The difference is ABAX™

THE GAFFER

by Grant McCann

I would like to take this opportunity to welcome Swindon Town Head Coach Luke Williams, his management staff, players and supporters to the ABAX Stadium for today's Sky Bet League One fixture, which is being televised live on Sky Sports.

It has been a busy week with transfer deadline day on Wednesday and we were able to do a bit of business that saw three arrivals and a couple of departures. It was important that we moved quickly to bring a goalkeeper into the building and I am delighted that we were able to complete the paperwork to get Luke McGee to the football club.

George Moncur and Nathan Oduwa also joined us in loan deals until January and will certainly add to the attacking options that we have in the squad. With the change in rules to the transfer market, it was imperative that we ensured that we have a squad capable of achieving what we want to achieve this season.

The return to fitness of striker Lee Angol and midfielder Brad Inman will be like new signings and they are not too far away now from returning to training. I mentioned in Tuesday night's programme notes how wonderful the supporters were at Milton Keynes Dons, but I think it is important to reiterate my appreciation.

I know that it was disappointing for the fans to be put in the top tier at stadium: mk, but they were certainly heard loud and clear from the first whistle to the last. It was very much appreciated by myself, my management team and the players.

Enjoy today's game and thank you for your continued support.

Swindon Head Coach Luke Williams.

SWINDON TOWN

by Nathan Brown

This afternoon, Swindon Town visit the ABAX as the EFL season begins to get into full swing with both sides looking for promotion in Posh's first televised fixture of the campaign.

Swindon, managed by Luke Williams, endured a difficult season in 2015/16 and will be hoping to make great strides towards promotion having signed keeper Lawrence Vigouroux on a permanent deal from Liverpool, Conor Thomas on a free transfer from Coventry, Lloyd Jones on loan from Liverpool, Michael Doughty and Darnell Furlong on loan from QPR and John Goddard from Woking all to name but a few.

Meanwhile, a number of players have left the County Ground with Nicky Ajose leaving for fellow League One outfit Charlton, Miles Storey moving to Aberdeen and Michael Smith signing for Portsmouth with a number of players also being released.

Posh have pit their wits against Swindon Town on many occasions in recent years. In the first leg of the semi-final of the Johnstones Paint Trophy in 2014, the two clubs played out a thrilling 2-2 draw at the ABAX with an own goal from Raphael Branco swiftly followed by Kyle Vassell scoring giving Posh an early two goal lead in the tie before Nile Ranger pulled a goal back and an unfortunate own goal from Shaun Brisley evened the scores.

Swindon's last match game on August 20th, a 1-0 success over Port Vale at the County Ground. Swindon were set to face rivals Bristol Rovers last Saturday, but the Sky Bet League One fixture was abandoned after 60 minutes by match referee Oliver Langford due to the adverse weather conditions.

The game was goalless although Robins defender James Sendells-White headed against the woodwork before Yaser Kasim and Luke Norris both went close for the home side.

1 GOALKEEPER 6ft 4in 19/11/93

LAWRENCE VIGOURUX

An athletic keeper who was with Swindon on loan during the last campaign. Vigouroux is a strong shot stopper and a good distributor of the ball. On loan from Liverpool, he has previously been with Tottenham as a youth player and spent time with Hyde on loan.

3 DEFENDER 5ft 9in 21/12/95

BRANDON ORMONDE-OTTEWILL

A former Arsenal youth player, Ormonde-Ottewill signed for Swindon in July 2015 and has made 32 appearances since. A quick and direct full back, he is a bright prospect for the Wiltshire club with his defence capabilities and his keenness to get balls into the box at the other end of the field.

6 DEFENDER 6ft 1in 10/04/94

JAMIE SENDLES-WHITE

A tall central defender, Sendles White moved to Swindon after spells with QPR and Hamilton and he has also played for Northern Ireland's U19's, U20's and U21's. A tough tackler and no-nonsense defender, Sendles White is another decent prospect for the visitors.

20 DEFENDER 5ft 11in 31/10/95

DARNELL FURLONG

A pacey and quick full back on loan from QPR, Furlong made his Premier League debut with his parent club at the age of 19 in February 2015. Always looking to get forward to support his team, Furlong is just as adept at defending with an eye for a tackle too and has been on loan with Northampton and Cambridge.

27 DEFENDER 6ft 0in 13/02/95

BRADLEY BARRY

Defender Bradley Barry started his career with Brighton before signing for Swindon in August 2015 and has made 40 appearances since at right back. Another speedy defender, Barry is a strong presence and is also the nephew of Everton's Gareth Barry.

28 DEFENDER 6ft 3in 07/10/95

LLOYD JONES

On-loan from Liverpool, Jones spent time with Blackpool last season and has played for England's U19's and U20's. Physical, tough and commanding, Jones has captained Liverpool's U21 team and signed a new deal with the club this August.

4 MIDFIELDER 6ft 1in 29/10/93

CONOR THOMAS

A Coventry trainee, Thomas is one of this summer's new recruits for Swindon and has made over 100 career appearances. A tall central midfielder who holds up the play and dictates and speed of the game, Thomas is a calm presence who allows his teammates to get forward and attack.

5 MIDFIELDER 5ft 6in 26/01/93

ANTON RODGERS

The son of Celtic Manager Brendan Rodgers, Anton spent his youth career with both Chelsea and Brighton before signing for Oldham. In the Summer of 2014 he moved to Swindon. A short but technical midfielder, Rodgers is a good dribbler of the ball with a wide range of passing in his locker.

7 MIDFIELDER 6ft 1in 20/11/92

MICHAEL DOUGHTY

Another QPR trainee, Doughty is enjoying his second loan spell with Swindon having spent the last campaign with the club. He's also been on loan with various other Football League clubs as well as Scottish outfit St Johnstone. Strong, resilient and a clever midfielder, Doughty is an important player for the visitors.

8 MIDFIELDER 5ft 9in 10/05/91

YASER KASIM

An Iraq international, Kasim is an experienced player at just 25 and started his career with Tottenham before a youth spell with Brighton and then a switch to Swindon where he has become a fans favourite due to his combative and assured performances since signing in August 2013.

10 MIDFIELDER 5ft 10in 02/06/93

JOHN GODDARD

Another new signing, John Goddard signed for Swindon Town from Woking, having scored 27 times in 117 appearances. A pacey and direct player, Goddard came through the ranks at Reading before spells at Hayes & Yeading United and Woking, earning an England C call-up.

35 STRIKER 5ft 9in 31/07/99

JORDAN YOUNG

An agile and quick forward, Young is a versatile front man who can play wide or up front and despite being just 17 he scored in a 3-0 victory against Shrewsbury last May. Young is talked of as a prodigious talent for the visitors and will hope to build on his previous campaign.

16 STRIKER 6ft 0in 31/03/95

JORDAN STEWART

A versatile forward who can also play in midfield, Stewart signed for Swindon after a prolific spell with Irish side Glentoran. He is a creative player with an eye for a pass and is also a good finisher. He netted his first goal for the club in Swindon's 2-2 EFL Cup draw with QPR and also in the penalty shoot-out that followed.

24 STRIKER 5ft 10in 28/06/93

JERMAINE HYLTON

Mobile and clever, Hylton made the move from Redditch United where had scored 45 goals in just 54 games. Despite scoring just once since his move in 2015, Hylton is a dangerous forward with an eye for goal and is capable of bringing his team-mates into play.

33 STRIKER 6ft 1in 03/06/93

LUKE NORRIS

A Brentford youth player, Norris had spells on loan with Northampton and Dagenham before moving to Gillingham where he netted 15 times in two seasons which led him to move to pastures new with Swindon. Sprightly, physical and with a good eye for goal, Norris is a danger man for Swindon.

9 STRIKER

JONATHAN OBIKA

5ft 6in 12/09/90

A key player for Swindon, Obika has scored 22 times since signing from Tottenham on deadline day 2014 and he formed a deadly partnership with former Posh striker Nicky Ajose last season. An experienced player too, Obika has had countless loan spells across the football league, notably with Yeovil on four separate occasions, as well as Charlton and Brighton. He also had a short spell with the Posh in January 2011 where he netted on his debut. Quick, skillful and a clinical goalscorer, Obika is a threat inside the box and lethal given the chance.

Prior to his arrival at the ABAX Stadium, he represented today's opponents Swindon Town, making 135 appearances for the Robins, scoring 39 goals after graduating from the youth system at the County Ground.

Syrett passed away peacefully at home and we would like to offer our condolences to his family at what is sure to still be a difficult time.

Coventry City's Marcus Tudgay celebrates scoring against Northampton.

LEAGUE ONE REVIEW

Veteran Marcus Tudgay struck to earn Coventry a draw with former hosts Northampton at Sixfields. The Cobblers - who allowed Coventry to groundshare for a season two years ago - looked as if they were destined to take their first League One win of the season when Harry Beautyman put them in front on the half hour. Beautyman started the move in midfield and was in the area to turn home Matty Taylor's shot.

Bury produced an amazing comeback from three goals down at half-time to earn a point in a thriller at Walsall. Walsall led on six minutes as Erhun Oztumer and Andreas Makris combined to tee up Kieron Morris to drill home from 10 yards. The Saddlers doubled their lead after 14 minutes as Oztumer pounced on an error from Shakers defender Leon Barnett to fizz a 25-yarder into the bottom corner. It was 3-0 on 32 minutes as Simeon Jackson stole in at the near post to poke Makris' cross past Ben Williams from close range.

Walsall could have been out of sight by the break but Williams twice foiled Jackson one-on-one - and Bury were back in it with two goals in the first five minutes of the second half. Barnett drilled home a 47th-minute corner from 10 yards and then nodded down a high ball for new signing James Vaughan to make it 3-2 from similar range two minutes later. Danny Mayor lashed home Bury's leveller from 15 yards on 66 minutes - and the Shakers could have won it two minutes later but Vaughan's half-volley flashed inches over.

Bolton's 100 per cent start to the season came to an end as a 90th-minute stunner from Ademola Lookman earned Charlton a point. The 18-year-old forward came off the bench to strike the ball past Trotters keeper

Mark Howard from 20 yards. And another Charlton sub Brandon Hanlan could have won it right at the death, but his header hit the side-netting. Bolton had taken the lead through Gary Madine in the 53rd minute after good work from Liam Trotter on the wing.

A first-half double from Steve Morison inspired Millwall to victory at Chesterfield, who were beaten at home for the first time this season. Morison pounced after Shane Ferguson opened the scoring and although Sam Hird pulled one back in the second half, it was too late to rescue the Spireites. Both teams could have scored in the first 90 seconds with Shaun Williams striking the bar from the edge of the area before Jordan Archer saved from Gboly Ariyibi. Millwall found the net in the 13th minute when an excellent move started by Williams was finished by Ferguson, who fired low past Ryan Fulton from 15 yards.

Morison put the visitors in control with two goals in the space of four minutes, the first a sharp finish in the 38th minute from just inside the area and the second a precise lob over Fulton from 30 yards. Chesterfield reduced the arrears in the 65th minute when Hird headed in a free-kick but Millwall held on for a well deserved three points. Port Vale continued their good start to the campaign with a 3-1 win over Scunthorpe, Fleetwood beat Phil Brown's Southend United 2-0 while Gillingham won a five goal thriller at Shrewsbury. Rochdale and AFC Wimbledon and Bradford and Oldham both drew 1-1 while Sheffield United beat Oxford United 2-1.

Swindon's fixture with Bristol Rovers was abandoned in the second half at 0-0 due to the adverse weather conditions.

LEO THE LION

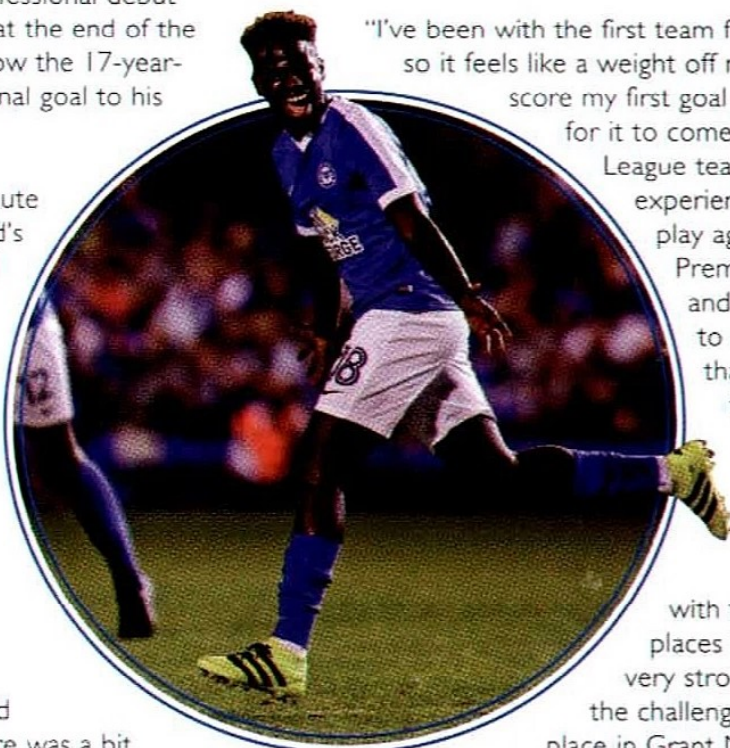

It is fair to say that young midfielder Leonardo Da Silva Lopes has been a roaring success since making his professional debut against Crawley Town at the end of the 2014/15 season, and now the 17-year-old has a first professional goal to his name.

It came in the 75th minute of Peterborough United's EFL Cup second round tie against Premier League side Swansea City at the ABAX Stadium. Da Silva Lopes nicked the ball off Swansea's Nathan Dyer, a Premier League winner with Leicester City last season, before rifling home from 25-yards.

"I won the ball back and looked up and saw there was a bit of space in front of me so I just had a go and hoped for the best really. I was obviously delighted to score my first professional goal, but

the score-line wasn't what we wanted, but I was still pleasing to get the goal," Da Silva Lopes said.

"I've been with the first team for a while now so it feels like a weight off my shoulders to score my first goal and it was good for it to come against a Premier League team. It was a great experience for me to play against top quality Premier League players and for me to be able to score against them, that was a decent feeling."

Leonardo now has 15 Posh appearances to his name and with the competition for places in every position very strong, he relishes the challenge of cementing a place in Grant McCann's starting line-up. "To be fair the Gaffer says every week that the shirt is there for you to grab and if you train well then you will get into the starting

eleven, so I am always confident in myself to train well and if I do that, then I know that the Gaffer will give me a chance," Da Silva Lopes said.

"Competition for places will always help you to improve as a player and you can find that if there is no competition you can become sloppy, we don't want that. So it is good to have that competition for places. I look up to the experienced players like Bozzy (Michael Bostwick), Smudge (Michael Smith) and Chris Forrester, they really help me both on and off the pitch.

"It's great to play under Grant McCann, he was our Manager when we played in the under 15s so I have known him for a long time and we've always got on well. He's a great Manager to work for.

Da Silva Lopes, who turns 18 in November,

initially burst onto the scene as a 15-year-old when we scored a wonder goal from 35-yards in the FA Youth Cup win over Notts County at the ABAX Stadium, and hasn't looked back since.

"I was just breaking into the youth team at the time of the Notts County game and then from there I managed to be involved with the first team. I have definitely developed a lot since then and it feels great to be in with the first team on a regular basis," he said. It hasn't always been an easy ride

for the youngster. He moved to England from his native Portugal at the age of just 12 and he admitted that he found the transformation tough to take.

"It was hard at the start to be honest. When I came over, I didn't have any friends and I stopped playing football for about a year so it was tough and plus I didn't know any English. It was tough, but then I made some friends at school and joined the Powerleague football team and then I just went from there.

"My family have been so supportive of me. To be fair in Portugal my chances

of making it as a professional footballer were really quite short. I was about to be released so it was a good transition to move to England. In Portugal I was playing for an academy, which had links with Sporting Lisbon," Da Silva Lopes added.

It has certainly been an exceptional year for the magical midfielder on the pitch and to add the icing to the cake, he can take inspiration from his homeland's win at EURO 2016. "It was massive. All my friends are English so they always get onto me that Portugal are rubbish and all that banter, so it was a nice feeling to see Portugal win the Euro's."

YOUNGSTERS BEAT HATTERS

The Peterborough United under 18s bounced back from a disappointing 6-3 defeat to Milton Keynes Dons by beating a strong Luton Town side at the Mick George Training Academy last Saturday morning with Jack Collison's men dominant throughout.

It has been an excellent week for the Academy with Morgan Penfold and Deon Moore making their senior debut's in the midweek Checktrade Trophy group stage defeat to Norwich City at the ABAX Stadium and it began with a 3-0 success over the Hatters.

Posh started well and got themselves in front from a close-range effort from Cameron Stump who was in the right place at the right time to convert after Alfie Connor had seen his saved by the Luton goalkeeper.

Connor himself doubled the lead, heading home after a well worked set-piece and Posh had further chances to extend the lead before the interval. The visitors had a good spell just after the break and Collison's men had to dig deep to preserve their clean sheet but a combination of good goalkeeping and excellent defending kept Posh in front.

It was Penfold who secured all three points, his excellent strike from 20-yards nestled into the bottom corner and despite a few late opportunities, it turned into a comprehensive victory for the club.

Cameron Stump scores and celebrates against Luton Town.

Ryan Semple was delighted with the performance: "It was a really good reaction from the players to bounce back from the loss to MK Dons. We made a really decent start to the game and that was key. We scored two good goals from set-pieces, which is always pleasing as a coach to see those kind of things pay off in a match situation.

"We had to defend well at times, but the lads dug in, threw themselves in blocks when they had to and it was a fully deserved three points. We need to find a bit of consistency now and go on a run of good results," Semple said.

Good afternoon and a warm welcome to the players, officials and supporters of Swindon Town for today's Sky Bet League One fixture. It's always nice to have the Sky cameras here and let's hope today we can put on a performance and gain another three points.

Well we have had some right entertainment in the last couple of weeks. The Millwall match saw a fantastic display that saw us come out worthy 5-1 winners. I cannot remember a better home performance than that over recent years.

We then went to Oxford and even though the performance wasn't as good I felt neither side did enough to win the match, however the 90th minute saw us come away with a defeat.

Milton Keynes last Saturday was as good away performance as you are likely to see and I felt we were worthy winners managing the game from start to finish. It was great to see over 2,000 fans make the trip to MK last week and cheer the lads on to a great victory, even though we were stuck in the top tier!

Working with the Football Club we have started to serve hot rolls in the Venue. This has been successful to date and we hope this will be able to continue.

The Sponsored draw was carried out before the match against Bradford, the winners being Dave Coulson (£300), Matt Bygraves (£200), Rhys Thrower (£100), Kevin Chestney (£50).

If you would like to take part in the sponsored goal scheme please pop into the venue prior to the match and speak to Dave Coulson.

Enjoy the match.

FRY 'WONDERS' WHERE THE GOALS WILL COME FROM

After holding Second Division Reading to a goal-less draw in the Worthington Cup (League Cup), Manager Barry Fry had warned his players that "Reading may have underestimated us in the first match but they won't again, so be aware for a much tougher proposition in this second leg tie at London Road."

Novice central defender Matthew Wicks returned to replace injured Captain Phil Chapple. Fry moved quickly to take Birmingham defender Simon Rea on loan to sit on the subs bench. Rea was Captain of the youth team at Birmingham when Fry was their Manager.

Posh started the game slowly and went behind after Darren Caskey netted on 19 minutes. This stirred Posh and only two minutes later tiny Tony Shields equalised from a header following a right-wing cross into the box from Dean Hooper. Shields almost put Posh ahead after 30 minutes but his rasping shot from close range was brilliantly saved

by keeper Scott Howie. Once again Shields was denied a goal when on the stroke of half-time Howie dived full length to save another certain goal.

After the break Posh continued pressing and a superb run from winger David Farrell saw him on a twisting run, rounding four defenders before unleashing a low left foot shot only to whistle past the post.

One could almost sense that it was not going to be Peterborough's night and Reading introduced sub Keith Scott and after only being on the pitch for just one minute he latched on to a through ball from Peter Grant before rounding keeper Mark Tyler to shoot into the corner of the net.

On 71 minutes Fry introduced Simon Rea for the final 11 minutes as an emergency striker, replacing Drewe Broughton, but to no avail as Reading went on to victory and knocking Posh out of the competition for the third

Jon Sheffield.

consecutive season. Fry summed it up by saying "We cannot convert even a reasonable amount of chances we create. Even Stevie Wonder can see what our problems are."

Result: Posh 1-2 Reading (agg. 1-2)

Scorers: Posh: Shields (21); Reading: Caskey (19), Scott (71).

Posh: Tyler, Hooper, Drury, Wicks, Edwards, Castle, Davies, Etherington, Farrell, Shields, Broughton. Subs: Martin (Etherington 79), Rea (Broughton 79); Unused: Scott, Griemink, Koogi.

Attendance: 4,109.

Making the long haul to Plymouth saw the welcome return to the side of Captain Phil Chapple after injury. Whilst keeping goal for Plymouth was former Posh star Jon Sheffield, whom Fry had sold for £100,000 in July 1997.

Posh travelled early to Devon enjoying two days in the sun. Ready for action and only one minute

into the game, David Farrell set off on one of his flying runs, beating his opposing full-back Jon Beswetherick. Farrell flew down the wing towards goal and unmarked, but decided to square the ball over to the centre where it evaded both Shields

and Broughton. Unfortunately this may

have been the wrong decision when it appeared he was in a better position to shoot himself and would possibly have scored.

From then on it was virtually all Plymouth with poor Posh struggling.

Youngsters Matthew Etherington was sadly out of form whilst Simon Davies was feeling poorly and replaced by young Anders Koogi. In defence it was clear that Chapple was not yet match fit and Andy Edwards was losing confidence after receiving a harsh early booking.

After 22 minutes Ian Stonebridge shot Argyle ahead surprising Mark Tyler who unfortunately let it slip into the net. Only thirteen minutes later Stonebridge squared the ball to Wayne O'Sullivan

Phil Chapple and Barry Fry.

Drew Broughton in action against Plymouth.

who made more progress for the 'Pilgrims' (excuse the pun!) to make it 2-0. Right on the stroke of half-time Tyler made amends by saving Posh from further punishment by making a fine save from Martin Gritton.

After the break at last Posh began to dominate but not before Tyler again came to the rescue to deny Gritton and later saving bravely at the feet of Beswetherick. Jae Martin replaced Shields just after the interval and looked lively by twice coming close.

Dean Hooper and Farrell missed good opportunities as Posh surged forward. Again it was the same old story of chances wasted. Almost on 90 minutes Farrell, making the right decision this time, scored a magnificent goal by shooting into the roof of the goal from 25 yards giving Sheffield no chance. A couple of corners were scrambled clear by Argyle in injury time as the final whistle sounded on Posh's first defeat in this Third Division campaign.

Fry denounced it as "complete rubbish, in fact we were disgraceful!"

Result: Plymouth Argyle 2-1 Posh

Scorers: Plymouth: Stonebridge (22), O'Sullivan (35); Posh: Farrell (90).

Posh: Tyler, Hooper, Drury, Chapple, Edwards, Castle, Davies, Etherington, Farrell, Shields, Broughton. Subs: Koogi (Davies 30), Martin (Shields 46), Wicks (Chapple 64); Unused: Scott, Griemink.

Attendance: 4,189.

THE FUTSAL PROGRAMME

by Callum Avent

We are delighted to congratulate the new 1st year intake to our futsal programme. There was a high percentage with great grades and we are looking forward to working with these new talented young players.

We have recently had two training sessions where fitness was a main part of this ahead of the new season. This was for our 2nd year scholars however many 1st years attended and looked very sharp. We are attending today's fixture as a team before we head into the new season as a team exercise.

Last season the squad was very successful and full filled their objectives for the season and reached their targets, which was an aim to reach the nationals finals. Overcoming this they had the chance to stay down in Birmingham in a hotel the night before the nationals which was a fantastic experience for everyone involved. Going into the new season targets have already been set and players will know the target when the new season begins.

Girls Futsal: After an extremely successful season winning the league and becoming national champions, our expectations are high for the forthcoming season. Following on from some fantastic GCSE results and successful interviews we are delighted to welcome an additional 6 players to our team. With the increase of players we will look to have two teams competing in the EFL Trust Futsal

Women's League for the 2016/2017 season and hopefully continue our success.

An exciting futsal season ahead for our futsal scholars. Benefits of our Futsal Programme;

- Represent Peterborough United.
- Play against other profession clubs.
- Play at different futsal venues around the country.
- Study a BTEC level 3 in sport with an option to take an additional A Level.
- Personalised gym programmes.
- Specific Futsal goalkeeping sessions.
- Recorded games which includes performance analysis sessions.
- Access to National citizen service (NCS) with your teams mates.

The start date for all our new scholars are 6th September, where we look forward to welcoming them on board.

TRANSFER DEADLINE DAY

Peterborough United manager Grant McCann was a busy man on transfer deadline day this week, making a number of exciting signings and allowing several of his fringe players to depart the ABAX Stadium.

With goalkeeper Ben Alnwick seeing his contract with the club cancelled after requesting to leave the club over last weekend, Posh had to move quickly to secure the signing of another shot-stopper and Tottenham Hotspur custodian Luke McGee agreed a loan move until 2nd January 2017.

McGee is third choice behind Michel Vorm and Hugo Lloris at White Hart Lane and has trained alongside those two keepers for the last few years. McGee wasn't the only arrival from Spurs with exciting winger Nathan Oduwa agreeing a similar loan move.

Oduwa lit up the Scottish League last season during a loan spell with Glasgow Rangers, helping Mark Warburton's men to promotion into the Premier League. McCann described Oduwa as someone who will 'get fans off their seats' and will complement the attacking threat already in the squad.

Young goalkeeper Dion-Curtis Henry joined Boston United on a loan deal until January 1st while Striker Joe Gormley made a loan switch to Scotland.

The former Cliftonville striker joined Scottish Premier League side St. Johnstone until early January, with the front man set to go straight into their squad for their next league fixture against Partick Thistle.

Defender Kgosi Ntlhe has joined Sky Bet League Two side Stevenage where he will link up with former team-mates Andrew Fox, Tom Conlon and Charlie Lee. The terms of that deal are unspecified.

Ben Alnwick has joined Bolton Wanderers.

Goalkeeper Luke McGee arrived from Spurs.

Striker Joe Gormley has joined St. Johnstone.

POSH SECURE MONCUR SIGNING

Peterborough United are delighted to announce that we have reached an agreement with Barnsley over the loan deal of George Moncur until 3rd January 2017 with the paperwork on the deal completed at the Mick George Training Academy on Wednesday afternoon.

The midfielder joined Barnsley in the summer from Colchester United in a big-money move, but has been restricted to a handful of appearances in the opening weeks of the campaign. The 23-year-old, who began his career at West Ham United, is a former England youth international and was coveted by a host of clubs in the summer.

Manager Grant McCann was delighted to get the deal done: "I am really pleased. Obviously we tried to get him in the summer but the boy wanted to test himself in the Championship which is fair enough. We are delighted to have him on board.

"He scored 14-15 goals in a side that was relegated last season and that speaks volumes for him. He is only going to add to our attacking

threat. We know that there a lot of other clubs in for his services so it is great that he has agreed to sign," McCann said.

Moncur was pleased to get the deal done and cannot wait to get started. "It has been a mad day or so, but I am delighted to be here. I can't wait to get started and put on the blue shirt. I am here to create goals, run at people and hopefully score goals and the aim is to try and break into the team straight away.

"My debut could be live on Sky, so that is a good incentive to train well this week and ensure I am in the manager's plans. I think everyone knows that Peterborough had showed an interest in me during the summer and it is great to feel so wanted.

"I know the way the manager wants to play football and that certainly fits my style of football. I have played against Posh many times with Colchester United, including in the FA Cup and they are an attacking side with plenty of ability across the squad," Moncur said.

IF YOU ARE GOOD ENOUGH - YOU ARE OLD ENOUGH

by Jack Collison

Football is an incredible game. Whether you're a fan, player or coach, it is a game that can make you feel the ultimate of highs, yet bring you crashing back down to earth with a single performance, decision or action.

These last few weeks have backed this up in a variety of ways, not only at first team level, but also within the youth squad. From a youth team perspective we have bounced back from two very disappointing performances and results with a wonderful team performance and victory against table toppers, Luton Town. It's been similar at first team level where they were excellent at the weekend against MK Dons, yet failed to hit those same heights on Tuesday night. However on Tuesday, from a club perspective it wasn't all doom and gloom, as we witnessed two young lads in Morgan Penfold and Deon Moore making their first team debuts.

If you include the involvement of Lewis Freestone on the bench and the introduction of already established first team player Leonardo Da Silva, we ended the game with three players on the pitch who are still eligible to play in the youth team.

The club has always had a great tradition of bringing through young players and it's great to see the management firmly believing in the process. As an Academy we will endeavour to keep improving and hope to provide plenty of future first team players.

As the youth team manager it gives me great hope to see the young lads getting their chance. They are seeing first hand that if they put the work in to improve, perform consistently and ultimately if they are good enough the rewards are there.

Although it was a great experience for those involved, the boys are fully aware that the hard work truly starts now. Now they have had the taste, it will hopefully inspire them to keep pushing on and work even harder and wait for that next opportunity.

So whatever the next week brings, its important we don't get too carried away with the good stuff, or too obsessed with the bad, and in the words of Lee Glover we must 'stay in the process' to ensure we keep improving.

Up the Posh. JC.
