.

### MEANWHILE, BACK IN THE LEAGUE

Promotion rather than Cup glory has to be the main aim of any lower Division side. The first half of the season went well and in between the two Arsenal Cup ties Swindon produced an 8-0 victory over manager Smith's old side,

Bury. It was Swindon's biggest win in the League since World War Two and left them just two points behind leaders Sheffield United and Colchester with a game in hand. After the defeat by Wolves Swindon lost 2-0 at Grimsby. During this match the sort of thing that occurs when the tide of luck turns happened. Kenny Stroud punched a ball over the bar, the ref failed to spot it and awarded a corner from which – you guessed it – Grimsby scored. Swindon went off to Spain for a mid-season break, eight points behind leaders Grimsby and Colchester with five games in hand not a hopeless position but, as so often happens when teams are under pressure, points in the bag prove more valuable than games in hand.

### TRANSFER GAMBLER

There was no lack of ambition at the County Ground at this time. In December £110,000 had been spent on Lincoln City midfielder Glen Cockerill but he did not make a first team appearance until March and then managed only eight full appearances before the end of the season. Even worse was the £150,000 signing of David Peach. Andy Rowland was probably right when he said what we needed was the best Third Division full back not the best First Division one. Peach suffered the misfortune to make his debut in a 6-2 drubbing at Millwall which left Swindon's promotion hopes in tatters. They ended the season in tenth position, having averaged exactly a point a game.

### FOOTBALLERS OF THE YEAR

Swindon fans selected Chris Kamara, who had been transfer-listed for lack of effort after the first game of the season, as their Footballer of the Year while the award for the most promising youngster went to Charlie Henry. Both were to play a part in future seasons which brought greater rewards than the 1979-80 one which promised so much yet resulted in so little.

## Reflections . . .

It's that time of the year to be reflecting on the previous twelve months or so, with the annual series of awards ceremonies: the Oscars, BAFTA, etc.

Footballers have just voted for their favourites within the soccer profession for the P.F.A. Honours. I remember staying up late on a Sunday night to see the first ceremony 17 years ago. Norman Hunter was the main winner in 1974. He was followed by Colin Todd, the only other defender to take the title. The achievements of goalkeepers Pat Jennings and Peter Shilton have been recognised. Star strikers to make acceptance speeches: Andy Gray, Kevin Keegan, Kenny Dalglish, Ian Rush, Gary Lineker, Clive Allen, John Barnes and Mark Hughes. Midfield maestros: Liam Brady, Terry McDermott, John Wark and Peter Reid. Andy Gray, Ian Rush and Mark Hughes have also claimed the 'Young Player of the

Year' accolade. But whatever happened to Peter Barnes, Tony Woodcock or Steve Moran?

Recipients of the merit award make up a hall of fame of our national game. They include John Trollope MBE in 1981 as well as Bobby Charlton and Billy Bonds who are both still involved with the sport.

Away from the luxurious setting of the Hilton or Grosvenor House Hotel, there's the Footballer of the Year, judged by the Football Writers Association which more often than not agrees with the other ballot. That 'competition' has been shared only once between Tony Book and Dave MacKay in 1969.

On the continent, Europe's number one is chosen by a poll carried out by France Football Magazine. Football League stars who've shone in this ballot include Stanley Matthews in 1956, Denis Law eight years later,

Bobby Charlton in England's World Cup winning season, George Best when Manchester United took the champions cup and Kevin Keegan in 1978 and 1979 when signed to SV Hamburg after an illustrious spell at Liverpool.

Who's to say who should win a 'Worlds Greatest' award, Maradona, Guillit, Gascoigne or Beckenbauer Cruyff, Pele in their generation?

Finally, congratulations to David Kerslake, the Second Divisions top 'number two' according to his contemporaries.

# HELPING THE GAME

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettors. This money will be invested in projects which benefit football throughout the United Kingdom.

## JUNIOR ROBINS

Unfortunately we were unable to arrange a game between the Junior Robins and Junior Magpies today because of the distance involved. However should any Junior Magpies be here with their parents – welcome. We recently played the Junior Lions prior to the game against Millwall at The Den and were made extremely welcome by our hosts. It is so pleasing that youngsters from different teams can get together before games and enjoy football with no fear of problems. As it is Easter Monday next week there will be no meeting at the Club for Junior Robins. Look out for further details in future issues of exciting changes that are about to take place within the Junior Robins.

We have had several entries from members sending in drawings of their favourite players for our competition. However we notice that the vast majority of them are from female members, so come on lads get your paints and crayons out and try your hand at winning one of the great prizes we have on offer.

Home again next Saturday when we entertain The Junior Hornets – see you then!

Some of football's soccer greats have worn with pride the famous black and white stripes of the Magpies, names such as Hughie Gallacher who holds United's scoring record for a season with 36 goals in 38 games back in 1926-27. Jackie Milburn scored the quickest goal ever in an F.A. Cup Final after just 45 seconds in 1955.

More recently Malcolm MacDonald, who cost the Club £185,000 when signed from Luton Town in 1971, scored 95 goals in 187 Newcastle appearances and in 14 England appearances 'Supermac' scored 6 goals which included five against Cyprus in one match.

In temporary charge, following Jim Smith's resignation last week, is Bobby Saxton who joined the staff at St. James' Park in December 1988 after managing York City for eighteen months. Saxton played for Derby County, Plymouth Argyle and was player/manager at Exeter City. As well as York City, Mr. Saxton was also in charge of Plymouth Argyle when they won promotion to Division Two in 1975 and at Exeter City when promoted to the Third Division two years later.

38 year old keeper John Burridge is a man of many clubs, United being his ninth, in a career that started in his native Workington and taking in Blackpool, Aston Villa, Crystal Palace, Q.P.R., Wolverhampton Wanderers, Sheffield

United and Southampton along the way. He moved to the North East in December 1989 and his career appearances so far exceeds well over 700.

Steve Watson is a 17 year old Youth Trainee player who has made a huge impact since making his Football League debut at Wolverhampton Wanderers back in November.

Full back John Anderson is the longest serving member of the team who arrived at St. James' Park in 1982 on a free transfer from Preston North End. Born in Dublin he began his career with West Bromwich Albion before leaving them for Deepdale in November 1977. An Eire International, John had trials with Manchester United, Wolverhampton Wanderers and Coventry City while at school, Johnny Giles eventually winning the chase for his services and taking him to the Hawthorns.

31 year old Roy Aitken is a stylish but aggressive midfielder or defender who captained Scotland in the 1990 World Cup Finals in Italy and was made skipper on his move to Newcastle United from Celtic. The move across the border was made in January 1990 for a fee of £1½m. He captained Celtic to the League and Cup double in their Centenary Year in 1988 and made 465 appearances for the Parkhead outfit.

with Boro came to an abrupt end and he had to work in a local factory. It was while playing for Eppleton Colliery the tall centre half was picked up for United and signed professional forms at St. James' on his 18th birthday. A member of United's F.A. Youth Cup winning side he made his full League debut in 1986.

Bjorn Kristensen, 'Benny' to his team mates has nine U-18 caps for Denmark, 14 U-21 and 17 full international appearances to his credit. He made over 300 appearances for Aarhus before moving to England and St. James' Park.

Born just a few miles away at neighbouring Sunderland, Kevin Dillion's career began where he served his footballing apprenticeship, at Birmingham City, for whom he played nearly 200 games before joining Portsmouth in 1982. He scored 60 goals while at Fratton park but has found the net more elusive since his return to the North East.

Midfielder Gavin Peacock moved to Newcastle in December 1990 in a player plus cash deal which took Wayne Ferreday to AFC Bournemouth. He made 41 League appearances at Dean Court, having previously been with Gillingham and Queens Park Rangers.

Micky Quinn has formed a deadly striking partnership with Mark McGhee since moving to the Club from Portsmouth in July 1989. A tribunal settled the fee at £650,000 after being asked for £1¼m by Portsmouth.

Liverpool born, Quinn scored 35 times last season and has previously had spells with Wigan Athletic, Stockport County and Oldham Athletic. He is the Clubs leading scorer having found the back of the net so far this season on 17 occasions.

Eire International Liam O'Brien was signed from Manchester United for a fee of £300,000 in November 1988. Was spotted playing for Shamrock Rovers by Ron Atkinson when playing a friendly against Manchester United.

Kevin Brock was previously with Jim Smith while at Oxford United and Queens Park Rangers. An England U-21 International, Brock was Jim Smith's first signing, a deal in which Q.P.R. received £300,000 for his services.

Mark McGhee is in his second spell with United who initially signed him in January 1978 from Morton a fee of £150,000. After just two seasons he left Tyneside to join Aberdeen with whom he spent six years before a further move which took him to SV Hamburg. His travels then took him to Celtic before the return to St. James' Park in July 1989 for a fee of £250,000. McGhee is a widely experienced striker who has won almost every honour in the game and was United's second top scorer last term.

Scott Sloan recently scored his first goal for Newcastle in the home 2-1 win over Leicester City. Wallsend born Sloan was a close season signing from Berwick Rangers for an initial fee of £40,000.

# FROM THE TREATMENT ROOM

The most common footballing injury is known in medical terms as a 'haematoma'. This is simply where a player has received a knock which causes bleeding into the affected tissues, usually muscle. This 'knock' can be administered by an opponent's (indeed even a team mate's) boot, knee, arm, head etc., and if of sufficient force, will cause blood vessels to rupture and create a haematoma. One of the most common examples being to the muscle at the front of the thigh usually caused by an opponent's knee generally referred to as a 'Dead Leg'. The resulting bleeding will cause pressure, pain and restrict mobility of the knee.

The majority of these injuries tend to be of a minor nature and can usually be 'run off'. In more serious cases care must be taken in their management. The initial treatment (first 48 hours) is similar to that outlined in a previous article. The physiotherapy treatment from that point on for a haematoma of the thigh is as follows:

1. Heat treatment to relieve pain and stimulate the underlying circulation to aid dispersal of the haematoma.
2. Graduated contraction exercises for the thigh muscles will also aid dispersal of the haematoma and help to strengthen the weakened area.
3. Mobility exercises of the knee to gradually regain normal movement.
4. Activities such as swimming in the early stages and cycling later, will help to restore normality.

**COMPLICATIONS:** Care must be taken not to treat this injury too vigorously in the early stages, either by exercise or massage. These can cause bone cells to invade the area causing muscle tissue literally to be turned to bone!

Always remember that if you are in any doubt about any injury, you must seek specialist medical advice.

## Ovenden Papers Football Combination Monday 25th March 1991 Millwall 1 Swindon Town 0

Our latest Football Combination game resulted in a disappointing defeat for Swindon as, on the day, our performance was good but unfortunately our finishing in front of goal was not.

Playing against a strong wind in the first half, we managed to play some good controlled football and on several occasions got into some fine positions to either cross or shoot.

Some of the better crosses were put into the box without anybody being able to get onto the end of them. When we did get the chance to shoot, the run of the ball seemed

against us.

The only goal of the game came in the second half when Millwall's Malcolm Allen turned sharply in the box to fire an angled shot past Nicky Hammond.

The remainder of the half saw us create at least five goal worthy chances that neither Shaun Close, Paul Hunt or Fitzroy Simpson could convert. Unfortunately time ran out, leaving us to consider that we only had ourselves to blame for losing the game, on chances created, we should so easily have won.

**Team:** Hammond, Murray, Hall, Simpson, Viveash, Lorenzo, Hunt, Trollope, Close, Summerbee, Spalding.

**Substitutes:** Spence, Braidwood.

## South East Counties League Saturday 23 March 1991 Tottenham Hotspur 4 Swindon Town 1

The scoreline suggests another poor performance, but this could not be further from the truth. As in many of the previous games we had the larger part of possession. Playing with two wide men and

starting many of our attacks in defence, the football played was very pleasing with good passing movements and, but for a poor final ball and wasteful finishing, would show better rewards. Spurs gained a one goal lead at half time against the run of play and soon after, a badly taken short goal kick gifted them with a second. A missed penalty and other chances went begging, before we reduced their lead when Neil Matthews, on as substitute, fired home a loose ball. Having every chance to save the game, we continued to play some good football but, late in the game, conceded two goals from poor defending, giving Spurs a comfortable win.

Although the final score did not reflect the balance of play, we must put more importance on winning the ball, showing better awareness when defending to match the good play when in possession.

**Team:** Williams, O'Sullivan, Hall, Braidwood, Thomson, Murray, Jones (Matthews), French (O'Driscoll), Phillips, Spence, Fishlock.

## FOCUS ON YOUTH No. 7

### MURRAY FISHLOCK

Sixteen year old Murray Fishlock received the set back all players on Associate Schoolboy forms with a professional club dread, that is notification that they are not to be offered a Trainee (apprenticeship) contract on leaving school.

Murray accepted the initial decision of Youth Manager John Trollope but, so determined was he to make the grade, he continued to play for Swindon Town as a non-contract player. Trollope persuaded Murray to change his style of play, advice which worked for this Marlborough born youngster because, in September last year, it was agreed that he had become stronger on the field of play and was ready to start on the long road that football can take you. This budding left winger, who attended the Pewsey Vale Secondary School, has yet to make his Reserve Team debut. He attended the Town's Centre of Excellence and signed schoolboy forms at 14, this was following success at a local Coca Cola/Bobby Robson Soccer Fun Week. Murray lives in Pewsey along with his parents and older brother, Russell, who plays for Salisbury City in the Beazer Homes League. Murray likes to support his brother when possible as indeed does his friends at Pewsey F.C., where he used to play himself during his early teens.

A keen golfer, Murray also likes to watch athletics, a sport he is unable to compete in due to his footballing commitments here at the County Ground.

Level headed, Murray says that his more immediate ambition is to improve his game during the second year of his apprenticeship and then to play at Highbury and Wembley - naturally for Swindon Town.
