'THERE WAS A GREAT ATMOSPHERE AT HUISH PARK LAST WEEK'

GOOD afternoon everyone. I'd like to offer a very warm welcome to Danny Wilson, his players and staff.

Swindon, like us, are at the wrong end of the table and they present a stern test as we both battle to get away from the relegation zone.

I was really pleased with the response we had from the lads for the MK Dons match and to keep a clean sheet against one of the league's top scoring sides was no mean feat.

Our new loan signings all contributed well and both Jon Obika and Andros Townsend were very unlucky not to mark their debuts with a goal.

In Jon's case a linesman's flag got in the way of a great start and Willy Gueret's great save robbed Andros of what seemed a certain goal.

I never thought the job was going to be easy but I feel we are improving and if the team can perform like they did last Saturday then we won't have too many worries.

The supporters too played their part and on a lovely sunny day I thought it was a great game to watch.

Local derbies are always exciting and today's match could be the big-

gest for some time with both teams in such a precarious position. If ever a match was a so called 'six pointer' then this is it.

At the time of writing I am still trying to bring in some more players and I hope by the time you read this we will have achieved our objectives.

It's certainly no exaggeration to say I have a number of spinning plates in the air so we will have to see which one drops first.

So it's onwards and hopefully upwards but we do need your support. I thought there was a great atmosphere at Huish Park last week and I hope we can generate the same enthusiasm today.

So please get behind the lads and let's hope for three points and my first real win as Yeovil manager.

Enjoy the match and have a safe journey home.

KEV AND JAMIE RETURN

TODAY sees the return of two former Yeovil Town players. Visitors Swindon include defenders Kevin Amankwaah and Jamie Vincent in their ranks this afternoon.

Kevin joined Yeovil at the beginning of 2005 from Bristol City. He played nearly sixty times for the Glovers netting one goal and

was part of the team that won the League 2 title in our second League season.

Jamie joined Yeovil in 2006 having played previously for, among others, Derby and Portsmouth. His spell at Huish Park was brief though and he didn't make an appearance for the first team.

TERRY BRINGS IN MORE LOAN SIGNINGS

WITH the closure of the loan transfer window on Thursday, Yeovil manager Terry Skiverton was again busy this week.

First of the latest new signings, who arrived on Wednesday, was midfielder Danny Maguire from Queens Park Rangers.

Nineteen-year-old Maguire has come through the ranks at Rangers and has been at the club since he was eight years old.

During his time at the club he began to be noticed during his time in the youth side and last season was appointed captain of the Under-18s side.

Noted for the strength of his passing and reading of the game

Maguire was offered his first professional contract at the end of last season.

Also in on loan is midfielder David Noble who was brought in from Bristol City after some more help from former manager Gary Johnson.

A former Arsenal trainee Noble signed for City from Boston United in January 2006. He has also had spells on loan with West Ham and Watford.

Noble has made 64 appearances for City to date scoring eight goals in the process.

Both players will be in the squad for today's big match with local rivals Swindon Town.

Everyone at the club would like to wish Danny and David all the very best during their stay at Huish Park.

NEWS SHORTS

FORMER Yeovil Town striker Giuliano Grazioli has been forced to retire from the game after being diagnosed with a serious eye condition.

A build up of pressure behind the eye has led to specialists advising the Finchley-born striker to give up or face losing his eyesight.

Giuliano joined Yeovil on loan from Peterborough in November 1995 and the next three months saw him achieve legendary status with a prolific spell.

In thirteen appearances, he scored sixteen goals including six doubles and formed a lethal partnership with Warren Patmore. Their goals helped Yeovil to fourth place in their first season in the ICIS League after relegation.

The striker was prolific everywhere he played. He once hit five in a game for Peterborough and scored 114 goals in 212 games for Barnet.

He will remain at Ryman League Dover, his last club, and will do some scouting and coaching for them. Everyone at Yeovil Town would like to wish Giuliano the very best for the future.

YEOVIL Town Reserves were narrowly defeated 2-1 in their recent fixture with Plymouth Argyle at Somerton.

Consisting largely of players from the Under-18s side, the Glovers went on to take the lead after just eleven minutes when Lloyd Moyce's cross was converted by Adam Wakley.

Argyle reacted well to the early set back though and hit back with two first half goals.

The second half was end-to-end stuff and the Glovers were perhaps unlucky not to get an equalising goal but the away side managed to hold on to claim the win.

INSIDE HUISH PARK

YOU may well have noticed a special presentation on the pitch at half-time in last week's game against Milton Keynes Dons.

Club dentist Don Gibson received a shirt from defender Craig Alcock to mark his 50th birthday. Don has been looking after the team's teeth now for almost seven years.

"I came down to Yeovil in the late nineties and Jean and Terry Cotton were my patients" he recalls.

"Jean mentioned that the players didn't have anyone to look after their needs so I started to treat them.

"When Gary Johnson arrived, he took things to a new, more professional level and I began to do check-ups and treatment for all the squad."

Don was born in Lanark, near Glasgow, in the same hospital as former Yeovil Town physio Jim Joyce.

He took his dentistry degree upon leaving school, qualifying at the age of 22. He joined the Royal Air Force six years later and spent more than a decade treating servicemen from Shetland to Germany.

"I was due to leave the RAF and saw the position for the practice in Yeovil. I rang them but they were looking for someone more immediately. Twelve months later, I came down anyway and the rest is history."

Yeovil Town Football Club was the only thing that Don knew about the town prior to living down here but the past decade has seen him become one of the club's biggest supporters. Happy birthday Don!!

RETURNING HERO

SINCE LEAVING FOR BRISTOL CITY GOALKEEPER CHRIS WEALE HAS BEEN RESTRICTED ON HIS QUEST FOR THE BIG TIME BUT NOW HE IS BACK WITH THE GLOVERS ON LOAN THE LOCAL BOY IS HOPING TO RECAPTURE THE FORM THAT MADE HIM SUCH A SUCCESS BEFORE

CHRIS Weale may have returned to League 1 on loan - but the Yeovil-born goalkeeper still has his heart set on playing in the Premier League.

Weale left Huish Park nearly three years ago to link up with former Town boss Gary Johnson at Bristol City.

He moved while still recovering from a serious knee injury, an injury which ended hopes of a move to West Ham.

BY CHRIS SPITTLES

And despite suffering a frustrating time at Ashton Gate so far, the 27-year-old is still aiming for the top.

He said: "Looking back to when I left, I'd done my cruciate and ideally I'd have wanted to leave Yeovil having signed a million-pound deal some

CONTINUED ON PAGE 13

where to play in the Premier League at the age of 23 or 24.

"That didn't happen, I got the injury and I was out of contract. Gary Johnson at Bristol City gave me a very good offer that I couldn't really refuse.

"It was a club going somewhere, I knew Gary and I knew he got the best out of his players. I couldn't turn it down.

Sad

"I was sad to leave Yeovil but I felt that maybe the club had gone as far as it could at that time so it was the right time.

"I love the club and I'm very passionate about it having supported Yeovil since I was a young lad.

"The first game I saw was at the old ground and it was always an ambition of mine to play in the first team, which I did.

"But I've got ambitions and goals I want to achieve so I felt I had to leave in order to progress towards them.

"Over the last couple of years things haven't gone as well as I'd have hoped but fingers crossed that will change soon.

"I was close to going to West Ham at one point before the injury and you do hear things, but that's all in the past.

"I LOVE THE CLUB AND I'M VERY PASSIONATE ABOUT IT HAVING SUPPORTED YEOVIL SINCE I WAS A YOUNG LAD"

"I just want to focus on now. I know I've got the ability to get to where I want to get to and it's just a matter of time in my opinion.

"I'm 27 now but keepers don't reach their best until their early 30s and I've coped well with the setbacks I've had."

Weale has suffered a number of injuries while at City and his opportunities have also been limited by the excellent form of Adriano Basso.

Benefited

But he still feels the move up the A37 has benefited his career and intends to make his mark in the City first team after completing his loan spell with the Glovers.

He added: "I have had a few injuries and I slipped a disc in my back while I was training and twisted my pelvis as well, so that wasn't good.

"Then I broke my thumb and hurt my wrist as well. I was frustrated at not playing and maybe sometimes you do too much.

"I've tried to ease back but you try to train hard to improve and make sure you're ready when called upon and maybe I've pushed it too much in the past.

"But I need to be playing games and I believe I'm a number one goalkeeper. There's number ones and number twos and I believe I'm a number one because of the way I approach every day really.

"I've had my injuries but they're in the past and I'm looking after myself a lot better now and listening to my body and mind more.

"Once you get a grasp of that, life becomes a lot easier so I'm getting there.

"I've become a better player and a better person for having moved and I love Bristol as a city. On a personal level it's been fantastic for me and my girlfriend.

"Professionally it hasn't gone as well as I'd liked it to, but you never know with football and a change in fortune could be just around the corner.

Stronger

"You can't have success all the time. I think if you have failure it makes you a better person. Through adversity you become stronger.

"I've been positive over the last three years. I've had injuries but I've bounced back every time and I believe I've been a better goalkeeper every time I've come back. That will hopefully show on the pitch."

Weale has returned to a Yeovil Town

squad with few players left from his spell with the club.

And he finds two of his former team-mates - Terry Skiverton and Nathan Jones - installed as the management team.

He added: "The club hasn't changed much. The playing staff has but the other staff haven't and it's been great to see everyone again.

"The manager is very relaxed, very himself and a very good person to get on with.

Inspirational

"He was an inspirational character when I was here before and he's a very inspirational person now. I've been impressed with both of the management team. They are very positive people, similar to myself.

"The manager is trying to get the right people in to create a better, positive atmosphere around the club.

"We started in the Conference and worked so hard to force our way up into the position the club's in at the moment.

"I am passionate and I want to keep the club in League 1. I don't want to get too passionate because that can affect performances and there's only so much a keeper can do but I'm desperate to help Yeovil stay up."

"I'VE BEEN IMPRESSED WITH BOTH OF THE MANAGEMENT TEAM. THEY ARE VERY POSITIVE PEOPLE, SIMILAR TO MYSELF"

'WE NOW LOOK FORWARD WITH CONFIDENCE'

GOOD afternoon everyone. I would like to welcome the players, officials and supporters of Swindon Town to Huish Park.

I hope they enjoy their stay with us and have a safe journey home.

Last weekend's game with MK Dons saw loan signings Jon Obika, Andros Townsend and Chris Weale all produce excellent performances that appeared to lift the whole team as we sought to exorcise the horror of Brighton.

We were somewhat unfortunate not to collect all three points against MK Dons as acknowledged by their manager Roberto Di Matteo, but the performance was much improved and provides much encouragement for the forthcoming games.

On the transfer front Danny Maguire has agreed to join us from QPR and David Noble has come in from Bristol City. I would like to welcome the players to the club and hope they enjoy their stay with us.

Terry and Nathan have worked assiduously to identify and recruit the players they have felt were required to get the job done and we now look forward with confidence to a positive end to the season.

The support last week was superb. Please keep that coming and encourage your friends, relatives and neighbours to come to Huish Park for the remaining home games.

We have recently been working hard behind the scenes in preparing our ticket prices for next season.

After consultation with supporter's representatives and approval by the

LIFT: The performance of John Obika and the other new loan signings made a big difference last weekend

board we will be offering a wider choice and substantially improved value to our supporters for the 2009/2010 campaign. A detailed announcement will be forthcoming in the next few days.

Our partnership with the Royal Navy and our Centre of Excellence continues to develop and I'm delighted to announce that Lt Chris Roberts will be joining us on a six month secondment in May to work with our Community operation.

This will provide us with a significant increase in our capability to deliver additional programmes in the local community and enhance the club's reputation in this area.

Enjoy the game and take care.

"DESPAIR is the damp of hell, as joy is the serenity of heaven"
– John Donne (1572 – 1611) British metaphysical poet.

It would certainly be wrong to despair before the next few vital games beginning with today's contest against Swindon.

We offer their players, officials and supporters a warm welcome and a safe journey home.

It is sad that two local sides should be competing to avoid relegation. I am keen to see West Country sides do well, though not, of course, at our expense.

We now have a date for the Murder Mystery Evening which will take place on May 1 with a 7.30pm start. Price is yet to be confirmed but we do need names of those hoping to attend as soon as possible. These should be given to Chris White or any committee member.

We have also arranged our annual Christmas Dinner. This year's event will be held at the Haynes Motor Museum in Sparkford at a cost of £35.00 which covers a four course meal with a choice of dishes and live entertainment.

The latter will be provided by the same group which recently entertained us at Alan Ball's wedding celebration. Again, we need to know numbers as soon as possible.

Finally, congratulations to young Michael Chant who played for the England Cricket team for players with disabilities at Lords on March 16. The 27 year old scored fourteen runs, helping his side to a narrow victory.

I am sure that all will agree that every one of these players is a winner and will join me in wishing young Michael all the best for the future.

A NEW HOPE!

LAST week's goalless draw here with MK Dons was described to me as a new beginning, a new hope.

The latter expression reminded me of my youth. We had black and white TV - yes there really was life before technicolor - with Brian Moore presenting The Big Match. Do you remember the brilliant commentaries from the doyen of football commentary and Hugh Johns, who always did the games from the Midlands.

Apart from The Big Match, we had World of Sport. The titles had two light aircraft linked by a flag, and Dickie Davies presenting. Did he ever finish painting that ceiling?

No, what I really remember, and here's where the new beginning bit comes in, was Star Wars.

It's funny as the guy who mentioned last week being a new beginning looked exactly like Jabba the Hutt

- too many trips to Pizza Hut if you ask me!

Yeovil's 2009 version of Obi-Wan Kenobi is Terry Skiverton, hoping today the force is with him and his Green and White Jedi Knights as they battle to escape football's equivalent of Darth Vader and the Death Star - relegation to League 2.

Spotlight

Today's game, as well as others involved at the top and bottom, are in focus as Leagues 1 and 2 hog the spotlight while we wait for England's game later on in the afternoon.

A bit like the Formula One cars preparing for action tomorrow in Australia, now is the time for teams hoping to go up or stay to move up a gear or two, hit the accelerator and head for the finishing line.

To that end, Yeovil must start winning to be in pole position to maintain their League 1 status - going down will be the pits.

Finally, talking of the pits a quick update on my Man Utd friend who was at his wits end after the defeat by Liverpool. You remember the guy who'd been having recurring nightmares after that defeat at Old Trafford?

Well he called me after Fulham's win last Saturday. He was more down beat than the first contestant who was fired from The Apprentice.

I could only offer my friend the limited comfort that his team couldn't lose this weekend, but hey there's always next Sunday!

UNDER PRESSURE:
Carlisle United manager Greg Abbott

LEAGUE 1 REVIEW

BY DAVID COATES

UNDER-fire Carlisle United manager Greg Abbott has won a vote of confidence in the Brunton Park boardroom.

The Cumbrians' chief executive David Allen has urged supporters to get behind the team after they slipped to just three points above the League 1 relegation zone with a 2-1 home defeat to fellow strugglers Hereford United on Tuesday night.

Fans turned on the team after the midweek defeat which left them without a victory since the start of March and there could be further demonstrations at today's home match with Northampton Town.

Allen said: "We are well aware of where we are at and what we need to do. I know there has been a little bit of criticism for ourselves and for Greg, but there is no complacency at all, we know we are in a battle and we will be battling."

Abbott, whose side lost out to goals from ex-Glover Ben Smith and veteran Bulls' striker Steve Guinan, complained his side paid the price for poor finishing.

He said: "When players put the ball over the bar from four yards with their keeper nowhere near and people miss headers unmarked at the far post — how can I explain that?"

Northampton boss Stuart Gray branded his side's defending "sloppy" as they sunk to a 4-3 defeat against Swindon Town in the week.

The Cobblers, who visit Huish Park on Tuesday, went ahead inside three minutes through Adebayo Akinfenwa then leading three goals before half-time.

Gray said: "The really disappointing thing is the way the goals were conceded. It was poor all round."

Roberto Di Matteo, manager of MK Dons, was also furious at his backline after seeing them ship two goals in the second half to gift Crewe Alexandra a 2-2 draw at stadium:mk on Tuesday.

He fumed: "It was five minutes of madness that cost us two points."

The Italian reacted by bringing in Irish midfielder Stephen Gleeson on loan from Championship side

Wolves until the end of the season on Wednesday.

He said the 20-year-old would "add a lot of quality" to his side's midfield.

Ex-Dons boss Martin Allen was full of praise for his bottom side Cheltenham Town despite seeing them concede a last-gasp equaliser to give Oldham boss Joe Royle his first point since returning to Boundary Park last week.

Allen, who this week made defenders Shane Duff and Alan Wright, midfielders Josh Low and John Finnegan and striker Paul Connor available on loan, said: "They absolutely ran themselves into the ground. I thought they were absolutely outstanding.

"We played some good football and players inside the dressing room are devastated and I'm disappointed for them and the supporters."

SWINDON TOWN

BY CHRIS DUNLAVY

A 3-1 win over Tranmere on the opening day of the season saw Swindon go third in the table – unfortunately, that was about as good as it got for the Robins.

By mid-November they had managed just three more wins in the league and that barren run cost manager Maurice Malpas his job.

Danny Wilson stepped into the breach on Boxing Day and even he found things tough at first. But a recent change in fortunes has seen the Robins win their last three games including a dramatic 4-3 win last Tuesday at Northampton.

A helter skelter tie against Yeovil at the County Ground in December saw the Glovers take the three points courtesy of a Jerel Ifil own-goal.

Goals from Craig Alcock and Lee Peltier put Yeovil 2-0 ahead but Michael Timlin and JP McGovern levelled things up before Ifil headed into his own net.

Here's a couple for the pub quiz too. In Swindon's one season of Premier League football in 1993-94,

On a more positive note, they are one of very few English clubs who have never lost a game at Wembley.

MEET THE SQUAD

PHIL SMITH

Squad Number: 1

Position: Goalkeeper

ORIGINALLY on the books at Millwall, goalkeeper Smith left the New Den in 2001 and worked his way back through Non-League with Folkestone Invicta, Dover, Margate and finally Crawley.

Snapped up by Swindon in 2006, his heroics between the sticks saw him named fans' Player of the Season that same season and the 29-year-old is now the Robins' undisputed No.1.

JACK SMITH

Squad Number: 2

Position: Defender

A VERSATILE full-back who can also bang in a few goals, 25-year-old Smith joined Swindon from Watford in 2005 and

has been a regular ever since.

Capable of playing on either side of the defence and in midfield, Smith played in all but five of Swindon's league games as they won promotion from League 2 in 2007 – and has clocked up another 31 starts this time round.

JAMIE VINCENT

Squad Number: 3

Position: Defender

A VASTLY experienced defender, Vincent has made over 350 League appearances and changed hands for a combined total of £1.3m in a 16-year career with the likes of Bournemouth, Portsmouth, Huddersfield and Derby.

Briefly with Yeovil, the 33-year-old never made an appearance at Huish Park and joined Swindon in 2006

STAR ATTRACTION: Free scoring striker Simon Cox has reportedly attracted the attention of some Premier League clubs

where he is currently vice captain.

MICHAEL TIMLIN

Squad Number: 4

Position: Defender

A NATURAL winger who has been converted into a central midfielder, Timlin is a product of the Fulham youth academy and an Irish Under-21 international.

Having failed to break into the first-team picture at Craven Cottage, the 23-year-old decided to pack his bags and after two impressive loan spells at Swindon last season, made the deal permanent during the summer. Now a fixture in midfield.

JEREL IFIL

Squad Number: 5

Position: Defender

LIKE Timlin, 26-year-old Ifil joined the Robins in 2006 having spent three previous spells on loan at the County Ground.

The brother of former Tottenham star Phil Ifil, Jerel is an imposing centre-back whose aggressive style and powerful build have seen him nicknamed 'The Beast' by the Swindon faithful. Previously with Watford.

HAL ROBSON-KANU

Squad Number: 7

Position: Midfielder

YEOVIL have already come up against rangy striker Hal Robson-Kanu this season – the Reading youngster was on loan at Southend for the first half of the season and hit what turned out to be the winner as they beat the Glovers 2-1 at Huish Park.

Back in League 1 after a brief return to Reading, the 19-year-old has hit three goals in eleven games for the Robins.

ANTHONY McNAMEE

Squad Number: 11

Position: Midfielder

SHORT in stature but big on pace, winger McNamee was a big part of the Watford side that won promotion to the Premiership under Adie Boothroyd in 2006 and went on to play seven times in the top flight.

However, following Watford's relegation, he fell out of favour and joined Swindon last January. Since then he has made 50 appearances for the Robins, scoring twice.

PETER BREZOVAN

Squad Number: 12

Position: Goalkeeper

SLOVAKIAN international Brezovan, 29, joined Swindon from FC Brno in the summer of 2006 and made an instant impact, saving two penalties against Hartlepool on his debut and winning the Player of the Month award.

However, a broken arm kept him out for much of the season and since returning, the 6ft 7in stopper has been forced to share goal-keeping duties with Phil Smith.

KEVIN AMANKWAAH

Squad Number: 15

Position: Defender

FORMER Glover Amankwaah was a popular figure in his days at Huish Park, playing in all but two games as Yeovil consolidated their place in League 1 in 2005-06.

The pacy right-back joined Swansea for £250,000 that summer but left for Swindon in June after an injury-hit two years at the Liberty Stadium.

LILIAN NALIS

Squad Number: 17

Position: Midfielder

NOW 37, midfielder Lilian Nalis is a veteran of more than 400 career appearances.

Joined Leicester City in 2003, playing in both the Premiership and the Championship. Then had spells with Sheffield United and Plymouth – where he was voted Player of the Year in 2006-07 – before joining Swindon last July.

MARK MARSHALL

Squad Number: 18

Position: Midfielder

LARGELY used as an impact player this season,

SWINDON TOWN

PACEY: Winger Anthony McNamee has netted two goals for the Robins this season

winger Mark Marshall has made nine appearances from the bench but is still waiting for his first league start.

The 22-year-old was signed from Non-League Eastleigh in July after impressing in a trial game against Portsmouth and has previously plied his trade with Grays and Carshalton.

BILLY PAYNTER

Squad Number: 20

Position: Forward

DESPITE only being 24, Paynter is already a veteran – he made his debut for Port Vale eight years ago aged just 16.

The striker went on to play 144 games for Vale, scoring 30 goals before switching to Hull for £150,000 and then to Southend for £200,000.

However, he fell out of favour at Roots Hall and signed for Swindon in the summer of 2007. Has barely missed a game this season, hitting 10 goals in the process.

BLAIR STURROCK

Squad Number: 21

Position: Forward

THE son of former Swindon boss Paul, striker Blair Sturrock is back at the County Ground after a brief loan spell with League 2 Bournemouth.

The 27-year-old made his Swindon debut in November 2006 and went on to hit three goals in nineteen games as the Robins were promoted from League 2. Has mainly featured from the bench this term.

HAMDİ RAZAK

Squad Number: 22

Position: Forward

FRENCH striker Hamdi Razak, 23, joined the Robins in January after hitting a hat-trick against Swansea City in a trial match.

AS a midfielder with the likes of Chesterfield, Brighton, Luton and Sheffield Wednesday, Wilson made more than 600 League appearances and notched up over 100 goals in his playing days.

But it was as the manager who led Barnsley to the top-flight for the first time in their 110-year history that he really shot to fame.

Barnsley's stay lasted just one year and since then, Wilson, 49, has gone on to manage Sheffield Wednesday, Bristol City and MK Dons.

In 2006-07 he led Hartlepool to promotion from League 2 but was acrimoniously sacked in December 2008. Days later, he joined Swindon.

SEAN MORRISON

Squad Number: 25

Position: Defender

AFTER breaking into the first team in the final two games of last season, 18-year-old Morrison has pushed on and cemented his place in Swindon's defence this term.

SIMON COX

Squad Number: 31

Position: Forward

SWINDON'S stand-out performer this season, striker Simon Cox has plundered an impressive 25 goals in 40 games.

His form has alerted several Premier League big guns, with both Fulham and Bolton believed to be weighing up £1m bids.

Previously with Reading, the 21-year-old signed for Swindon last January after notching eight goals in nineteen games in a four-month loan spell at the County Ground.

GORDON GREER

Squad Number: 33

Position: Defender

GLASWEGIAN centre-back Gordon Greer, 28, joined Swindon on loan from Doncaster in January and has instantly become a fixture in the side.

Greer has also represented Scotland's B team.

FAN SINCE
1988

HOW DID YOU BECOME A SWINDON FAN?

I MOVED to Swindon in 1987 with my job. Up until then I had been an 'armchair' fan of Tottenham, but was really just a football fan.

The first time I saw Swindon was at Upton Park against West Ham, which was also my first ever live game.

From 1988-1994 I only missed a handful of home games, but then my job took me all over the country and that, together with financial constraints, limited the number of games I attended.

I started going regularly again about five years ago and haven't missed a game this season.

WHAT HAS BEEN YOUR BEST MEMORY OF THEM?

DEFINITELY the football we played under Ossie Ardiles and Glenn Hoddle.

The two play-off finals at Wembley were special, as were the semis, particularly the two against Blackburn Rovers in 1990.

We won 2-1 at Ewood Park in the first leg, then took them back to The County Ground and won by the same margin.

Taking my son (then aged four) to see Swindon's last game in the Premier League was also special.

AND THE WORST?

BEING demoted by two divisions, after winning promotion at Wembley in 1990 was a hard pill to stomach, as was Hoddle's resignation after we finally secured promotion to the top flight in 1993.

More recently it has been the relegation to League 2 in 2006, made more miserable by the fact it was sealed away at Bristol City.

The financial problems that the club endured up until recently, with

the possibility of the club ceasing to exist, is without doubt the worst.

WHO HAS IMPRESSED YOU THIS SEASON, TEAM-WISE AND PLAYER-WISE?

FABIAN Delph at Leeds has been head and shoulders above any other player I've seen this season.

Team-wise it's difficult to say as Swindon usually play very well against the decent sides and struggle against those in the bottom half.

Huddersfield played some nice football. Obviously Leicester have been very strong all season.

WHO SHOULD YEOVIL BE WARY OF THIS AFTERNOON?

SIMON Cox is always dangerous and, on their day, Anthony McNamee and Hal Robson-Kanu can be potent threats down the wings.

Our most improved player this season is, for me, Kevin Amankwaah. Yeovil fans don't need me to tell them what he's capable of!

WHICH FOUR TEAMS WILL BE RELEGATED THIS SEASON?

OBSIOUSLY I won't say Swindon! Cheltenham, Hereford, Brighton and one from Yeovil, Northampton, Orient and Crewe.

IS THERE ANY MAJOR DIFFERENCE NOW THE MONEY TROUBLES SEEM TO HAVE GONE?

OFF the pitch we've definitely seen improvements. The whole set up appears much more professional and the new board is committed to making the club a profitable business.

Andrew Fitton comes across as a man with a desire to take the club as far as he can, within the boundaries of sensible financial management.

That, to me, is the blue print all football clubs should adhere to.

On the pitch it's not been smooth sailing. The previous manager, Maurice Malpas, wasn't as successful as most of us hoped.

Danny Wilson has come in and had to change things considerably. After a slow start with him in charge the team is finally getting the results and, hopefully, will pull away from the relegation zone.

YOUNG SUPPORTER SPOTLIGHT

PICTURED here before our game at Walsall is eleven-year-old ADAM DEAN. It was a special day for Adam because it was the first football match he had ever been to. His dad Gary moved from Yeovil to the Birmingham area six years ago and is still a Glovers fan, so the opportunity to make Adam's first match a Yeovil Town game was too good to be missed. Young Adam enjoys playing football himself and plays in midfield for his school Meadows Primary in Northfield.

OPPOSITION MASCOT

SWINDON Town's mascot Rockin' Robin really is a plucky bird. Rockin follows a strict pre-match routine entertaining the Swindon fans and has been known to knock over Father Christmas!! He performs a pre-match haka to the tune of Rockin' Robin. The dance resembles the war cry of the New Zealand Rugby Team. He also makes hospital visits, takes part in fundraising, opens shops, entertains at weddings, conducts choirs, opens church fetes and even joins the carnival procession. He competed in the 2006 London Marathon finishing in a rapid 4 hours, 4 minutes and 32 seconds! Phew!!!

COMMERCIAL CORNER

Football League commissioned an independent assessment of the family experience at all 72 League clubs during this current season through the use of "mystery shopper" families.

Unbeknown to clubs, family groups attended matches at each club and assessed the family experience on offer.

This was measured by taking into account the levels of service in areas ranging from the ease of purchase of tickets, visiting the Official Club Shop, and helpfulness of stewards, to ticket pricing and child protection policies.

In acknowledgment of this wonderful achievement I would like to pass on my sincere thanks to everyone associated with Yeovil Town Football Club.

TWELFTH MAN: The support of the Glovers faithful will be vital for helping the players for the remainder of the season

BY CHRIS
SWEET

Western Gazette

WE are fast approaching that time of year again when football managers and fans alike remain glued to the league table.

Media reports begin to fill with phrases such as "crunch time" and fixtures left until the end of the season become major talking points.

Time is running out for clubs to reverse their ailing fortunes and claw their way to safety, clear of the threat of relegation.

The clock is ticking for sides wanting to mount a late title push or run to the play-offs, while others want to consolidate their respective positions.

Looking at the current state of Coca-Cola League 1 the climax to this campaign promises to be fascinating.

Whereas the top spot seems to be almost decided, every other position in the division is up for grabs.

Only a handful of points separate the top half teams and those in the play-off spots, while, in my opinion, there are six teams above the relegation zone that could be sucked back in.

Neutrals have commented that

SQUEAKY BUM TIME

nobody wants to win the Championship, but the same could be said about League 1.

Each and every team is fighting for something and it would not be a surprise if the complexion of the division was to alter again before the first weekend in May.

There is still plenty of football to play, with an already hectic fixture schedule made even worse because of poor weather at the start of the year.

Meaning

Supporters are in for plenty of matches, arguably holding even greater meaning than many of the games already played.

For fans this time of year is not only exciting but potentially nerve-wracking.

Admittedly, if your club is content with a mid-table berth then there is little to play for. But in League 1, that is by no means the case.

As someone who has watched Yeovil Town for seventeen years I have

endured plenty of ups and downs with the Glovers.

These seasons have been made all that more memorable by an eventful climax to the season - something that is facing thousands of fans across the country.

If ever clubs needed a 12th man in the support of their followers then this is the time.

A supporter's interest in the game is sure to be heightened as the season reaches its climax and the team will be sure to be boosted by those few extra supporting shouts.

For many League 1 clubs Saturday 2 May promises to be an emotional day, but one that will certainly live long in the memory.

After all, these kind of events are why we love football and are so passionate about our chosen team.

And before we know it, we will be thinking about doing it all again for another year!

The Quedam Centre is proud to be the main sponsor of Yeovil Town Ladies and to be YVFC's official partner in the Kick Racism out Of Football and Give Racism the Red Card campaigns.

PHELPS: IT'S NOT OVER YET

FOLLOWING a couple of disappointing results, some people had written off the Yeovil Town Ladies chances of gaining promotion this season.

But manager Steve Phelps believed the dream was still very much alive. He promptly added to his squad, tweaked the formation and saw his side thrash promotion rivals Chesham United 4-0, keeping Yeovil in the mix, and still on the shirt tails of leaders QPR.

"We learned a few harsh lessons in the two games before Chesham," Phelps said.

"I think those opponents had sussed our 4-3-3 formation, and punished us for it.

"That draw and defeat were a blow, but the girls knuckled down, and have come out of it stronger and even more hungry for success.

"Those games proved the impor-

BY ALI KING

tance of having to be adaptable when things aren't going your way.

"So we changed to a wing back system last Sunday.

"It started off a bit ropey, but we got used to sitting and not letting the opposition break us down, and getting the wing backs forward to cross the ball in. It worked a treat, with the result speaking for itself."

QPR are still in pole position, but Phelps feels that his side are still in with a good shout.

"We are obviously relying on other results," he admitted.

"But if we can win our remaining four league games, that will put the pressure on. QPR have got some hard games coming up, so you never know what may happen.

"I'm optimistic that we still have a chance, and we'll keep fighting right till the end."

YTFC YOUTH

TRICKY: Lloyd Moyce was a constant threat on the wing

LEWIS DOUBLE FIRES GLOVERS TO VICTORY

YEOVIL Town Youth continued their good form with a 2-1 win at home to Hereford last weekend.

On a windy Saturday morning it proved to be a game of two halves due to the conditions.

Hereford had the strong wind in the first half and had most of the play, but it was Yeovil who scored first.

After twenty five minutes, Corrie Lewis, starting his first game, scored a great goal running through the middle and calmly lobbing the on rushing keeper.

With Jo Byrne and Jason Sangha dominant at the back, not a lot was seen of the Hereford forwards and Lloyd Moyce, playing on the right wing, always looked a threat with his trickery.

The second half saw Yeovil kick with the wind and they got off to the perfect start when again, the speedy Lewis ran through and rounded the

keeper to roll the ball into an empty net.

Yeovil had chances to score more, and with better finishing they might well have done.

With ten minutes left the visitors broke away to score and gave the Glovers a tense last ten minutes but they held on to secure three points.

Harry Montacute had another strong game in midfield for the Glovers with Ashley Clarke and Tom Scott working tirelessly.

The win lifts Yeovil up to seventh and if they can continue their good form they could finish the season in the top four. The young Glovers' next match is away to Oxford United.

COMMUNITY SPORTS TRUST

OFFICIAL: Yeovil manager Terry Skiverton opens the Reckleford recreational area with Heather Ribalta, left, and Deputy Mayor of Yeovil, Councillor Philip Chandler, right and Deputy Mayoress Linda Jones, far right

YEOVIL Town Community Sports Trust have continued their close association with the Prince's Trust by getting involved with a second group of youngsters suitably named the 'Yeovil 14'.

'Yeovil 14', nine local volunteers aged 16-25, are on the Prince's Trust team programme which is a twelve week development programme delivered by Bridgwater College in which volunteers gain both teamwork and community skills to achieve a Level 1 City and Guilds certificate.

Part of that course involves a local community project and the 'Yeovil 14' thought a suggestion made by Community Trust Officer Roy O'Brien was perfect for their purposes.

Roy and Yeovil coaches Dave Gudge and Tony Rich have been involved with Barbara Hooper, Police Community Support Officer for Reckleford, and Louise Forshaw of the Residents Association in getting Thursday night coaching sessions and football matches off the ground at Reckleford recreational area.

The area which surrounds the court was very neglected and the team wanted to improve this so that families could sit and watch the evening matches.

The team agreed to cut down shrubbery, clear the area, create a

TRUST SHOW SUPPORT FOR 'YEOVIL 14'

seating area, clean the tarmac and paint the perimeter boards.

Any money spent needed to be raised by the team and they undertook a stack of activities which included a sponsored abseil, car boot sale, cake sale and table top sale.

Yeovil Town started it all off by donating both a signed football and a signed shirt and the fundraising ended with a sponsored football match which was kicked off by new manager Terry Skiverton.

In total the team raised £700 and having spent £300 on materials were proud to present a cheque to Louise for £400.

"I cannot believe the transformation in such a short period of time," said Roy O'Brien.

"The team must have worked really hard and I am thrilled that the youngsters will have the use of the new facilities.

"I am also pleased to hear that the community came out of their houses

to help. I would like to thank the team for all their hard work and determination to get this done."

Heather Ribalta, team leader for 'Yeovil 14' added, "When my team chose the project, I knew that it would be a really good project, but it has amazed me how the community have come together.

"You know when everyone comes out of their doors to volunteer their own time to get it done that it is a worthwhile project.

"It is a real testament to the good work of the local Resident's Association who are already trying to get youngsters off the streets to tackle life in a positive way.

"Louise's enthusiasm, passion and commitment kept us going and I am thrilled that my team have helped her reach her goal.

"Yeovil 14 would like to thank everyone involved and hope that everyone will benefit from the work they have done for years to come."

RECRUITMENT SOUTH WEST

IN THE LATEST PART OF THE HUISH PARK YEARS, **MARTIN McCONACHIE** REMEMBERS THE DAY GIANTS LIVERPOOL CAME TO TOWN. FOR A LARGE PART OF THE GAME, YEOVIL MORE THAN HELD THEIR OWN BEFORE THEIR CHANCE OF A SHOCK TOOK A DIVE...

THE HUISH PARK YEARS

MIXING IT WITH THE BIG BOYS

THE world's most famous cup giant-killers Yeovil Town came close to pulling off the biggest upset of their illustrious history when they lost two-nil to Premiership giants Liverpool.

Goals from substitute Emile Heskey and a hotly-disputed penalty from Danny Murphy saw Gerard Houllier's men through in a game where they looked lost for large spells of the game.

Houllier came into the game under pressure. Just a solitary win in their last five games had seen the media and the fans begin to turn against him. This tie came in between trips to Manchester City and Chelsea and was an irritation to the studious Frenchman.

He went into the game without his England stars Steve Gerrard and Michael Owen who were injured but his team could boast internationals everywhere you looked and he could afford to keep £11 million striker Emile Heskey on the bench.

Home manager Gary Johnson had seen his team suffer two successive defeats after an eight-match

unbeaten run but hopes were still high for a competitive game.

Fog swirled around Huish Park as the game got under way. No Yeovil fan could have dreamt the way it started as Darren Way and Nick Crittenden combined down the left to send in a teasing cross that stretched keeper Jerzy Dudek quite literally, the Pole requiring treatment from the physio.

Perfectly

'Pool striker Florent Sinama-Pongolle set himself up for a chance that never came thanks to a perfectly timed tackle from Crittenden.

Critts' running was causing the visitors defence no end of problems and it was he and Lee Johnson who were starring as Yeovil ran the game.

On eighteen minutes came a move that was breathtaking in its execution. The one-touch passing down the right hand side, all one-touch and fancy flicks, was stunning; unfortunately at the end of it the ball wouldn't come down for Darren Way and he fired high and wide.

Keeper Chris Weale saved well from Vladimir Smicer and then came Yeovil's best chance. A Yeovil corner fell to Gavin Williams just outside the

box and he caught it perfectly, the ball arrowing towards the top corner before Dudek saved brilliantly. From the resultant corner, Colin Pluck got in on the act and saw his far post chance denied by the Liverpool defence.

Things had to calm down, calm down a little and they did so. Paul Terry was injured in a poor tackle by Jon-Arne Riise and though he struggled manfully to carry on, he retired six minutes later replaced by Andy Lindgaard.

El-Hadji Diouf, the Senegalese striker, collapsed in the box and was booked for his troubles. The last chance of the half fell to Diouf who shot wide when set up by Harry Kewell.

After the break, Yeovil continued to press forward but with less success than in the first half. Kevin Gall had a chance early on but saw his shot blocked.

AERIAL BATTLE: Hugo Rodrigues and captain Terry Skiverton battle it out with Liverpool's John Arne Riise

THE HUISH PARK YEARS

The game turned on fifty minutes when the ineffective Sinama-Pongolle was replaced by Emile Heskey who had a chance almost immediately, Chris Weale saving well.

This spurred Liverpool on and Diouf and Riise both could have scored but didn't. With twenty minutes left, the opening goal finally came.

Smart

The burly Heskey turned his marker on the edge of the box and fired low into the net with a smart finish. The visitors had come into the match more but it was still a harsh lesson for the Glovers.

It was game, set and match eight minutes later. Man-of-the-match Hugo Rodrigues challenged Kewell for the ball on the edge of the penalty area, Kewell went down and it was a penalty.

A cruel twist for the likeable

Portuguese who had been quality all game. Danny Murphy slotted home comfortably for 2-0 and the tie was over.

The rest of the game slipped quietly away with half-chances for Kirk Jackson and Terry Skiverton but it wasn't to be.

As the final whistle went, the record crowd of 9,348, many of who had queued for twelve hours to get their tickets, had seen their heroes give everything but come up short.

Houllier lived to fight another day and Yeovil could concentrate on their promotion charge up League 2.

NEARLY all successful football teams over the years have relied as much on a mean defence as a prolific attack.

There's no point in scoring for fun at one end if you're leaking goals at the other end. A reliable, solid defender is a must and they don't come more reliable and solid than Adam Lockwood.

The Wakefield-born defender spent five years at Huih Park during which he took his role in Yeovil's historic climb through the leagues.

"As a player, you want to be involved in good times and be part of success; I was lucky enough to have that at Yeovil. I'm really grateful to have had the opportunity at the club."

'Locky' was a pivotal part of Yeovil's back line along with the likes of Andy Lindegaard, Colin Miles and Terry Skiverton who are synonymous with the Glovers' success.

"It's always nice to get recognition. I always gave my all and we were a good side. I wouldn't go as far as calling myself a hero or anything but I was certainly part of a successful side."

Highlights came thick and fast during his spell with Yeovil, and Adam couldn't name just one.

"I enjoyed my whole time in Somerset; a good club, great friends, and we achieved so much. I'll remember it all for the rest of my

BY BEN BARRETT

life; it's why you become a footballer really."

However, testing himself against the might of Liverpool is something that will live long in the memory.

"Everybody puts so much effort into a club like Yeovil that it was nice to get ties against the top sides like Liverpool and they were one of the

cess as well as two league titles with Yeovil, but his time with Doncaster has brought more success as he has enjoyed a Johnstone's Paint Trophy win and a Play-off victory against Leeds. The Yorkshire derby at Wembley was one that left the former Leeds trainee with a brilliant feeling.

"I used to follow Leeds as a boy and I was there when I was a youngster, it made the play-off final a bit spicy, but had a nice feeling to it."

Adam left Yeovil for Doncaster to return north and has worn the captain's armband on many occasions, but he does admit there is one team he doesn't like playing against.

"Yeovil seem to be a bit of a bogey team for Doncaster. I'm not sure but I don't think we've beaten them since I've come here, but that's just the way it goes, I always get a great reception though."

At just 27 Adam was reluctant to talk about his future as he still plans to play for a long time to come.

"There is more I want to achieve in football, I just want to keep progressing and achieving."

The obvious route for someone as successful as Adam lies in coaching, he already has badges from his time at Yeovil and he didn't rule it out.

"I did my badges with some of the lads when I was with Yeovil. Skivo and a few others all did them together, so I've got that if I ever need them, but I'm still a player with a lot to do."

Adam Lockwood will always be remembered by Yeovil fans for the part he played in Yeovil's rise in the Conference and Football League; he often features in "Best Ever XI's" and will always be synonymous with Yeovil's recent success. All down to two words, solidity and reliability. You could also add inspirational to that too.

GOOD TIMES: Locky with the Conference trophy

biggest clubs in the world. It's a bit of a reward really."

Lining up against international players and Champions League winners is something Adam and other players relish.

"Playing against the best, it's a good test for players at a lower level, you have to step up to the plate and we did that quite well."

Adam has one of the most impressive football CV's outside of the Premier League with FA Trophy suc-

BEHIND THE SCENES

BY BEN BARRETT

IT would be fair to say that goalkeepers are mad.

They stand at the wrong end of the pitch, they use their hands, and if they are all honest I bet they would love to play outfield.

So keeping goalies in check can be a difficult job and at Yeovil that job falls to Len Bond, a former Glover whose love for the club has seen him return to the backroom staff.

As a player Len Bond was a fantastic 'keeper who spent some of his most successful years at our good friends Bristol City, but he also enjoyed spells at Brentford, Exeter and even in America with St Louis.

He joined Yeovil for just the one season and admits it was somewhat of a dream come true.

"I grew up not far from here, I played just about everywhere in the south west apart from Yeovil, and I supported them as a child."

"I was only here for a short period, of time, but during that time we were really successful and there was a great atmosphere at the club."

Following his departure he has never been far away from football, getting his coaching awards and even setting up his own business.

"I've been coaching for Bristol City's academy and even went back to the States to do a bit."

IN THE SIXTH PART OF OUR SERIES LOOKING AT THE UNSUNG HEROES WHO WORK BEHIND THE SCENES AT THE CLUB, WE PROFILE GOALKEEPING COACH LEN BOND

"On the side I've also got my leisurewear company - Lenbond.com which deals a lot with youth teams and we're doing quite well."

But it was former manager Gary Johnson who brought Len back to Huish Park initially on a part time basis.

"I came back to work with Chris

Weale and Steve Collis and initially just came in for a couple of days each week to give the 'keepers something different and have some fun."

With Terry Skiverton now at the helm Len gets to spend more time with Yeovil's current crop of 'keepers.

"I am now in four or more times a week, with Josh, young Lloyd Irish and now Wealey again and it's fantastic to see them progressing."

"Josh is a good lad, and we have a lot of fun. On Mondays we think about the weekend's fixture and how he played and work on anything we need to. Then the preparation for the next game comes in."

Len looks back and thinks about how much goalkeeping has changed since he was between the sticks.

"Josh and other goalkeepers become an eleventh outfield player at times and we have to adapt to that. His kicking is getting so much better."

So everytime you see Josh Wagenaar or Chris Weale pull off a great save, remember who helped to make that a reality.

Len Bond is Yeovil through and through and like other 'keepers he's a bit mad too!
