Having made his full league debut for Swindon Town at Notts County a week ago, Fola Onibuje wasted no time in scoring his first goal for the club. Good afternoon and welcome to this afternoon's game with Boston United here at The County Ground.

Last weekend we travelled to Notts County and came back with a creditable point, although we had the chances to have emerged with a win. Lee Peacock hit the bar with a close-range effort and he swears it crossed the line. I didn't think

Fola Onibuje scored his first goal for the club in what was his full league debut for us at Notts County. He had looked dangerous in previous matches after coming into games from the bench and we felt that the Notts County game would suit him.

He had earned his place in the side, having done well the previous week

There were some discussions after the game in the dressing room and it was good to let the boys get their thoughts out in the open. It's healthy that they can talk in the way they do... we were disappointed as a squad.

that the level of officiating was up to scratch but I have said my piece on that. We played well overall and there were several positives to come from the game.

The players showed me a better performance than the one which they had put on in the last home game with Peterborough United, where we were weren't at the races. In simple terms, the way we played against 'The Posh' was unacceptable. We deserved nothing from the game despite a lot of huffing and puffing.

after coming on against Peterborough. The goal he scored was a good one and his pace meant that he got into the position to find the scoring opportunity. He got in between the defender and the goalkeeper and managed to flick the ball on into the net. I have told him, with the pace he has, he could be a matchwinner for us with the correct application over 90 minutes.

The goal that we gave away was disappointing and I spoke to Fola about it after the game. He got on the wrong

side of their player and suddenly it was 1-1. The margins between winning and losing are very tight and Fola, as do all the players, have to realise that the minor details really make a difference. We lost our concentration from a corner and gave away a goal but apart from set-plays, Notts County rarely troubled us in my opinion.

Tuesday night saw us put in another mixed performance with a much better second half showing so nearly resulting in all three points. I don't think we played as well as we could have in the first half. We looked a bit jittery but we made a change at half-time and Curtis livened things up a little. He got a lot closer to the midfield and closed things down which brought us more into the game.

I thought Royce did very well and he has adjusted to playing on the right of the midfield. It's a position that I felt he could play for us and so it has proved so far. He is always a goal threat and he got himself into some good positions on Tuesday night. His goal, which came from a flick on from Robbo, was well-taken and having hit the target we were all delighted to see the ball find the back of the net.

I was disappointed after the game though. There were some discussions after the game in the dressing room and it was good to let the boys get their thoughts out in the open. It's healthy that they can talk in the way they do – but having conceded so late on in the game, we were disappointed as a squad. I thought we were denied a good penalty appeal right at the end but at least we took something from the game.

From our point of view it's two points dropped - possibly even four after the Notts County game. Your support was absolutely fantastic on Tuesday night and with more of the same today back at The County Ground – I'm sure we can put on a good display worthy of three points.

Enjoy the game and keep up the tremendous backing.

BOARDROOM NOTES

Chairman, Willie Carson

I would like to take this opportunity to welcome all the visiting Players, Directors and Supporters of Boston United for this League Two clash at The County Ground.

As usual there was a massive support from yourselves at Wycombe Wanderers on Tuesday night. You were extremely vocal and it looked as though that Dreams Stand behind the goal was full. In the first half I think we were second best, although

“

Swindon are now a marked team in League Two, that much we know. Teams will come here and fight tooth and nail for a result – something that we have seen as recently as Peterborough United...

we defended well and kept them at bay. We were unfortunate to lose Lee Peacock so early on with a dead leg. His departure left us without the spearhead of our attack and our game seemed to change somewhat after he went off. After losing out to the team changes at Notts County, Christian Roberts came back into the action to replace Lee Peacock.

It was good to see Royce get on the scoresheet at Adams Park on Tuesday. It was a good strike because he still had a bit of work to do when he collected the ball from Christian Roberts. He struck it well and of course we were all delighted to see it find the back of the net – cue wild celebrations! It was an exciting moment and even a little worrying because I wasn't sure if the celebrations were going to spill onto the pitch!

I thought we edged the second half and that we had done enough to win the game. However, a certain Mr. Mooney got the goal right at the end to deny us a point. Mooney and Jermaine Easter had scored the majority of Wycombe's goals prior to our meeting, so perhaps it shouldn't have come as a shock to see Mooney head the equalizer after his strike partner had been

forced off injured. I think we went to sleep a little at the back, but as Dennis has said this week – concentration is key throughout the 90 minutes (and injury time) so hopefully we can apply ourselves throughout the entirety of this afternoon's encounter.

Swindon are now a marked team in League Two, that much we know. Teams will come here and fight tooth and nail for a result – something that we have seen as recently as our last home game with Peterborough United. We are a strong team and have a reputation as a side that likes to play football.

Visiting teams will try that little bit extra to leave here with a win. With your vocal home support I'm sure we will be the ones with the three points at the end of today's encounter.

Enjoy the game,

Willie Carson

JACK SMITH IN TEAM OF THE WEEK

The former Watford defender was named in the League Two line-up, with former Town midfielder Sammy Igoe – now with Bristol Rovers – also impressing over the weekend to take his place on the right of midfield in the named team of the week.

League Two Team of the Week: Sam Russell (Darlington); Jack Smith (Swindon), Alan White (Notts County), James Sharp (Rochdale), Craig James (Darlington); Sammy Igoe (Bristol Rovers), Lee Crooks (Rochdale), Gary Liddle (Hartlepool), Matt Done (Wrexham); Glynn Hurst (Bury), Jonathan Walters (Chester).

MASCOT GRAND NATIONAL

Rockin' Robin was deprived of making mascot history on Sunday when he was involved in a collision with a bull, depriving him of a top 3 finish in this years Mascot Grand National.

Rockin' was taking part in his sixth grand national at Huntingdon racecourse and felt confident in taking a top spot prior to the race. "The grass is thick and greasy, a little like some of my opposition," Rockin' chirped before the race, "Even with my injury I fancy my chances!"

The race got off to a flyer and Rockin' found himself moving closer and closer to the front of the pack, towards the finishing stages of the 1 furlong race. "As I came over the final hurdle I could only see 3 mascots ahead and I was gaining on them fast, but as I got my head down for the final push I ran smack in to a large bull and ended up under the feet of the 50 or so trailing runners."

This is the second time Town's favourite mascot has been pipped from running glory. Four years ago Rockin' was tripped whilst leaping over a fence mid race. After calls for a stewards enquiry all claims against Olly from Oxford United were dropped, much to Rockin's anguish!

Rockin' commented that he won't be pursuing the matter this year as he admits it was his own silly fault for running in to the charging bull, but has high hopes for 2007!

HOLT RESIGNS FROM TOWN POST

Bob Holt has resigned from his position of non-executive director at Swindon Town FC.

The 57-year old had been a member of the Town Board since 2001 but following comments made before Tuesday night's draw at Wycombe Wanderers, Holt offered his resignation to the Board and has now

departed from his duties at SN1.

Holt had fulfilled a number of roles during his County Ground tenure, including a spell as Chief Executive.

The club would like to place on record their appreciation for all Bob's hard work and wish him every success for the future.

SMITH AGREES TERMS AT TANNADICE

Former Swindon Town midfielder Grant Smith has agreed a short-term move to Dundee United.

The 26-year old made 23 league starts for Swindon, scoring 10 goals before joining Bristol City in the summer of 2005. However he left Ashton Gate in August and has now signed for the Tannadice club after a trial period.

United player-manager Craig Brewster said: "Subject to clearance, Smith will turn out for the reserves tomorrow. All being well, he will be included in the squad for Sunday's game against Hearts," he told the club's official website.

CAPTAIN'S COLUMN

with Ady Williams

Welcome to this afternoon's game with Boston United at The County Ground.

After two tough away games we have only two points to show for our efforts, this I feel has not done justice for the lads and their efforts. Notts County was a game in which I felt it was 2 points dropped without question. The match was fairly comfortable and although the home side are always going to put you under some sort of pressure, we managed to take the lead. Fola was the player to score, and I on behalf of all the lads like to congratulate him on scoring his first league goal for Swindon. Unfortunately we let them back into the game from a corner. This was more of a lack of concentration than ability, but nevertheless the performance was

decent and a lot of positives to come out of the game.

On Tuesday we travelled to face Wycombe and were backed by a fantastic travelling support. The first half seemed to come and go without us finding our feet at all, this was possibly down to the home side, who came out and in all honestly played very, very well. The second half was a different kettle of fish. Roycie got the all-important goal, which he took in a decisive manner. We then created chances to kill the game off, but any side who are only a goal down will feel they have a chance and this turned out to be the case. To concede a goal in the 93rd minute is so sickening it is difficult to explain, so I won't

It has been a tough few weeks with games coming thick and fast but we

have a spell of league games that are Saturdays only. This will give the boys a chance to get over any little aches and pains that they have accumulated over recent weeks/months.

Lastly as a keen golfer I would like to congratulate Ian Woosnam and his players for an amazing 3 days of golf. It was an overwhelming victory and obviously a special mention to Swindon-based David Howell. His singles match on Sunday was a joy to watch. Well done lads and let's have more of the same in two years please!

Enjoy the game.

MANAGER

STEVE EVANS

Steve Evans was the man who led Boston United to promotion to the Football League in April 2002, although he left the club at the end of the much-publicised FA investigation.

However, Evans returned to Boston in March 2004 and worked his magic again as the Pilgrims reached their highest-ever league standing of 11th position. Evans was originally appointed manager of Boston United in October 1998, following the resignation of Greg Fee. Evans' previous managerial experience saw him guide Stamford AFC into the Dr Martens League after clinching the United Counties League title in 1996/97 and then again in 1997/98.

BOSTON UNITED

Today sees another piece of history, with the first ever League fixture between Town and Boston United.

The Pilgrims entered Football League in 2002 coming up from Conference as champions. Manager Steve Evans has led the club since March 2004 and last season an 11th place finish left the club just five points off a play-off place.

A summer full of squad changes was intended to make the difference and push the club closer to the top, but this season hasn't started as well as Pilgrim's supporters will have hoped. After nine games, United were fourth from bottom of the League Two table having collected just seven points.

While we may not have met in the League, there has been some cup competition between Town and our visitors, and to be frank it doesn't augur well for us. In November of last year the Pilgrims came to town in the first round of the FA Cup and twice took the

lead. A Charlie Comyn-Platt goal in the 87th minute forced a draw and looked like saving our goose.

But back at York Street 11 days later, a Rory Fallon penalty was all we could manage as Town went down 4-1.

Two years before that, an LDV Vans tie at York Street ended 2-1 to the home team, a result which also eliminated us at the first round stage.

Julian Joachim was amongst the scorers for the Pilgrims in that FA Cup tie, but he moved on to Darlington earlier this season in return for £100,000. Having scored twice in a 4-1 demolition of Darlington, United then lost three league games on the trot and went out of the Carling Cup to Brighton.

So, history might be thin on the ground between the two clubs but there's everything to play for today.

BOSTON UNITED

01 ANDY MARRIOTT Goalkeeper

Former Welsh international goalkeeper Andy Marriott joined Boston United in June 2006 after leaving Coca-Cola League Two rivals Torquay United. He began his career with Premiership giants Arsenal before the late Brian Clough paid £50,000 to take him to Nottingham Forest in 1989. He has also had spells with Wrexham, Sunderland, Barnsley, Birmingham City, Coventry City, Colchester and Bury, before signing for the Gulls at the beginning of March 2005.

03 TIM RYAN Defender

Left-back Tim Ryan joined Boston United in the summer of 2006 and was unveiled as the Pilgrims' second close season signing following Anthony Elding's arrival at the Staffsmart Stadium. A former England semi-professional international defender, Ryan joined the Pilgrims from Peterborough United, where he had spent the end of the 2005-2006 season.

04 PAUL ELLENDER Defender

Paul Ellender is Boston United's club captain and joined the club on the eve of the 2001-2002

season from Conference side Scarborough. The powerful central defender is United's record signing, after joining the Pilgrims for an undisclosed five-figure fee. He has also played for Scunthorpe United, Gainsborough Trinity and a loan spell with Chester City.

05 MARK GREAVES Defender

Mark Greaves became one of Neil Thompson's first signings when he joined Boston United from Hull City in August 2002, and instantly became a fans' favourite with his commanding displays. He is more accustomed to a central defensive role, although Greaves has also figured as a right-back and as a defensive midfielder. He signed a new contract with the Pilgrims in the summer of 2006.

06 MARK ALBRIGHTON Defender

Commanding central defender who signed for Boston United in May 2006. He had spent a spell on loan at Chester City towards the end of the 2005-2006 campaign after enjoying four successful seasons with Doncaster Rovers. He had joined Rovers in the summer of 2002 when his then-club, Telford United, were forced to go part-time due to financial problems.

08 ANTHONY ELDING Striker

Striker rejoined his hometown club in the summer of 2006 on a two-year contract. Elding spent the end of the 2005-2006 season with Kettering Town, following a hugely successful spell with Conference outfit Stevenage Borough where he scored over 50 goals which included a debut strike after just 32 seconds.

10 FRANCIS GREEN Striker

Former Peterborough United striker Francis Green joined the Pilgrims on loan in November 2005. The pacy frontman agreed a loan switch from United's county neighbours Lincoln City, following two years with the Sincil Bank-based club. He joined the Imps for £75,000 in September 2003 from Peterborough, after originally starting out with Ilkeston Town.

14 DAVID GALBRAITH Midfielder

Left-sided midfield player who joined Boston United from Northampton Town on the final day of the loans transfer window in November 2005. The former Tottenham Hotspur trainee switched from Sixfields in his quest

for first team football. Galbraith played 25 times for Northampton in 2004-2005 and signed permanently in January 2006.

15 DAVID FARRELL

Midfielder

The 34-year-old wasted no time in fixing himself up after being freed by the Posh in the summer following nine successful seasons at London Road. Farrell joined the Posh in 1997 from Aston Villa and went on to make 395 appearances for the club and scored an impressive tally of 52 goals in the process. Has also enjoyed spells with Wycombe Wanderers and Scunthorpe United.

16 JAMIE CLARKE

Midfielder

Sunderland-born Jamie Clarke signed an 18-month contract with the Pilgrims in January 2006. The versatile 23-year-old moved to York Street after falling out of favour at Rochdale and is a player capable of playing at right-back or in midfield. Clarke joined Mansfield Town's youth set-up in 2001 and went on to play 40 first team games for the Stags.

17 STEWART TALBOT

Midfielder

Experienced midfielder Stewart Talbot joined the Pilgrims from Brentford in June 2005. The veteran penned a three-year contract at York Street after requesting his release from the League One side

in his attempts to move closer to his family. Talbot was Brentford's captain during the 2004-2005 season and played 49 games in the process. He joined the Bees from Rotherham United in February 2004 on a free transfer and started out at non-league Moor Green.

18 PAUL TAIT

Striker

Experienced striker Paul Tait joined Boston United as their seventh summer signing of 2006. The former Everton trainee made the Pilgrims the tenth club of his career when he joined United on their second day of pre-season training. On the non-league circuit, Tait played for both Runcorn and Northwich Victoria and league spells with Wigan Athletic, Crewe Alexandra, Rochdale and Chester City.

19 RICHIE RYAN

Midfielder

Irish midfielder who joined Boston United in the summer of 2006, after leaving League One outfit Scunthorpe United. The 21-year-old put pen-to-paper on a two-year contract after impressing Boston boss Steve Evans. He originally started his career at Sunderland and made two brief appearances in the Premiership, against the superstars of Arsenal and Newcastle United.

♦♦ Also in contention today are Rangers pair Bob Davidson (striker) and Dany N'Guessan (midfielder). Both have joined the Pilgrims on loan from Ibrox until January 2007.

CARDIFF CITY RESERVES 3
SWINDON TOWN RESERVES 3

Wednesday 20th September 2006

Town's reserves came back from two goals down to secure a point with a 3-3 draw at Ninian Park thanks to goals from Lukas Jutkiewicz, Jake Hyde and Rodrigo Turnes.

Cardiff City kicked the game off having named a strong side which included former Arsenal, Nottingham Forest and Everton striker Kevin Campbell in their starting eleven.

Swindon forged the first corner of the game in 11 minutes with Andy Monkhouse swinging in a corner from the right. The initial ball was cleared by at the near post by Jacobson but his clearance could only find Ben Wells. He then put the ball back in for Scott Doe who met the ball with a diving header but the flag was raised for offside and the chance was gone.

Cardiff were awarded a penalty on 27 minutes when Ben Wells was forced to come across and block the run of Malvin Kamara to hand the home side the chance to open the scoring. Willo Flood stepped up and slotted the ball past Town keeper Phil Smith to give the home side the lead.

Town pieced together a flowing move on 41 minutes involving Chris Allen and Ashan Holgate which saw Mustapha Carayol force a corner after a save from Howard in the Cardiff goal. There was some bad news for Swindon just before the break when Charlie Comyn-Platt fell awkwardly on his shoulder and was forced off the field.

Town made two changes at the break with David Stroud and Rodrigo Turnes coming on to replace Comyn-Platt and Monkhouse.

Swindon did equalize on 56 minutes with Lukas Jutkiewicz on the scoresheet. After some good work from Ashan Holgate, he jinked on to his right foot and crossed into the box with Jutkiewicz beating Howard to the ball to head in the equalizer.

After an excellent run from Willo Flood which included a return pass from Kevin Campbell, Flood threaded an excellent ball through to Kevin Cooper who smashed the ball into the net off the underside of the bar to make it 2-1 on 67 minutes.

Luigi Glombard got his name on the scoresheet to make it 3-1 on 75 minutes. After a spell of good pressure, Flood played an excellent ball down the channel to Glombard who cut inside his marker into the box before firing home.

David Lee's reserve side piled forward inside the last quarter of an hour with Holgate, Jutkiewicz and Ahmed all working hard to reduce the arrears.

Substitute Jake Hyde pulled a goal back on 86 minutes. Town continued the pressure and after an excellent piece of play involving eight passes, the ball ran to Hyde at the back post and he made no mistake to make it 3-2.

It was a nervous last few minutes for the home side with Swindon doing their best to force a point from the game. David Stroud earned a free-kick on the edge of the box inside the last minute of normal time. Holgate's delivery ran straight into the wall but Town were then awarded a second free-kick in a more direct position. Holgate stepped up and bent the ball into the box for Turnes to glance the ball into the net to seal a 3-3 draw.

MILK CUP SQUAD PARADE

Swindon Town's Milk Cup winning manager Ian Palmer has paid tribute to his coaching team, the players and everyone involved with the Centre of Excellence after seeing his squad bring home the Milk Cup in July.

After a nerve-wracking 5-4 penalty-shootout win over Crumlin United, Town were crowned Milk Cup winners but for Palmer, it was the culmination of years of hard work. The victorious squad and management will be stepping out onto The County Ground pitch this afternoon to parade the trophy.

"It's a massive result for us in winning the tournament, because it will help us enormously in terms of attracting players to Swindon Town," said Palmer.

"The coaches have worked so hard over the years and I must say a big thank you to everyone. Karen Ainscow in the office as youth administrator does so much work behind the scenes and Roger Reeves, the physio, has also been fantastic.

"The Supporters Club have backed us tremendously and the lads really looked the part with their tracksuits out in Ireland. They were representing Swindon Town and looked professional so we must say a massive thank you to Roger Bunce and his team.

"The coaches have gained a lot of experience from going to the tournament over the years and that has benefited us. Going on to the pitch at half-time on Saturday will be slightly less nerve-wracking than the penalty shoot-outs we had out in Ireland! It will be nice for the players to be in the spotlight again and give people the chance to show their appreciation for all the hard work that goes on," finished the Town coach.

If you are an individual or business that would be interested in assisting the STFC Centre of Excellence with fundraising or sponsorship, then just call Karen Ainscow at the club on 01793 333706.

GUEST COLUMN

JON RITSON

Chief Sports Writer, Swindon Advertiser

SWINDON
Advertiser

I hadn't planned to write these notes until later in the week but once the programme editor had pushed a brown envelope into my hand I said 'no worries, when do you want them?'

Bungs are causing quite a stir and the Panorama 'sting' has triggered a flurry of legal activity.

Still, for me it didn't really cause the 'sensation' that all the hype had suggested. Still, it'll be interesting to see what the various official investigations unearth.

These notes are being penned ahead of the trip to Wycombe Wanderers, so hopefully we go into this fixture with another three points in the bank.

And if it all went horribly wrong then we'll have the pleasure of another visit in the pot of paint cup in just a couple of weeks.

I'm glad they've abolished extra-time although the prize money on offer's not exactly going to cause any club to whoop with excitement.

Today we welcome Boston United to the County Ground and let us just hope our recent miserable record against the Pilgrims is not allowed to continue.

Charlie Comyn-Platt's late goal here last season - his first for the club - secured an FA Cup replay at York Street.

Judging by our performance in that match, you wonder whether he should have bothered. It really was that poor!

Boston haven't had the best of starts to their season this time so hopefully the lads will take full advantage of that.

Once today's match is out of the way, thoughts turn to the away day you've all been waiting for, yes it's Accrington Stanley.

Hopefully it won't be a case of 'Swindon Town, Who Are They?' once the full-time whistle goes.

Anyway, get behind the lads today, roar them on to victory and hopefully we can then manage a whole week where the debate is all about football!

Cheers for now and see you all back here for the match with Grimsby Town in a couple of weeks.

Jon

Barnsley was the next port of call for the striker who moved to The Tynes in July 2004 on a free transfer from Preston. He made three league appearances

as a substitute as well as one substitute appearance in the FA Cup before departing Oakwell in March 2005 to join Peterborough United. He made two appearances from the bench for 'The Posh' before his spell at London Road came to an end.

CAMBRIDGE UTD

August 2005 - August 2006

Cambridge United was the next stop for Onibuje who enjoyed a more successful spell with The Us, 9 goals in 25 league games attracted the attentions of Town Boss Dennis Wise who offered the Lagos-born player an initial three-month deal. After impressing in several substitute outings, Onibuje has now put pen to paper on a year's contract with Swindon Town.

Deadlines, deadlines! I'm loathed to write anything too topical about the Town because the situation may have changed.

Let's keep to the football for this column and a ghost-written article by my nephew who's a supporter-in-exile at University. Jon Adams took in his first Swindon game of the season at Meadow Lane last Saturday. He's aware of the hype surrounding the record-equalling opening to the current campaign and heard my gossip/thoughts on events but you can't beat a first-hand account:

"In the week leading up the Notts County game, several were questioning whether Swindon had lost the Power, both on the field and off it. Whilst the latter regrettably was confirmed, the second half performance in particular showed that our impressive start was no fluke, and that we have the battling qualities as well as the footballing ability

to get out of League Two.

Playing against the oldest club in the country, it was the eldest player in our team, Ady Williams, who was particularly impressive, as the skipper and Jerel Ifil did well to block out the very physical County strikers, the strength of whom was felt particularly by Paul Evans, who took a nasty first half whack to the face in a battle with Jason Lee. Talking about pains in the anatomy, the referee, who issued 5 yellow cards in the match for, well... who knows, seemed very keen to make his mark on the game, something Fola Onibuje did when he produced a great finish for the goal, which was highly-deserved after his tireless running up front.

Someone else who got off the mark for the season last

Saturday was Hameur Bouazza – remember him? It was nice to see a former Town player, albeit on loan, make his mark on the Premiership with a low drive from a well-worked set piece. Also representing Watford in that match against Wigan was Darius Henderson, another former loanee, and particularly memorable for his brace which gave us an away victory over Bristol City.

Today our visitors are Boston. We seek "revenge" after they knocked us out of the FA Cup last year. Boston are currently placed towards the foot of the table, so watch out for a team looking to get three points and kick start their season with a win against us today. Come On You Reds!"

Advance notice - for the next home match, against Grimsby, we plan to be in The Merlin for the "Countdown to kick-off" from 12 midday - Me & Mrs. Jones on 103.6 FM BBC Radio Swindon.

5 OF THE BEST

"JEREL IFIL, BEAST..." SANG THE SWINDON MASSES, AND TOWN'S NUMBER FIVE IS IN THE FORM OF HIS LIFE...

Jerel Ifil plucks the ball from Wycombe's Jermaine Easter with as much ease as a red-hot thief. He clears his lines, much to the delight of the appreciative throng of Reds behind him. Not for the first time either, for Ifil has had League Two's leading striker in his pocket all evening and Easter would later leave with an injury picked up following another hefty Ifil challenge.

The 1,500 or so Town fans behind him chant his name: "Jerel Ifil, BEAST!". Suffice to say it's been a good season for Jerel, his best yet some would add, but judging by his reaction to Tuesday night's draw at Wycombe after the game... you wouldn't think it.

Interviewing a player immediately after a game is always a hazardous task. It's an unpredictable occupation – win and the player is ready to talk, lose and it's like getting blood out of a stone. As fans we think the world's about to end simply because the team doesn't win but for the players themselves, this is what they're paid to do... this hurts more and wrangles for days. And despite Town securing a valuable point away at fellow pace-setters Wycombe – Jerel's body language suggests I may have my work cut out; it just goes to show how high the bar has been raised by Dennis Wise this season. Tommy Mooney's last-gasp equaliser was a body blow, especially for a player that had spent the previous 93 minutes keeping the ball away from Petr Brezovan's net with such aplomb...

STFC waits patiently pitchside after the game as the players warm down. Dennis Wise tells the Sky Sports cameras that his side should have prevented Tommy Mooney's late equaliser at the death, while the perpetrator of Wise's woes is all smiles as he prepares to talk to Wycombe's waiting media. The Town players aren't quite so happy. Some seem locked in conversation about where it went wrong, others are simply quiet, heads down. Jerel is one such player and as we pull him to one side – it is clear the lads are hurting.

was another in his burgeoning portfolio. Singled out time and time again after forging a solid partnership alongside skipper Ady Williams this season, Jerel's game has come a long way already in the first 11 games of the season. Man of the match against Stockport, Jerel has added a new consistency to his game. Even when things don't go his way, like with the sending off against Chester, for example – Jerel is witnessing a new level of support from his boss... something that perhaps wasn't always the case

a whole don't add three points to the equation every game.

"Our job is to be strong," explains the Beast of the defence's task. "We have to do the business whoever we play against. Jermaine Easter went off with an injury and we're happy with the way we worked against their front line but it is the result that matters. I'm happy with my form, but I need to do it over the course of the rest of the season, not just the first 11 games."

Being strong is one of the main requirements of playing in League Two. Jerel is often entrusted with marking some of the league's most brutal players... and they don't come much tougher than Tommy Mooney.

"I'm not bothered by the fact that Tommy Mooney scored their goal," he admits. "But the fact that we conceded a sloppy goal so late – we've got to win that game in my opinion and we all feel as though we should have done so."

"I'M NOT BOTHERED BY THE FACT THAT TOMMY MOONEY SCORED THEIR GOAL, BUT THE FACT THAT WE CONCEDED A SLOPPY GOAL SO LATE – WE'VE GOT TO WIN THAT GAME IN MY OPINION AND WE ALL FEEL AS THOUGH WE SHOULD HAVE DONE SO."

"All the lads are gutted to be fair. I'm gutted. There were 30 seconds left in the game and we'd done so well in the second half – it feels as though we've just thrown all that work away," he admits.

Jerel has every right to feel slightly miffed, for while Town's second half performance was one of the best of the season so far, Jerel was immense from start to finish.

Ifi's swashbuckling display

under previous managers.

Jerel has always had the potential to be one of the best defenders in the lower leagues and now, under Wise's guidance he is maturing like a vintage bottle of red, eradicating the errors that used to blight his game. He is now concentrating on the specifics of the job he has to do, going back to basics in pursuit of consistency. Jerel agrees that his form is improving, but ultimately that it means nothing if the team as

It's refreshing to hear how things have changed – especially from Jerel, one of the last-remaining bastions of the old regimes. Last year the lads would have snapped your hand off for an away point but now, and against one of the best sides in the division, it means nothing. This team is hungry for victory and Jerel is as eager to wrack up as many points in an effort to get out of this division. And if that means having words with your team-mates in the dressing room after the game, then so be it!

"There were a few words said after the Wycombe game. Some players are quiet, some not so much – it depends on the person – some say what they feel, others hide it but at the end of the day we all want to win, that's what it's all about."

Still, a point against one of your rivals is a point, and Town showed enough promise in the second half, not to mention defensively in the first 45 minutes to show that this season could be a memorable one. Yet Jerel warns that success isn't a given...

"We are one of the top sides, but we weren't relaxed in the first half against Wycombe, in the second half we relaxed and showed what we're all about – that's why we should have won. It is up to us to win games, in the first period we were panicky, we were rushing things – we need to give ourselves time to play our game and in the second half we got it down, played football."

If Town can apply that second-half performance to the 90 minutes against Boston today, then we should be looking at 26 points in total come 4.45pm.

"We're back at home, which is a plus for us. But we just have to make sure that we play the same way as we did in the second half

against Wycombe and this time, try and put the game to bed. We can't give Boston a chance – if we can keep things tight and maybe takes our chances then we'll be ok."

For Jerel it will be another afternoon alongside skipper

each other in different ways – we compliment each other. I'm enjoying it, we look solid as a back four and I think it's working."

Long may it continue – and if it does so will the fans appreciation for Town's current longest-serving player...

"WE'RE BACK AT HOME, WHICH IS A PLUS FOR US. BUT WE JUST HAVE TO MAKE SURE THAT WE PLAY THE SAME WAY AS WE DID IN THE SECOND HALF AGAINST WYCOMBE AND THIS TIME, TRY AND PUT THE GAME TO BED. WE CAN'T GIVE BOSTON A CHANCE."

Ady Williams. Between them they've developed one of the strongest defence partnerships you'll see in League Two, and Jerel puts it down to their contrasting personalities.

"We've been working hard at the back to be as solid as possible – everyone has a job to do and defensively we're doing all right – but for us it was a kick in the teeth. You keep a team out for 90 minutes and then that happens, undone all that good work.

"Ady is a good talker, we help

"The fans were brilliant tonight, they have been all season – it's nice to see a stand full of your fans and they're so vocal. They really keep you going."

And with that Jerel was off. Yet before he left to think about what may have been, he hinted that there could be another Ifl putting himself about in years to come... and it's not his brother! His son is two years old and, according to the big man, he's working on his volleys already... a natural it seems. Watch this space: Beast mark III! ■

FOOTBALL IN THE COMMUNITY

with Clive Maguire & Jon Holloway

As you are aware our busiest time in Football in the Community is during the summer period when we run our ever-popular fun weeks. This year was no exception and this summer has been by far our best in ten years.

We have had over 1,000 children attending courses run here at the club, Chippenham and Marlborough. The commitment and enthusiasm from the children on the courses has been first class. Some of the highlights were our win the chance to be a mascot competition and the donation of a 'Kid of the Course' trophy from Bryant Homes. Jon and

I would like to say a personal thank you to all our staff who work with us during the summer months and also to Dorcan Leisure Centre for allowing us to use their excellent facility.

Last but not least, a big thank you must go to Richard Hall of Stagecoach, for providing the double decker buses to transport the children to and from the venue.

Here you can see a selection of photos taken over the summer courses.

Enjoy the game today,

Clive and Jon

SOCCER CENTRES

with Shane Hewlett, Adam Greaney & Luke Sharps

Good afternoon and a very warm welcome to today's fixture against Boston United.

Let's hope we continue our great home form with three points at the end of today's game. It was nice to see so many children from our Community sessions at the Wycombe away game on Tuesday night. We had a few tired players at some of our Wednesday afternoon session, but we'll forgive them for their great support!

SOCCER CENTRES

We're now four weeks into the term and our Soccer Centres are in full flow. We are really pleased with the progress that the children are making. The children are excelling in all areas of football skills and techniques that the coaches are delivering. Every Soccer Centre works to a planned curriculum to ensure all aspects of football are covered. We are also pleased to announce that one of our children, from the Marlborough Soccer Centre has signed for 2 years with the Centre of Excellence and we wish him all the very best.

It is great to see that our coaching is paying dividends, however, we

must stress that Soccer Centres are grass-roots and children of all abilities are welcome as we look to improve everybody's individual skills to their potential. If you would like any other information, please contact Shane Hewlett on 421303.

MINI-SOCCER & TINY TOTS

This term always sees a large turnover of children with many new children attending who have not played any form of football before. Just over the past few weeks I have seen a huge improvement in their co-ordination and basic footballing skills. It is great to see so many young children getting involved in football. We are currently coaching over 130 on our Tiny Tots and Mini-Soccer sessions per week.

IN-SCHOOLS COACHING

Luke, Adam, Shaun and Andy have been into Wroughton Infant School delivering our free in-schools coaching programme on Tuesday and Wednesday of this week. We coached over 150 5-7 years olds over the two mornings. Our in-schools coaching programme aims to promote the football to all children and to make them aware of the work we do within the community.

TOWN LADIES

with Roger Reeves MBE

Swindon Town Ladies have picked up three points and dropped three points to take sixth place in the South West Combination League.

The Town entertained Luton Town and Michelle Rich caught the keeper off her line to lob the ball into the net to give the Town the lead. The visitors hit back and equalised before Kim Reeves headed in Sam Quinn's corner to restore the Town's lead. Late in the second half once again Luton drew level but with time running out Michelle Rich put Claire Moreton clear to smash the ball into the roof of the net and give the Town the points.

The Town then visited top of the table Queens Park Rangers who were protecting their hundred percent record. Rangers took an early lead but April Poulden put the sides level. The Town were having the better of the play and good work from April Poulden resulted in her putting the Town ahead. Rangers got a second on the stroke of half time and improved after the

break scoring two more goals. A good performance from the Town; but a disappointing result.

The Town Reserves have been without a fixture in the South West Regional League for the past two weekends.

Tomorrow the Town play at home to AFC Bournemouth in a South West Combination League fixture. Bournemouth are new to the league having won promotion from the Southern Regional League last season. The Cherries are currently in fourth place with ten points from five games, whereas the Town are sixth with six points from four games. The match will be played at the Aldbourne FC Ground and will Kick-Off at 2.00pm.

The Town Reserves travel to Bristol to face Downend Flyers in a South West Regional League fixture.

TO CELEBRATE 125 YEARS OF SWINDON TOWN FOOTBALL CLUB, DAVE WALLIS TAKES A LOOK BACK IN TIME...

A B C D E **F** G H I J K L M N O P Q R S T U V W X Y Z

FRIDGE, THE

Signed from Mansfield in the summer of 1985 when Lou Macari was planning to weave his magic, the coolness of central defender Colin Calderwood earned him the nickname of the Fridge. 100 League games at Field Mill prepared him for a tilt at the Division Four trophy, which was collected at the end of his first season. Up again in 1987, skipper CC was leading by example.

After captaining Town to the Premiership in 1993, the Fridge moved on to Tottenham in the summer. We were all disappointed, but there was generally a feeling of gratitude towards a man who had spent nine seasons and made 330 appearances at the County Ground.

160 games at White Hart Lane followed and World Cup 1998 featured in his 36 caps for Scotland. Aston Villa, Nottingham Forest and neighbours Notts County were privileged to see Colin in their club's colours before C2 moved into management, firstly with Northampton Town and then back to present club Forest.

Strangely, Colin is named as producing Mansfield's record incoming transfer fee as a result of his £655,000 move to Tottenham in 1993. Having made his last Mansfield appearance nine seasons earlier, the cash received by the Stags was the proportion owed to them as the result of a sell-on clause inserted in the deal that brought him to The County Ground in 1985. 21 years later he's still Mansfield's most lucrative piece of business.

FREIGHT ROVER TROPHY

Another letter, so another name for the knock-out competition exclusively for lower league teams. The Freight Rover Trophy was the name in 1987, when Town faced Aldershot in the southern area semi-final in March. The Shots were then not only a League team, but were pushing hard for a Division Four play-off spot in the first year of the end-of-season deciders. Town were en route to the same, but a division higher.

Marching into a two-goal lead, Town looked home and dry for the area final. Goals from Steve White and Jim Quinn provided a comfortable cushion. Or so it seemed.

Then referee Alan Gunn influenced things by sending off keeper Fraser Digby. Quinn was forced between the posts and three goals for the visitors turned the match round. Town had been shot down by the Shots, by means of a Gunn.

Bristol City beat Aldershot in the Southern final, and Gunn was in charge of Town's play-off semi-final at Wigan at the end of the season. This time, Town went two goals behind before running out 3-2 winners.

FANS

What would a club be without them? There were 8,304 of us at The County Ground for this

month's match with MK Dons, the biggest gate in League Two thus far this season. And Town's average gate means were the best-supported club at this level overall.

Pat yourselves on the back for being here today.

FLEMING, HAROLD

The legendary Town centre forward who played 12 times for England, scoring nine goals. Harold made almost 300 appearances for Swindon during the first quarter of the 1900's, with his name appearing on the score sheet on over 200 occasions. With the Great War interrupting his career, the one-club man could have been expected to have reached even greater heights without king and country intervention.

FA CUP FINAL

Despite two semi-final appearances Town have never made the FA Cup final, so as the 1980's became the 1990's, we made a concerted effort to hijack someone else's.

In 1987, Coventry City had broken their own FA Cup duck with a 3-2 final win over Tottenham. Dave Bennett scored for City and Brian Kilcline netted an own goal for a Spurs team who included Paul Allen, Glenn Hoddle and Ossie Ardiles in their number. So, come

FJORTOFT, JAN AAGE

Jan the Man will feature in many Town fans' dream team. Joining in the summer of 1993, newly installed manager John Gorman spent £500,000 to prise him from Rapid Vienna as Swindon faced their one (and so far only) season in the Premiership.

At 6'3", striker Fjortoft was expected to be a handful for defenders but incredibly it took until 22nd January for him to register his first League strike, in a win over Spurs. There had been talk of Fjortoft returning to Norway on loan to sharpen his shooting, but all such consideration was placed on hold as he set about making up for lost time. Two penalties contributed to his hat trick against Coventry in the following game and a further brace produced a point at Norwich.

With four goals in the next five games, Town supporters were left wondering what could have been if Jan had only started his season earlier. In truth we were already resigned to the drop back to the First Division.

Back in the lower division, Fjortoft continued where he'd left off with 16 League goals, before new manager Steve McMahon accepted a £1.3m bid from Middlesbrough

on transfer deadline day 1995. Scoring three goals in the last four matches of 1994/95, Middlesbrough clinched the First Division Championship and Fjortoft was back in the Premiership. A year later Sheffield United parted with £700,000 and Fjortoft was a Blade, and in January 1998 a short trip further north took him on to Barnsley where he signed for Danny Wilson for £800,000.

Wilson gave way to John Hendrie who gave way to Dave Bassett as Barnsley dropped from Premiership to Division One, but by the arrival of Bassett and after 13 goals in 21 appearances, Fjortoft had left English football for Eintracht Frankfurt in exchange for £450,000.

With 72 Norwegian caps to his name and a World Cup finals trip under his belt, Jan will always be remembered for his aeroplane goal celebrations.

the mid-nineties, and the lot had been snapped up in the name of Swindon Town. Even Spurs' goal scorer Clive Allen was the son of ex-Town manager Les.

We'd tried it before, with remarkable similarities. In 1981, Bennett was on the wing for Manchester City when they also faced Tottenham. Team mate Tommy Caton was the father of present Town striker Andy. Again Spurs featured Hoddle and Ardiles, and Tony Galvin supplemented the number of future Townies.

Then the following year when the London team once more made the final, Mickey Hazard had been added to the Tottenham number. Facing QPR, Rangers' side included Terry Fenwick, Gary Waddock and again, Clive Allen.

Of course there was the famous occasion in 1988 when Lawrie Sanchez scored the only goal for Wimbledon, (who included Dennis Wise) against Liverpool (who had Steve McMahon out there). They all pulled on Town shirts.

That's not a complete list of Swindon players who have appeared in FA Cup finals, but one day perhaps we'll have our own team there.

FLOWERS, TIM

He might have been better known for his time at Blackburn Rovers, or for an England cap total running into double figures, but backing in 1987 Tim made seven appearances in a Town shirt over

two loan periods. Temporarily in from Southampton at the time, it meant that along with the injured Fraser Digby we had two England U-21 keepers at the County Ground at the same time.

FULHAM

In January 1976 the third round of FA Cup saw Town drawn away at Craven Cottage, to face the previous year's beaten finalists, Fulham. Town were in the third division of the Football League, which was called Division Three at the time. How quaintly logical.

Fulham meanwhile were one division above, and with both teams in mid-table, that looked a sturdy test. What captured Town fans' imagination was that amongst Fulham's number were World Cup winning captain Bobby Moore, crowd-pleaser Rodney Marsh, and a Belfast-born chap called George Best.

The Cottagers (no, don't snigger), might not have had the financial backing that they have today, but they were doing a good job pretending they had.

Moore didn't make the field but Best and Marsh did, and Town goals from Trevor Anderson, David Moss and Ray McHale meant a 3-3 draw in London was surely respectable.

It's been said many times, that in cup competition you only get one chance at turning over higher League opposition. No matter how well you perform in a draw, the odds still favour the senior side in a replay. The County Ground hosted a crowd of almost 24,000 the following Tuesday, as Town looked to defy that reasoning.

No problem then. Goals from Trevor Anderson and a couple of braces from David's Moss and Syrett gave Town a 5-0 victory over their highly-regarded visitors.

Today it's surprising how many people who don't regularly attend the County Ground, include that match as one of the few they've watched.

SUPPORTERS CLUB

Visit us online at www.swindontownsupportersclub.com

We held our Annual General meeting on the 21st of September 24, 2006. I would like to welcome Sarah Bennett, Mike Dew and Iris Higgs who have been elected to serve as committee members.

We are aware that there have been a number of concerns raised by fans over matters at the Football Club. I can assure everyone that we are holding discussions with officials from the club to clarify these issues and establish a better understanding, than that which is often reported in the press.

The half-time draw has been going really well so far this season and I would like to thank all those that participate. The latest winners were:

MK Dons - Mrs Weyms of Blunsdon
Ticket number 560 wins £396

Peterborough - Nicky Payne of Swindon
Ticket number 1075 wins £454

Likewise the Pounds for Points has also hit a record with now £60 per point

pledged for every point won by the first team in league matches and the great early start to the season on the field has helped to swell the fund.

In recent months I have been working hard to engender a greater feeling of the history of the Football club and soon there will be evidence both in corridors and the winners lounge.

I have contacted virtually hundreds of ex-players across the whole of Britain and we will soon have the first tranche of a gallery of pictures and information cards with their signatures in position.

In addition many of the players will be invited to home games, courtesy of the Football Club so you may have chance to meet idols from previous years, in the Winners Lounge before games. To find out just who is here with us today, then please turn over the page for a full rundown.

Enjoy the game today,

Roger

THE ROBINS' RETURN

TODAY SEES THE FIRST OF THE CLUB'S 'LEGENDS REUNIONS' WITH A NUMBER OF FORMER TOWN PLAYERS FROM THE 50'S AND EARLY 60'S RETURNING TO THE COUNTY GROUND...

Roger Bunce, Chairman of the STFC Supporters Club, has put in hours of work tracing these former players and has provided details below of those former Robins returning to SNI today.

Unfortunately not all of those invited could attend, but here are details of some of our former players.

BILL ATKINS

Bill scored 30 goals in 79 appearances for the Town and went on to score more than 150 goals in his career. After finishing football he bought a bakers and confectioners and has been there for 34 years. He doesn't close until 12.30pm on a Saturday so can't be here this afternoon!

SAM BURTON

Legendary goalkeeper who made 509 appearances between 1946 and 1961. Sam then ran a transport café in Lyneham before moving to Gwent where he still lives. Soon to

celebrate his 80th birthday Sam is unable to be here today having just left hospital but we look forward to welcoming him back soon.

DENNIS BROWN

Dennis netted 45 goals in 106 appearances after joining the Town from Chelsea in 1964. Scored a hat-trick in a 3 – 0 away win at Orient, and then went one better in a 4–1 win at Bournemouth. Arguably played his best ever game for the Town in that epic 3 – 3 draw at West Ham. Later played for Northampton and Aldershot, scoring a further 66 goals. Dennis has worked as a rep since finishing football.

PETER CHAMBERLAIN

Peter made 82 appearances between 1957 and 1962 scoring 7 goals, now 70, he still lives in Swindon and was involved in a painting and decorating business with former team mate Arnold Darcy. Another

who went on to play for 'The Shots'.

ARNOLD DARCY

The senior member here today at 73 years old, Arnold was a flying winger back in the day scoring 33 goals in 238 appearances. Arnold now lives near Abingdon.

KEITH EAST

Signed from Portsmouth in 1964 and scored 28 goals in 50 matches including 9 in two weeks. This included a four goal haul against Merthyr Tydfil and five the following week in a league match against Mansfield - both at the County Ground. Keith hit over 50 more goals in his career with various clubs before moving to South Africa where he played in the same team as former Town defender Owen Dawson. Now living in Surrey, Keith has just retired from the motor industry where he worked for Volkswagen.

Pictured below (left to right) are Sam Burton, Dennis Brown, Arnold Darcy, Ernie Hunt, Keith Morgan, Don Rogers, John Trollope and Bobby Woodruff. The main picture shows Don Rogers warming up in front of a packed Shrivensham Road stand before a League game with Hartlepool United on 4th February 1969.

ERNIE HUNT

Swindon-born Ernie made 237 appearances for Town, scoring 88 goals. Ernie then graced some of the top grounds in the country with spells at Wolves, Everton and Coventry City. His jobs since leaving football would fill this page but rest assured, he will no doubt be the life and soul of this afternoon's gathering in the executive areas.

DAVID LAYNE

'Bronco' (as he was known after the cowboy character of that era), scored an amazing 35 goals in just 46 games. He went onto to score another 100 goals for Bradford City and Sheffield Wednesday and has been the licensee of the Crown Inn, at Meadowhall in Sheffield for a number of years now.

KEITH MORGAN

Keith is a one club man - making over 360 league and cup appearances netting nine times and is a former club captain.

He still lives locally and works as a builder and decorator. A very consistent performer throughout his career.

DON ROGERS

Possibly the most exciting player to ever wear a Town shirt, scoring over 170 goals for the Town in almost 500 games. Don still lives in the Town where he runs a sports shop and is a regular visitor to The County Ground. He also does a lot of work to promote youth football in the area.

JOHN TROLLOPE

Another Swindon Town legend who racked up 889 appearances for the club. Will this record ever be broken in the changing days of football? John also served the club as coach, youth manager, assistant manager and first team manager between 1980 & 1996. He also spent time with Bristol Rovers and as a Football League Youth development regional officer and is now the Assistant Academy

manager at Coca-Cola Championship side Wolves. His team are playing Liverpool today which prevents John from being here.

MIKE TURNER

Mike was the goalkeeper in Town's first ever promotion season and made a total of 81 appearances between 1961 & 1964, before signing for Torquay United. Mike now lives in Dorset where he worked for Plessy's for over 20 years until he retired.

BOBBY WOODRUFF

A stylish wing-half along with Keith Morgan, they both used the long throw to good effect. Between 1958 & 1964 made 205 appearances for Swindon netting 20 times before transferring to Wolves and later playing for Palace, Cardiff & Newport County. Bobby was later Reserve and Youth Team coach at Cardiff, and has also been a Sports Company Representative and Social worker and still lives in Cardiff.

STFC STUDY CENTRES AFTER SCHOOL SUCCESS...

The STFC Study Centre after-school study support programme at The County Ground is now well under way for the autumn term.

Students from seven Swindon Schools, Rodbourne Cheney, Oaktree, Penhill, and Toothill Primary schools and Hreed Parkway, Warneford and Dorcan Secondary Schools attend one evening a week for 10 weeks.

In the first three sessions the primary students have visited the changing rooms, board room and club shop and have got to grips with digital cameras and the award winning computer programme Kar2ouche. This program allows the children to write a story in a cartoon format where they can animate characters, add sound effects and narrate their own story. The students from Rodbourne Cheney said:

"It's great to do something fun and educational too". Miss Williams their class teacher added: "All the children have been very enthusiastic about the programme and have enjoyed trying out different programmes"

The secondary students have been learning how to use the digital camcorders and they are taking the first steps in movie making with the centres Apple Mac computers.

Birthday cards have also arrived at the club, I'm playing catch up from the beginning of August but if you've celebrated a birthday since the start of the season, your card will be with you soon.

Congratulations to **Hannah and Emma Clinch** who have embraced the 'Up your Street' competition and have sent photos of themselves with street signs relating to the squad. Both girls will be receiving signed

CG.FM EXPERIENCE

with Gary and Stuart (Stadium Announcers)

Good afternoon ladies, gentlemen, boys and girls and welcome back to the County Ground for today's fixture against Boston United.

It seems unbelievable that with today's game we are a quarter of the way through this season's league campaign already – where has the time gone?

The two draws away at Notts County and Wycombe may seem some way off promotion form but they were

but so much has happened over recent weeks it is more difficult trying to think of what to leave out!!!

Albeit, from the outside looking in, there appears to be some friction behind the scenes with rumours, counter rumours and unqualified speculation my focus is going to be on YOU, the supporter.

Stuart and I make no apologies for harping on this season (and we have done that often enough) about the support you have given to the

(well done to David Howell and the lads) – whilst the swell of emotion (especially for Darren Clarke) among the players helped spur them on to a record score, I am sure they would acknowledge how important a part the supporters played in their victory.

Every shot, be it a drive or putt, was cheered on by the loyal following. As supporters **you** can make that much difference – It is an accepted fact that people working for any football club will come and go but supporters are the constant, the only true constant.

“

As supporters you can make that much difference – It is an accepted fact that people working for any football club will come and go but supporters are the constant, the only true constant...

good results none the less, although as the manager has said post-match on both occasions – we could have won either game.

Not being a professional scribe, like our friends from the Local/National Press, it is sometimes a little difficult to think what to put down on paper

team and we are not trying to be patronising when we say this season is the best atmosphere we have seen in the Stadium for many years.

Last weekend we saw the European Golf Team triumphant at the K Club in Ireland against our friends from over the pond in the Ryder Cup

With your continued attendance and vocal support throughout the remainder of the season you can make that difference, our twelfth man and hopefully to promotion.

So let's create an atmosphere here at The County Ground today that will be the envy of all teams in this league.

Let's make some noise for the "Swindon Boyz."

Enjoy the game.

Stuart & Gary

AWAY SUPPORTERS

Away fans are mainly housed in the Coppice Terrace at one end of the ground. A number of seats are also made available in the Main Stand.

GETTING THERE

By Road: Leave the M6 at Junction 29 and take the M65 towards Blackburn. Continue past Blackburn towards Accrington and leave the M65 at Junction 7. Then take the left hand exit at the roundabout onto the A6185 towards Clitheroe (this is in the opposite direction to Accrington). At the first set of traffic lights turn right onto the A678, towards Padiham, and then at the next traffic lights, turn right onto the A680 towards Accrington. After about half a mile along the A680 you will pass the Crown pub on your left. Take the next left into Livingstone Road and then an immediate left for the Club car park.

By Rail: The nearest British Rail station is Accrington and this is approximately a 20 minute walk from the ground.

Parking: There is ample parking behind both goals at the ground and parking is free, there is on street parking around the ground but the club try to discourage this as the residents complain to the police if their drives are blocked.

AROUND THE GROUND

The main away fan's pub which is a few minutes away from the ground is called *The Whitakers Arms* it is situated just 200 yards away from the old Peel Park ground from the 1960's era of Stanley so you football historians out there may want to take a peek at that. They do a selection of home cooked meals in the pub or restaurant and have great facilities including pool table, beer

garden, sky sports, darts and lots more besides. The pub can cater for supporters clubs travelling to the ground on a matchday too as they have lots of room for coach parties. If you wish to book in please ring 01254 392999 and speak to Paul or Sarah. Walking distance from ground is about 20 minutes, in a car about 5 minutes.

The Stanley on Stanley Street also caters for away fans with butties etc laid on on match days (distance from ground walking - 20 minutes, 5 minutes in a car). *The Crown Inn* on Whalley Road which virtually overlooks the ground offers a warm welcome to all supporters for banter, swapping stories and a good chat before and after the game, in the pool room a collection of memorabilia has been started to celebrate Stanley's promotion to the Conference league and the travelling Accrington fans always try to bring back something for the wall so any scarves badges etc from your club are welcome for the display. The pubs closest to the ground are *The Grey Horse*, (5 mins walk away) and *The Greyhound* (5 mins walk away).

EMERGENCY PROCEDURE

In the event of an emergency at The County Ground you will hear a police message over the public address system. It will be preceded by a loud 'alarm' sound. Please remain where you are, listen to the message, and if it affects your area of the stadium, comply with the instructions immediately. These will direct you to a safe area, through exit gates and doors into car parks, roads or the pitch area. If you are disabled or feel unsafe in a large crowd, please remain where you are until the stewards assist you to leave. Above all, **REMAIN CALM** and **DO NOT MOVE** unless the announcement concerns your area of the stadium.
