Just when it seemed like the start of the season would herald a slight lull in the hectic activity in the portakabins first of all, a rush through of a two year contract for Gary Rowett, who we congratulate on his rapid elevation to first team squad status. Then Torquay United declared themselves delighted with Mark Dobie, so the Cumbrian who never appeared for the first team, has gone for £10,000. If Mark can achieve a goal scoring streak like the one he had for the reserves in the Capital League last season, then Plainmoor will be well pleased.

Callers to the "Abbey Update" will already know the Club's stance on the development towards a "Super League". The Chairman and Board of Directors have maintained a stance of being "Anti Big Five" in terms of the First Division proposals. The Chairman confirmed this week that the Board stand four-square behind Bob Murray of Sunderland, who last week set out proposals for the remainder of League clubs. I am personally delighted that many clubs are concerned more for keeping alive the spirit of football traditions, rather than the apparent desire for a "fast buck".

The next game at the Abbey is on Tuesday 3rd September, kick off 7.45 pm against Southend United. The game is all ticket.

The ticket office will be open as follows:

Tuesday 27th August	10.00 am - 5.00 pm
Wednesday 28th August	10.00 am - 5.00 pm
Thursday 29th August	10.00 am - 7.00 pm
Friday 30th August	10.00 am - 5.00 pm
Saturday 31st August	9.30 am - 12.00 Noon
Monday 2nd September	10.00 am - 5.00 pm
Tuesday 3rd September	10.00 am - 12.00 Noon

Please note there will be no tickets available after 12.00 Noon on the day of the game.

Don't forget that whilst Membership guarantees a £1.00 reduction on prices, it does not guarantee a ticket. Please ensure that you get your ticket as early as possible.

The same against Wolves on 17th September is all ticket - details to come soon. (Watch this space).

BECK ONING

For the second successive home game, we welcome, this afternoon, another player on his first managerial venture. Glen Hoddle was probably one of the finest players this country has ever seen and if his side possesses the same flair and ability which Glenn had, then we should see a very entertaining game this afternoon.

Following our midweek victory in the Rumbelows Cup over Reading, it is now a matter of concentrating on today's game to ensure we obtain a solid start to our League campaign. Unfortunately Dion was sent off on Wednesday night and will have to sit out three games. However, we have a good squad here at the Abbey and whoever steps in will do an equally good job. Dion

will obviously be missed, but as I stressed earlier in the week, no matter who wasn't here they would still be missed, whether it be Dion or the

youngest YTS boy. We are a team on and off the pitch and everyone has a part to play.

One pleasing aspect of the last week or so has been having Liam Daish back in training. Liam has been exceptionally patient throughout the duration of his injury, but it is great to see him working hard again and he will soon be knocking on the first team door.

Please get behind the lads today.

COLIN BAILIE

Colin Bailie

The football league computers choice of Swindon Town as our first visitors in the second division means a real touch of irony for Colin Bailie, for it was with the Robins that he started his professional career.

Colin recalls: "I started playing for a very good boys club in Belfast at the age of 14, and in 1980 Swindon offered me a contract. After five years and about a hundred appearances for them I moved up the M4 to sign for Reading, and then in the summer of 1988 came the move to Cambridge".

In his three years here, Colin has made the transition from right back to midfield, and has played his full part in the clubs double promotion. He says of the clubs success "The exceptional work rate, organisation and all round ability have been key factors. We all work for each other".

27 year old Colin has built up a reputation as one of the most articulate members of his profession. He is one of the few members of the squad with second division experience, and says of the months ahead "It's a special feeling for me to be back in division two. For most of the players, it's the great unknown, and we are very much looking forward to it".

DAVE BROWN'S *REVIEW*

REMEMBER, REMEMBER-PART TWO

As the football withdrawal symptoms continued, I suddenly took to watching the Test Match Cricket on the box. Have you noticed how the volume of the crowd, goes up five fold after 4pm exactly !! Now I've got this theory about Bars being open all day

It must have been when we went 2-1 down in the series, that I first saw the Lucozade advert with John Barnes in it. Yes, it's a shame that his brilliant ball control using a Lemon and a Lime, sadly disappears when he is presented with a football and he is wearing an England shirt. Maybe the F.A. aren't paying him enough !!

A FIFA meeting took place in Belfast in June, and unfortunately the conclusions put even more pressure on the poor old refs. Rule changes mean that the "Professional Foul" has now been extended to it being a sending off offence for deliberate tripping and handling to stop certain goals. Goalkeepers are also being hammered for

time wasting.

Now, when a keeper catches a pass-back, then dribbles to the edge of his box, he cannot touch it again with his hands until another player has touched it.

Another change in F.A. Cup rules was also imposed as expected. Due to the Police only being able to control just the standard Football programme, there apparently isn't the necessary manpower available for a Second Replay. In other words, if an F.A. Cup tie is still a draw after a replay, and extra time has been played, it goes to a penalty shoot out. It means that our thrilling 5th Round Second Replay against Bristol City would not now ever happen. It's a real shame, that for over a century, this historic competition now has to make such a fundamental rule change, what next?

UPDATE

UPS AND DOWNS IN THE YEAR AHEAD

Despite the current uncertainty surrounding the future structure of the oldest League in the world - that is why it is called The Football League - the promotion (and relegation) places that all teams are playing for in the coming season are shown below.

DIVISION ONE - (Three down) Bottom three clubs go down.

DIVISION TWO - (Three up and three down) Top two clubs gain automatic promotion together with one from next four placed clubs via the Play-Offs. Bottom three clubs go down.

DIVISION THREE - (Three up & four down) Top two clubs gain automatic promotion together with one from next four placed clubs via the Play-Offs. Bottom four clubs to down.

DIVISION FOUR - (Four up but no one down) Top three clubs gain automatic promotion together with one from next four placed clubs via the Play-Offs. No club is relegated but Football Conference Champions promoted to The Football League.

ODD SEASON FOR THE FOURTH DIVISION

For the first time in its thirty-three year history, Division Four will consist this season of an odd number of clubs, with twenty-three sides competing for the four promotion

places on offer. Each week, therefore one club receives a 'bye' with a full Fourth Division fixture programme consisting of only eleven games.

The situation has arisen as a direct result of the decision to expand the First Division to 22 clubs which was taken at an EGM in August 1990. As a result of this amendment (which only three First Division Clubs voted against at the time), the number of clubs in membership of The Football League would thus be increased (over two seasons) by two, this change being facilitated by no relegation to, but promotion from, the Football Conference during this period. So again this year, the bottom club in the Fourth Division does not face demotion to the Conference.

A RETURN TO NATURE

For the first time in ten years all First and Second Division games this season will be played on a natural grass pitch. Both Luton Town and newly promoted Oldham Athletic have replaced their synthetic surfaces during the close season, leaving Third Division Preston North End as the only club amongst the 93 members of The Football League with a plastic pitch.

Under League regulations the Deepdale club have until 1995/6 to return to grass unless in the meantime they gain promotion.

BYGONES

Matches to Remember:

United v Scunthorpe, 28th October 1989

I'm sure I've seen better games in my time of supporting United, but I still feel this game was unique, it had just about everything.

On arriving at the ground the most noticeable thing was the force 10 gale blowing straight down the pitch. The rain merely ensured the match was witnessed by only 2395 (a real bygones attendance!).

United won the toss and put Scunthorpe into bat, defending the Newmarket Road end. Each goalkeeper's first goalkick was a pointer of what was to come. John Vaughan's was saved by his opposite number, whereby Peter Lichfield's first just got out of his own penalty area! It was from one of these goalkicks that Gary Clayton was presented with an open goal - just 50 yards out with only eight defenders to beat, but Gary coolly sidetooted the ball into the net, one bounce over the 'keepers head.

A goalkick by Vaughan helped set up the second goal. Dion Dublin managed to get a touch, for John Taylor to run onto and slot the ball past the advancing keeper. Next came one of the most spectacular goals ever seen at the Abbey Stadium. Maybe Chris Leadbitter will tell us what was going through his mind as he beat an opponent to a loose ball, just in his own half. Personally I think he spotted Lichfield two yards off his line and decided to launch the ball upwards. For everybody in the ground the ball just disappeared. Nobody knows how high it went - not even the met office. When the ball re-appeared it was heading at 89o towards the Scunthorpe goal, poor Lichfield didn't

stand a chance, but his horizontal backwards dive did succeed in making the goal look even more spectacular.

We all knew United needed a good half-time lead to defend in the second half and the fourth goal came in the 35th minute, this time nothing to do with the conditions, a good run by Lee Philpott was converted from 4 yards by Dion Dublin. Scunthorpe pulled a goal back before half time when everybody missed a swirling cross except Gary Marshall at the far post.

United needed to weather the early second half storm, but instead managed to concede two goals in the first eight minutes. A wind assisted corner tapped in by Ian Daws and a penalty converted on the rebound by Ian Hamilton. The pressure was on.

Scunthorpe were a good footballing team and let United off the hook by playing some nice, short passing football, instead of using the conditions to their advantage. United, indeed had ridden the storm and eventually made the game safe with 15 minutes to go. Another good run by Philpott again found Dublin free to make the final score 5-3.

United: Vaughan, Clayton, Kimble, Cheetham, Chapple, Daish, Dennis, Leadbitter, Dublin, Taylor, Philpott. Subs: Merriman, Robinson.

REMEMBER: DON'T DRINK AND DRIVE

'PERSONALLY'

Throughout the Summer football has done battle in the High Court, but this time it's not the terrace fans in the dock, but groups possible that set to do the game more damage than hooliganism - the F.A. and the Football League as they battle out plans for the formation of the "Super League".

The clubs quitting the Football League to join the "Super League" have been promised mega bucks, although it is far from clear if any T.V. company is prepared to pay this sort of money (remember ITV's reluctance to pay for Arsenal's potential championship decider last season).

The whole Super League Scheme has been brought in on the back of helping the England team (that reached the semi-finals of the last World Cup!), and falling into line with the rest of Europe. The French have recently closed down some of their teams owing to bad debts, whilst one of our "big five" is embarrassingly in debt yet still spending millions in the transfer market! (Are Super League teams expected to meet any financial standards?)

The Super League plan suggests regionalisation for

the lower Leagues, a totally unnecessary measure in these days of improved roads and travel, besides a line drawn halfway across the country does a negligible amount to cut down travelling. (Would regionalisation mean local games at holiday time?)

It was uncertain what rewards we in the Second Division were playing for this season, even before Sunderland Chairman, Bob Murray, took his brave stance of isolating the breakaway clubs. How the cups will be affected under the F.A.'s proposals, is anybody's guess, as their intentions have been kept under wraps, further grounds for scepticism I would suggest.

I believe we need one body to take our game into the twenty first century, a coalition of the F.A. and Football League, looking at reducing the amount of games played, starting with the abolition of two legged cup ties. As football clubs everywhere become more and more greedy let us not forget the goose that lays the golden eggs - the fans.

TALKING

STATISTICAL

THE CLIMB TO THE TOP by David Soanes

The end of the season again saw the surge of Cambridge United. This time twenty six points were earned in just five hectic weeks and eleven games. The next best run was from Brentford which moved them up from 9th to 6th and a place in the play offs. Their last game and win at Southend gave Cambridge, not just the automatic promotion they were seeking but the Championship. This had only been a dream for Cambridge who had had two hours at the top after beating Wigan in a noon kick-off.

The table below will show you the consistency of the two clubs below Cambridge. Also the fall off of Leyton Orient and Stoke, who at the beginning of December, could both have hoped for promotion. In the run in Stoke and Exeter gathered only 4 points whereas the struggling clubs Crewe and Rotherham gained 14 points but as Fulham got 13 it was not quite enough to save those two from relegation.

Shrewsbury with 33 points since the beginning of February saved themselves and they climbed from 23rd to a more respectable 18th. The bottom four were always likely to be the ones in danger and Bolton were the only likely contenders for automatic promotion who were unlucky at the very end caught by Cambridge's sprint.

SWINDON

This season...

After a disappointing season for Town last year when they finished only 2 points away from the relegation zone, Manager Glenn Hoddle has invested in 2 players during the summer.

His first signing was striker David Mitchell from Chelsea for £30,500. Mitchell scored in Swindon's 2-0 win over West Brom in the Rumbelows Cup on Tuesday, the other goal scorer being former Tottenham and Chelsea star, Mick Hazard. Hoddle's major signing of the pre season was central defender Shaun Taylor from Exeter City for £200,000. Swindon opened their League programme last Saturday with a 0-0 draw at the County Ground against Leicester City in front of an encouraging 12,400 fans. Today's team will include:

GLEN HODDLE

(Age 33, Midfield)

Born Hayes, Middx. Appointed Swindon Town Manager upon the sudden departure of Ossie Ardiles to Newcastle at the end of March. The former England midfielder man will be hoping to add to the 370 Football League appearances and 80 goals he recorded in a twelve-year career at

Tottenham, prior to leaving for Monaco in the summer of 1987. Made a number of appearances in Swindon's reserve side last season - at sweeper.

MICKY HAZARD

(age 31, Midfield)

Born Sunderland. Signed from Portsmouth for £130,000 last September. Micky inherited the Town's number four shirt from the transferred Alan McLoughlin. Made 38 League and Cup appearances, scoring eight goals - his best tallies since 1981/82 when he was an up and coming star at White Hart Lane. He won both FA Cup and UEFA Cup medals with Tottenham before joining Chelsea for £300,000.

DUNCAN SHEARER

(age 28, Striker)

Born Fort William. Has maintained an impressive "goal every other game" average since making his Football League debut for Chelsea in February 1986. A club-record £230,000 signing from Huddersfield Town in June 1988. Duncan has recorded tallies of 16, 27 and 23 for Swindon. Arrived in London from Highland League club Inverness Clachnacuddin in November 1983.

CLUB HISTORY

The club was founded in 1881 by the Reverend W Pitt as an amateur organisation, not adopting a professional status until 1894. Original members of the Southern League on its formation in 1894 the club won the championship in 1911 and 1914 and during the period 1907-14 never finished lower than fifth in the table. The club reached the semi-finals of the FA Cup in 1910 but were beaten by Newcastle United.

In 1920, Swindon became founder members of the Football League Division 3 and had to wait until 1963 until they gained promotion to the Second Division. The club dropped into the Fourth Division for the only time in its history in 1982 but underwent an amazing revival under the managership of Lou Macari. Macari gained promotion to the Second Division in successive years although after his departure to manager West Ham was the target of an Inland Revenue investigation. Found guilty of financial irregularities the club were demoted from a place in the First Division which had been achieved under Macari's replacement Ossie Ardiles. The club are probably most famous for their League Cup victory over Arsenal in 1969 whilst a Third Division club, however they have also won the Anglo Italian Cup in 1970.

Swindons full League records reads:

There were goals that evening for Alan Biley, Floyd Streete (2), Northern Ireland International, Tom Finney and Peter Silvester with the visitors finding the net with goals from Moss and a Ray McHale penalty.

You may recall that towards the end of last season I wanted to arrange a fans forum. To that end, I am grateful for the support of Mark Johnson and Matthew Holister. I'm considering available dates in September, but, in order to gauge how many people would be interested please write in, or telephone me. This will determine whether or not we book the Harris Suite or the bus stop opposite the Corona Works for a venue. Your support will help me persuade "Star Guests" to appear. I am particularly keen to convince members of the Board that it will be a worthwhile exercise.

Great support at Blundell Park - over 1,100 supporters - more than double the following we had back in April.

Congratulations to Wally Rookes, who thanks to some creative use of the English language, and a few "home truths", has won a Nisa/Today family supporter award. Wally will receive his trophy and cheque from John Murray, of Murray's Supermarket, before the game against Derby County.

The draw for the Zenith Data Systems Cup has given us a home tie against Charlton Athletic; if we win, the next round will be away to West Ham United. (Dates to be confirmed).

2ND DIVISION ROUND UP

NEWS ON TWO

The largest crowds in the Second Division on the opening Saturday was attracted to Roker Park where 20,509 fans saw the two clubs relegated from the First Division last season, Sunderland and Derby draw 1-1. It was the visitors, minus Saunders and Wright who took the lead in the 65th minute through Ray Harford. However Sunderland equalised a minute later with a goal from Armstrong. On Tuesday, however, Sunderland had a comfortable 3-0 win at Barnsley with goals from Gary Owers, Gordon Armstrong and Colin Pascoe. North East rivals, Newcastle, now under the leadership of Ossie Ardiles, did not get the season off to a good start going down 2-1 to Charlton on Sunday at Upton Park. Although United scored through Franz Carr who was making his debut since joining the club from Nottingham Forest, Charlton took the points with goals from Robert Lee and Carl Leaburn.

John Aldridge, playing his first game for Tranmere Rovers following his £250,000 move from Real Sociedad, netted twice to give Rovers a winning start down at Brighton. Another debutant to please his new Manager was Martin Foyle who scored twice in the second half for Port Vale against his old club, Oxford United who had taken an early lead. There was also a good start for Plymouth striker, Dwight Marshall who had been signed from non League Grays Athletic when he scored for Argyle in the 19th minute. Another goal from Robbie Turner was enough to beat visitors Barnsley although they did manage a consolation goal scored by John Pearson who joined the club from Leeds in the Summer.

Last seasons Third Division champions, Cambridge United began where they left off last year with a last gasp victory at Grimsby Town. Defender Danny O'Shea scored in the last minute to earn a 4-3 victory for the visitors who had earlier scored with goals from ace striking partnership, Dion Dublin and John Taylor and a goal from Richard Wilkins. Grimsby, who were badly depleted with injuries, scored their goals though Watson and two for Rees. Another lethal partnership who are back in business, Wolves pair Bull and Mutch, scored a goal each to give the Wolves a 2-0 victory at last seasons escape artists, Watford. Although Watford displayed their new signing, Trevor Putney, who was part of the deal that took Paul Wilkinson and Willie Falconer to Middlesbrough, they had Captain Joe McLaughlin sent off for a professional foul. Wolves Manager, Graham Turner, said after the game "Ask me if Bull and Mutch are the best strikers in the Second Division after they have scored 50 goals between them this season, as that is what I want".

Two of the clubs expecting to be challenging for a promotion spot at the end of the season, Middlesbrough and Millwall, met at Ayresome Park with Boro running out winners by the only goal of the game from Robbie Mustoe. Another club hoping to challenge for promotion is big spenders, Blackburn Rovers, who clinched the signing of David Speedie from Liverpool for £500,000 just before the start of the season, could only manage a draw at home to Portsmouth. It took a last minute equaliser from former Manchester United favourite, Kevin Moran to salvage a point for Rovers after Darren Anderton had given Pompey a second half lead.

Promoted Southend United drew 1-1 at home to Bristol City who many are tipping as an outside bet for a promotion place. City opened their home programme on Tuesday against Brighton with a 2-1 victory over the Seagulls. Defenders Martin Slott and Matt Bryant scored for City with Brighton replying through Nicky Bissett. New Manager Brian Little saw his Leicester City side gain a scoreless draw at Glenn Hoddle's Swindon Town whilst last seasons draw experts Ipswich are at it again. Manager John Lyall however will not be pleased after goals from Jason Dozzell, Paul Goddard and Micky Stockwell gave Ipswich a three goal lead over Bristol Rovers at Twerton Park only to see three late goals for the home side even the score.

Rovers new Manager, Martin Dobson, enthused after the game "Ipswich play the way I'd like us to play. I want pressure football, however the spirit right through the team got us the result". Ipswich recorded their first win of the season at Portman Road in midweek beating Port Vale 2-1 although it took a 50th minute penalty to secure the points. Ipswich opened the scoring through striker Chris Kiwomya although Port Vale had equalised with a penalty scored by Captain, Ray Walker.

IN THE COMMUNITY

Good afternoon and welcome to this our first home League game of the season. Hopefully every home match I will be able to keep you up to date with the Football in The Community Scheme.

This being my first full week in the job has been very busy, as I have had lots of meetings and have been answering all the letters enquiring about the Scheme. Apart from the radio interviews, newspaper articles and programme reports I have had to find time to visit a few of the Play Schemes. One of these was a Play Scheme at Kennett, where a great time was had by all, playing lots of games and the children really enjoying themselves.

However, the real hard work will start when the Scheme sets up its first coaching sessions in September. Hopefully we will try to visit five schools a week, each for a two hour session. It's designed to mix games lessons and fun but is also about learning Football skills. Whether you're a girl or boy we aim to let the children enjoy sport and hopefully grow up to support Cambridge United Football Club.

Wishing the lads "all the best" for this afternoon.

Dear Mr Pincher

Thank you for the pennant, programme and letter recently received by my husband, John Mills, and myself as Secretary of Oratia Utd AFC following our faxes congratulating Cambridge United on its recent promotion. They have taken 3 months to reach us due to the fact that they were sent sea-mail!

Our Club is 15 years old and we have 14 Midget (5-10 years), 13 Junior (10-18 years) and 8 Senior Teams, two of the Senior Teams being Ladies. Most of the older members of our Club are Poms with the younger ones now tending to be Kiwis. Soccer unfortunately is not our major sport in New Zealand, with Rugby and Rugby League taking precedence. However there are something like 48 Soccer Clubs in the Auckland area alone so we aren't doing too badly.

Thank you for your invitation to your Clubrooms should we make a return trip to Cambridge. We lived there for 18 years before emigrating to Auckland in 1981. My husband was an ardent Cambridge Utd fan and still follows your progress through the news media and TV. Therefore, should we ever return to the UK we will most definitely contact you.

Similarly, should any of your players or officials ever be in this part of the world, we would be only too happy to assist them in any way possible. Our best wishes to all at Cambridge Utd and the best of luck for your forthcoming season.

Yours sincerely
Marian Mills

Swindon Supporters in London Association (SSILA) has existed for over five years. Its main aim has been to organize subsidised travel to most games for its members. It also provides a regular exchange of information, match reports and contact with like minded souls in the area. Our members are generally spread across London and the Home Counties.

We also participate in a number of social and sporting events and are active members of APFSCIL (Association of Provincial Football Supporters Clubs in London).

We would welcome any enquires on any aspect of our activities. For further details please ring David on 081-503-3735 (24 hours).

If there are any U's supporters on the South Coast who are interested in sharing travel to both Home and Away games please contact Chris Tinker on (0903) 36881.

The Football Offences Act 1991 created three new offences which can be committed at a designated Football Ground. This Act came into force on 10th August 1991, the offences are as follows:

1. Throwing missiles
2. Indecent or racist chanting
3. Going onto the playing area

Fans who commit any of these offences can be arrested and if convicted at Court they may be fined and excluded from all Football Grounds in England and Wales.

We have come to respect a good level of behaviour at Cambridge United and ask fans to maintain this good record.

In addition to using the club to obtain all your missing cards to complete your set, you can obtain binders at the special price of £6.00 each (they cost £7.99 in the shops). Please give Denis a ring on Cambridge 249553 for further details.

Not only are we indebted to Denis for all his help on the pro-set cards, but also to all those who have helped the Junior U's throughout the summer events. Our thanks to you all, but in

particular to Lisa Wade and Ian Darler for all their efforts in sorting out our seating and season ticket arrangements.

Finally, if you are thinking of buying new boots etc. for the coming season, don't forget that exclusively for Junior U's you can obtain 12 1/2 per cent discount from R&B Sports of Trumpington. If interested, please contact me to obtain the appropriate card.

FOR BEST PERFORMANCE STAR STUDIED PERFORMANCE

Whom do you look to when you want to improve your performance?

When it came to soccer shoes, Mizuno went straight to the top and studied the needs of World class players, such as Brazilian Internationals Branco and Careca and high scoring English League star Roy Wegerle, before developing what's widely recognised in the game as the state of the art in soccer shoe design.

Along with special features like the Kevlar anti-torque mid sole support, Mizuno have perfected the moulded multi-stud sole as a serious alternative to screw-in studs to help guard against injury problems when playing on harder surfaces.

It's typical of a company whose attention to detail goes back a long way in the history of sportswear.

Today Mizuno maintains a Worldwide Advisory Staff - over 200 of the world's top sportspeople - who advise and help Mizuno develop the very best sportswear that technology and experience can make possible.

And if you're serious about being a major game player, you've got to put your foot down for the best - It's called Mizuno.

Ask to see the Mizuno range of soccer shoes and our 1991 catalogue at your specialist sports shop.

YOUTH AND RESERVES ROUND UP

YOUTH TEAM

Our new YTS boys have just completed their first six weeks in professional football, and have probably realised by now the hard work needed to be put in to achieve their ambitions. All have taken to the task well and are looking stronger and fitter by the week.

Our pre-season friendlies went well, but our first game in the South East Counties League was an eye opener for our new lads. We were beaten by Norwich 5-0. However, I was happy with our strength and fitness, but what won the game for Norwich was their professional sharpness and experience. Norwich played their strongest 2nd Year Team and gave our lads an early lesson. Our boys will definitely learn from that game and will become better players as a result.

TEAM: Bier, Burgess, Smeeth, Staples, Goddard, Stay, Fowler, Granville, Nyamah, Kilbane, Gibbens,
SUBS: Tricker, Hill.

GARY JOHNSON

RESERVE TEAM

Along with all clubs, this time of year is a busy one, working to get players to peak athletic and match fitness. Some of the matches that may have escaped your notice have been played over the last three weeks at places such as Rothwell (Won 2-0), Grays Athletic (Drew 2-2), Reading (Won 1-0), Royston (Won 2-0), March Town (Won 3-0), Diss (Lost 2-1) and Kempston (Won 2-1).

Aspects of particular note to come out of these matches have been the vast improvement of Jim Carstairs and the incredible energy and passion of Tony Dennis. Players who want to remain "in the frame" for First Team selection have to view every reserve game as a "gilt-edged" opportunity to impress the staff and force those holding a First Team place to look over their shoulder very nervously. On a personal note, I would like to say how good it is to see Gary Clayton back to full fitness. "Clayts" is always the rebel, always got something to say, but is a good professional and deserved his inclusion at Grimsby, as a reward for his hard work and determination to prove the doubters wrong.

TRAVELLERS TALES

MATCH: v Grimsby, Division 2

DATE: 17/08/91

METHOD OF TRAVEL: Car

DEPARTURE TIME: 11:55 am

ARRIVAL AT GROUND: 3:10 pm after negotiating various roadworks, gave up on stationary A1 and went via A15

ADMISSION PRICE: £5.50 terrace £8.00 for seats above Away terrace.

PROGRAMME: £1.00 Bigger and better than last seasons "Nautical" effort. Quite a few spelling errors. Are we really called "The Fenmen"? A lot "lifted" from Match.

UNITED TRAVELLING

CONTINGENT: About 1500

VIEW FROM AWAY

END: Poor because of high fence, which can only be seen over from the seats. Or the very back of the terrace.

CONDUCT OF POLICE/

STEWARDS: Policing much improved. A lot more officers outside the ground than on previous occasions, which unfortunately you do need at Grimsby.

CONDUCT OF UNITED

FANS: Very good and vocal

CONDUCT OF HOME

FANS: Several groups of "fans" hanging around outside the ground looking for a fight as usual. I was unaware of any incidents on this occasion however.

FOOD/TOILET

FACILITIES: Long queues for food hut. Toilets actually smelt clean, which is quite rare, although it was quite dark in there.

ADDITIONAL

COMMENTS: Exceptionally exciting match which United thoroughly deserved to win.

ELY SUPPORTERS BRANCH

Cambridge United Away Travel Sports and Social Club Ely Branch was formed during the closed season in conjunction with Cambridge United F.C. We aim to provide coaches to home and away matches for people living in the Ely area and also to put on social events throughout the year. Our coaches pick up at Soham, Ely and Stretham en route !

On our first trip we followed United to Grimsby and what a great start to the season. Anyone wishing to join us on our travels, please ring Ely 740058 for further details.

NEXT AT THE ABBEY

SOUTHEND UNITED

On Tuesday week, we take on our near rivals, and fellow promoted Southend. This is "The Blues" first ever season in the Second Division, and in an effort to keep them there, Manager Dave Webb, made 4 signings during the close season. He picked up both winger Kevin O'Callaghan (Millwall), and forwards Spencer Barham (Charlton) and Mark Hall (Spurs) all on frees. He also paid £100,000 for ex-Orient striker Andy Sussex, who hit 16 goals for Crewe last season.

It still rankles with many that last seasons visit by the Blues, also coincided with John Becks biggest ever defeat as a Manager, and they only had 6 shots all game !! Many believe however that our 1-4 defeat was more than made up by our pipping them to the title !!

Their historic opener, saw them at home to Bristol City, who they drew 1-1 with. A tricky away first leg at Watford happened on Tuesday in the Rumbelows.
