CIRENCESTER TOWN

Away, kick off 11.00am

We set off for our meeting with league leaders Plymouth Argyle just after 12 noon of Good Friday. Although the traffic was very heavy we kept moving and it was a delightful trip in nice sunshine. There was a good atmosphere among the team and we all felt positive about our prospects.

The start we made could not have been better with Nathan Tyson giving us a sixth minute lead.

A well taken free kick by Darren Currie put him in after Nathan had taken the ball on his chest before going on to beat McCormick with a left foot shot into the far corner. Although we came under a lot of pressure it was Steve Williams who kept us in front with some fine saves. We then created another good chance via Nathan Tyson but he failed to pick out the unmarked Danny Senda who would have passed it into the net for 2-0. It may have been a completely different game if that had happened, sadly it didn't and with two minutes of the half remaining they equalised from a corner when we were caught out by the speed of the delivery. With ten minutes to go Argyle got the winner after Steve Williams had flapped at a cross and looked as if he was taken out before Evans back heeled the ball in. Steve had to leave the field with a dislocated finger and Steve Brown took over for the fifth time in his career as deputy. Match referee Mr. Crick did not help the cause at all as he seemed to be refereeing a completely different game to the one many of us were watching.

Next came the visit of Tranmere Rovers on Easter Monday. Sadly the first 45 minutes decided the outcome. We were shocking! Two glaring mistakes resulted in goals for Eugene Dadi to see Rovers lead 2-0 at the break. In the second half we did much better especially when Roger Johnson was moved up front. He caused a lot of problems and eventually his persistence was rewarded with a goal two minutes from time. But it was all too little too late.

This afternoon we face in form Swindon Town who will certainly be contesting the play off semi-finals attempting to reach the Play Off Final in Cardiff at the end of May.

Get behind the lads and please give as much encouragement as possible.

'Those results brought the Grim Reaper to our door'

CONGRATULATIONS to Millwall on reaching the FA Cup Final.

They are the first team from outside the top flight to reach the showpiece event for 12 years.

The last team to do it was Sunderland in 1992 when they went on to lose to Liverpool in the final at Wembley.

Ironically it was Sunderland that Millwall beat to earn themselves a place in the final at Cardiff.

Millwall have certainly had the luck of the draw on their way.

The Lions have reached the final and booked themselves a place in next season's UEFA Cup without having to play a side from the Premier Division.

I am delighted for Millwall player manager Dennis Wise.

He is certainly not everyone's cup of tea and incidents at Leicester City and with a taxi driver certainly do him not credit, but there is no question that he is a football nut.

If he was not in the game, he would be on the terraces with us.

I had the good fortune to interview him once and his enthusiasm is infectious.

It was when he was at the height of his game with Chelsea and he was saying that even when he had finished training with The Blues he couldn't resist going for a kickabout with the kids in the park behind his house.

Top man. Can you imagine it? Dennis Wise coming over to you and your mates when you were

at school and asking if he could join in your game?

He really went up in my estimation after that because as football fans we all want our players to love the game and our clubs as much as we do.

We like to think that all our players think about the game 24 hours a day like supporters do and of course most don't.

Football is their job and like us when we drive out of the work car park they don't tend to think too much about work when we go home.

Wisey was a welcome exception to the rule and the other week I had the good fortune to bump into another one while on my travels.

I was out in Sweden to watch the England game and whilst we were there we bumped into the England assistant manager Tord Grip.

Now regular readers of this programme will know that I am no fan of having a Swedish manager and a Swedish assistant in charge of our national team and my view has not changed one iota.

But I must say that Grip is a top bloke a Swedish Dennis Wise.

We bumped into him taking a stroll along one of Gothenburg's canals and he couldn't have been any nicer.

He just couldn't stop talking football. And his pride at his involvement with the English national team shone through.

It was just a shame though that his passion didn't transmit to the team as they lost 1-0 to the Swedes later that night.

Unfortunately that brings me around to last week's events when Wanderers' relegation to Division Three was confirmed.

After using three different managers and 38 different players this season the club suffered its first ever relegation in its Football League history.

The club's recent upturn in form came to an abrupt end over the vital Easter Holiday period with defeats against league leaders Plymouth Argyle and Tranmere Rovers.

Those results coupled with the remaining fixtures of other clubs brought the Grim Reaper to our door.

Wanderers must now play out the remaining fixtures of the season knowing there is no escape and look forward to better things around the corner.

Take it from me as an Exeter City fan, who has suffered more than my fair share of relegations, you the ups in life an awful lot more, when you've experienced the downs as well.

Here's to a brighter future.

Dave Peters writes for the Bucks Free Press and the Bucks Free Press Midweek.

Read his match report in Tuesday's Midweek and his big-match preview in the Free Press on Friday.

Our match against league leaders Plymouth Argyle filled me with pride. We competed well in the game and at times played some excellent football and gave them a run for their money. The reason they are top is because they have a strong well organised team but we showed we could be better than them for good periods of the match.

Two days later we faced Tranmere Rovers and started well in the opening ten minutes and we looked as if the game was ours for the taking. Then in their first attack we gave the ball away and they scored. After gifting them a second goal on the stroke of half time it was uphill all the way from then on. It is the story of our season, defensively as a team we have made too many mistakes in

too many matches all over the pitch. Most successful teams are built on a defensive platform that will give the side confidence from not conceding sloppy goals. This is my task for next season to become much better defensively. The plusses so far have been Nathan Tyson, a forward who will score goals and Stuart Nethercott who has been great defensively, and who knows, we may have found a centre forward in Roger Johnson. Making a good defender does mean you have to be calm and calculating under pressure, you must not panic. When I watch Roger defending he tends to be all arms and legs, a reactor, which is fine playing as a striker but he is not very calm when defending.

The turnout by our fans at Plymouth was excellent once

more, I was very proud of the team and the manner in which the fans reacted and supported them throughout. I was disappointed with the first half to some extent, we were slow starting again, we need to show more pride at times it is so important for building potential. By the time next season is with us I hope this will be all part of our game.

With the injury to Steve Williams at Plymouth we were able to apply for dispensation to sign another keeper as all three of our own are injured. Lee Worgan is a young keeper who has appeared for our reserve side and so it was the easiest option to bring him in. Lee had played well in the four games for us and with a 12 noon deadline on Sunday it left very little time to bring a keeper in for

the Tranmere game on Easter Monday. Lee had a tough introduction to playing in the Football League and should not be judged on one match. Early in the game some of our players gave him the odd back pass to deal with that may have effected his confidence. He will certainly be playing again, maybe until the end of the season, a chance to impress me for a possible career in football.

Finally, I was very pleased to be able to present the new intake of scholars to the crowd before the kick off against Tranmere Rovers. These youngsters are the future of the club and maybe one or two of them will become a big name for Wanderers in the future. Quite a few of them will be playing reserve team football next season, in fact three of them have already appeared against Brentford two weeks ago. We played at Brighton on Wednesday evening and we planned to use some of the younger lads for that match.

MATCH SPONSORS

Greene King, brewer of such fine ales as Greene King IPA, Abbot Ale and Old Speckled Hen, would like to wish Wycombe Wanderers the very best of luck for today's match against Swindon Town. We're proud to be the Match sponsors and of supporting the club in this way.

We're also proud of our beers and our brewing heritage and would like to share that pride with our customers. That's why we offer wonderful tours of our historic brewery in Bury St Edmunds in Suffolk. It's also why we recently opened our Greene King brewery museum.

With our tours and the museum we show, through a mix of the historical and the contemporary, just how much we all cherish the great British pint.

For more information on both brewery tours and the museum, telephone Gillian Rowell on 01284 714297.

As with today's match, we know you won't be disappointed!

Swindon Town are flying! This will be the second time we have met them here this season, the first was for a First Round F.A. Cup tie that finished 4-1 in our favour. Since then the Robins have powered their way into the top four and certainly look set to take part in the play off matches. The strike duo of Sam Parkin and Tommy Mooney has been a huge plus for them this season. Both players have notched 20 goals a-piece so far. It is five seasons since the Robins were in Division One and no doubt they would love to make a return at the start of next season.

Three weeks ago the club announced plans to build a 23,000-seater stadium incorporating a hotel, gymnasium and conference facilities at Shaw Tip to the West of Swindon. It is hoped the new arena will be open by season 2007-08 and what better way to celebrate than by bringing back top flight football to Wiltshire.

Town opened the season with a home defeat to Sheffield Wednesday before going on a run of ten unbeaten games in both league and cup. It was the best start the club had made since 1995-96, which included taking Premiership Leeds United to a penalty shoot out in the Carling Cup.

Swindon were involved in the comeback of the season recently when they trailed by 3-0 at half time to another play-off chasing side Port Vale at Vale Park. But three goals in a 20 minute spell

in the second half gave them a 3-3 draw and a valuable point to keep the dream bubbling. They followed that with a surprising defeat at lowly Peterborough who hit them with a 4-2 scoreline. Swindon manager Andy King was not a happy man after seeing his play off contenders humbled by a struggling Posh side. His aftermatch quote summed the whole afternoon up, "We were a disgrace, we looked more like the relegation side not Peterborough". On Easter Saturday they were involved in a thrilling encounter with near rivals and promotion candidates Bristol City. City took the lead just before half time but a wonder goal from Rory Fallon secured a point for Town. The Robins faced a trip to Luton Town on Easter Monday, another side who have hit the wall just recently. The excellent 3-0 victory by Swindon have put paid to any hopes Luton had of reaching the play off places while Town have cemented their position in the top four.

The Manager **Andy King**

Andy King made his first managerial appearance at Mansfield Town in 1993. They were relegated at the end of that season but King steered them to mid-table safety the following season.

In 1995-96 he lost his job with Mansfield but continued in the game working with good friend Peter Reid at Sunderland. Andy then joined Swindon Town when Colin Todd appointed him as his assistant

in the summer of 2000.

The Robins struggled to get free of the relegation zone but they did manage to survive in Division Two for another season. The great escape was not enough to save his job and Andy was replaced at the County Ground by the former Liverpool manager Roy Evans. A year later King was back when Roy Evans left the club – King had taken legal action against Swindon in regard to unfair dismissal and was reinstated as manager in December 2001. He guided the Robins to tenth place last season and they are currently fourth and sitting pretty for a play-off place.

As a player Andy made 150 appearances for Everton scoring 38 goals in four seasons at Goodison.

'Tommy Mooney - one half of Swindon's formidable striking partnership'

Town boss Andy King has often hailed the partnership of Mooney with Sam Parkin as the best in the Division. Indeed their combined tally of 37 league goals between them has been a crucial factor in Town's play-off position. King's hopes when signing Mooney on a 'free' from Birmingham City last July have indeed come true - "He was top of my list and to get my first choice is unbelievable. He has pace, power and great goal scoring ability. It means that the burden is taken away from Parkin - together I am hoping they can forge a lethal partnership."

For 32-year old Mooney it has been a relief to be playing - and scoring - regularly after a miserable 2002-03 campaign. Under Steve Bruce, he made just one Premiership appearance for the Blues - spending the season on loan at Stoke, Sheffield United, and Derby County. He soon made his mark at the County Ground, his six goals during August seeing him named as the division's 'player-of-the-month.'

During his career Mooney has appeared in all four main English divisions. Born in Billingham, near Middlesbrough, he started with Aston Villa. Mooney played alongside Dwight Yorke in the youth side but became homesick - in addition Graham Taylor told him he would never make the first team. In 1990 Mooney joined Division 4 side Scarborough where he was a regular scorer notching 30 league goals in three seasons. In 1993 Barry Fry, then manager at Division 1 side Southend United, signed him for £100,000. For a time all was well but Fry moved to Birmingham and Mooney didn't fit in under new boss Peter Taylor. It was a low point in Mooney's career.

Mooney was loaned to Watford and netted his first goal for the Hornets against Southend. He moved permanently to Vicarage Road in July 1994 and met up once more with Graham Taylor who became Watford boss in 1996. Mooney played an important role in the Watford side that won successive promotions from Division 2 to the Premiership. For some of the time Taylor used Mooney as a centre half but reverted him to his original position when goals became scarce - Mooney replied by netting in six consecutive league games in the run-up to the Div 1 play-offs.

Watford's season in the Premiership was a nightmare for Mooney who was out for seven months with a knee injury. His goal against Liverpool at Anfield was little consolation as Watford were relegated. At the end of the 2000-01 campaign newly installed Watford boss Vialli did not offer him a new contract and Mooney reflected - "After seven years it's not easy to walk away. But there's a new regime and maybe the time is right for me to move." Nottingham Forest

and Sheffield United were interested, but Mooney chose Birmingham - "I wanted to join the club I felt had the best chance of promotion. Trevor Francis had a very strong will to win and I knew the Blues had a squad good enough to reach the play-offs at least."

Mooney proved to be right - he netted 13 league goals and the Blues overcame Norwich in the play-off final to reach the Premiership. Frozen out however last season by the likes of Clinton Morrison, Stern John and Geoff Horsfield, Mooney is now delighted to be heading for another play-off challenge - this time with Swindon Town.

There has been a change to the goalkeeping position this season for the Robins as the rise of Rhys Evans has come to the fore.

Rhys Evans (*top left*) has grabbed his chance to become the number one keeper at the club. This Swindon born keeper has had experience out on loan as part of his preparation for first team football. He has come into the side this season and has looked very competent. **Bart Griemink** arrived at Swindon on a free transfer in the summer of 2000. The Dutch keeper was originally on loan as cover for Frank Talia before signing permanently for the club. Has been a regular in the side for the previous three seasons but has given way to the rise of Rhys Evans. Appeared against Peterborough United at London Road in the 4-2 defeat three weeks ago.

Swindon have some very experienced defenders, some have been at the County Ground a while.

Alan Reeves began his career with Swindon before joining Walsall in 1997. He was captain of the Saddlers side that won promotion to Division One 1998-99. He then joined Reading in July 2000 on a Bosman free before returning to the County Ground in the summer of 2003. **Matt Heywood** has been an ever present in the Robins side since he was snapped up by Andy King from Burnley in 2001. Strong in the tackle and good in the air he is a very important cog in the Town defence. **Andy Gurney** (*top right*) is the captain of the side and he can either play at full back or wing back. Signed on a Bosman free from Reading in the summer of 2001 and he has been a regular in the side since. **Adrian Viveash** began his career with Swindon before joining Walsall in 1997. Captain of the Saddlers side that won promotion to

Division One in 1998-99. Moved to Reading in July 2000 before re-joining Swindon in the summer of 2003. **Sean O'Hanlon** is a recent arrival on loan from Everton, at 6'1" he is a strong defender who has come straight into the team and performed well.

The midfield has some very good attacking players who link the play well from the centre of the field.

Stefan Miglioranzi (*bottom left*) is a product of American College football where the most talented players are drafted into Major League Soccer. He was taken from MLS, Chicago Fire and joined Everton on trial. Then came a move to Portsmouth before joining Swindon two seasons ago. **David Duke** is a left sided player who arrived on a free transfer from Sunderland. Now in his third season at the County Ground the Scotsman could be a real find by Andy King.

Matthew Hewlett is an attacking central midfielder. He joined Swindon in the summer of 2000 from Bristol City. Has suffered with a number of injuries in the past and will be hoping to get a regular run in the side this season. **Andrew Nicholas** is a skilful, right footed player with a versatility that enables him to play in midfield or up front. He has appeared at left back for the Robins, possesses a Richard Harris style long throw. **David Duke** is a left sided player that arrived at the County Ground on a free transfer from Sunderland. Now in his third season with the Robins Andy King has high hopes for this young Scot. **Grant Smith** joined Swindon from Sheffield United in the summer of 2003. He is strong in the air and dangerous from set pieces. **Steve Robinson** is a right sided midfielder. A tough tackling player with bags of energy who signed from

Birmingham City for £50,000 in February 2001. **Brian Howard** is a youngster who joined from Southampton in 2003. This left sided midfielder has proved to be a revelation on the flanks this season. Has proved to be a dead ball specialist, especially from corners.

The attack is possibly the best in the Second Division this season with Sam Parkin and Tommy Mooney rattling in the goals.

Sam Parkin (*bottom right*) is a name very familiar to Wanderers fans as Sam was on loan here from Chelsea in 2000. A bright and intelligent striker with natural goalscoring ability, was the clubs leading scorer last season and is currently on 20 this season. **Tommy Mooney** arrived from Birmingham City during the summer of 2003. He is a very experienced striker who has played in all four divisions of English football. His pairing with Sam Parkin has been very exciting for the Robins fans this season, currently the leading scorer with 21 goals so far. **Sammy Igoe** began his career with Portsmouth as a trainee. He was transferred to Reading for £100,000 but found it hard to break into the first team. Andy King stepped in to sign him for Swindon during the summer of 2003 and has settled well at the County Ground. **Rory Fallon** is a recent signing from Barnsley where he moved through the youth scheme and into the first team. With Parkin and Mooney in such good form he found it difficult to break into the side but is admired by Andy King. **Jon Stevenson** is another who has very little chance to show in the first team. He joined in the summer of 2003 from Leicester City and was recommended to Andy King by Dave Bassett, the Foxes Director of Football.

Successful Easter for Robins

This afternoon's visitors Swindon Town enjoyed a successful Easter to keep their bid for a play-off finish firmly on track. Last Saturday they drew 1-1 at home to promotion rivals Bristol City in front of the County Ground's best attendance of the season, 14,540. Boss Andy King commented on Rory Fallon's equaliser – "That is about as good a goal as I have ever seen. If someone in Europe had scored a goal like that, then it would have everybody talking. It was a magnificent effort and I was very proud of my players' performance in the second half." Last Monday Fallon netted twice in Town's excellent 3-0 win at Luton - Matt Hewlett netting the Robins third goal. Other recent news from Swindon is that Bath rugby union club have rubbished reports linking them to a possible ground sharing arrangement. The Robins have announced plans for a new 22,000 all-seater stadium at Shaw Tip and speculation has already linked Bath with a move to the same ground.

However, the rugby union club insist there has been no contact between the two clubs and confirm that they will be remaining at their Recreation Ground home.

Furlong's happy holiday

35-year old Paul Furlong netted four goals over the holiday period, taking his season's tally to 15, as Queens Park Rangers moved nearer to automatic promotion. The former Chelsea forward first netted twice in the 3-0 home win over Grimsby and then did the same in the thrilling 3-3 draw at Barnsley last Monday. At Oakwell Furlong's second goal came in the third minute of stoppage time. Rangers have now gone 24 games without a home defeat. The draw at Barnsley cut Plymouth's lead at the top to five points. Plymouth were due to travel to Bristol City last Tuesday – after my print deadline.

Hartlepool back on course

Three consecutive victories have lifted Hartlepool United back into the play-off positions. Two goals from Adam Boyd helped them to a thrilling 4-3 midweek home win over Luton and the same player then netted both United's goals in the 2-1 home success over Bournemouth. Last Monday goals from Darrell Clarke and Neil Danns put them in control at Wrexham who netted a consolation through Paul Barrett. Neale Cooper's side will be looking to continue their winning run when they entertain Notts County this afternoon.

Mariners sinking fast

Two defeats over Easter saw Grimsby Town slip to 22nd place and the Mariners are now in real danger of suffering two consecutive relegations. After their 3-0 defeat at QPR they went down 2-0 at home to Blackpool on Monday when goals from John Murphy and Danny Coid did the damage. This completed a successful Easter for the Seaside who defeated Brighton 3-1 at Bloomfield Road on the Saturday. Blackpool boss Steve McMahon meanwhile has been charged by FA disciplinary chiefs with two accounts of abusing a match official. The incident happened when he protested vehemently about Coid's dismissal in the recent goalless draw with Colchester. McMahon later announced at a press conference that he "was having nothing to do with refs" because "they lied through their teeth."

Stockport revival

After languishing in the relegation zone for much of the campaign, Sammy McIlroy's Stockport County have put together an eight-game unbeaten sequence that has lifted them to 18th place. A week ago Richard Lambert gave them an early advantage in the relegation clash at Chesterfield and goals from John Daly and Danny Jackman made it a comfortable 3-0 success. Last Monday their home clash with Oldham ended 1-1.

Rob Clare cancelling out Will Haining's first minute goal for the Latics.

Strong words from Bates

Ken Bates insists he would sack manager Chris Turner if he became Sheffield Wednesday chairman. The former Chelsea chief would also not hesitate to get rid of current Owls chairman Dave Allen, although he is adamant that the club would not move into administration. Wednesday's board of directors have agreed to open negotiations over a possible £10million investment by Bates.

Bates commented - "If something isn't done, the club could finish up in administration, but if I am allowed to invest it won't need to. It is one or the other in terms of Dave Allen and myself - he says we are not compatible and I would agree with him. I was originally open-minded about Chris Turner's future, but now he has dug himself into a pit saying that I know nothing about running a football club." Easter results did little to help Turner's position – a last minute goal from Dean Smith salvaged a home point against Brentford whilst the Owls could only manage a goalless draw at Notts County last Monday.

Roger dents Tranmere record

Although Brian Little's side won 2-1 here at The Causeway Stadium five days ago, at least Roger Johnson ended the Rovers' impressive defensive record. Prior to Monday's game, the side from the Wirral had not conceded a goal in six consecutive matches. No wonder keeper John Achterberg looked upset when he picked the ball out of the net with just 2 minutes remaining! Before the game Tranmere's Iain Hume has been named as Division Two Player of the Month for March. The Canadian international scored four goals in eight games during the month as Rovers claimed seven points in the league and were narrowly defeated by Millwall in the FA Cup quarterfinal. Tranmere's recent run has lifted them from 17th to 11th place in the table.

Justice - is it natural? by Brian Lee

15

Each and every season brings new headaches, particularly in the discipline area. The conflicting problems in playing discipline involve the showing of yellow and red cards to players and the subsequent suspensions. Sadly, the Football authorities continue to ignore the use of the "sinbin" – so successful in other sports.

There is a dichotomy in the discipline of the game. The Referee administers immediate "justice" by blowing his whistle for a trip, offence spotted, dealt with, let's get on with the game. For a particularly severe challenge an additional punishment is the awarding of a yellow card, which may eventually benefit other Clubs in the future but is of no immediate benefit to those the player has just offended against. Would the sinbin be better? Toting up cards over a season does nothing for the offended parties.

For a second serious offence and another yellow card, an automatic red card is shown and the player dismissed from the field of play. Instant justice – nearly! The maximum benefit could, I guess, be 89 minutes! With the automatic suspension that follows then one or more teams will have total benefit with the absence of a player who did not commit an offence against them. Incidentally I am also of the view that people pay good money to see 11 players against 11, not 11 v 9 or 10.

At present the match suspension starts "sometime" in the future, when it would be more logical for it to start immediately but we must remember the present appeal procedure – a cumbersome exercise to say the least. It is therefore good news that the procedures are to be speeded up next season, as follows:

When a player is dismissed from the field of play he will automatically be suspended for whatever period from the next first team fixture.

If the Club lodge an appeal for wrongful dismissal by midday the next day following the match the FA will establish a hearing to provide a decision within four working days.

Players who are charged with offences unseen by the match Officials will be dealt with as if the match Officials had seen the offence. In other words within the Laws of the Game.

Players who accumulate 10 or 15 cautions in a season will be banned for seven days following the 10 or 15 offences. For incidents off the field of play, personal hearings will be held on the following Tuesday or Thursday after a match. More complex cases involving Disciplinary Commissions will be dealt with within 28 days of the reported case.

From next season The Football Conference will join The Premiership and The Football League and be required under FA regulations to video all matches and provide, immediately following a match, a copy of the match video to both clubs and match Referee.

Whilst the above changes are striving for consistency and speedy justice for the whole range of misconduct charges connected with matches, it is still very important to support the match Officials. We accept the Referee and his assistants before the match and we should support their decisions during the match. Yes, they will continue to make mistakes just like players but trial by camera has to be controlled.

In the recent match against QPR the Referee dealt with an explosive reaction most sensibly by giving yellow cards to two players but the cameras could have called for red cards. I applauded his action and I believe the match was better for it.

It is hoped that speedy justice will be seen in other areas of the game. The infamous Rio Ferdinand drug case took far too long to be settled by the authorities, the decisions were far too long after the hearings. You could almost say that the delay was bringing the game into disrepute. Crowd problems, after-match interviews, press articles, etc, often produce belated charges – why? Nothing changes from the first understanding of the so-called offence – why the delay?

The proposals are good changes and I think we will be happier when the new regulations enables speedier justice to be done as well as being seen to be done and at last it all seems more natural.

THE SECRET DIARY OF KEITH ALLEN
AGE FIFTY SIX AND A LITTLE BIT
With Apologies to Adrian Mole
(EVERY WORD TRUE)

Good Friday 9th April

10-20am Arrived in office, with it being Good Friday today is a Bank Holiday and I am the only one in apart from the players who were training, the main purpose of my attendance being to get Danny Senda's signature on his new contract.

11-35am Danny arrives in my office and the signing took a matter of minutes, he is now a Wycombe player until June 2006 and I am delighted.

12-40pm Players depart for Plymouth, I depart for home where the long suffering wife has earmarked the jet washing of the patio as the big Easter job, have to confess it is the one job each year I loath. Can't even use the weather as an excuse as you get dirty and soaked actually doing the job, so you could even do it in heavy rain, not looking forward to this afternoon.....or Sunday when I will need to complete the job.

Easter Saturday 10th April

7-50am Only one Director and I going to Plymouth today, even The Chairman missing on a well deserved holiday in Portugal, so arrive at Graham Peart's house ready for what promises to be a nightmare journey. As always I am early, bad habit, Graham still having to finish his habitual egg, which he feels, is his away day good luck charm despite recently having gone over twelve months without an away win.

8-10am Depart for the West Country, picking up Graham's grandson Ben from Swindon en-route.

12-10pm Park the car on The Barbican at Plymouth, going for a stroll and having a little lunch before making our way to the ground.

4-38pm Despite a brave rearguard action Plymouth finally break our resistance and score what is to be the winning goal, ten minutes from time, with our goalkeeper Steve Williams getting injured in the process.

4-43pm Knowing Steve is our only fit goalkeeper rush down to the dressing room to see how bad the injury is, my worst fears are realised he has a badly dislocated finger and looks set to be out for some time.

4-52pm Lie in wait at the top of the player's tunnel, grabbed the Manager as he trooped back to the dressing room to ask if he wanted me to pursue the possibility of special dispensation of a loan goalkeeper for Monday. With Frank Talia, Tom Gott and now Steve Williams now all long term injuries we had two choices, Brownie on loan, with no disrespect to Steve Brown there was only one option.

4-57pm Started to try and contact the only man who could give me dispensation to sign a goalkeeper, League Operations Director Andy Williamson, first attempts being made in the Plymouth Secretary's office.....no joy, he was not answering his home telephone in Preston.

5-24pm Rang our Chairman in Portugal to ask if he could get Andy Williamson's mobile number for me, knowing he had more contacts than I, being a League Board Member.

5-40pm Departed for home, mobile in hand, needing to tie up special dispensation. First calls were to the Manager on the team coach to ascertain he had someone he could call upon at short notice, he did and started to try to contact Stuart Murdoch at Wimbledon. Wimbledon's Lee Worgan had been trailing in the last few reserve games and having impressed seemed the ideal man, but of course being Easter weekend time was not on our side.

6-24pm Received call back from The Chairman who

gave me Andy Williamson's mobile number, he was on holiday in Spain but at least I had found a trail I could follow.

6-50pm Having got no reply from my calls to Andy I rang his home again to leave a message and got his son, who in turn took the message that I was after him and he too tried to contact Spain.

7-20pm Call received from the Manager on the coach telling me Stuart Murdoch had agreed, so all we now needed was Andy Williamson.

7-35pm Graham Peart ploughing up the motorway, Ben in the back dispensing sweets, with me constantly ringing Andy in Spain finally getting a reply. It was his wife who informed me that he was in the gym and that he would telephone me immediately he returned.

7-50pm Call received from Andy Williamson, explained the problem and he agreed to special dispensation to sign a goalkeeper on a seven day loan, provided we could provide medical evidence of the injuries to our three senior goalkeepers. He went on to tell me Player Admin. Supremo Debbie Birch will contact me on Sunday morning regarding procedures.

7-59pm Thanked Andy for his help and wished him a good holiday, then ringing Sports Therapist David Jones on the coach to ask if he could contact Club Doctor Gina Alan to get the medical evidence.

8-19pm Received a call from Gina to ask me what I wanted her to do, told her and she promised to fax the evidence through to my office for onward transmission.

8-35pm Arrived back at office and collected the relevant forms, the signing needing to be done on Sunday morning.

9-35pm Finally arrived home to the long-suffering wife, it had been a long hard and dramatic day, the return journey being almost totally spent either on the phone or making unanswered calls.

Easter Sunday Morning

9-47am Arrived at Molins where the players were training, Lee Worgan signing the required forms at 10-23am, following which I make my first contact with Wimbledon Secretary Steve Rooke who was at home. Steve understood the situation and promised to sign the faxed form at return it as soon as I was able to locate a faxof course it was "sods law" that mine was broken.

11-10am Having completed all the paperwork, left Molins in search of a fax that I eventually found in a post office at Walton Court Aylesbury, faxed Steve Rooke and waited in the shop for his reply.

11-39am Paperwork signed by Steve returns, thank the newsagent and pay my bill, returning home.

12-30pm Begin to jet wash the patio, the Easter job lined up by the long-suffering wife who has been most patient so far this holiday.

1-05pm Jet washing interrupted by a telephone call from League Player Admin. supremo Debbie Birch, informing me that the procedure I had followed was perfectly acceptable and Lee Worgan was now our player on loan for seven days. Of course after seven days I will have to go through the whole rigmarole again, medical evidence and new forms being required each week to prove the request for dispensation was genuine.

Easter Monday Morning

8-41am Arrived early and faxed all the completed paperwork to The Football League and The Football Association, the deadline being 12 noon..... finally able to look forward to match day. Jetwashing finished, long-suffering wife reasonably happy despite a ruined Easter Holiday.....at least we have a goalkeeper!

Mayor's Appeal Fund

We have received a 'thank you' to all of you who gave so generously to the bucket collection for the Mayor's Appeal Fund at the QPR game on Saturday 20th March. The collection raised £477.91 towards the appeal.

Pre-Season games fixed

Tony Adams has announced some of the pre-season games we will play leading into the start of the 2004-05 season.

Fri 9th July	Beaconsfield SYCOB (A)	7.30pm
Sat 17th July	Dorchester Town (A)	3pm
Sat 24th July	Weymouth (A)	3pm
Sat 31st July	Steve Brown Testimonial (H)	T.b.a.

The fixture with Watford that was originally announced for Saturday 24th July has been cancelled due to unforeseen circumstances. Wanderers will now play Weymouth away that afternoon.

International Programme and Memorabilia Fair

This 30th event will take place at the New Connaught Rooms, Great Queen Street, London WC2 (two minutes walk from Holborn Underground Station) and will be held on Saturday 5th June. Doors open at 11.15am and it will run through to 4.15pm. The fair will be opened by BBC football commentator John Motson O.B.E., admission is by ticket and costs £2.50p.

Attendances continue to rise

Attendances in the Nationwide Football League continue to rise and look set to beat last season's 38 year high. The 2002-03 final aggregate figure of 14,871,891 was the highest since 1965, but this season is on course to surpass that figure with attendances up in all three divisions. At the end of March 2004 13 million people had attended matches in all three divisions, signalling a rise of 6.5 per cent over the same period last season.

Batesy seen at last

Former Brentford and Wanderers central defender Jamie Bates has been seen at last. Since his retirement Batesy

had been so hard to find that some people thought he might have been with Osama Bin Laden. Jamie turned up at our reserve game at Crystal Palace as he lives around the corner from their training ground. He has never regretted for one moment finishing in the game and now enjoys a life of leisure running his escort agency.

Congratulations Matt

Former Wanderers defender Matt Lawrence has made it to the F.A. Cup Final with Millwall.

Matt was transferred to the Lions just before deadline day in March 2000 for £250,000. He has been playing really well in the centre of the defence. The victory over Sunderland takes Millwall into the final against Manchester United in Cardiff on Saturday 22nd May.

Hero Holligan

Havant & Waterlooville gave their chances of survival in the Doc Marten Premier a huge boost with a 5-1 defeat of Nuneaton Borough two weeks ago. Playing in his second game for them Gavin Holligan was the hero following on from the previous week when he won a penalty that gave them a point at Chelmsford. He was the star of the show as he scored twice, laid on one and won another penalty for the team. His opening goal came just two minutes into his home debut as his pace was too much for the sluggish Boro defence. Then came the big one the following week, Championship chasers Weymouth, Gavin had scored the winner against them while on loan at Crawley. He did the Sussex club a huge favour by scoring twice and laying on another one in the 4-1 win for H&W. One more win will see them safe and the signing of Gavin Holligan would have been the key to it.

Mo Harkin blow

Former Wanderers midfielder Mo Harkin has broken his ankle at a vital time of the season for Crawley Town. Crawley are currently top of the Doc Martens Premier Division and are anxious to capture a promotion place in the Football Conference. They are head to head with Weymouth and possibly need three more wins for the title. Mo has been a very influential player for them this season and collected his injury against F.A. Trophy Finalists Hednesford Town two weeks ago.

Player of the Month Deadline

Blues fans have until noon on Wednesday 28th April to make their choice for the Player of the month for April. Please send the name of the player of your choice to, Suzie.Clarke@wycombewanderers.co.uk. The winner will be announced prior to the kick off at our last home game of the season against Wrexham, Saturday 1st May.

Walters Group Sign for 4 years

Wycombe Wanderers football club are delighted to announce that the Walters Group have very kindly agreed to sponsor our youth team for another four seasons. The Walters Group have sponsored the U19 side for the past eight seasons and John Walters, Managing Director of the Walters Group of Companies, and Walters Group

Director, Chris Walters put pen to paper on the pitch prior to the kick off against Tranmere Rovers on Easter Monday. Also picture are Colin Barnes, Head of Youth WWFC and Gary Smith, U19 manager.

The Walters Group are also sponsoring the Mega Golf at Magnolia Park Golf & Country Club on Tuesday 11th May.

Senda signs new contract

Danny Senda put pen to paper on a new two year contract before setting off to Plymouth on Good Friday. The team

had been in training and Danny signed in time to join his team mates on the bus en-route to the West Country. The former right back has seen his hopes raised of staying at the club after being moved to play in a wide right attacking role in midfield. After the departure of Jermaine McSparran to Walsall Danny was moved by manager Tony Adams to replace him and the new role has suited him well. The contract runs through to June 2006.

Keeper signs from Dons

Owing to the injury to Blues keeper Steve Williams at Plymouth the club were given dispensation to sign another shot stopper. Lee Worgan from Wimbledon was signed on Sunday in time to play against Tranmere on Easter Monday. Lee had already appeared for the Blues reserve side and performed well in four games. He has signed on a match to match basis but with injuries to three of our keepers it is likely he will appear to the end of the season.

Brownie sets record

Popular Blues midfielder Steve Brown has created a club record by making five appearances for the side as a sub goalkeeper. Brownie was called upon to deputise for the injured Steve Williams at Plymouth on Easter Saturday. Steve had come on as a substitute for Craig Faulconbridge after 62 minutes but after 80 minutes was called upon to play the final minutes between the sticks.

Youth Team Player of the Month

The Walters Group Youth team Player of the Month for March and chosen by Head of Youth Colin Barnes was Keiron Gradwell. Keiron is a young centre half who has performed well in the youth side this season. Keiron received his award from Chris Walters, Director of the Walters Group of Companies, prior to our match with Tranmere Rovers on Easter Monday. Also pictured are, John Walters, Managing Director of the Walters Group of Companies, Colin Barnes, Head of youth WWFC, Gary Smith, U19 manager, Henry King and Hannah Walters.

Today we look at our run in toward the end of season 1993-94. Wanderers had been aiming for one of the automatic promotion places but results over the last six games had stuttered. Now staying in the play off places was the ultimate test for Martin O'Neill and his men.

FRUSTRATING AFTERNOON FOR BLUES

The Blues rediscovered a rich vein of form going into this match as they put on a fine display against a Scunthorpe side completely outplayed. Wanderers were left totally frustrated by match referee John Brandwood after two very dubious decisions led to Scunthorpe's goals.

It was one of those matches where the Blues came back to lead 2-1 and created enough chances to have won, despite the invention of the match referee. But after the game Wycombe manager Martin O'Neill felt aggrieved, "They have got out of jail and the referee had a lot to do with it. It may sound like sour grapes but he made some mind boggling decisions".

Gut-busting goals from Jason Cousins and Glyn Creaser overcame the visitors advantage against the run of play. Wanderers went behind on 49 minutes when Mr. Brandwood decided

the hand that was involved in the move leading up to Mark Smith's goal was not deliberate. The visitors continued to play and Damien Henderson gave Blues defence the slip, Smith stole in and slotted home in the bottom corner.

Wycombe hardly wavered after Smith's goal. Cousins continued to push on down the right and started the move which he finished superbly on 57 minutes. His pass to Keith Ryan was crossed into the box, Steve Thompson, seeing Cousins steaming in, laid the ball off for him to smash into the stanchion for 1-1.

Scunthorpe remained a real threat on the break, but Wycombe worked hard to drive themselves on. Two good chances came and went, first Keith Ryan was woefully off target from Dave Carroll's centre on 69 minutes, then Simon Stapleton's long range shot struck a post a minute later. It was Glyn Creaser who threw in his head, amid the close attentions of two defenders, to loop a

header over Heath and send the Blues in front at 2-1.

Then with six minutes remaining Mr. Brandwood intervened again. The players were stunned when he pointed to the spot after Matt Crossley's 84th minute challenge on Sammy Goodacre as the substitute fought to get a cross in from the by-line. The video pictures showed Goodacre did not go down and there were no protests from his teammates. Wanderers keeper Paul Hyde was booked for taking too long to walk to his goal line before Wayne Bullimore scored from the spot. It was a kick in the teeth for the team and supporters after watching the Blues put on a first class show ruined by the match official. Wanderers midfielder had dominated the match for long periods, but Mick Heath had one of those afternoon's in the Scunthorpe goal as he repelled most things thrown at him.

CREWE CRUSH AUTOMATIC HOPES

There were 1,700 Blues fans packed into a very tight Gresty Road ground for this vital encounter as the Blues pressed on in their quest for promotion from Division Three at the first attempt. Wanderers fans had clocked up almost 7,000 miles in their support of a side making history in their first season as a Football League club. It was just like some kind of magical mystery tour that they had to keep rolling up for. This match had the hopes of it being the last away fixture that would see them gain at least one automatic promotion place. Crewe Alexandra had been pushing the whole season and were regarded as one of the teams most likely to gain promotion under the astute leadership of Dario Gradi.

In the second half some very good pressure by the Blues gave hope to the committed followers as they learned Preston were trailing 2-0 at Carlisle. But as the minutes ticked by the Wanderers pressure failed to tell. Nerves became frayed as both team's began looking at the clock and it seemed a mistake would settle the issue. So it proved. Paul Hyde flapped at a cross from Martyn Booty which Keith Ryan and Crewe's Steve Macauley went for, the ball fell nicely for Ashley Ward who picked his spot for his second of the day. This win for Crewe meant they would go up with Chester City leaving the Blues to fight it out in the play offs.

BLUES PLAN FOR PLAY-OFF SPOT

Wycombe Wanderers have drawn up plans for ticket sales should they be involved in the play off matches. Possible opponents include Torquay, Walsall, Chesterfield, Rochdale and Carlisle. Blues opened their season at Carlisle and could be in for another two leg meeting. Tickets went on sale after the home fixture with Preston North End as by that time Wanderers knew who they were playing. The play off final was scheduled for Wembley on Saturday 28th May.

For our final programme against Wrexham we shall look back at the two meetings with Carlisle United that took the Blues to Wembley for a meeting with Preston North End to determine who would gain promotion. A fitting end to a recall of wonderful moments and incident packed games.

The match kicked off amid a cacophony of noise accompanied by a blizzard of light blue and dark blue balloons. As Wycombe keeper had just cleared his goalmouth of a collection of floating objects a minute later it was a spherical shape he was retrieving from the corner of this net. Crewe burst out of the blocks with neat slick passing moves. Richard Annan found Ashley Ward unmarked after 59 seconds and the latter slotted the ball beyond Paul Hyde's despairing dive.

Wycombe regained their composure with a little help from Darren Rowbottom and the gusting wind. The striker mishit a clearance which was caught by the swirling wind. Both Crewe keeper Mark Gayle and Blues Tony Hemmings went for the ball which bounced before making slow progress into the net. It was certainly a piece of good fortune for the Wycombe side to allow them to get down to the serious business in hand. The visitors had to work hard to break up the home team's excellent passing game. But Crewe midfielder Neil Lennon (this was the performance that left a lasting memory with Martin O'Neill), provided an inexhaustible supply of passes to keep his team on top.

Easter Visit to the Training Ground *with Mori Bund*

23

On Tuesday 6th April our Community Department organised a day out at the Wanderers Training Ground for 230 youngsters from various schools in the High Wycombe, South Bucks and Maidenhead area. They spent the morning watching Tony Adams and the lads go through a training programme and practice match before having photographs taken with the players and collecting autographs. The youngsters have all attended soccer courses run by our Community Department over the Easter Holidays. Here is a selection of photographs that show the youngsters enjoying their day out with Wycombe Wanderers Football Club.

E: WWFC@wycombewanderers.co.uk W: www.wwfc.org

Today we look at two games from the same season, both were wins for the visiting side with a total of eight goals from the two matches.

THE BEST

the crossbar when he met a fine cross from Dannie Bulman. Swindon worked hard to get back on level terms before half time but a resolute defensive barrier prevented any

breach of the Blues goal.

On 57 minutes Wycombe virtually sealed all three points when they hit the Robins with a fine breakaway goal. Dannie Bulman began the move when he sent Stuart Roberts away down the right hand side where the wee man delivered a great ball into the feet of the running Bulman who drilled the ball into the corner of the

net with his right foot. Manager Lawrie Sanchez introduced Jermaine McSporrán for his first taste of football for a year following surgery for a cruciate ligament injury. For the home side Danny Invincible saw his 30 yard screamer smash against the Blues crossbar, a goal for them at that stage may have seen a different outcome. But Wycombe surged on and looked strong in the later stages. The final clincher came when Craig Falconbridge headed home a Steve Brown corner to register his first goal since he scored against Swindon at Adams Park in November. This was the first ever Football League victory over Swindon Town and a real boost for the likes of Falconbridge, McSporrán and Gavin Holligan who also returned from a lengthy injury spell.

Saturday 15th February 2003

Swindon Town 0 v Wycombe Wanderers 3

Referee: Mr. M. Halsey

Attendance: 6239

SWINDON TOWN: Griemink, Gurney, Heywood, Reeves, Marney, Miglioranza, Robinson, Hewlett (Sabir 62), Duke, Invincible, Parkin.

WANDERERS: Talia, Thomson, Rogers, Johnson, Senda, Bulman, Simpson. Brown (Currie 82), Ryan, Falconbridge (Holligan 78), Roberts (McSporrán 65).

THE WORST

Fourth from bottom Swindon Town arrived at Adams Park hoping to take one point from the game and thanks to a fourth minute stoppage time goal from Sam Parkin collected all three. The conditions were not the best as rain lashed down the pitch driven by a gusting wind. However, the weather did not effect this end-to-end thriller that swung one way and then the other as both sides went for the jugular.

Manchester United youngster Jimmy Davis had given the visitors the lead after 12 minutes when he cut in from the left to fire past Frank Talia low to his right. Five minutes later Wycombe were level when Craig Faulconbridge headed in at the far post following a Michael Simpson corner.

Swindon had most of the pressure at the start of the second half but it was the Blues who took the lead. It was Michael Simpson who made a run down the down the right hand byeline before crossing for Andy Rammell to side foot home on 73 minutes. At this stage it did look as if Wanderers would hold on take take the match. However, the visitors responded with Danny Invincible sending in a powerful cross that Sam Parkin crashed in off the under side of Frank Talia's crossbar to level at 2-2. Wanderers should have won it in the 89th minute with a well timed flicked header from Craig Faulconbridge but Bart Griemink in the Swindon goal pulled off an outstanding save to deny him. But four minutes into added on time Frank Talia made an equally

spectacular save but Sam Parkin was on hand to covert the rebound and put one over his former team mates to win the game for the Robins. It was a major blow for the Blues who had always struggled at home to Swindon and this one turned out to be no different.

The late winner from ex Chelsea striker Sam Parkin left the Blues fans shaking their heads in disbelief while Swindon fans showed their delight by singing in the rain.

Matt Lawrence

Having played in all six games on route to the Millennium Stadium, former Blue Matt Lawrence is currently looking forward to a FA Cup final showdown against Manchester United with the side he signed for from Wycombe back in March 2000, Millwall.

Born in Northampton, he went over to study in the United States on a Football Scholarship. After completing his degree early he returned to the U.K in the hope of turning professional. He started off playing for Grays Athletic in the Diadora Premier Division but did not have to wait long for his chance and was offered a

trial at Wycombe. Within two weeks then Wanderers manager Alan Smith offered the defender a six month contract, beginning the first of two spells with Wanderers. He made 22 appearances the first time around, scoring once. However, after the departure of Smith he did not figure in new manager John Gregory's plans and departed to Fulham for a small fee.

He spent a successful 18 months at Craven Cottage, making over 60 appearances and winning their 'Young Player of the Season' award for 1997/98. But again a change at the helm, this time the arrival of Kevin Keegan, paved a way for his exit back to Wycombe in October 1998 who by then were playing under Neill

Smillie.

The fee of £85,000 to bring him back was justified by some excellent performances. When Lawrie Sanchez arrived as manager in January 1999 he must have feared the worst but this time the change proved a good one for Lawrence and Wycombe as they survived in Division Two with a dramatic win at Lincoln on the final day of the season.

After adding a further 37 appearances the following year to take his Wycombe tally up to 98, including 5 goals, he was snapped up for £250,000 by Millwall in March 2000.

He settled well at the New Den and missed just one game throughout the 2000/01 campaign as Millwall claimed the Second Division title. He also proved popular with the fans, and was voted their 'Player of the season' that same year.

Since then Lawrence has remained a pretty permanent fixture in the Lions starting line up. Something he no doubts hopes will continue, at least until Saturday May 22nd and the Lions first FA Cup final appearance in their 119 year history.

TL Richard Walker, on loan from Aston Villa, heads for goal chased by Adam Willis in the 1-1 draw at Adams Park, 27th October 2001.

TC Terry Howard watches the ball run out of play in front of Wayne Allison. The match ended in a 2-1 win for Swindon at Adams Park, 2nd March 1996.

TCL Richard Harris challenges for the ball with Eric Sabin during the 1-1 draw at the County Ground, 20th April 2002.

TR Danny Senda involved in a tussle with John Jackson in a thrilling match won 3-2 by Swindon at Adams Park, 2nd November 2002.

BL Blues players celebrate a goal by Keith Ryan in the 3-0 win at the County Ground by the Blues, 15th February 2003.

BR Dan Gurney strikes a free kick over the Wanderers wall in the 2-0 win for Swindon at the County Ground, 1st November 2003.

Girls in Blue by Marion Lyon

33

Wycombe Wanderers Ladies' Head Coach Graham Malcolm collected a Coach of the Year Award at the Guttman Sports Centre, Stoke Mandeville last month. The ceremony was part of the first PE and Sports Conference organised by the Bucks & Milton Keynes Active Sports Partnership and honoured a number of coaches across a range of sports.

Graham's award recognised his contribution to the growth of Ladies and Girls' football across South Bucks and also the coaching work he has done with disabled children and young people. He took on coaching Wycombe Wanderers Ladies after taking a few odd sessions at the request of a friend of a friend back in 1998. After a couple of seasons he took the FA Coaching Certificate Level 2 and began to take a more strategic role within the club. He then went on to take his B Licence (Level 3) and with the club secretary established a junior section.

The Girls' Club developed from a handful of girls to an evening coaching session and then last year to the Saturday morning Club which now caters for 5-14 year olds, with teams playing at 3 age groups in Bucks County Girls' Leagues. The growth of the juniors also led to the establishment of a Reserve adult team and next season the first girls will be beginning their progression to Ladies' football by joining the Reserve squad.

Graham has also run the South Bucks Active Sports Girls Coaching Centre for the last two years, for the best local players at U12, U14 and U16 levels. He has coached sessions for a number of the Special Schools and works for the Horizons Sports Club, which provides a range of sporting opportunities for disabled children and young people.

Wycombe Wanderers Ladies FC was also recognised for their achievement of the FA Charter Standard Development Club Award. This national quality standard awards good practice in the provision of safe, high quality coaching in a fun environment for players of all ages. Blues received the award from the FA last summer and look forward to continuing to develop over the coming season.

Girls can play football with WWLFC on Saturday mornings or at one of our holiday clubs, check out our website www.wwlfc.co.uk or contact the club secretary Maz on maz@wwlfc.co.uk or 01494 437 477.

At The Causeway Stadium

Date: Saturday, May 1st
Kick-off: 3.00pm
Opponents: Wrexham

Wrexham, our final visitors to The Causeway Stadium this season, have been in mid-table for most of the season. On occasion Denis

Smith's side threatened to make a concerted bid for a play-off finish and in mid-Feb were in 6th place. Any chances of a play-off finish however were dashed by two defeats over the Easter period. The lack of a principal goal scorer has possibly been Smith's main problem with Chris Llewellyn (7 league goals) their leading marksman. They have won an impressive eight times on their travels but have suffered some large defeats in recent weeks – losing 6-0 at Bournemouth and 6-1 at Peterborough.

The Red Dragons' form guide

Wrexham have been regular visitors to Wycombe for Division 2 meetings and our record against the Welsh side is pretty good with three wins and four draws from the eight meetings. Our best performance was our 5-2 success at the start of the 2001/02 campaign when our goals came from Bulman, Simpson, Emblen, McCarthy and Brown in a superb display of attacking football. Wrexham were relegated that season but won promotion back at the first attempt. The first meeting at Wycombe was in 1994/95 when we won 3-0 (McGavin, Brace (o.g.) and Bell). We won by the same score line in 1998/99 (Scott 2, Brown). Wrexham's solitary success here was their 1-0 win early in the 1999/00 campaign. In the 1-1 meeting in 2000/01 Chris Vinnicombe netted his first goal for the club. The best crowd for a meeting between the sides at Wycombe has been 5,548 who watched

the goal less draw in 1996/97, whilst just 3,361 watched our victory in 1998/99.

On our travels

Date: Saturday, April 24th
Kick-off: 3.00pm
Opponents: Brentford

The Bees have struggled for the vast majority of the season and five successive defeats saw them drop to 23rd place in mid-March. This led to the sacking of manager Wally Downes and his replacement by Martin Allen. This has sparked a mini revival and last Monday's home win over Colchester made it six games undefeated. They have lost nine home league games this season and the average Griffin Park attendance is 5,290.

Recommended Road Directions

M40 towards London. At Junction 1a take the southbound M25 (signposted Heathrow). Exit at Junction 15 and take the M4 Eastwards. After 8.3 miles exit the motorway at Junction 2 and go straight on to the Chiswick roundabout. Go all the way round the roundabout and take the exit under the M4 flyover (sign posted "A4 West and M4 West"). Stay in the middle lane until past the slip road for the M4, then move into the left hand lane and turn left at the next roundabout into Ealing Road (by the Texaco garage). Continue over the railway and the ground is on the right.

Mileage from High Wycombe = 31

Travelling by rail?

South Ealing is on the Piccadilly Line and about a mile away. When you leave the station turn right at the main road. This is the B455 Ealing Road. Carry on this road (take care when crossing the A4) and the ground is on the right.

Brentford overground train station has services from Waterloo and Vauxhall,

which call on their way to Weybridge. It's a short walk along Windmill Road and Clifden Road to the ground.

Previous encounters

Our eight previous division 2 fixtures at Griffin Park have only produced a meagre 5 goals. Of these regrettably we have scored just the one – Mark Stallard netting in the 1-1 draw in front of the Sky TV cameras in 1997/98. Of the other seven meetings, four have ended goal less. We lost 0-1 in 1995/96 and we have gone down by the same score line on our last two visits. Highest attendance for a game between the sides at Griffin Park has been 9,530 for our first Football League visit in 1994/95 with just 3,695 turning out for the 1997/98 meeting. We also visited for an Autoglass Trophy meeting in 1993/94. The 3,165 spectators that evening were treated to somewhat of a goal glut with our 3-2 victory (Keith Scott and a brace from Glyn Creaser).

Accommodation for visitors

Away fans are now accommodated on the open Ealing Road Terrace where up to 2,200 supporters can be accommodated. This end is uncovered so it is difficult for the away fans in this area to really make some noise. Plus be prepared to get wet if it rains. A better bet may be to try getting one of the 600 seats allocated to away supporters in Block A of the Braemar Road Stand. Although there are several supporting pillars that may hinder your view, the facilities in this stand are good.

BOXoffice

For our fans travelling to Griffin Park for the match against Brentford on Saturday 24th April, ticket prices are as follows: If you buy before the day, Adults £16 seated, £11 standing, U 16 £3. Concessions £11 seated, £5 standing.

On the day of the game, Adults £ 18 seated, £13 standing, U 16 £3. Concessions £13 seated, £7 standing.

Wanderers fans can purchase tickets from our Commercial Offices between 9am and 5pm Monday – Friday, or by using our credit card hotline 01494 451118.

Entrance on the day will be via the Ealing Road Terrace, Block A.

The matchday programme has 60 pages and costs £2.

Opening Hours: Mon - Sat 9.30am - 5.30pm, Sun 11.00am - 5.00pm

Good afternoon and welcome to this afternoon's fixture with the Robins from Swindon. Lets hope our good form continues and we pick up 3 points today. I hope the sun is out for you too.

Community News:

The Scheme has been very busy with all the Easter courses and obviously now we are due to be back in the Schools running our Free In School Coaching and After School Clubs throughout Wycombe, South Bucks and Maidenhead. If you want more information on any of these please ring the Scheme on 01494 472100. The courses we ran throughout Easter were a big success with over 200 hundred children attending the training ground trip and watching the first team train and then meeting them afterwards. I hope all the children who attended had a fantastic time and will be on another Community Course soon.

Matchday Packages:

As well as Hamilton School being our visitors today as part of the football foundation scheme we also have Pinewood FC from Wokingham as our guests. The team have had a two hour coaching session at their clubs facilities, followed by a coach trip to the Causeway stadium for a tour of the ground and food whilst watching the first team take on Swindon. If you want more information for packages next season please ring the scheme in June time for more details.

Penalty Shoot Out's:

Keith Harper and Aylesbury Town Under 11's are the half time entertainment we have for you today. We have 16 members of their squad who will have 10 seconds to dribble from the half way line into the penalty box and attempt to beat the keeper and score for their team. Like I've said before the encouragement all the boys and girls have had over the season has been fantastic so thank you and please keep up the good work!

Having a Birthday Bash:

A big Wycombe Wanderers Happy Birthday to Ross Masson who is celebrating his fifth birthday in Stoke Poges with two of our qualified coaches. The boys will have an hour of fun and each of them will receive a fun pack

and medal to take home with them as well as other goodies. Birthday Information can be found on our website, www.wycombewanderers.co.uk

Fancy a trip to Chelsea:

If you want something fun and exciting to do this summer then book on to our May Half Term courses and have an exciting day out at Chelsea Football Club. The four-day football course, which runs from Tuesday 1st June – Friday 4th, includes a day trip to Chelsea FC on the Wednesday or Thursday. The children will be taken on a tour of the ground, with a chance to look at the pitch and changing rooms and all the trophies! If you want more information on the courses please ring for a course leaflet.

Enjoy the game.

On Tuesday 6th April we travelled over to Griffin Park for a Pontins Holidays Combination fixture. We decided to blood a number of the younger players in this match just to see what they were capable of. With next season in mind some of the lads could figure in the reserves next season so here was a chance to see what they could do at this level.

Brentford also fielded a young side and it was a very even game that in the end was a miracle it finished 0-0. Both teams had good chances to win the match but the two goalkeepers had a big say in the outcome. For us Lee Worgan played his fourth match and again did very well. Lee made some important saves in the game, as did the Brentford keeper at the other end. Trialist Jermaine Roache looked very lively in the first half, he was playing wide right and came in from Southampton. Tom Cadmore is a 17 year old centre half who is very composed and accomplished for one so young. Wesley Douglas played at right back and showed his usual enthusiasm, Andy Savage is another 17 year old, a striker who reminds me of a young Steve Claridge. The exception to all of them was Steve Brown. His attitude and application to the game was a shining example to all the

young players around him. Brownie could so easily have turned up and strolled about but he did himself a great deal of credit and was a testament as the senior pro on our team for all those around him. A big influence in the game Steve set up a couple of good chances for others who failed to finish them off. The story of our night.

Our U 17 side played the last game of the season at Cambridge on Saturday 3rd April.

We played some really good football throughout the match but failed to penetrate in front of goal. We fell behind to a very dubious penalty in the first half after we had been hit on the break from our own throw in. In the second half we dominated long periods of play but never looked like scoring. If we had been able to play James Faulkner up front then I feel we may have hit the net. James is a natural goalscorer who conjures up goals from nothing. Their second goal came from a cross to the far post that was headed in. Also full marks to the Cambridge keeper who pulled off two fine saves from Liam Grier and Andy Savage.

It was a pity to end the season with a defeat but overall it has been a good season for our U17 side. Six of the players who started the season have now been given scholarships. We have used a number of the U14 and U15 players

in the side, all came in and performed well for us. Those lads will be playing U16 football next season and so the experience has been good for them.

Wycombe Wanderers Football Club has just taken on eleven new scholars who will be part of the youth scheme from next season. Some of them have been with the club and earned a scholarship after good performances in matches for our U17 side or during the School of Excellence programme at Bisham Abbey. Manager Tony Adams greeted the players in front of the crowd before our match with Tranmere Rovers on Easter Monday. Unfortunately Ikechi Anya was not available and so our photo shows just ten of the new intake.

**Berks & Bucks Senior Cup
Semi-Final**

**The Meadow, Chesham United
Saturday February 21st 1959**

**Referee: Mr. R. Boyles
Attendance: 2,800**

**Aylesbury United 6
Wycombe Wanderers 6**

(Harper 2, Harrison 2, Wegrzyk 2)
(Bates 3, (2 pens), Rockell 2, OG)

AYLESBURY UNITED: O'Brien, Wyatt, Dymock, Conroy, Biggersatffe, Wegrzyk, Warner, Harper, Harrison, Crook, Corbett.

WYCOMBE WANDERERS: Syrett, Lawson, Moring, Fryer, Fisher, J. Truett, Tomlin, Rockell, Bates, Trott, Worley.

THE MATCH

This was an extraordinary County Cup semi-final held at Chesham United, the Blues were 5-1 down at half time, went on to draw 6-6 with Aylesbury United after extra time.

The recovery was remarkable to say the least, helped by two penalties and an 'own goal' the Wanderers lived to fight another day.

The match opened with the Delphian League side looking very sharp, this was fully emphasised when the Aylesbury United centre forward Harrison scored in the eighth and ninth minutes. Ten minutes later their Polish inside-left Wegrzyk grabbed another two. Paul Bates retrieved the situation with the first of his two penalties following a challenge on him in the area. But on the stroke of half time Harper broke away and added a fifth to give Aylesbury a comfortable 5-1 lead at the interval.

It was a different story in the second half as Wycombe played a long ball through the middle of the Aylesbury

defence for wing halves Truett and Fryer to press forward onto. Wycombe monopolised the play for the first time and Rockell soon made it 5-2. That was followed by the Aylesbury defender Hart putting through his own goal for Wanderers third. The fourth came when the dashing Rockell was felled in the area and Bates stepped up to convert his second penalty, with seven minutes remaining Bates dived headlong to send home a Worley cross and tie the scores at 5-5.

In the first period of extra time Aylesbury hit back when Harper restored their lead but it was that man Rockell again who equalised for Wycombe at the end of the first period.

THE PROGRAMME

The Berks & Bucks F.A. produced a programme with the aid of Chesham United, very much in the style of

Chesham programmes for that period. This was an eight page issue with a small editorial telling everyone how Chesham United were doing. There is a brief mention of the two semi-finalists but it is very much in passing. As always, local advertising can be found scattered throughout the issue with the centre pages devoted to the two teams surrounded by small box ads. The cover has been printed in a light blue, the inside pages are white with black type and the cover price is three old pence.

HISTORICAL COMMENT

This was the season that Wanderers early Isthmian League form was exceptional. They won the first six games scoring 34 goals and then extended that to 10 wins and 2 draws from the first twelve games. However, in the end the formidable Wimbledon took the title with 47 points, Dulwich Hamlet were six behind on 41 and the Blues finished third on 40 points. In the cups Wycombe went out of the F.A. Cup at Northampton Town having dominated the game they fell to late goals and lost 2-0. In the F.A. Amateur Cup they had two terrific games with old rivals Barnet in the Third Round. Having done the hard work at Underhill and drawn 2-2 they lost the replay at Loakes Park in front of an 11,000 crowd 1-0. In the Berks & Bucks Senior Cup they lost the replay to Aylesbury United, our featured game above, 2-1 after Mick Rockell had been carried off with a broken leg. Other items of note that season saw Dennis Edwards sign for Charlton Athletic at the end of February 1959, a big loss to the team. Paul Bates scored 40 goals, the first time any Blues player had achieved that since Tim Hinton back in season 1925-26.

We've arrived at the penultimate programme of this season – Swindon Town, the team that seems to have become a bit of a 'derby' for us over recent seasons and with a mixed bag of results. Who could forget that 3-0 tonking of the Robins at the County Ground? I believe a certain Craig Faulconbridge scored that day! Hmmmmm, sorry Craig but I think I may have to give up all hope of ever being able to place a bet again!

Sadly, as I write these notes on Easter Monday evening, we have not managed the points we hoped against Plymouth and Tranmere. The future for next season is now confirmed but Tony and the boys have promised to fight until the last.

I hope you all had a good Easter and didn't stuff yourselves with too many chocolate eggs! Perhaps you put in a bid on our auction? As I sit here merrily typing away, there are still four days to go until our auction is due to close but, by the time these notes go to print, you'll have missed your chance. Bidding was going well, although I have to admit that, having had the majority of the Easter period off, I am unaware at this stage of bidding progress. I will try and remember to let you all know the result in the last programme of the season against Wrexham.

The Easter break was a pleasant one for me and I made good use of my time off, taking the opportunity to visit relatives in Devon and Cornwall. As I had prayed for, the weather was lovely – a little bit chilly for the first day or so but it got warmer and by Sunday it was glorious! So much so that I even managed to catch a bit of sun on the only bit of exposed flesh above my v-neck! My face somehow escaped a roasting, despite standing sideways on to the sun for some considerable time!

Forgive me for not mentioning

Wanderers World in this edition of our notes but, as I explained above, having just had five days away from work I am a little out of touch with proceedings and will not be updated until tomorrow (Tuesday 13 April). Instead, I will continue with my trip to the South West.

The journey down was good enough with very little by way of traffic and we stopped just outside Exeter to visit my great uncle for lunch. Hard to believe if you could see him but he's nearly 92 and apparently as fit as a fiddle, still walking around and only needing to be aided occasionally with a cane. Mentally, he's still got all his marbles too, which I think is sometimes more than I've got! He does a broadsheet crossword every day and gets quite annoyed if he can't finish it!

On to Cornwall, which was beautiful. It was a treat for me to return there as I hadn't seen the place for many years. I have great memories of staying on a working farm as a child and helping with the hay-baling, horses, cows, pigs, sheep-dipping, farmhouse baking and so on. Ah, they were wonderful days.

Unfortunately, even with a four-day break down there, time was tight and of course I had to make time to travel back up to Plymouth (sorry Dave Peters!) to see the match on the Saturday. Positive that Argyle had plenty of parking ... and free at that ... negative that it took us ages to exit the ground, which kept my delicious roast dinner waiting!

It was a shame we couldn't gain something from Argyle, especially after going a goal ahead after just seven minutes but it was not to be

and they hit back with two that sunk our hopes of continuing our desperate Second Division survival pitch.

Despite this slight set-back in my weekend, the break did me the power of good. Plenty of walking, including 3½ miles down the Cornish coastal path from Swanpool to Maenporth (just in case any of you know where it is), plenty of quality time with many relatives, plenty of good food (including, of course, the traditional Cornish pasty), plenty of liquid refreshment (in varying forms) and plenty of banter! All in all, an excellent holiday – if sadly all too brief.

We had to return on Sunday night in order for me to make sure I was at work on time for the Tranmere game on Easter Monday, otherwise another day in sunny Cornwall would have been added to our agenda.

We're now back at work, day-to-day video and website articles for your amusement. It'll soon be the end of the season but it doesn't stop in the media department. We will continue to provide you with a service in both sections but it is likely to be at a reduced output, largely due to staff absence through annual leave. We know we will have your patience during this time after all, everyone needs a holiday – even said Editor will be taking one (and long-overdue at that if you ask me).

Until the Wrexham game, here's to the fighting spirit ... and, hopefully, three points today against Swindon.

Profile Video Ltd

Video equipment has undergone a radical change with new digital formats appearing in the marketplace and the link to the computer field being strengthened.

Profile Video always evaluates the latest technology and incorporates it in its production facilities. This summer Profile have been re-equipping so that the latest filming and duplication technology can be utilised in the work they carry out for their clients.

Their duplication department are now able to replay all the Betacam formats from the old oxide tapes to the latest Beta SX and Beta IMX in addition to the high quality DigiBeta format. Profile has always had specialist standards conversion facilities for the transfer of foreign tapes to the British system and vice versa. They have now replaced their standards converter ensuring much higher picture quality.

Many organisations have distributed training and marketing material by video cassette but nowadays many people want the programme duplicated onto CD, CDR or DVD. To meet this need, Profile is now able to produce copies on any of these formats and will also be able to offer on-body printing.

Today's presentation equipment interfaces with computer technology and Profile has been able to buy some very specially priced

plasma screens from Panasonic.

A number of these screens have been incorporated in their hire stock and others have been sold to educational users.

Our associate programme sponsor today is Chairman Software Ltd.

Chairman Software Ltd is based in High Wycombe, and currently provides computer based manufacturing control systems for companies throughout the UK. Chairman's customers range from major Furniture clients to smaller specialist manufacturing businesses. Services provided include equipment supply, as well network support and maintenance, a true one stop supplier.

The Chairman system is in daily use at many of the leading Furniture Manufacturers throughout the UK. This British designed and supported system helps customers manage and control all aspects of their business. Among the key attributes of Chairman are: powerful bill-of-material features and options, sophisticated pricing and discounting, bar coding throughout the factory, EDI with major trading partners, inventory control, order processing, distribution planning and control, production planning and easy to define user specified reporting. We have also produced other specialist software packages, including one for a manufacturer of window blinds and one for the manufacture of lorry tailgate doors.

Chairman Software is a stable and reliable

company with a 20+ year background of success and profitability, and we are justifiably proud of our continuing growth and success in a highly competitive marketplace.

Happy Birthday Ken

Ken Stratford is enjoying the hospitality of Wycombe Wanderers today along with friend and fellow vice president Michael Barker. Ken is celebrating that he is 95 years young and is probably our oldest season ticket holder. This is his eightieth year as a supporter and we are sure that everyone would like to wish Ken a very happy birthday and good health and happiness in the years to come.

FREE END OF SEASON BALLOON RACE

FOR ALL JUNIOR BLUES SUPPORTERS

KINDLY SPONSORED BY PK InPrint Ltd.

On Saturday 1st May WWFC, in association with PK InPrint and Bassetsbury Balloons, are offering all Wycombe Wanderers Junior Supporters the chance to enter a balloon race prior to the kick-off of the Wrexham match with prizes on offer for those whose balloon ticket is returned from the furthest destination and a free half-time prize draw. Entry is FREE to all under 16 2003/2004 WWFC Season Ticket holders. To register and collect your free balloon, please go to the Balloon Race Registration point in the Vere Suite between 2.15pm and 2.45pm on 1st May. The balloon race will commence on the pitch at 2.55pm when the teams enter the field of play. This event, kindly sponsored by PK InPrint Ltd, marks the launch of the PK Kids Club, the new Junior Supporters Club for under 16's for the next five seasons. To enter, please bring along the completed entry form that has been sent out in the post.

I'm delighted to welcome Queens Park Rangers number one fan in Bucks, Swindon Town's Chief Executive Mark Devlin, along with his Spurs supporting colleague at the County Ground, Marketing Manager, Mike Sullivan. Mike was Wycombe Wanderers Sales Manager for nearly a year in 2001, and still very kindly helps out on his own time at our Sportsmans Dinners. Some have commented that he is sponsored by Duracell because he competes in so many marathons, but we all know the real reason is that he has a copper coloured top! Both Mark and Mike appear to have the most amazing ability to invite you out to dinner, then get you to pay. They both live locally and are both involved in coaching local kids football teams (Chalfont and Langley). They both love football and are a good laugh, and I wish them an enjoyable day out today. The next Chinese is definitely on you lads!

My sincere thanks today must go to Greene King plc who are very kindly and generously doing a sponsorship hat-trick for the Club this afternoon, having booked a match, matchball and programme sponsorship. They have been fantastic partners since buying out Morlands several years ago and I trust you enjoy drinking lots of their product today.

Looking ahead to next season, you may have received an 8 page A3 Blues News Newsletter from the Club in the last week, detailing all our season ticket and matchday admission prices for 2004/2005. If you have missed this, a concise 8 page version of what we are offering you next season appears in the centre of today's programme, outlining the various membership schemes, along with a few new additional benefits if you renew or become a Blues season ticket holder.

The Club have decided to upgrade the proposition in several areas of the ground for 2004/2005, with the intention of raising more money to assist team building, by offering

several new, value for money propositions that will hopefully be attractive to you. At the top of the range is the "Chairmans Club", which genuinely offers top notch hospitality. From only £925 (Inclusive of VAT) a year the top Chairman's Club package includes twenty-three three course pre-match carvery meals in the Keen Lounge, half time refreshments, a Matchday programme, a Team sheet, access to Sky Sports TV, pre-match briefing & post match interviews, a numbered car parking space for all WWFC home matches, post-match presentation to 'Lanson Champagne Man of the Match', a Board Room post match invite (plus guest of your choice) and a high quality exclusive "Chairman's Club" tie.

You can book places in the Carvery (subject to availability) from £45 + VAT per person, per match. There are also two "Vice-Chairmans Club" packages on offer, one at £695 (no food included) and one at £795 which includes ten Carvery three course pre-match meals, bookable in advance. Vice-Chairmans Club members will have the use of the Loans.co.uk Sponsors Lounge (also known as the Chiltern Room and Directors Guest Room) when they have not booked a meal in the Carvery. Vice-Chairmans Club members will have the use of the Keen Lounge half-time and post-match.

The Haines Watts Woodlands Lounge, located on the Executive Box Level in the Frank Adams Stand, becomes the Presidents Team Lounge on a Blues home matchday, rather like on a London Wasps matchday it is known as the Premier Club. For Wycombe Wanderers home matches packages are available at the Presidents Team Executive Club level from £449 with seats outside the Presidents Team Lounge (currently Woodlands Lounge) or at the Vice

Presidents Team Executive Club level with seats in the Frank Adams Stand upper tier. The Presidents Team Executive Club package includes: a top price premium seat, half time refreshments, team sheets, Sky Sports TV, a cash bar, use of the Presidents Team Lounge, a matchday programme, and a season car pass for all WWFC home matches.

Frank Adams Stand upper tier 2004/2005 season seat ticket holders can apply for membership of the Vice-Presidents Team Executive Club for the discounted rate of £60 (£80 to non-season ticket holders, subject to availability), although first refusal will be offered to existing Woodlands Lounge members until 28th May 2004. A Vice-Presidents Team Executive Club member will receive the same benefits as a Presidents Team Executive Club member other than the membership fee does not include a seat season ticket, a car pass and a complimentary matchday programme.

To accommodate the extra influx of supporters at half-time on Wycombe Wanderers matchdays, the Club plan (subject to approval of building regulations etc.) to install new toilets for the Executive Box Holders in the Executive Box Corridor, along with a bitter and lager dispense bar for the convenience of all Box Holders. Such an investment will of course benefit London Wasps customers as well, and enable Adams Park Conference Centre to separately rent out both the day let executive boxes and the Haines Watts Woodlands Lounge on a non-matchday. The plans for next year are exciting, and I am delighted that the Club are looking to improve the matchday experience.

Finally, please don't forget to buy your Super Early Bird season ticket for 2004/2005 before Friday 7th May 2004 to ensure that you benefit from maximum savings and get optimum value for money. Thank you for your on-going support, it really is much appreciated, as well as much needed.

Officially Speaking

Welcome to the Swindon supporters who have travelled down along the M4 today, have a safe journey home and enjoy your stay with us.

I have just watched two different teams in Wycombe's colours, at least I think I have. Down at Plymouth they gave 100% effort and frightened the life out of the team at the top of the league. They deserved more out of that game and merited the applause that they got from supporters who had made the long trip down to Devon. On Monday against Tranmere I saw a collection of players, some trying hard and others who just seemed to be going through the motions as if they were already resigned to relegation. Last season when we were safe we ended the season on a bad run of form and this decline carried through to this season, once you get into the habit of losing its difficult to stop the trend. If we go down it is important that we end this season with a winning run so that we start next season in a positive frame of mind. Players are playing for their contracts next season, so lets see some fire and pride from them so that they get what they deserve.

Lets see that effort today.

We have had excellent service as usual from Motts travel who provide coaches for us and as its getting to the end of the season I would like to thank them for the efficient reliable service and the fine quality of the coaches that they have laid on. Long may our association with them continue.

Dates for your Diary

Today is the last chance to book for our Annual Dinner in the Vere Suite April 30th Put this in your diary. This very popular annual event will have Tony Adams as the after dinner speaker and the cost will be £22.50. To reserve your places contact Harold and Marion on 01494 440668. They will also be taking bookings and collecting money in the entrance to the Vere Suite today.

Coaches

Rena will be taking bookings for this next away match as usual in the entrance to the Vere Suite before and after today's match.

Brentford

The Adult members fare for this is £5.50 with the usual concessions for students and Senior Citizens. There is a £3.00 surcharge for non members (you can of course avoid this by joining us, and if you do this, you get your membership fee back in a couple of coach trips). Coaches will leave the Football Ground at 12.30.

You can also book by telephone on 01296 429307 but please use this facility with consideration, in particular late at night is not acceptable.

Independent Thinking

It is with sadness that I have to inform those of you who have not heard that Glyn Pierce a member of Wycombe Wanderers Independent Supporters Club for many years and long time supporter of the team sadly passed away at his home at the beginning of last week.

He was a regular at both home and away games and will be sadly missed by everyone at WWISC and others that knew him from the football club.

Our thoughts go out to his family at this sad time.

Not a very good Easter weekend for the team, a positive performance in the away game at Plymouth which unfortunately ended up with a 2-1 defeat. Nathan Tyson raced away on 5 minutes to open the scoring for us, which was equalised by Graham Coughlan's header from a corner. The winning goal scored by Michael Evans with a cheeky back heal 10 minutes from time during which Steve Williams suffered an injury with Steve Brown deputising in goal.

In comparison not a good performance by the team in the Easter Monday game with Tranmere Rovers, which resulted in, a 2-1 defeat with both Tranmere goals scored by Eugene Dadi. Roger Johnson's strike on 88 minutes gave us hope but it was too late. The majority of the Wycombe players did not play with much conviction, but Roger Johnson deservedly picked up the Man of the Match award – he was one of the few on the day who played with some fire and passion.

It was good news to see that Danny Senda signed a new 2 year contract on Friday last week which will take him up to June '2006'. He has really shown a tremendous improvement since Tony Adams moved him from right back to the right side of mid-field.

Last week the club announced an agreement with the Walters Group to sponsor the youth team for a further four seasons. The High Wycombe based company have sponsored the youth team for the past eight seasons.

There will be an open meeting in the Vere Suite at 7.30pm on Monday evening to discuss the creation of a Supporters Trust by a group of supporters for Wycombe Wanderers Football Club. With the impending changes to the clubs constitution it is a meeting the clubs fans should make every effort to attend.

With the injury to Steve Williams in last Saturday's game at Plymouth goalkeeper Lee Worgan was signed prior to Monday's game against Tranmere on loan until the end of the season. The 20-year-old former Wimbledon trainee has been on trial with us for the past few weeks.

Tony Adams is still keeping tabs on Liverpool's Adam Flynn and Blackburn's Michael Taylor. They are both being released by their clubs after failing to break into the first team and have been on trial with us recently.

After a particularly nasty individual was seen inciting our fans at the recent away game at Bournemouth I made contact with Peter Phillips their Chairman and I have since heard back from the clubs chief safety officer who tells me the individual concerned has been identified by both the club and the police and action is being taken.

Do not forget the Evening with Brownie in the Vere Suite on Tuesday evening – tickets are £10pp available from the club – please come along and give Steve your support.

IAN.

Why do we think that this meeting is necessary?

Because we firmly believe that Football Supporters are the lifeblood of the game. All too often, the views of supporters have been ignored. All teams need their fans to get behind them. A Football Club equally needs to show loyalty to the fans. More enlightened clubs know it is in their own interest to value supporters and involve them in the affairs of the club. Supporters see their club as an asset built in many cases on generations of support. Directors, Players, and Managers come and go but Supporters are there for life. We think that the creation of a Supporters Trust at Wycombe would allow every fan to have the opportunity to become involved in the future of the club.

Who are we?

We are a small group of supporters unconnected with the Football Club, who see benefits for all supporters of Wycombe Wanderers and the Football Club in the creation of a supporters trust.

BUT

This will only happen if you, the supporters, want it to happen. Do come along and hear what we have to say.

Freepost, High Wycombe, Bucks HP12 3BR Brochure Line: 0800 6525002

When we beat Port Vale here recently, it was our sixth successive game unbeaten by them. In fact, our only defeat in eight games against them was here during our F.A. Cup run in the latter half of the 2000/01 season. Whilst they have scored one goal on all of their visits to Adams Park, we have done likewise at Vale Park. The attendance is the lowest for a game between the two sides here. It is the first time that we have won two league games in a row since beating Bristol City and Northampton (not Oldham as reported in the local press) in January of last year. We actually drew with the Latics.

After this we travelled to league-leaders, Plymouth, where we are still looking to gain our first league win, having lost three and drawn two of our five visits to Home Park. The attendance is

by far the highest for a game between the two sides.

On Monday we lost to Tranmere for the fourth consecutive time in front of the lowest crowd for a game between the two sides. Lee Worgan made his debut and is the 141st player to appear in the Football League for us. He is also the fifth player this season to wear the number 22 on his back! The others who have done so are Iffy Onuora, Guy Branston, Luke Moore and Scott Bevan. Dannie Bulman made his 200th Football League appearance for us, while Craig Faulconbridge made his 50th. Dannie is the ninth player to reach this total.

250 UP

Today is our 250th home Football League match. Of the previous 249 we have won 109, drew 69 and lost 71, scoring 363 goals and conceding 272 in the process. This gives a total of 396

points. Our biggest win is 5-0 over Burnley in the 1996/97 season, while our biggest losing margin is 4-0. This has happened twice with Stoke (1999/00) and Cardiff (2002/03) being the victors. We have conceded five goals twice, against Colchester in our first season and Oldham this season, but we lost 5-2 on both occasions. The most common scoreline is 1-1. There has been 37 of those. Next week at Brentford we will play our 500th Football League match and I will write on that in our next programme, which will be the last of the season (how time flies!).

 In the unlikely event of you being offered the same furniture anywhere else at lower than Lucas prices, we promise to match those prices when you order and reward you for your vigilance.
 *This offer does not apply to Internet sites.

At weekends you and your family can enjoy wine, tea, coffee and nibbles served by our Hospitality Staff. We have even provided a cosy Snug Bar that is open all week for you and your friends to make yourselves at home and enjoy a rest with complimentary wine and refreshments.

A Fun Place to Visit

We will keep your children amused while you are left free to browse at your leisure. At weekends there are magicians, face painters, giant Lego tables and exciting video games, not to mention soft drinks and crisps for the children.

So do pay us a visit soon and seek out the furniture of your dreams from the finest selection of furniture and beds in the country.

If you would like to be placed on our mailing list to be kept informed of our special offers and events, or if you wish for catalogues please ring us on Aylesbury 01296 486255.

PK MASCOT

Today's PK InPrint mascots George Clegg from Longwick. George will be 8 years old on the 22nd April and his hobbies include playing football for Risborough Rangers and playing with toy cars. He likes to watch Robot Wars, Chucklevision and Tracey Beaker. George enjoys pizza or a fry up and his favourite Wycombe Wanderer is Frank Talia.
