## STURROCK ARRIVES

Swindon Town unveiled Paul Sturrock as their new manager on Tuesday afternoon at a County Ground press conference. "League Two is very competitive but myself and my coaching staff know what it takes to get out of the division," he said. Sturrock led Plymouth to the League Two (then known as Division Three) title in 2002, and he added: "We have a formula and we want success."

**H**ello and welcome to this FA Cup tie against Carlisle United.

Firstly could I thank you all for the messages of support and for the kind welcome I have received this week since joining the club. It has been greatly appreciated and hopefully we can all stick together and enjoy some success. When I look at Swindon I see

chance to have a chat with a few of them on a one-to-one basis that I think is important. Should they ever have any worries or problems then I have to be thought of as their second Dad. I had my first 'son' in, if you like, at training on Thursday and we had a discussion. Hopefully the players know that my door is always open because it is important for the manager to have a good rapport with

**"I had my first 'son' in, if you like, at training on Thursday and we had a discussion. Hopefully the players know that my door is always open because it is important for the manager to have a good rapport with his players..."**

the potential to become an established Championship club. I have a four-year contract and that gives me a chance to take them back to that level. I think the Championship would have to be the realistic aim. Anything after that would be a bonus. When I spoke to Swindon I felt it was the right offer and I am delighted to be here.

I took training for the first time on Tuesday and the lads have been in every day since then. So far players have been very receptive so far. I also got the

his players. First impressions are very important to me but if I bring players in, they have to be able to hold their own in League One. There is no good bringing players in, getting promotion then having another overhaul. We need to gather some momentum.

I have been asked a few questions this week about what formation the team will be playing and all I can tell you is that we will always play a back four. The team today will be along the normal lines because it presents the first

opportunity for me to see the players in a match situation and no doubt we will learn a lot this afternoon.

Unfortunately we have a couple of injury doubts ahead of the game. Jamie Vincent missed training on Thursday with a hamstring injury – but hopefully by the time you read these notes he will have made progress with that. Lee Peacock has struggled this week with a virus and has been suffering from severe headaches. At this stage the FA Cup game could come too soon for him because he will have been weakened somewhat and hasn't trained. We have big plans for him though and he will have a big part to play this season I am sure of that.

There is a game on Tuesday in the Wiltshire Premier Shield against Salisbury City. Players who do not play today will be playing next week because it is vital that the coaching staff and I get the opportunity to see everyone in competitive action. It gives the players the chance to impress and we can learn about them.

We have made a few small changes to the build-up ahead of today's game.

We have chosen to train here at The County Ground the day before a game. I have spoken to Marcus the groundsman and despite a bit of moaning, he has agreed to let us on the pitch. As long as the weather is ok we will be using the ground on a Friday to train because I feel that will benefit us.

Carlisle United are a very good League One side and we had them watched last weekend. They have some very exciting players going forward but we have to be offensively positive too. We have worked this week on getting crosses into the box and we need to make a good start. It's a cup tie and clearly the first ten minutes will be vital. A cup run would be excellent for this football club that's for sure. Hopefully a few of the boys can hit the net and we can go through without a replay.

Enjoy today's game,

*Paul Sturrock*

## BOARDROOM NOTES

Chairman, Willie Carson

**G**ood afternoon and welcome back to The County Ground for what is our third home game in as many weeks.

It has been another busy week for the club. Tuesday's press conference was another important day in our history. We were disappointed to lose Dennis Wise to Leeds, but I think you'll agree that we have got a top-

today signals the start of another new era under Paul Sturrock. The Board believe that he was the best man for the job and he has a proven record and he is suited to this club. He knows how the game should be played and hopefully with the addition of a couple of players we can get back towards the top division.

There is huge potential at Swindon

the lead. It was a game I felt we could have won with lady luck but thankfully today's game gives us the opportunity in front of the home fans to impress.

It's the FA Cup today and another chance to make progress in this excellent cup competition. The team will all be trying extremely hard to impress the new manager and you have to get right behind them. Your support can really rev up the team and hopefully we can finish the day having secured a path into round two.

Thank you for all your support so far this season. You have been magnificent up until now and we are all excited about the new start under Paul Sturrock. Make some noise this afternoon and let's hope for a winning start to the new dawn.

class replacement in Paul Sturrock and I really hope the fans will be happy with him.

What you have to remember is that this board has been working under tight monetary controls and I think they have done a tremendous job. Five years ago we were only 20 minutes from closing the gates but things are certainly improving and

and Paul Sturrock knows that we should be higher than we are. He brought Plymouth Argyle up through the leagues and with it increasing their attendances year on year. The fans played a huge part in the success at Home Park and I must stress what an important part you can all play.

Last weekend we were unfortunate against Hereford United having taken

## COACHES DEPART

**U**nder 18's Manager David Lee, Head of Youth / Scouting Director Dave Tuttle and coach Barry Hunter all left the club on Tuesday afternoon.

Both Lee and Tuttle joined the club in the summer as part of Dennis Wise's new-look behind the scenes team but new manager Paul Sturrock has brought his own coaching team to the club with Tuttle and Lee the unfortunate casualties.

Hunter joined Town on a temporary basis just over a week ago to assist caretaker manager and former Reading teammate, Ady Williams. Both Williams and Hunter worked tirelessly during

their time in charge of first team matters and the club would like to extend their thanks to them both for their time, effort and commitment.

Swindon Town FC would also like to wish Dave Tuttle and David Lee every success in the future as well as thanking them for all their efforts during their stay in Wiltshire.

## SWANS HIT FOR SIX

**T**own progressed to Round Two of the FA Youth Cup with a 6-0 win over Swansea City on Tuesday night.

It was a superb performance from the Under 18's with a treble from Jutkiewicz as well as further strikes from Captain Scott Doe, Mustapha Carayol and Jake Hyde sealing an impressive win.

The first goal came from Jutkiewicz who, having picked up the ball on the outside of the area on 5 minutes, bent a spectacular effort from 20 yards into the top left hand corner giving David Cornell in the visiting goal no chance.

Jutkiewicz soon grabbed his second after 36 minutes with a clinical right foot effort from close range. Scott Doe rose high from a free-kick on 57 minutes and headed the ball past Cornell to make it 3-0. Jutkiewicz then sidefooted home from the penalty spot to complete his hat-trick.

Mustapha Carayol hit the fifth goal of the night on 76 minutes before Jake Hyde hit the last goal of the evening with a fine individual effort on the stroke of full-time.

The victory secured Town's place in the FA Youth Cup Second Ground with East Grinstead the opponents.

## CAPTAIN'S COLUMN

with Andy Williams

**G**ood afternoon and welcome to this FA Cup clash with Carlisle United at The County Ground.

It's another new era for the club and it's an exciting time for everyone. Training has been good this week and we are all looking forward to this weekend's FA Cup game against Carlisle. The tempo at training has been decent and the manager and coaches have brought a mass of experience to the club. The whole squad are looking forward to getting the new regime underway which starts today.

I would like to thank the Board for all their support and assistance during my tenure as manager as well as thanking Barry for all his help. I enjoyed my short spell at the top but I have had a meeting with the Gaffer and we have had a good chat and I'm looking

forward to working with him and the new coaching team, as I am sure the rest of the lads are.

The cup is a distraction from the league but we will be giving it our all to make progress. The Under 18's had a very impressive win during the week in the FA Youth Cup against Swansea City and scored six goals. I have been involved in some big FA Cup games during my career and cup week is always special. Fortunately I made it to the FA Cup Semi-Final with Wolves against Arsenal in a game at Villa Park. The atmosphere then was special and it was a big occasion. The FA Cup games always have that little bit extra about them and let's hope today is no different.

Last weekend I didn't start against Hereford United and in my eyes it was the best way for me to take a look at

the game from a management point of view. I felt I had been playing well but decided to step out and take the overall view. I left myself out because I thought it was difficult to do two jobs. A lot goes through your head but I can concentrate on playing matters now everything has been resolved. There is a lot of competition for places now and the shirts are up for grabs again.

Please keep up your tremendous support and let's hope we have secured a place in the next round at the end of today's game!

#### MANAGER

##### NEIL McDONALD

The Newcastle born coach, began his career at Carlisle United as an apprentice in 1978. His career then took him to Newcastle United in 1982, thence on to Everton, Oldham, Preston and Bolton Wanderers, where his coaching career began, working along side Sam Allardyce.

Last year he moved to Crystal Palace as assistant manager, working alongside Iain Dowie, before Dowie's departure to Charlton Athletic.

McDonald replaced Paul Simpson, who left for Preston North End in the summer.

## CARLISLE UTD

**A** warm welcome to our visitors today who have made the long trip to the West Country from Carlisle with a place in the second round of the FA Cup at stake.

Today sees the start of a new era at The County Ground. After a couple of home defeats, a break from League action offers the chance to kick start our season and once more we face a team whom we haven't met for a while.

Carlisle United are having a good campaign in League One, sitting eighth in the table and challenging for a play-off place. Taking the League Two Championship last year, the Cumbrians had charged straight through the division in their first season back in the football league after a season's sojourn in the Conference.

Back in 1995/96, we were on our way to the championship of Division One. A single Eddie Murray goal gave us a win at Brunton Park, and in February we successfully completed the task of collecting the six points on offer that season, when Peter Thorne and Wayne Allison grabbed a goal apiece. Rory Delap scored for the visitors that day, but United fell through the trap door of relegation as the season closed.

For the third week in succession we face a team who have been forced to play at a level outside the Football League relatively recently. United are an example of how success can come from adversity.

It's a while since Town have had much luck in cup competition. It would be nice to start turning that around today.

Swindon Town have the chance to forget about successive home League defeats with yet another match at the County ground on Saturday. The visitors for the afternoon will be League One outfit Carlisle United, who make the long trip down from Cumbria to contest the first round of the FA Cup.

United's season so far has taken them to the verge of the play-off places where they currently lie eighth, but their league position has been achieved mostly on the back of home results.

Away from Brunton Park, Carlisle have scored just four times. That's a record that, with the exception of Championship outfits Southend United and Wolves, is the worst in the Football League. Unsurprisingly, that leaves United still looking for their first win on their travels.

The match of course will be the first under new boss Paul Sturrock, who was confirmed as Dennis Wise's long-term successor on Tuesday. Let's get right behind the new management team and hope for a winning start this afternoon.

## CARLISLE UNITED

### 01 ANTHONY WILLIAMS Goalkeeper

Welsh goalkeeper who has featured in three first team games for Carlisle this season and provides back-up to regular number one Kieron Westwood. Williams has featured for thirteen clubs with nine loan spells amongst them since starting his career with three years at Blackburn Rovers as a trainee.

### 02 DAVID RAVEN Defender

A former trainee with Liverpool, Raven came up through the ranks at Anfield and spent an loan spell with neighbours Tranmere Rovers last season before making the summer switch to Brunton Park. Yet to register on the scoresheet this season, Raven has picked up three bookings in 12 outings this term.

### 03 PETER MURPHY Defender

Irishman who started his career with Premiership Blackburn Rovers before a move to Carlisle in the summer of 2001 after impressing during an 18 game loan spell at Halifax. Now has plenty of Football League experience with just over 200 league starts and the majority of those have been in Carlisle colours.

### 04 CHRIS BILLY Midfielder

33-year old midfielder who has a mass of league experience with the likes of Huddersfield Town, Plymouth Argyle, Notts County and Bury. His most successful spell came with The Shakers for whom accumulated 165 league starts from September 1998 through to May 2003 when he made a permanent move to The Cumbrians.

### 05 DANNY LIVESY Defender

Salford-born defender who began his career with Bolton Wanderers and made it through to the first team with six senior appearances for The Trotters. He then moved to Blackpool in August 2004 but it was a short stay on the seaside with just one appearance for The Tangerines before signing for Carlisle in December of the same year.

### 06 KEVIN GRAY Defender

Vastly experienced campaigner with 469 league starts under his belt, Kevin Gray has enjoyed a successful career with the likes of Mansfield Town, Huddersfield Town and Tranmere Rovers. Perhaps known for his eight years with The Terriers, the Sheffield-born defender scored the

equalizer last weekend for Carlisle at home to Rotherham United.

### 08 CHRIS LUMSDON Midfielder

Newcastle-born middle man who began his career at Sunderland where he was a teammate of former Swindon defender David Duke. After four years with the Black Cats he moved on to Barnsley in December 2001 with a £350,000 move. He joined Carlisle United in August 2004.

### 10 KARL HAWLEY Striker

Impressive and much coveted striker who has banged in 41 goals in just 95 starts for United since joining on a free transfer from Walsall two years ago. Hawley came up through the ranks with The Saddlers before loan spells at Raith Rovers (twice) and Hereford United. Six goals so far this season.

### 14 SIMON GRAND Defender

22-year old defender who began his career with Rochdale in 2001 and having come up through the ranks made 40 league first team appearances for Dale before a transfer to Carlisle in August 2004. He has now made 25 starts, although he has featured just three times this term.

## 18 SIMON HACKNEY

Midfielder

Managers and supporters alike often say there are some gems to be found in the world of non-league football, and Simon Hackney is a case in point. Signed from Woodley Sports in February 2005 he has gone on to impress for Carlisle and has so far made 21 starts and a further 25 appearances from the bench with eight goals along the way.

## 19 KEVIN HARPER

Midfielder

The experienced Kevin Harper is on loan from Championship outfit Stoke City although could be cup-tied for today's FA Cup clash. His former clubs include Hibernian, Derby County, Portsmouth and he has also had loan spells with Leicester City, Norwich City and Walsall.

## 20 KIEREN WESTWOOD

Goalkeeper

Kieren Westwood, 22, is an established figure in between the sticks for today's visitors. Having started his career with Manchester City in the youth team, he spent six months on loan with Oldham towards the end of the 2003/04 season and joined Carlisle on a permanent deal in August 2004.

## 21 ZIGOR ARANALDE

Defender

Spanish defender who arrived in England in 2000, signing for Walsall from Logroñes in his home country.

After 183 appearances for The Saddlers he made a deadline day move to Sheffield Wednesday in 2005, but made just one appearance for The Owls and switched to Carlisle the same summer.

## 24 JERMAINE BECKFORD

Striker

Jermaine Beckford joined Carlisle at the start of October on loan from Championship side Leeds United. A player with guile and speed, Beckford scored his only goal of the season in the home defeat to Millwall in mid-October.

A former trainee with Southampton, Lukas Jutkiewicz joined the Swindon Town Centre of Excellence in March 2004. At the Milk Cup that summer he took home the prestigious Golden Boot award.

Jutkiewicz quickly impressed for the youth team and was soon involved at reserve team level. Iffy Onuora handed the youngster his first team debut as a first half substitute at Swansea City in April 2006 and the youngster went on to play a further four games last season.

This term Jutkiewicz impressed in pre-season and was amongst the goals against Cirencester Town when he featured alongside Royce Brownlie up front.

GUEST COLUMN

## STEVE BUTT

Sports Editor, Swindon Advertiser

**Swindon**  
Advertiser

### A big warm welcome to Paul Sturrock - Swindon Town's fourth manager in little more than a year.

Alarming as that statistic is, it's true. Only this time last year Iffy Onuora had taken over the reigns from the departing Andy King, and we all know what happened next! Dennis Wise came in and got the County Ground buzzing again before jumping ship without finishing the job.

Stability is hardly a word anyone would associate with Swindon Town so it's refreshing to hear Town's latest manager coming in and pledging his long-term future to the cause.

Sturrock's appointment is a brave one on the part of the board. I'm sure a manager with his credentials doesn't come cheap and with success on the pitch never guaranteed, it is a gamble. But it is a good gamble, a bold move on behalf of the

club, especially as Sturrock is, on paper at least, committed to this club for 18 months.

There were cheaper and easier options available, letting Ady Williams continue until the end of the season was one. But credit to the club for resisting easier and cheaper options - let's face it for a club with the financial constraints of Swindon Town it would have been very easy to just bank the compensation money received for Dennis Wise and Gus Poyet. Fortunately that has not been the case and today we all look forward to a new and successful era under Paul Sturrock.

The key now though is stability. Sturrock has agreed a four-year deal and how refreshing would it be for him to at least see

that contract out? The board and fans have a part to play also. They've got their man and need to stick by him through thick and thin. Promotion is still very much the target but it shouldn't be the be all and end all - not this season anyway. It may happen, it may not and if it doesn't there's no point turning on the manager.

Alex Ferguson was on the brink of the sack almost 20 years ago but the Manchester United board kept faith with him and look at them now. Alan Curbishley is another example at Charlton, he took The Addicks from the lower echelons of league football right through to the Premiership while Dario Grady is yet another example of stability breathing success.

Let's hope Sturrock is really here to stay and that Swindon Town will soon be back where it belongs.

“THE KEY NOW  
THOUGH IS  
STABILITY.  
STURROCK  
HAS AGREED  
A FOUR-YEAR  
DEAL AND HOW  
REFRESHING  
WOULD IT BE  
FOR HIM TO AT  
LEAST SEE THAT  
CONTRACT  
OUT...”

# Up for the Cup

WORDS: NICK JUDD

We don't expect to be playing in Cardiff come May (unless it's the play-offs), but a decent cup run would be nice... 11 years ago was the last time we made the fifth round and the furthest we've ever reached is the semi finals. No, really. Here, we recall nine of the best FA Cup runs STFC has ever seen, as well as a remarkable run by Town's youngsters in 1964...

## 1909/10

KNOCKED OUT: SEMI-FINALS  
CUP RUN RATING: 9/10

There's no harm in losing to the eventual winners of the tournament, especially at the semi-final stage – and at the sixth time of asking Town made great strides in the FA Cup. Knocking out Crystal Palace and Spurs en

route to facing Manchester City in the quarter finals, Town were dispatching of some big names. City were tough opponents but a 2-0 win saw the Reds face Newcastle at White Hart Lane in the semis. The Barcodes proved too strong, however, and they eventually saw off Barnsley at the second attempt in the final. This was Newcastle's fourth final in six years.

## 1911/12

KNOCKED OUT: SEMI-FINALS  
CUP RUN RATING: 8/10

Losing finalists in 1910, Barnsley would face Town two years later in the semi finals. This was Town's third successive season in the final eight, their second in three years at the semis and after losing in the Charity Shield 8-4 to Manchester United, they kicked off their enthralling ride to the semis against Sutton Junction in January 1912. A 5-0 win saw Notts County the next visitors to the County Ground and a 2-0 win pitched Town with West Ham. Town defied the odds to secure a 1-1 draw at Upton Park and in the replay at a packed County Ground, Town ran out 4-0 winners. Merseyside giants Everton were dispatched of in round four (imagine this run now?!) before Town finally met their match in the Tykes. Town held the Northerners to a 1-1 draw before going out 1-0 in the replay.

1928/29 ▲

KNOCKED OUT: 5TH ROUND  
CUP RUN RATING: 7/10

Entering the competition in round three Town faced a stiff task at home to Newcastle United. However a 2-0 win soon put the Reds on their way and a tough away tie at Burnley's Turf Moor was negotiated and a subsequent replay at fortress County Ground gained. Town won 3-2 and a lucrative tie against Arsenal awaited. Town drew the first game 0-0 and looked to have squandered their chance of progression to the quarter finals – and sure enough a 1-0 for the Gunners at Highbury ended the dream for another year.

1947/48 ▲

KNOCKED OUT: 5TH ROUND  
CUP RUN RATING: 8/10

Town were back in round one and the dream seemed further away than ever. However, Ipswich were dispatched of in November before Aldershot were seen off after two attempts a month later. The worst bit was out of the way and Town entered the

hat for the third round looking to pull a big name. Burnley, the team Town had edged out in 1929, were beaten in an impressive 2-0 away win and Robins fans started dreaming of another lucrative run. The dream, however, came to the detriment of the league form and while the Reds stalled with their 'bread and butter', Notts County were edged out to set up a fifth round tie against Southampton. Unfortunately Town's run came to an end on the coast, Saints running out 3-0 winners.

1951/52

KNOCKED OUT: 5TH ROUND  
CUP RUN RATING: 7/10

Round One and Town were gifted with a handy tie against lowly Bedford Town. A 2-0 win saw the Reds earn another home tie, this time against Torquay. A 3-3 draw saw Town having to having to make the long trek south-west and 120 minutes of football couldn't separate the two sides. A third replay (there were no penalties in those days) finally saw Town fend off the visitors 3-1. Next up were Cardiff City and a 1-1 at Ninian Park saw another replay come the County Ground's way. Town won 1-0, a win that would see them improve their league form and win two of the next three games. Town needed another 180 minutes to qualify for the fifth round, this time Stoke the hapless opponents as Town won 1-0. Unfortunately Luton Town proved too strong in

the last 16 with a 3-1 win.

1963/64

KNOCKED OUT: 5TH ROUND  
CUP RUN RATING: 6/10

52 years after Town knocked them out of the cup, West Ham returned to the County Ground to enact their revenge with a 3-1 victory. Still, losing to the eventual winners (they beat Preston 3-2 in the final) is nothing to be ashamed of and en route to the fifth round Town knocked out some decent opposition. Manchester City were the first team to be swept aside by the red tide before Aldershot were beaten by the same score.

1963/64 ▲

KNOCKED OUT: FINAL  
CUP RUN RATING: 9/10

Winning the FA Cup isn't something you expect as a Town fan. Yet Town's Youth team of 1964 almost pulled off the shock of the club's history when they nearly, very nearly claimed the scalp of Manchester United, nine times winners of the competition, in the final. This was a side containing a young George Best, and Barry Fry, among others – but Town held the Red Devils to a 1-1 draw in the first leg at the County Ground. Best was on the score sheet, scoring past Tony Hicks on 70 minutes to

lift the European Cup in 1968 – Town won the league cup five years later.

**1966/67** ▶

**KNOCKED OUT: 5TH ROUND**  
**CUP RUN RATING: 8/10**

Three years later and the Swindon v West Ham FA Cup rivalry was re-ignited.

Town met the Hammers at home having seen off first plucky Horsham and Ashford Town – and two games were required to beat the Hammers into submission (by the same scoreline as the Hammers had sent Town out with in 1964). Bury were beaten in round four before

cancel out Don Rogers' opener... "We were just thrilled to be in the final," said Rogers. "But for a while we thought we could win it. Then Best turned on the skill. He had everything: ball control, courage and intelligence. He was the complete player even at eighteen." Town lost 4-1 in the second leg, but seven members of United's team went on to win the League in 1965 and 1967, and

Nottingham Forest stopped the red army from progressing any further. It took them three attempts, though, Town drawing 0-0 at the City Ground and 1-1 at the County Ground before Forest won convincingly 3-0 at the third time of asking. Forest were knocked out in the next round by eventual winners Tottenham Hotspur.

**1991/92** ▼

**KNOCKED OUT: 5TH ROUND**  
**CUP RUN RATING: 7/10**

Town had already fallen at the fourth hurdle in the League Cup before their FA Cup run got under way at home to Watford in January. A 3-2 win saw Town on their way and an emphatic 3-0 away at John Beck's

Cambridge (remember their long-ball drudgery?), a week

after Cambridge had beaten the Reds in the league at the County Ground, saw the cameras come to town as we faced Aston Villa in the fifth round. As is standard behaviour in front of the cameras Town were

on the losing side, but it wasn't without a fight and it required a stunning Stephen Froggatt strike to send Town out.

**1995/96** ▶

**KNOCKED OUT: 5TH ROUND**  
**CUP RUN RATING: 7/10**

Success breeds success and after

consecutive relegations Town at last gave the fans something to shout about. Under Steve McMahon's controversial tenure Town won the old Division Two at the first time of asking, romping to the top of the league and staying there for much of the season. The only time they relinquished top spot? Around about the same time they mounted the club's most recent major assault on the FA Cup. Cambridge were again on the receiving end of a heavy beating, this time a 4-1 mauling thanks to a Kevin Horlock brace. Cardiff and Woking were beaten 2-0 before a 1-0 win at home to Oldham gifted Town earned a lucrative local match up with Southampton. Horlock again found the score sheet, but unfortunately a Gordon Watson equaliser took the tie back to the Dell. Matt Oakley and Neil Shipperley soon saw to Town's cup hopes.

### The dawn of a new era at Swindon Town - where have we heard that before?

Paul Sturrock was duly unveiled as the manager at a news conference at the County Ground. He then appeared for a Fans phone-in on BBC Radio Swindon just over 24 hours later. He'll be back amongst supporters in a forum at the club this Thursday. Keep listening for more details.

Having had the chance to ask questions on the opening day, for our Soccer Special, we just passed on the numerous calls, texts and e-mails. Inevitably many were about individual players, but it was just too early to provide proper answers. Having said that, PS reckons you can make an assessment in just one game. So, after today's FA Cup tie against Carlisle and the Wiltshire Premier Shield visit of Salisbury on Tuesday night, the picture may become a little clearer.

He's acknowledged that turnover, ins and outs, will be inevitable. Positional changes may also be interesting. Andy Nicholas - centre-half or left-back. Ashan Holgate - midfielder or forward - Dennis Wise saw it differently to his predecessors. All members of the squad have a clean slate and if you're good enough, you're old enough!

On Tuesday night, the under-18s comprehensively beat Swansea here in their FA Youth Cup first-round tie. Manager Jeremy Newton watched his side win 6-0, thanks to a hat-trick by Lucas Jutkiewicz (maybe involved this afternoon?) and further goals from skipper Scott Doe (with that boxing celebration!), Mustapha Carayol and Jake Hyde. It seems "Nutty" may continue in that role as the new regime takes stock - no immediate appointment

of a new goalkeeping coach either, but it does seem that the permanent Petr Brezovan transfer from FC Brno in the Czech Republic will go through.

Ady Williams is back to being captain and marshalling the defence, without the added off-the-field responsibilities, but surely his time will come. Barry Hunter, David Tuttle & David Lee have left the club, but such comings and goings seem a fairly regular occurrence in the world of football these days.

Stability may be the order of the day now, however, with the contracts signed to 2010, including a lock-in (rather than get-out) clause for the first 18 months. Paul Sturrock is supported by Kevin Summerfield and John Blackley. I remember him with Scotland at the 1974 World Cup in my formative years.

Good Luck to "King Luggy" et al

# TOWN LADIES

with Roger Reeves MBE

**S**windon Town Ladies kept fourth place in the South West Combination League despite being held to a draw by Clevedon.

The Town started well and a good move down the left involving Alicia Hazzard and Kerri Keene resulted in a defender's clearance bouncing off a colleague into the net. Laura Stallard then split the home defence to put Claire Moreton clear and the young striker ran on to put the Town further ahead. Clevedon pulled a goal back on the stroke of half time and got an equaliser midway through the second half. Despite a lot of pressure the Town could not get the elusive winner.

Two wins have moved the Reserves into fifth place in the South West Regional League. The Town proved to be too strong for Bradford Town and won by nine goals to one. Kirsty Jones bagged seven and there were goals for Pam Ashman and Sam Masters. The Town then visited Chippenham Town and in a thrilling game finally won by four goals to three.

Kayleigh Smith put the Town ahead, Chippenham equalise and then Kirsty Jones regained the Town's lead. Again Chippenham equalise but Kayleigh Smith put the Town ahead again. Chippenham hit back and drew level but a Cat Fisher free kick late in the game was enough to earn the Town the three points.

Tomorrow the Town host Chesham United in a South West Combination League fixture. The Town produced their best result of the season so far, when they travelled to Buckinghamshire and beat last season's runners up by two goals to nil. The match will be played at the Aldbourne FC Ground and will Kick Off at 2.00pm.

The Town Reserve play Swindon Spitfires in the South West Regional League. This game will be played at the Ballards Ash Sports Ground at Wootton Bassett and will Kick Off at 2.00pm.

Any women or girls interested in joining the club should contact club secretary John White on Swindon 824470.

# SUPPORTERS CLUB

Visit us online at [www.swindontownsupportersclub.com](http://www.swindontownsupportersclub.com)

**F**irst off today is to report that the winner of last Saturday's half-time draw was Dorothy Dart of Swindon who won £414 with ticket number 681.

I am pleased to report that plans are made for our next player's legends day which will take place at the next home game against Bury. The players will be from the glory years of the late '60's. I am already aware that Willie Penman has indicated he will be coming and more news of other attendees will be announced closer to the date.

Speaking of legends, Sam Burton who played for the Town between 1946 and 1961, is our guest at today's match on the occasion of his 80th birthday and I would like to wish him a very happy day and I'm sure fans will give him a warm welcome back to The County Ground.

The Vale and Oxon Supporters group are holding an informal meeting at Hanney Royal British Legion on November 23rd starting at 8.00 p.m. All fans are welcome to attend and as well as officials of the football club. It is

hoped that players and or the manager will also be in attendance.

The Disabled Group recently held a meeting which was attended by Fola Onibuje and Curtis Weston and the Group would like to record their thanks to the players for spending time with them to talk about life at The County Ground.

The Supporters Club have recently come to the aid of Dick Mackey with the purchase of medical equipment to the value of £500, which hope fully will help the players stay fit through the long season still ahead.

Finally today, one of our long standing sponsors Rod Sheppard of Cablerest Professional Building Services (01367 710623) will as usual be here at the match, but with his wife being a long term Carlisle fan, we do wonder how he will celebrate any Town goals this afternoon!

Lets hope for that much needed win today.

## 20 QUESTIONS...

**Striker Lee Peacock is under the spotlight this week and recently took time out to answer your questions...**

**Who would you say is the joker out of the squad and why?**

Leah & Naomi, via email

'Robbo' likes to think he is but the lads just think he's a bit boring.

**Do you anticipate the same sort of success for Swindon, with Paul Sturrock in charge, as you enjoyed at Sheffield Wednesday under him?**

John Simmons, Cricklade

Definitely! He got several promotions on the bounce with Plymouth and through the Play-Offs with Sheffield Wednesday. He knows how he wants his teams to play and I'm we will all do well here.

**Which player, out of the squad, do you get along with best?**

I'd say my travelling partner to training, Lukas Jutkiewicz and I room with him on away trips too.

**Have you named your celebration**

**against grimsby? I recommend THE SPINEROONI!**

Jamie Jordan, Swindon

I haven't named it yet because Wisey banned me from doing it ever again. He said he would fine me two weeks wages if I put my back out! He said I'm getting too old for that sort of celebration but we'll see!

**Who was your idol as a child?**

Lawrence Hams, Andover

Ally McCoist back in the day but now I would say Ronaldinho.

**If you were not a footballer what would you like to be?**

I'd like to work in the media or a celebrity stalker!

**Do you miss Sheffield Wednesday as a club and the players and**

**management within the club?**

Sarah Lucy Howe, Sheffield

They are a massive club with massive support. The fans were great there as they are at Swindon. A few of the Wednesday players went to Paul Sturrock's 50th birthday the other week so it was good to catch up and of course the manager has joined us here now!

**Lee, what was the reason behind the break dance routine against Grimsby?**

Nick Judd, via email

We had a few ideas between myself, Curtis, Fola and Monky. I told Monky at half-time that I'd do it and he didn't believe me. I won a trophy when I was a kid for break dancing so thought I'd pull it out of the bag!

**I see you have 3 pairs of Adidas Tunit's but which ones are your favourites?**

Josh, Moredon

Probably my red ones which are the Spanish international version.

**What is your**

#### **favourite colour?**

Lauren Davidge, via email

It changes with the time of year. In the summer it's a bright colour, but at the moment I'm favouring black.

#### **What car do you drive?**

A Mercedes jeep. I had to change to a jeep because other cars were hurting my back, perhaps showing a sign of my age!

#### **How many different coloured pair of football boots do you have, as I've seen you wear about three different colours so far this season?**

Ashley Fry, Swindon

I have seven different pairs of Adidas Tunits. Red, black, orange, blue, green and two pairs of white ones.

#### **Where did you get your tattoos done and how long did they take?!**

Dee Jones (Miss), via email

I get most of them done at Q's tattoos in Stroud (01453 756820). Quentin is a good friend of mine and I'd recommend his place to anyone!

#### **Do you have a favourite tattoo?**

The one on my finger and the ones on my neck – both a bit different.

#### **Fola has a song and Christian has a song so you deserve a song. What would be your choice and why?**

Any song after scoring that I could produce a little dance to!

#### **Did you do anything special for 30th Birthday in October?**

Tracey, Swindon

Nothing special but the day before, day of and day after were all a little blurry I must admit.

#### **What do you remember most about SWFC v Brighton last season? Was it your 100th league goal or the streaker who congratulated you?**

Steve Chu, Sheffield Wednesday

She came on at left-back where John Hills was and ran past him. I was howling! She got past the midfield and ran to me – before I knew it she was straddling me!

#### **Worst fashion mistake you have**

#### **ever made?**

I've yet to make one. I'm just ahead of time and people haven't caught up to my extreme sense of style!

#### **Do you think that you are good enough to become a manager one day and would you take the Swindon job if offered to you in a few years?**

Graham Jones, Moreton in Marsh

I don't think I'm the management type. I don't really have it in me to shout and bawl at people but I would like to go into coaching. Perhaps as an assistant manager but I'd love to work at Swindon ultimately...

#### **What do you do on a Saturday evening after a game?**

Ben, Purton

It varies depending on the result and the occasion. Sometimes it's a quiet meal or other time's it's a few drinks – normally the latter.

#### **NEXT TIME... ADY WILLIAMS**

To submit your questions for the Town skipper you can email [chris@swindontownfc.co.uk](mailto:chris@swindontownfc.co.uk), or alternatively send your questions to Chris Tanner at The County Ground, County Road, Swindon SN1 2ED.

# THE FA CUP

## A FIRST ROUND PREVIEW

By Gerard Butler

**L** league One and Two sides rub shoulders with some new names from the world of Non-League in forty fascinating ties.

As always, there are clashes between league rivals, and BRENTFORD vs DONCASTER ROVERS is likely to be keenly fought bearing in mind the excellent results in the cups seen last season, whilst BRADFORD CITY will look to have the edge over their League One rivals CREWE ALEXANDRA given the Railwaymen's poor away form at present. Elsewhere in West Yorkshire, HUDDERSFIELD TOWN versus BLACKPOOL looks harder to call given the inconsistent start of both sides to this campaign. However, it may well go to league form as promotion chasing SCUNTHORPE UNITED go to struggling CHELTENHAM TOWN, and with the Iron in excellent form, an away win seems likely.

Town's fellow strugglers AFC BOURNEMOUTH should have the edge over a BOSTON UNITED side who are struggling to avoid relegation from the Football League, and NORTHAMPTON TOWN, although struggling for results at home, will hope the gap in division proves decisive as they take on United's Lincolnshire rivals GRIMSBY

TOWN. League Two title challengers LINCOLN CITY, averaging two goals per away game, travel to a PORT VALE in the division above, who have faded after a bright start, and may be ripe for an upset. It's a similar verdict for LEYTON ORIENT, who have struggled since promotion, and face an experienced NOTTS COUNTY side pushing for promotion and boasting some excellent Carling Cup results. An inconsistent PETERBOROUGH UNITED side host a ROTHERHAM UNITED side who have put together some good results despite their points deduction, whilst SWINDON

in Giuseppe Sole, whilst BRIGHTON & HOVE ALBION are at home to a NORTHWICH VICTORIA side with the unwanted tag of being the most inconsistent team in the Conference top-flight. YEADING, the Nationwide South side who came to prominence two seasons ago in a run to the Third Round, have another glamour tie at League One leaders NOTTINGHAM FOREST. CHESTERFIELD will hope to avoid being a victim themselves, after their Carling Cup heroics, when they face Nationwide South BASINGSTOKE TOWN, whilst GILLINGHAM face an intriguing Kent derby with Ryman

**"LEAGUE TWO TITLE CHALLENGERS LINCOLN CITY, AVERAGING TWO GOALS PER AWAY GAME, TRAVEL TO A PORT VALE IN THE DIVISION ABOVE, WHO HAVE FADED AFTER A BRIGHT START, AND MAY BE RIPE FOR AN UPSET"**

TOWN will hope to add to their promotion challenge with a win over a CARLISLE UNITED side who have not yet won away in the league.

A number of ties pair League One sides with Non-League teams. TRANMERE ROVERS host Conference National WOKING, who boast one of the Conference's most prolific strikers

League leaders BROMLEY. YEOVIL TOWN return to the side who beat them to the Conference title in 2001, RUSHDEN & DIAMONDS, and should progress given the two division gap.

Diamonds' Conference rivals YORK CITY have a tough test at home to League One promotion chasers BRISTOL CITY, and an upset would

■ PAUL INCE WILL LOOK FOR HIS FIRST WIN AS MACCLESFIELD BOSS WHEN THEY FACE WALSALL

■ TOMMY MOONEY IS SET TO FACE FORMER CLUB & CONFERENCE LEADERS OXFORD UNITED

■ GARRY HILL'S WEYMOUTH SIDE WILL LOOK TO CAUSE AN UPSET AGAINST LEAGUE TWO BURY

seem unlikely, but it's not as clear cut in the South Wales derby between Nationwide South NEWPORT COUNTY and SWANSEA CITY, whose form has picked up markedly in recent weeks. Town's fellow South side, HAVANT & WATERLOOVILLE, have been asked to move their home tie against MILLWALL to PORTSMOUTH's Fratton Park, but may still sense a shock given the Lions' poor return to League One life, whilst Nationwide North KETTERING TOWN will be similarly optimistic, but face a stiff challenge against a League One OLDHAM ATHLETIC side who are tight away from home.

Moving onto League Two involvement, there's an intriguing derby between SHREWSBURY TOWN and HEREFORD UNITED, whilst ROCHDALE, struggling for results and goals at home, might be edged out by visiting colleagues HARTLEPOOL UNITED. In contrast, home advantage may prove key as MANSFIELD TOWN take on ACCRINGTON STANLEY, but that would be a brave verdict in the last of the quartet of all-League Two games, as bottom faces top in a game between Paul Ince's MACCLESFIELD TOWN and WALSALL, who returned to the top of the table last week. A fascinating local encounter pairs WYCOMBE

WANDERERS with the Conference National leaders OXFORD UNITED, and with the attacking options available to both sides, a high-scoring game seems distinctly possible. WREXHAM have the unenviable task of facing renowned Cup fighters STEVENAGE BOROUGH, who have returned to form following a difficult start and could well force a shock win, but that's a taller order for Ryman One LEATHERHEAD, one of the lowest ranked sides left, as they travel to TORQUAY UNITED, who are nevertheless suffering from a recent slump. WEYMOUTH, of the Conference National, are now managed by Garry Hill, who inspired DAGENHAM's Cup forays in previous seasons, and he could add the scalp of mid-table BURY to his list.

However, like the Shakers, STOCKPORT COUNTY's form has improved ahead of their game at EXETER CITY, only beaten once at home in the Conference all season. BARNET, meanwhile, face a trip into the unknown as they go to Nationwide North GAINSBOROUGH TRINITY, as do BRISTOL ROVERS who make the long journey to a BARROW side near the foot of the North table, and MILTON KEYNES who visit FARSLEY CELTIC, also of the North division, following recent

heavy defeats in the League Cup and Football League Trophy competitions. DARLINGTON visit Nationwide South LEWES, hoping to avoid a repeat of their HORNBURCH embarrassment of a few seasons ago, and CHESTER CITY complete the League involvement with a trip to the North Somerset coast to play Southern Premier CLEVEDON TOWN, but City's defence is strong enough to prevent any slip-up.

There are six all Non League ties. Two of the sides of last season's competition, BURTON ALBION and TAMWORTH meet in a local derby between Conference rivals, whilst two more sides from Non-League's top flight clash as MORECAMBE host KIDDERMINSTER HARRIERS. STAFFORD RANGERS will be optimistic against mid table Southern Premier side MAIDENHEAD UNITED, but ALDERSHOT TOWN travel to CHELMSFORD CITY of the Ryman Premier, featuring several players and manager Jeff King from the well-known CANVEY ISLAND side. Nationwide South BISHOPS CLOFTFORD have home advantage against Southern League leaders KINGS LYNN, whilst South title hopefuls SALISBURY CITY welcome Unibond Premier side FLEETWOOD TOWN to Wiltshire.

## CG.FM EXPERIENCE

with Gary and Stuart (Stadium Announcers)

OHMV  
the day for music and games

**G**ood afternoon to you all and welcome back to The County Ground. The league takes a back seat today as we welcome our visitors from Cumbria, Carlisle United, in the first round of this season's FA Cup.

I have always followed their results from afar having spent some of my military service just across the Pennines and I dare say a number of

year's final. Wembley holds great memories for this club; The 3-1 victory over the mighty Arsenal in 1969 (yes I am old enough to say I was there) and the two play-off final results against Sunderland and Leicester City. Somewhere in my faded memory I recollect a stat that Swindon Town are the only club to have graced the old Wembley turf on more than one occasion and not be beaten!

**Wembley holds great memories for this club; The 3-1 victory over the mighty Arsenal in 1969 (yes I am old enough to say I was there) and the two play-off final results against Sunderland and Leicester City...**

their supporters now look favourably at the Town's results week in week out after a certain goalkeeper, Jimmy Glass, on loan from Swindon scored a vital goal to secure their league status.

Being FA Cup day it is nice to think Wembley will be ready for this

However, it was what followed that evokes the real memories. Travelling back along the M4 and seeing all the smiling faces making their way towards junction 15 and a night of celebration that really epitomised the old adage, "Painting the Town Red".

Your support today is as important now as it was then. Where we sang the lads to victory before you can do the same again. You are the 12th man. I know Stuart mentioned in his programme notes about the No.12 shirt moving along the Town End so it was interesting to see it on the Stratton Bank in the last match. Where next? Nationwide or Arkells Stand? With the vocal support you are generating we can help the lads on the pitch and it will certainly stir up some memories of glory days gone by for us not so young supporters.

Gary and I would like to welcome Paul Sturrock, Kevin Summerfield and John Blackley on board at STFC and wish them a long and successful stay in Wiltshire.

So come on lets "Make some noize for the Swindon Boyz".

Enjoy the game and bring on Round Two!

**Gary & Stuart**

### GROUND DESCRIPTION

During the past couple of years and at a cost of £6.5m, Field Mill has been transformed into a modern stadium, with the building of three new stands. Both ends, the North Stand & Quarry Lane End plus the West Stand on one side of the pitch have been re-developed. The ends are almost identical single tiered stands, each accommodating just under 2,000 supporters.

The latest addition to the ground is the West Stand, opened in February 2001. This is a cantilevered two-tiered stand, with a capacity of 5,500. On the other side of the ground is the rather small Bishop Street Stand, a covered seated stand that only runs half the length of the pitch. This now looks rather dowdy alongside its new shiny neighbours.

### AWAY SUPPORTERS

Away fans are now housed in the North Stand (the opposite end from last season), a move that has been unpopular with a number of home fans, as the North End of the ground has been the traditional home end for many years.

As you would expect from a relatively new stand the views of the playing action and facilities are pretty good. Around 1,800 supporters can be accommodated.

### GETTING THERE

**By Road:** From The South: Leave the M1 at Junction 28, take the A38 to Mansfield and after 6.5 miles turn right at the crossroads into Belvedere Street, then turn right into Quarry Lane.

Parking is available at the ground for £2 and

there is street parking also available.

**By Rail:** The ground can be seen from Mansfield railway station which is no more than ten minutes walk away. The station is on a local line and is served with trains from Nottingham. To get to the ground from the station; Leave the station and turn left along the dual carriageway, away from the town centre, you should see a retail park on the right. Go straight ahead at the first set of traffic lights, along Portland Street and then right at the next lights and into Quarry Lane. The ground is a short distance down this road on the right hand side.

### AROUND THE GROUND

The *Early Doors* pub next to the ground is popular with both home and away supporters, although it can get rather crowded. It does quite good food and has an outside seating area. *The Talbot* on the A60 near to the Sainsburys Supermarket is also a good bet and the *Sir John Cockle* pub is on the A38 going into Mansfield from the M1 and again serves good food.
