THE BOARD ROOM

As we approach another game as fans we are always hopeful and optimistic for a win, and today is no exception as we are all desperate for that win which we deserve and which we feel will be the first of many and the turning of a corner. Mick and the team are all as upset as the supporters at the lack of victories and will be trying like mad today so let's all do our part and cheer them along from start to finish.

Off the field things are moving along nicely. As you can see the stand is really taking shape and the roof and seats will be started shortly in preparation for the big games over and after Christmas. As for next season many people have already reserved their seats, the Vice Presidents Club is filling up quickly and there is already tremendous interest in the hospitality boxes.

Bastion have already signed up plenty of members for the Premier Club, if you haven't seen one of their presentations yet give them a ring and book yourself in for one.

With regard to this season, half season ticket deals are now available and advertised elsewhere in this programme and there are plenty of opportunities to get Millers related Christmas presents either from the shop or by buying a brick.

On a final note congratulations to our neighbours Doncaster Rovers for their success in the Carling Cup, they have had a hard time recently and it is good to see them coming back. It sets things up nicely for our meeting on New Year's Eve, which hopefully will be a full house.

Peter, David, John, Chris and Trevor.

MICK

December is a very hectic month with six games in a short space of time but it gives us a great opportunity to get back to winning ways and get some points on the board.

It will be a tough month in view of the size of our squad but I have every belief and confidence in our players to turn the situation round.

Everyone is positive and upbeat so it's a challenge we are looking forward to. We have got ourselves in this position so it is down to us to get out of it along with our supporters.

The superb backing we had at Barnsley and Walsall merits our grateful thanks to all the fans and I am sure the players will now respond in a positive manner.

We have numerous players on four bookings and that can cause us a problem as they stand one more away from a suspension but every club has similar problems so we all just have to deal with it.

You know it is going to happen, today Swindon Town will be ruing the cost of suspensions but it won't take away from what they are trying to achieve.

We play Saturday to Saturday and then all of a sudden we have to face a fixture congestion with three games over just a few days over the Christmas period. Teams with the biggest squads invariably come out the best at that time of the year.

Today we welcome Swindon Town to Millmoor and last season I spent a very enjoyable month with them.

Their former manager, Andy King is a very good friend of mine and I know the set up at Swindon along with the present

manager Iffy Onuora and the coaches.

They are all good honest people who I am sure will do a good job for Town.

They are experiencing a sticky period at the moment but I am sure their effort and commitment will turn things round so I wish them all the best after today.

We had a board meeting on Wednesday and plans were laid for the future of the club with everything in a positive frame of mind. The development of the stand is a major factor while we are also planning to strengthen the squad when the transfer window opens again.

I asked about the recruitment of players and I got a positive response so if we can have a good December we will be strengthening the squad again when the window opens.

It's tough times at the moment when you can't go into the market to cover for injuries and suspensions, it seems a strange time to close it.

As I am sure everyone will be aware I have been charged by the FA regarding the comments I made after the game at Barnsley but I have asked for a personal hearing to defend myself when I can put my point of view.

Enjoy the game.

Mick

welcome to today's visitors

SWINDON TOWN

TODAY IS A GAME THAT IS VITAL TO BOTH CLUBS' SURVIVAL HOPES AS THEY ARE CURRENTLY IN THE BOTTOM THREE AS THEY EXPERIENCE DIFFICULT TIMES AND AT THE MOMENT THEY ARE LOCKED IN A BATTLE FOR LEAGUE ONE SAFETY.

Town have been stuck in the bottom slot since the end of September while the Millers slump has seen them slip from fourth position after the sixth game to their present third from the bottom. It is the 13th time Town have visited Millmoor for a league game with the first one being in January 1964 with the Division Two fixture ending goalless.

A Frank Casper goal was enough to give Rotherham a 1-0 win the following April while the teams didn't clash again until they met in Division Three in May 1969, the game ending all square at 1-1. Again that was the last meeting for a few seasons and in October 1975 Swindon took all the points from Millmoor with a 2-0 win and it was all square at 1-1 the following season.

April 1978 saw Town yet again go home from South Yorkshire with a victory tucked under their belts, this time thanks to a 3-1 triumph and they repeated that scoreline in February 1979.

A much needed home win was recorded by the Millers in September 1979 with a 3-0 scoreline but Town gained revenge when they were crushing 6-2 home winners the following April.

A Mick Gooding goal was enough to give Rotherham the points in February 1981 along their way to lifting the Division Three title. Six years later Gooding was on the target again, this time from the penalty spot but it brought no reward as the home team were beaten 2-1.

Once again the teams were kept apart for a long break and battles resumed again at Millmoor in Division Two in December 1995 when once again Town were the winners, this time by 2-0.

The last visit here saw Swindon beaten 4-3 in March 2001 when Mark Robins notched a hat-trick and the victory for Rotherham was completed thanks to a Alan Reeves own goal.

This season for Swindon got under way with a 2-0 defeat at Barnsley

and that was followed with a 3-2 home loss at the hands of Oldham Athletic.

A fine victory was then notched with Nottingham Forest beaten 2-1 at the County Ground. A point was taken from a goalless draw at Blackpool while Yeovil Town were then sent packing on the end of a 4-2 defeat as Town emerged 4-2 winners to occupy 14th position. But then came a very depressing sequence of results with eight successive defeats seeing Town drop down to the bottom of the table and they have remained there ever since.

The poor run was halted with three successive draws, against Brentford, Scunthorpe United and Huddersfield Town – all noteworthy achievements.

Then came a much needed victory with a 2-1 triumph against Bristol City in a televised game and after drawing 1-1 at Port Vale before Town suffered a 3-0 home defeat at the hands of Barnsley last Saturday.

Barnsley
Watt 90+5

Rotherham United
Barker 31

The worst possible display of refereeing by Trevor Kettle cost Rotherham United their first win in 13 league and cup games when they were cruelly denied at Oakwell as the official completely lost his way with a string of baffling decisions that were to prove so costly.

It meant the Millers were reduced to ten men on 56 minutes when Deon Burton was sent off for his second booking and it was even worse going down to nine men for the last ten minutes when Lee Williamson received the same harsh treatment.

To rub salt into the Millers wounds the Tykes scraped a draw when they "netted" a goal in the fourth minute of added time and even that raised questions as it looked as if the ball hadn't crossed the line.

Then after the final whistle recalled skipper Colin Murdock was shown the red card for displaying his understandable anger at the referee. To make the officials actions even more baffling it had been far from a dirty game despite the fact that both teams gave their all as they battled for supremacy in the local derby game.

It was Rotherham who made the first launch on goal but Martin Butler's fifth minute shot was saved and two minutes later Burton received the first yellow card of the afternoon.

At the other end Shaun Barker did well to cut out a low cross from Devaney and then next effort on goal came from Rotherham but

after linking with Williamson, Burton's shot was wide.

On 23 minutes John Mullin's cross was headed down by debutant Paul Evans for Williamson to shoot wide and then a good Mullin cross was headed out.

Rotherham opened the scoring on 31 minutes when Paul McLaren curled in a superbly flighted free kick and Barker lost his marker to score with a close range shot.

It was no more than the Millers deserved and they had a great chance to increase the lead on 39 minutes when another McLaren free kick found Burton but he missed a great chance by heading wide.

Four minutes into the second half two corners in quick succession saw the Millers fail to make anything of them while at the other end Burns fired wide after Neil Cutler had punched out a Devaney cross.

Then on 56 minutes Burton was racing through when he appeared to be brought down by Watt but to everyone's disbelief it was the striker who was dismissed when it should have been the defender.

That gave Barnsley fresh impetus and they started to push forward a lot

more and Barker had to clear off the line following a corner. The Millers responded with Evans hitting a fine shot that brought a good save from the home keeper and then Richards wasted a chance to level matters when he shot wide. On 85 minutes the game took another turn for the worse as far as the visitors were concerned when Williamson was shown the red card for an innocuous looking offence to leave the Millers with an even more difficult task to hold on to their lead. But they battled magnificently with Cutler pulling off a brilliant save before they were rocked by a hotly disputed equaliser. Shuker's corner wasn't dealt with and Watt was adjudged to have forced the ball over the line but this was highly debated by the angry Millers. The final whistle was blown very soon afterwards and that led to Murdock being shown the red card for venting his understandable anger at the pathetic referee.

Barnsley: Colgan, Hassell, Watt, Reid, Burns (Tonge 81), Hayes, McPhail, Austin (Jarman 70), Shuker, Richards, Devaney. Subs: Flinders, Carbon, Williams.

Rotherham: Cutler, Worrell, Barker, Murdock, Hurst, Mullin (Gilchrist 77), McLaren, Evans, Williamson, Butler, Burton. Subs: Montgomery, Hoskins, Monkhouse, Osemabor.

Referee: Trevor Kettle (Rutland).

Captain
Paul McLaren

Last Saturday I wore the captain's armband for our game at Walsall and that's the first time I have done that for Rotherham United.

When I was at Luton Town I was captain there for a while but this time round it was a disappointing debut with that defeat at Walsall last Saturday.

We thought we had had the majority of the possession for 40 minutes when we were probably on top but then we conceded two stupid goals just before half time.

Some people are of the opinion that the first goal was offside but it was too quick for me to see really as I was turning round. But having watched the replay I am sure the striker was on the other side of Shaun Barker so he was likely to be off.

That's what happens when you are down at the wrong end of the tables, decisions don't go your way at all.

To concede the two goals just before the interval was a massive blow and it gave us a mountain to climb to try

and turn the game around in the second half.

If we had pulled a goal back quickly at 2-0 down then we might have got back into the game but at three down it wasn't going to happen.

So now today's game against Swindon Town is a really big one, we never thought we would be saying that when we were looking so good at the start of the season.

However, there is still confidence in the camp and we are all still certain we can climb the table.

We have to put a good run together, hopefully starting today and then against Yeovil Town next Saturday.

I can assure all our supporters that the spirit in the camp is very good, the gaffer, Knilly and all the lads are good and morale is fine. Now it's just all about winning games.

So let's hope we start to do just that today.

MILLERS

we take a look back in time at the great players who played for

Rotherham United

BORN: Darton, 3 April, 1924
DIED: Pontefract, 10 January, 1983
CAREER: Rotherham United 11/45 Lincoln City 6/57

Jack Grainger, A flying goalscoring winger who was the darling of the Millmoor terraces in the years after the war.

He packed a powerful shot in either foot and there was no better sight than when he used to cut in from the right to score from distance with his left foot.

He played such a starring role in a memorable Rotherham FA Cup 3-1 win at holders Newcastle United in 1953 that the Geordies tried to sign him but they were turned down. Jack could also play at centre forward where he played for England B. After 11 seasons at Millmoor he finished his career at Lincoln City where he was able to maintain his record of scoring one goal in every three games - a fine ratio for a winger.

Evans 24

The dreadful run of games without a win extended to 14 when the Millers were knocked out of the LDV Vans Trophy by the struggling League Two team to end hopes of seeing the competition bring some much needed success.

During that spell they have eight times seen a lead squandered and this time it happened after they had been well on top in the first half.

With three players serving suspensions following the farce at Barnsley a few days earlier several changes had to be made and young player Marc Newsham came in for his first senior start. Town were the first to have a look at the goal when they were awarded a third minute free kick but Neil Cutler made a good save from

the resulting header as the ball was turned out for a corner.

When Rotherham responded, John Mullin shot wide after linking with Paul Hurst and Andy Monkhouse before a good ninth minute run by Paul McLaren brought in Newsham for Paul Evans to see his 30 yards shot well saved. Two more Macclesfield free kicks brought no success to the visitors before the Millers responded on 21 minutes with two corners in quick succession with Fettis saving a Newsham header from the second. Then on 24 minutes the Millers took the lead with Hurst and Newsham combining to set up Evans who netted with a superbly placed shot into the bottom corner of the net from 25

Parkin 56 Sandwith 84
Macclesfield Town 2

Another corner brought no reward to the Millers who at this stage looked well on top but they needed a second goal to capitalise on their superiority.

It might have come on 42 minutes when David Worrell found Monkhouse but he missed his shot.

A 48th minute Evans free kick was just off target but the visitors gradually started to take control of the proceedings and Cutler had to make a good save on 53 minutes to keep out a superb shot from Parkin.

But three minutes later it was all square when Beresford crossed from the right and Parkin equalised with a powerful header.

In reply Jon Otsemobor shot wide but that proved to be a rare Rotherham effort on goal as play concentrated in the home half. Two visiting corners brought no reward before Beresford crossed again for Parkin's header to be blocked this time and from the follow up Townson fired wide.

A 79th minute shot from Evans went wide and he looked to be the only Millers player willing to have a good effort on goal.

As the game looked to be heading for extra time it was Macclesfield who snatched a dramatic winner on 84 minutes when Sandwith curled a free kick from 20 yards into the top corner of the net.

Substitute Hoskins almost levelled matters on 90 minutes but his shot was deflected on to the post and out for a corner.

turning back **THE CLOCK**

Football historian Leigh Edwards selects headline stories from this month covering 80 years of Rotherham United

1925 - HAT-TRICK OF WINS

After suffering a 7-0 hammering at Coventry City, the newly named Rotherham United recovered in fine style with successive 1-0 wins at home to New Brighton and away at Wigan Borough before they made it three on the trot with a fine 2-1 win at Barrow on 5th December with goals from Jackie Bestall and Bernard Chambers. The team on that occasion was John Mehaffy, Richard Jackson, Jimmy Turner, Tom Brelsford, Walter Picken, Hedley Bailey, Redvers Boulton, Jackie Bestall, Bernard Chambers, Jack Lee, Joe Scott. In their first season as United the Millers finished in 14th position in Division Three (North).

Walter Picken

1929 - UNHAPPY TIME

The last game in November had seen Rotherham United hammered 7-1 at Southport in Division Three (North) and the following month didn't bring any early better results as on the 7th they were beaten 3-1 at Carlisle United. The next game saw another defeat, this time at Wrexham to make it three away defeats on the trot. The team at Carlisle was Tom Atter, Richard Jackson, Jimmy Turner, Charlie Robinson, Andy Smailes, Ernie Pattison, Billy Sellars, Vic Wright, Albert Parkin, George Murden, Albert Orr. It was very much a season of struggle for Rotherham as they finished in 20th spot - three from the bottom

1948 - RECORD AWAY WIN

Hat-tricks apiece by Wally Ardron and Tommy Lowder plus goals from Jack Grainger and Jack Edwards gave Rotherham United a thrilling 8-1 Division Three (North) victory over Carlisle United in front of 14,639 at Brunton Park on 4th December 1948: Danny Bolton, Jack Selkirk, Arthur Radford, Jack Edwards, Horace Williams, Danny Williams, Jack Grainger, Gladstone Guest, Wally Ardron, Jack Shaw, Tommy Lowder. The Millers had lost 6-1 at York City in their previous League match two weeks earlier. It remained Rotherham's record away win until equalled by the 8-1 victory at Crewe in September 1973.

1950 - SHAW CUTS DOWN FOREST

Jack Shaw's hat-trick gave Rotherham United an exciting 3-0 FA Cup second round win over Nottingham Forest at Millmoor on 9th December 1950: Danny Bolton, Jack Selkirk, Norman Noble, Jack Edwards, Alf Gibson, Colin Rawson, Jack Grainger, Danny Williams, Jack Shaw, Gladstone Guest, Jimmy Rudd. The Millers had crashed to a 5-0 defeat in the only previous FA Cup meeting between the two clubs in 1929-30. Ace marksman Jack Shaw had netted five times in the 7-2 victory at Darlington in the previous round and scored a club record 46 league and cup goals that season as the Millers won the Division Three (North) title.

1956 - TOO SHARP FOR BLADES

Two goals apiece by Keith Bambridge, Brian Slater and Jack Grainger plus another from Roy Silman gave Rotherham United a stunning 7-2 Division Two victory over Sheffield United in front of 21,609 at Bramall Lane on 15th December 1956: Jock Quairney, Roy Silman, Lol Morgan, Ken Keyworth, Norman Noble, Danny Williams, Jack Grainger, Roy Stephenson, Peter Johnson, Brian Slater, Keith Bambridge. Long serving full back Roy Silman was making his first appearance of the season in place of Jack Selkirk. It remains Rotherham's biggest win over the Blades and they hammered Bristol City 6-1 a week later.

1957 - BROADBENT'S MILLMOOR MOVE

Much travelled outside left Albert Broadbent joined Rotherham United from Sheffield Wednesday in December 1957. Initially with hometown Dudley, he had moved to Notts County in March 1952 and joined Sheffield Wednesday in July 1955, starring in their 1955-56 Division Two championship success. He made his Rotherham debut in a 2-2 draw at home to Leyton Orient and scored nine times in 20 league games as the Millers avoided relegation that season. Andy Smailes also signed forward Glyn Jones from Sheffield United that month, the England Youth international having been an amateur with hometown Rotherham.

1961 - HIGH SCORING GAMES

This was a season that brought Rotherham United great success for the second year on the trot in the newly formed League Cup. On 12th December they drew 1-1 at home to Leeds United and went on to win the fourth round replay. Division Two the Millers were scoring plenty of goals and they had netted 11 in four November games before December got off to a losing start with a 4-3 defeat at Luton Town. But six days later six goals were shared with Huddersfield Town at Millmoor with two goals from Brian Taylor and one from Don Weston in front of an attendance of 10,241. The team on that occasion was: Roy Ironside, Peter Perry, Lol Morgan, Roy Lambert, Peter Madden, Ray Lancaster, Barry Webster, Don Weston, Ken Houghton, Alan Kirkman, Brian Taylor.

1964 - GALLEY'S DREAM DEBUT

John Galley's hat-trick plus goals by Albert Bennett and Ian Butler gave Rotherham United a thrilling 5-3 Division Two victory over Jimmy Hill's Coventry City in front of 20,058 at Highfield Road on 5th December 1964. Gordon Morrith, Harold Wilcockson, Colin Clish, Roy Lambert, Peter Madden, Richard Jackson, Barry Lyons, Albert Bennett, John Galley, Ken Houghton, Ian Butler. Centre forward John Galley was making his debut after joining Rotherham from Wolverhampton Wanderers earlier that week and went on to score 46 times in 108 league games for the Millers before moving to Bristol City in December 1967.

1979 - PORTERFIELD TAKES CHARGE

Ian Porterfield succeeded Jimmy McGuigan as Rotherham United's manager in December 1979. He had impressed as a midfielder with Raith Rovers prior to joining Sunderland for £38,000 in December 1967 and scored their winner in the 1973 FA Cup final. Also helping to win the Division Two title in 1975-76, he moved to Reading for £20,000 in November 1976 and played for Sheffield Wednesday before starting his managerial career at Millmoor. Guiding Rotherham to the Division Three title in 1980-81, he remained in charge until leaving in June 1981 to manage Sheffield United. He later managed Reading and Chelsea.

1986 - GREEN REJOINS ROTHERHAM

Central defender John Green rejoined Rotherham United from Darlington in December 1986. Locally born, he was an apprentice at Millmoor and secured a regular first team slot before turning professional in March 1976. He was ever present in 1978-79, scoring in that season's 3-1 League Cup second round win at home to Arsenal. Overcoming injury problems to score eight goals in 248 league games for the Millers prior to joining Scunthorpe United in September 1983, he moved to Darlington in October 1985. He featured in Rotherham's 1988-89 Division Four title triumph and scored a further three goals in 85 league outings.

Rapidly approaching his 100th league start for Rotherham United is Shaun Barker who is a fine example of the Millers youth policy having come up through those ranks to establish himself as a first team regular.

He started his career with the juniors and gradually worked his way up through the reserves to accomplish his current standing as an automatic choice at league level.

But obviously the poor current run of results has taken a little of the gloss off everything for Shaun who commented: "It has been very difficult recently as we have struggled to record an elusive win and the lads need to pick themselves up as quickly as possible, we all know that.

"We have had a bad run, sometimes we have been unfortunate in some of those games while in others we have made mistakes that have cost us so we have to stop that and get back to winning ways."

Looking back at his own personal form so far this season, Shaun went on: "I felt I started very well but recently I haven't been playing as

well as I know I can do. The gaffer asked me earlier this week why that was and I admitted I didn't know because if I did know then I could have changed that earlier.

"Sometimes this happens so you just have to keep on working hard at the training ground and fingers crossed, cut the mistakes out.

"Last Saturday at Walsall I was caught out for the second goal when the ball was hit up in the air and I tried to follow it but the striker sneaked in on the other side. It was a difficult one but I have to take responsibility for it."

At least this season Shaun has been happy to have played in a settled position in the centre of the defence because last season he was asked to fill a variety of different roles. He tackled them all with his usual enthusiasm but it meant adopting contrasting styles of play.

"I have played for the first team for three seasons now and every previous season I have played in two or three different positions so this time round I have actually been able to nail down one specific position and that is doing me a world of good."

"When I first managed to get into the first team I couldn't have envisaged what a difficult time the club would be facing because when I first came in it was a successful time.

"But the last couple have been disappointing. We were relegated last season and we have to make sure that doesn't happen again. We have the players with the necessary quality to pick ourselves up.

"It's now a matter of getting that first win for some time to set us off on a roll that would see us climb the table.

"We now face two massive home games on the trot, especially today's. It's huge from our point of view and a win will give us a good starting point to turn the season round."

One of the major factors leading to Rotherham's precarious current league position has been the poor home form and that has surprised Shaun.

"At the start of the season the fans knew we had a good side and they could see we could pass the ball around and play well. I honestly thought we had a great chance of being involved in the top section of the league but it hasn't happened.

"When you are desperate for a win you seem to get a bit nervous, it helps much more when things are going for you. Even considering our current position, a couple of wins would see us move up to mid-table.

"Before last Saturday's game Walsall were in the bottom half and their win against us lifted them four or five places while Colchester United are another team who have recently moved well up with a few wins.

"So let's hope the same can be said about us in the next two or three weeks."

Millers' Savers cheque presentation

At this crucial time on and off the pitch, the support of our sponsors has never been more valued. It's excellent to see local companies get behind the club and we were delighted to have Rotherham based Rosehill Press as our club sponsor this year.

With matchball sponsorship starting from as little as £250+Vat for some games and the launch of the Premier Club, new businesses of all sizes are now supporting the club.

The club, businesses and fans can now benefit from off the field partnerships in a number of ways.

Centre of Excellence and Youth Team sponsor, Central Credit, have agreed to sponsor a new minibus in conjunction with the launch of Millers Loans. With £150 of every loan and £250 of every remortgage going towards a new minibus, a new minibus should become a reality before the end of the season.

Meanwhile, the club was recently presented with a cheque for almost £10,000 thanks to everyone with a

Millers Savers account at the Barnsley Building Society. Hopefully many of you will take advantage of the discounts, saving you at least 5 per cent at Thomas Cook, through the new Millers Holiday club.

These are just some examples of how you can support the club, whilst enjoying benefits yourself.

Our thanks to all our supporters, commercial partners, stadium

advertisers and match sponsors

and we wish you a happy Christmas and successful New Year.

MillersMusings

By Amy Parkes of Dinnington and Maltby Guardian

Mick Harford has asked his players are they ready for a scrap?

The relegation battle is on, and it's not even Christmas!

But well done Mick for being realistic and not shying away from the crisis or the critics.

I'm not about to start blaming individuals, formation choices or tactics, what's the point?!

The facts are clear – we're third from bottom and we have to make sure we don't stay in this predicament.

The good start to the season has probably set us up for a fall, as we dreamed of promotion and the play-offs.

Now it's a question of survival and we can do it.

Or we have to at least keep believing we can because there's no point going to battle if you've got

no self-belief.

Our defence look nervous. That has to stop. They can defend and they must. Someone needs to take a leading role.

Who? I don't know, but we cannot continue to fear any team at any level.

If we take the lead we cannot and must not sit back. The team must push for a second, third and maybe fourth goal if we are to get back to winning ways.

I know it's not that easy but sometimes it's the easy things we don't get right.

Swindon come to Millmoor without an away win this season. In fact they've only won three out of 19 and if we are to grab a much needed three points the stats say today's the day.

The gap isn't that big...yet and with

another home game next Saturday what a great time to give the fans an early Christmas present.

And with Bradford City, Huddersfield Town and Doncaster Rovers on the horizon I just hope we don't see in the New Year, still without a win.

Both teams will feel as if luck has not been on their side but who will Lady Luck choose to back today? We can't do anything but sing and sing we must.

Rotherham United need to win today. Not just for the points but for lifelong loyal supporter Douglas Parkes – 53 today!

Don't spoil my dad's birthday lads, please! Let him enjoy his cake!

This game is for the taking so let the battle commence.

It has been a while since the last home league game but there is only the one match to update you on and it was a game against local rivals, Barnsley that saw us extend our 100per cent run to six games.

Barnsley have treated us pretty shabbily in the past pulling out late on several occasions so we were keen to put them to the sword and kicking downhill on a frosty morning we took early command and soon went 1-0 up.

From a flick from midfield, JV won a header and raced on to it before finishing in style with a low drive from 16 yards. We continued to control the game with the majority of the play coming down our right hand side with Gilby, JV and Burnsy all linking up well.

Despite this constant pressure, an old failing of not being able to take our chances came to the fore as we missed a host of chances that inexplicably meant it was only 1-0 at half time.

Hotshot Burns was not his usual self, spurning several chances as did Jebu.

With a change of formation at half time and kicking uphill into the sun, we lost all our fluency and our ball retention was utterly shambolic. Luckily Barnsley weren't much cop and we were once again guilty of missing chances.

This led to a change of tactics and we reverted to our 4-5-1

formation to almost immediate gain. Burnsy wriggled his way through the defence and just as he was about to shoot he was chopped down in spectacular style. Andy P scored the resulting penalty courtesy of the rebound and this opened the flood gates.

Lee grabbed his first of the season nodding in on the line and then Burnsy finally got on the score sheet after rounding the keeper and slotting home continuing his record of scoring in every game he's played this season.

The game began to peter out and there was just time for Jebu to make amends for his earlier misses when he found the bottom corner after a decent move to seal a 5-0 win. We are in real contention for the league this year as although we are in around sixth place we have games in hand and the last three games have seen us score 17 goals and concede none without ever reaching top gear.

Only four of us went on to the afternoon game at Oakwell, which is pretty disappointing from our lads to be honest but the ones who did go vented enough anger at the pathetic refereeing performance of Mr Kettle to make up for the absentees.

We are running 3 soccer schools at Christmas (please see notice board below for details). Anyone wanting to book on at their chosen venue can do so by sending in an application form which are available all round the ground or by ringing our office on 01709 512761.

Some recent highlights include our very own Rotherbird attending a prize-giving at Aston Fence Junior & Infants last week. This was the finale to the Sponsored Penalty Shoot-out held at the school. The children managed to raise a magnificent £1600, which also saw both ourselves and Mr Clegg, Headteacher, contribute £200 to their African Aid Appeal.

Every child who raised over £25 received their very own Rotherham Utd football!

My thanks must go to our Supporters Club who have funded a trip to next week's game against Yeovil Town for 5 local junior schools. I know from speaking to all the Headteachers concerned that this was an extremely well received gesture.

Take care and enjoy the game,

London Millers

I suppose that the big news of the last week has been the death of George Best. I was old enough to have seen him play, but never did, as his token Millmoor appearance was before my time, and I'm sure that there'll be a mention of that particular match somewhere in this programme.

As I said, I never saw him actually play, but I did see him many times on the telly. He's the reason why I could never hate Manchester United the same way that so many others do these days.

(Manchester United fans are a whole other kettle of fish.) Watching Match Of The Day was always exciting if you knew that Manchester United were on. Something really worth staying up for. Because you knew that Georgie was going to be on. And that meant fun.

I remember watching a goalless draw at

home to Bristol Rovers in 1970, and, although I can't remember much about the game (plus ca change), I do remember how the gasps from the crowd trudging out when it was announced that George Best had scored six goals for Manchester United against Northampton Town in the FA Cup. It was even better when that was shown as the main match on ITV the next day. Wonderful stuff.

He "wrote" a column for Shoot, which I used to get regularly (until I started getting Sounds and then NME). I don't remember much about it, except that it seemed particularly bland compared to the man himself. And even at that age, I wondered just how much he wrote it himself. Not that it mattered too much. It was still better than Bobby Moore's column...

I was disappointed when he stopped playing for Manchester United. No one would ever fill that gap of someone who you just had to see, because he was so good. In that sense it reminds me of the demise of Concorde. I no longer look up into the sky to see if that plane that I can hear is the beautiful one. No George Best on telly was just the same.

I wish that I could think of a witty pay off, but I can't. I'll let you all write your own...

Chesterfield 3 Rotherham United 1

We were hoping the lads were up for this local derby but it turned out that their minds were more on the FA Youth Cup tie at Blackpool a few days later. But give credit to Chesterfield who won this top of the table clash and they were up for it more than we were on the day.

The Spireites started very well and didn't allow us to play or settle on the ball and they were in our faces right from the kick off.

It wasn't one of our better performances as we were outfought and in the end the home team ran out convincing winners.

They got off to a good start when they

were awarded a dubious penalty to take the lead and we just didn't respond to that at all. Chesterfield went on to dictate play for most of the 90 minutes. They went two up after some good inter play across the middle and some bad defending gave the centre forward as easy chance to tap in.

Midway through the first half we got a break when Sam Duncum went on one of his runs to deliver a great cross that was turned into the net by a Chesterfield defender.

After never being in the game it looked as if that might give us a lift but that wasn't to be the case and we went into half time just 2-1 down when really it

could have been three or four behind. We knew we could play better but that never materialised in the second half and Chesterfield stayed on top getting a third goal leaving it as a game for us to forget with our minds on other things. The defeat knocked us off the top of the table with the Spireites taking over as we dropped down to third position.

Hedge, Brogan, Bader (Hemsley 46), Burrige (Brailsford 46), Vangucci, King, Yates (Boulding 75), Green, Taylor, Whittington, Duncum. Subs: Herring, Reid.

Match Report

Millers 2 Nottm Forest 2

Two young sides provided some fine entertainment on a cold night at Millmoor and after going two goals down in the first half, Rotherham United did well to battle back and earn a share of the spoils.

The Millers were the first to launch a telling attack but Steve Brogan's fourth minute shot was blocked and then a home corner brought no reward.

In the fifth minute a great ball from Will Hoskins saw Lee Whittington just beaten to the ball by the keeper but it was the lively looking visitors who went in front after ten minutes.

An attempted clearance rebounded into the path of Weir-Daley who was left with an easy close range chance that he gratefully accepted.

Four minutes later Brogan was just wide with a shot from 25 yards and after linking with Hoskins, Marc Newsham's shot was diverted for a corner.

But on 24 minutes Forest increased their lead when a superbly powerful header by Fernandez from a corner rocketed into the

Rotherham net from just inside the penalty area.

At this stage it looked as if the visitors might run away with the game but the Millers had other ideas and after Whittington had shot wide, they reduced the arrears on 30 minutes.

Hoskins was the provider and he laid on a chance that Newsham accepted with aplomb to reduce the arrears. Forest looked to increase their lead as they won three corners in quick succession but the home defence held firm.

The Millers went close on 39 minutes when Sam Duncum broke away to find Brogan who unleashed a superb shot that was touched on to the bar and away to safety.

Five minutes into the second half a good ball from Hoskins found the supporting Jon Otsemobor who fired his shot over the bar and three minutes later Hoskins turned well only to see his shot go just wide.

Two Forest corners were dealt with by the Rotherham defence and Gary Montgomery

made a fine save to keep out an effort from Pittman.

Two more corners for the visitors brought no reward before the Millers replied with another good shot from Brogan bringing a brilliant save from Roberts.

On 80 minutes, Rotherham's battling spirit was rewarded when they pulled level with a through ball beating the offside trap and Newsham went through to equalise.

Montgomery then pulled off a brilliant save to prevent Forest from restoring their lead and seven minutes from time the Millers almost grabbed a winner when Hoskins turned brilliantly only to shoot just wide.

Rotherham: Montgomery, Otsemobor, Bader, Burridge, Vangucci, Minto, Whittington (Taylor 71), Brogan, Newsham, Hoskins, Duncum. Subs: Hedge, Yates, Hemsley, Boulding.
