It was a fantastic evening for Will Henry and he's found a real niche when it comes to saving penalties.

# LUKE WILLIAMS

Good afternoon and welcome to The County Ground for today's Sky Bet League One encounter with Bolton Wanderers.

**Tuesday night was brilliant and we were thrilled to succeed in the penalty shootout against Oxford United in our Checktrade Trophy game.**

I thought it was very important after a few negative results to come out of the game with what was regarded as a win. It is obviously nice to win a game of that magnitude against our local rivals and we'll take that in any way we can at the moment.

It was a fantastic evening for Will Henry who saved three spot-kicks in the shootout to help us secure the extra point. He has found a real niche when it comes to saving penalties – that's four penalty saves in five games, so it is brilliant that he has shown he has got that capability of saving penalties.

I was also impressed with some of the other youngsters that were given a chance to impress against Oxford. Sometimes when you make a number of changes you underestimate that playing young players together all in the same team is very, very difficult and it is probably a little bit more suitable to put one or two in to a team that is already settled and established and hope that they can go on to perform.

But Tuesday night showed that one or two of the boys who don't get regular game time can perform even when they are playing alongside one another.

We know today is going to be a very tough test. The word big sums Bolton up in general. They are a big club, they are a big team in the league and they are a physically well put together unit. They are very big, powerful and strong and they will give us a big challenge.

In order to combat that we've got to play our way and we've got to make sure that we tighten up in the areas that we have identified of late and we don't want to get too exposed when we lose possession.

But we've got to make sure that we are good with the ball, confident with the ball and tighten up in the areas we need to.

Keep up the fantastic support this afternoon and enjoy the game.

# STEVE ANDERSON

Good Afternoon everyone and welcome back to The County Ground for the visit of Bolton Wanderers. I would like to extend a warm welcome to our fans and to the players, management, directors and fans of the Trotters.

We have now closed the chapter on a very busy September and opened the month of October with a 1-1 draw away at Shrewsbury Town. We made a great start to the game and took the lead through John Goddard's first goal for the club. However, it was bitterly disappointing to concede on the stroke of half-time and we were perhaps unlucky not to walk away with all three points, like we had done in our previous away visit to Oldham Athletic.

This week saw Oxford visit The County Ground in the EFL Checkatrade Trophy for the first time since August 2011. It was a great shame to see only 2,600 people in attendance to witness the latest instalment of the A420 derby, which ended with an exciting penalty shootout highlighted by young Will Henry's heroics. Henry has now saved four penalties in his last five games and we can all see that he is going to have an amazing future here at Swindon. Lawrence Vigouroux, Will and Dean Thornton the goalkeeping coach seem to be forming a good relationship, which was demonstrated by Dean being one of the first on the pitch to celebrate with Will on Tuesday night. It was also good to see a very pleasing performance from one of our former Academy players, Tom Smith, who has come on leaps and bounds once again this season.

Let's move on to today's visitors, Bolton Wanderers. They are currently in a transitional period following an ownership change in the

summer and started the season very well under Phil Parkinson, who we all know is a very successful manager at this level. However, the wins have dried up of late so no doubt they will be trying to get back on track this afternoon.

We too will be looking to bounce back in the league following a defeat and a draw in our last two outings on the domestic front, so I'm expecting a real entertaining game with both sides doing everything to get the three points.

Off the pitch it has been a busy couple of weeks with the club announcing two exciting new media partnerships. Sam FM have come on board and will be helping us to push and promote our Pro Red initiative throughout the season. We are very excited about this link-up and believe it will be a very fruitful partnership for everybody involved. We are also thrilled to be able to announce a new partnership with Heart FM following last year's successful Make Some Noise Charity game, which raised an incredible £19,000. This partnership will again push the Pro Red campaign and will put an emphasis on attracting the next generation of fans through the turnstiles here at Swindon Town FC. There will also be another celebrity game at The County Ground next May, with details to be announced in due course.

Finally, we would again like to remind all fans that they, together with the players and staff, represent Swindon Town both home and away and we will not tolerate any anti-social behaviour inside and outside of the ground.

**Steve ANDERSON, General Manager**

There was an incident during the penalty shootout on Tuesday night where an object was thrown towards the Oxford Utd goalkeeper. The club could be severely reprimanded by the FA as a consequence of this incident.

The club would ask if any supporter has any information relating to this incident that they contact Karen Randall operations Manager on karenr@swindontownfc.co.uk or call 0871 876 1879.

## RIDE TO AMSTERDAM

Join Prostate Cancer UK and the EFL next June for the biggest ride (and party) in football. You can represent Swindon Town for the two-day, 145 mile pedal-pilgrimage ending with a night out in Amsterdam.

The event takes place on 9-11 June 2017 and spans two nights and three days (two days cycling). It's your chance to ride alongside footballing legends and like-minded fans in a bid to get fit and raise vital funds for a great cause.

There are two start points, one in London and one in Barnsley where a sea of club colours will ride together through the English countryside to Harwich and Hull respectively.

Once in Holland the two routes will converge with cyclists united in their Prostate Cancer UK cycling jerseys.

Prostate cancer is the most common cancer in men. 1 in 8 men will get prostate cancer, while the odds for black men are just 1 in 4.

Join the fight and get pedaling for pounds to help stop prostate cancer being a killer.

Good Afternoon everyone and welcome to The County Ground for our game against Bolton Wanderers.

It feels strange welcoming the Trotters to SN1 today given that it wasn't that long ago they were plying their trade in the Premier League. They are still a huge club and these are the kind of games you relish playing in, but more on that later.

Words cannot begin to describe how satisfying Tuesday night was. While some people may not class it as a victory due to the competition, there is no doubt among the boys that we beat Oxford United. We have been waiting a long time for that and the scenes at the end showed just how much it meant to the players.

“

Words cannot begin to describe how satisfying Tuesday was. We have been waiting a long time for that.

In regards to the game itself, we perhaps weren't at our best but got the job done against a far more experienced Oxford side. Given the changes we made, I thought we equipped ourselves well and there were plenty of positives to take from the game.

Tom Smith and Ellis Landolo stood out for me and it is hugely encouraging to know that the club have

got a number of hugely talented youngsters on the books. But special praise has to go to Will Henry who superbly saved three penalties in the shootout to give us the win and the extra point in the Checkatrade Trophy.

Henry now has four penalty saves in his last five games and that is an incredible stat for any goalkeeper, let alone an 18-year-old who is just starting to make his way in the game. We all see Will's talent in training day in and day out and the club are extremely blessed to be able to boast two very talented keepers.

Hopefully the manner of the victory on Tuesday will give us the confidence to go on and string together a run of wins as we look to start climbing the table and making inroads into those play-off places.

Back on to today's game and we are under no illusions as to how tough a test we face this afternoon. Bolton have got a squad packed to the brim with quality, experienced and powerful players and they will pose a threat in every single area of the pitch.

We know they will more than likely take the direct approach and they have plenty of strong forwards who will look to impose themselves on us. However, if we play the way we know we can and fly out of the traps from the very first whistle then I am confident we will walk away with the three points.

Keep up the support and I hope you enjoy the game.

## DID YOU KNOW:

Bolton hold the record for the most years in the top flight of English football without winning the title – 72 years in total.

“

It was a good start for the new era as well with Wanderers winning their opening four fixtures in League One, before finishing the month of August unbeaten on the domestic front.”

## • BOLTON WANDERERS •

The Trotters have made a mixed start to life in League One as they look to bounce straight back and secure a return to the Championship at the first time of asking.

It has been a miserable few years for everyone connected with Bolton. Following their relegation from the Premier League in 2012, the club have been forced to deal with a string of off-field financial problems and have struggled on the pitch as a result.

Having to cut their cloth accordingly in the Championship, Wanderers continued to struggle and were thrashed 4-1 away at Derby County on April 2016 to consign them to life in the third tier of English football for the first time since 1993.

However, expectations are now high at the Macron Stadium following the appointment of the experienced Phil Parkinson as the club's new manager in the summer, who knows League One inside out having spent a lengthy spell at the helm of Bradford City in this division.

Add to that the fact Bolton have been able to keep hold of the likes of Josh Vela, Jay Spearing, Zach Clough, Gary Madine, Mark Davies and Liam Trotter, in addition to drafting in quality players in the ilk of Mark Beevers and Chris Taylor, hopes are high for a successful season at Bolton.

It was a good start for the new era as well with Wanderers winning their opening four fixtures in League One, before finishing the month of August unbeaten on the domestic front. However, things have turned sour since and that fine early season form has been followed up with no victories in their last six outings, which included a 2-0 defeat at home to Oxford United last weekend.

Bolton fans expect and Phil Parkinson's side will be hoping to get their season back on track with a victory at SN1 today.

DANGERMAN

# GARY MADINE

**R&W TAKES A CLOSER  
LOOK AT ONE OF BOLTON  
WANDERERS' DANGERMEN  
THIS AFTERNOON...**

The lethal finisher joined the Trotters on a free transfer in 2015, becoming the club's first signing of the summer transfer window. Having risen through the ranks at Carlisle United, the 26-year-old made his debut for the Cumbrians as a 17-year-old in March 2008 after coming on against Nottingham Forest as a sub.

Madine went on to score 22 goals in 83 outings for Carlisle before sealing a move to Sheffield Wednesday in January 2011. He opened his account for the Owls in just his second appearance, and he went on to

help the club achieve promotion to the Championship during the 2011/12 season.

Loan spells at Carlisle, Coventry City and Blackpool then followed before the forward penned a two-year deal with Bolton. Following a fruitful pre-season, Madine went on to finish last season with six goals in 36 games as Wanderers suffered relegation.

However, Madine has enjoyed a good start to this term, notching three goals in the opening month to fire Bolton to the top of the League One table. The striker will be looking to get back on the goal trail this afternoon in a bid to breathe new life into the Trotters' season.

## MANAGER

PHIL PARKINSON

With Bolton looking for an experienced figure to help steady the ship, Parkinson was the man chosen to usher in a new era at the Macron Stadium.

The former Bradford City boss put pen to paper on a two-year contract with the Trotters in early June and has been tasked with guiding his new club back to the Championship at the first time of asking.

As a player, Parkinson spent the majority of his career with Reading after making his Football League debut for Bury in 1988. The former Leeds United trainee then signed for the Royals for a fee of £50,000 in July 1992.

The 48-year-old enjoyed unprecedented success during his time with Reading and was named the club's Player of the Season two years in a row from 1997 to 1999. The former midfielder was also a key member of the 1993-94 Football League Second Division Championship-winning team.

Parkinson then captained Reading to promotion from the Second Division in 2001-02 and capped off a memorable season with his testimonial game at the Madejski Stadium, which was attended by 20,000 fans. Parkinson is regarded as a Royals legend and was voted as one of the club's best-ever central midfielders with 60.3% of the votes.

After leaving Reading in early 2003, Parkinson began his managerial career with Colchester United and led the U's to safety. And Colchester went from strength to strength under the guidance of the former midfielder, achieving an unlikely promotion to the Championship at the end of the 2005-06 season.

Spells with Hull City and Charlton Athletic followed before Parkinson

took over the reins at Bradford City in August 2011. During his time with the Bantams, Parkinson was best known for leading the club to the 2013 League Cup Final at Wembley against Swansea City - becoming the first-ever manager to take an English fourth-tier team to the final of a major cup competition at Wembley.

Parkinson then guided Bradford to promotion to League One via the League Two play-offs that same season, before masterminding an outstanding 4-2 victory over a strong Chelsea side in the FA Cup in January 2015.

Parkinson will now look to sprinkle some of his managerial magic on Bolton as he looks to achieve promotion with his new club this season.

## DOSSIER

How Bolton Wanderers could line up...

Bolton are likely to stick with their tried and tested 4-1-2 formation for this afternoon's game at SNI.

Former Liverpool youngster Jay Spearing will sit just in-front of the back-four in order to give the visitors a tougher backbone and, with the experienced foursome of Lewis Buxton, Mark Beevers, David Wheeler and Dean Moxey behind him, Wanderers will be a tough nut to crack.

Bolton are packed full of experience and quality throughout their line-up and could call on the likes of Josh Vela and Liam Trotter to provide the industry in midfield, whilst James Henry will add another weapon to his side's already impressive attacking armoury.

And, if that wasn't enough, Gary Madine and on-loan Crystal Palace striker Keshi Anderson could well partner each other up-front, bringing plenty of power, pace and goals to the Wanderers frontline.

# HALL OF FAME

TOWN WILL BE PAYING HOMAGE TO FORMER RIGHT-BACK MARK ROBINSON THIS AFTERNOON AT THE COUNTY GROUND.

The ex-Robin will be inducted into the club's Hall of Fame and will be presented with a special club tie on the hallowed turf at SN1 prior to kick-off today.

Robinson arrived in Wiltshire in July 1994 for a fee of £600,000 from Newcastle United, with then Town boss John Gorman keen to beef up his squad following the club's relegation from the Premier League the season before.

And the defender made an instant impact with the Reds, going on to clock up 53 games in all competitions in his first season.

Robinson cemented himself as a first-team regular during his eight season stay with Town, racking up over 300 appearances and scoring four goals, before retiring in 2002.

# HALL OF SERVICE

AFTER SPENDING JUST SHY OF TWENTY YEARS TREATING VARIOUS PLAYERS IN THE TREATMENT ROOM AT TOWN, DICK MACKEY WILL BE RETURNING TO SN1 TODAY IN ORDER TO BE AWARDED FOR HIS EXCELLENT AND LOYAL SERVICE TO THE CLUB.

Starting his long association with the Robins under Glenn Hoddle, Mackey was a constant figure at The County Ground despite all the changing faces around him.

A hugely popular character during his time with the club, Mackey will be inducted into Town's Hall of Fame prior to kick-off this afternoon and the former Physiotherapist is looking forward to a return to a place he called home for so many years.

"Recognition is very nice and it is a nice thing to be cherished," Mackey told R&W. "I'm really looking forward to coming back and the stadium is looking really well."

"I feel quite privileged to have been inducted into the Hall of Fame and I'm looking forward to stepping back on the pitch this afternoon with no pressure and not having to worry about someone who has hurt themselves and worrying what you might find when you get there."

"I'm looking forward to it."

# COMMERCIAL COMMENT

Good afternoon and welcome to this earlier instalment against Bolton Wanderers after a good victory against our local rivals, Oxford United in midweek.

## SAM FM PARTNERSHIP

We were pleased to announce last week that we have entered into a media partnership with Sam FM. We are working with them to promote Pro Red, which is a scheme designed to attract the next generation of supporters through the turnstiles at SN1 by offering reduced ticket prices and cashback for their individual school or club team that they play for.

We are naturally keen to engage through their many listeners to activate sign-ups. We have a number of partners already supporting us with this initiative. They include the North Wilts Youth Football League, the Football in the Community Trust and Trust STFC. All together we are working to actively promote the great benefits of the scheme to families across the borough. For more information and to register, please log on to [www.pro-red.co.uk](http://www.pro-red.co.uk).

## MATCHDAY SPONSORSHIPS

With the number of games on the radar including Rochdale and Walsall, we have a number of sponsorship opportunities available to you. We have recently launched packages where you can become a matchday sponsor with a minimum of six or eight guests with the facility to add additional guests to your party. Packages start from just £600 and when you consider this price against the many benefits on offer, it really is great value. Please contact the Commercial Team for more details and availability.

## BRANDING PACKAGES OFFER

We still have a number of branding opportunities both internally and externally. We currently have an offer whereby we will include hospitality for ten in your own side suite with any branding package that you sign up to. Once again, to find out the details regarding this exceptional offer, please contact Kay or Adam. Their details can be found below.

## ON TO TODAY...

We take delight in welcoming our good friends Prepay Solutions to the Imagine Cruising suite today as main Match Sponsors. Prepay support the club extremely well with a raft of sponsorship and branding commitments. We hope you enjoy your day with us and let's hope you are able to celebrate three points too.

We also welcome Ged Montgomery and all of his guests who represent Julia's House today and who are celebrating a birthday. Hopefully all three points will be coming your way!

I would just like to finish off by making special mention to Mark Robinson and Dick Mackey who are picking up their Hall of Fame and Hall of Service Awards respectively today. Both have given years of loyal service to this great club and we look forward to seeing them back on the hallowed turf at 12.45pm today - I know you will give them both a warm welcome back. Enjoy your day gents.

AFTER BECOMING A DERBY DAY HERO IN MIDWEEK FOLLOWING THREE SAVES IN TOWN'S PENALTY SHOOTOUT SUCCESS OVER RIVALS OXFORD UNITED, THE YOUNG STOPPER SAT DOWN WITH R&W TO REFLECT ON HIS START TO LIFE AS A PRO...

“

Every boy's dream is to play professional football and I'm enjoying every minute of it.

**Will, you are currently a few months into your first season as a pro, how has it been so far?**

First, and foremost, I've enjoyed training with the first-team on a full-time basis and obviously getting the games I have played. It will only help my development moving forward.

Training with a goalkeeper like Lawrence Vigouroux is also good for my development with the experience that he's had. Lawrence is still young for a goalkeeper but he's played for Tottenham and Liverpool so he would have got plenty of experience there.

**What has been the most enjoyable aspect of your time as a professional footballer so far?**

Just being a first-team player. Every boy's dream is to play professional football and I've just started my career as a professional footballer so I'm enjoying every minute of it.

## FACT FILE

- ▶ Age: 18
- ▶ Place of Birth: Bristol
- ▶ Height: 5'11
- ▶ Position: Goalkeeper
- ▶ Squad Number: 12
- ▶ Previous Clubs: Bristol City, Shrivensham (L)

Tuesday night was definitely a pinch moment but other than that I've settled in well, I've just gone about my business and it isn't much of a change from when I was playing youth team football.

**How have you found working with new Head of Goalkeeping, Dean Thornton?**

Dean has been great. He's come in and he's settled in straight away with both me and Lawrence. You wouldn't have thought he has just joined - it is like he has been here for a couple of seasons. He's a nice guy, easy going and he's a very good goalkeeping coach and he gets the work out of me and Lawrence.

**You have made a handful of appearances already this season, are you on course to reaching the targets you set yourself in the summer?**

I would say I am on course at the moment to achieve my ultimate target for the season. Every game

I get to play for the first-team I'm just going to take it as an experience and make sure I take my chance every time I play.

I'm thankful to Luke Williams, Ross Embleton, Dean Thornton and all the staff here because they have put their trust in me to play and I wouldn't have been given my chance at Rochdale last season if it wasn't for them.

I have a lot of thanks to them for trusting me to play and I've taken my chance and hopefully now I can keep their trust.

**Let's go back to Tuesday night now and what an evening it was for you! Just talk us through what was going through your mind prior to the penalty shootout?**

As a team I thought we played well throughout the 90 minutes and it made it easier for us when they went down to ten men because we had more control, but credit to Oxford because they had to change their game plan and they did it really well.

And obviously I was buzzing with the end result.

To be honest, I look at it as I'm under no pressure whatsoever because the striker has got to score from a penalty. For me that just calms me down and I always try to look at the way they are shaping up to run up to the ball and when they are about to strike it, but I normally have one side I'm going for in my head.

**And the scenes after that shootout were special for you and your family, given that it was your mum's birthday the day before...**

It was a big moment for me because it was my first

“

It was a big moment for me because it was my first professional, competitive shootout so I was happy to come out on top.

professional, competitive shootout so I was happy to come out on top. It makes it even more special that it was my mum's birthday the day before.

It was so special to be able to share the moment with her on the pitch and that was for her really. That was another little present for her on her birthday.

**You have developed quite a reputation for saving penalties having now kept out four in your last five games. Has that come naturally to you or is it something that you have had to work on?**

I think it is a natural thing but practice is important because it allows you to keep getting better at it. I'm always doing penalties after training in order to try and improve.

**Bolton Wanderers are the visitors to SN1 today and it wasn't that long ago they were a Premier League team, so it should be an entertaining encounter, shouldn't it?**

Yeah, definitely. Bolton are a good side and it wasn't that long ago that they were in the Premier League, so it will be a tough test for us but we've prepared well this week. We'll make sure we're ready for it.

They've got a lot of experience in their squad and that will only benefit us from a learning point of view. We will stick to our game plan, do what we do and hopefully get the right result.

# DEAN THORNTON

Town's Head Of Goalkeeping, Dean Thornton reflects on his start to life at SN1 and pays tribute to Will Henry following his midweek heroics against Oxford United.

It is a great environment to be in and the manager has been fantastic, as have the other members of staff. It is strange to come into a first-team environment as a full-time goalkeeping coach. I did the Academy role at QPR and I looked after the first-team there with the other first-team goalkeeping coaches, but it is good to have a bit of free license as well.

The gaffer trusts me already and he gives me ownership on what to do and from a first-team point of view that is fantastic, so it is a great club and hopefully we'll get back to winning ways soon and start moving up the league.

When I first came here I watched Lawrence Vigouroux and Will Henry in training on Friday and as soon as I saw them in action my mind was made up already to join the club. Lawrence is 22 and Will is 18 and they have both

got great potential in the game so my job now is to progress with Swindon and hopefully get us up the league, but if Lawrence and Will can get a move eventually and help the club financially then that's another area for me as goalkeeping coach that you look to develop.

Will Henry was brilliant on Tuesday night in our shootout success against Oxford United and I spoke to him after the final whistle and said 'you are going to be the hero.' I obviously knew about his debut last season when he saved a penalty, and I just said to him that he was going to win us the game. He looked at me and I knew straightaway that he was definitely going to save a minimum of two, so when he saved the third one I knew that was it because I knew Darnell Furlong was going to score as well.

It is brilliant for the lad, he's 18-years-old at the end of the day and you look at other clubs and how many of them would throw their 18-year-old keeper in there? That is a testament to the first-team staff here to be happy to play Will when Lawrence was suspended.

Speaking to him on a daily basis as well he doesn't act like he's 18, he acts like he's 28 and he acts like he's played 300 league games, so for me it is fantastic working with an 18-year-old who has got that confidence and self-belief already to be more than happy to step in when Lawrence Vigouroux isn't available and do the best he can. I've got every faith in the boy.

# STFC LADIES

Town ladies were on the road again last Sunday and were hoping to bounce back from their penalty shootout defeat to West Ham United in the League Plate competition.

With the team starting to find their feet in the Southern Premier league, they were unlucky to come away empty handed as they were beaten 2-1 by Coventry United.

The ladies went in at haltime 2-0 down after goals from Coventry's Jade Brook and Alison Hall. The second-half saw Swindon come out fighting and pushing hard to get back into the game.

Town scored in the 75-minute when Sammy Hallsworth opened her account for the club after coming on to replace Ellie Maynard upfront. Town pushed hard for the equaliser but couldn't break down the Coventry defence.

After the game Ladies manager, Steve Robertson said:

"We were all a bit disheartened at half-time, we spoke about having more confidence and relaxing more on the ball and in the second-half we did that and were the much better team.

"A loss is always disappointing, but I feel very positive. We have definitely come here and put the frighteners on a team who are flying high. If we take that second-half performance into the next game we will net 3 points."

Town Ladies are back in action this Sunday when they host Crystal Palace LFC at Shrivenham FC KO: 2pm.

# SUPPORTERS CLUB

Today we welcome Management, players and supporters of our visitors from Bolton.

SAS Travel is a valuable part of the Supporters Club and they put any profit made from travel back into the Supporters Club, also directly to Swindon Town Football Club by sponsoring two players' shirts every season. They have also contributed to the Fitness Watches for players' and to various gallery pictures in Legends bar.

Having been involved in running away travel for many years, I understand what a difficult job this can be. The number of hours which are put into organising coaches behind the scenes for supporters to travel to an away match can only be done by dedication to the job.

It starts during the summer months - when others have forgotten about football - by getting quotes from coach operators and selecting which to accept. Cost, reliability and safety also need to be considered. For a number of years now Barnes Coaches have been the chosen partner.

Prices for travellers are then worked out and those who travel to every game have the option of purchasing a season ticket.

Usually bookings are taken on a Tuesday and Thursday evening and before all home games. Messages can be left on the answerphone (01793536757) and Twitter is another point of contact. All details appear towards the back of this programme and on their website at [www.sastravel.co.uk](http://www.sastravel.co.uk)

I hope this gives an insight as to what is required to run a reliable and safe travel organisation such as SAS Travel which is run by Marc Walters and Sally Carter. They both have busy lives with families and full-time jobs.

We thank them very much for their continued support - and do remember that SAS Travel offers discounted travel to Supporters Club members.

# ON THIS DAY:

## 8 OCTOBER

### 1910

After losing 15 out of their first 16 visits to Southampton, Town went five unbeaten with a convincing 4-0 win at The Dell. England international Harold Fleming hit a brace, Freddy Wheatcroft and Bob Jefferson netting the others.

### 1927

Swindon travelled to Penydarren Park at Merthyr in Division Three South. 5-1 behind at the break, the visitors went down 8-2 - a scoreline that would represent the Welsh club's highest goal tally during their brief League history.

### 1955

Geoff Fox made his debut for Town the day after signing on as player-coach on a part-time basis. There was no manager at The County Ground at the time - and there had not been one for the past six months, since Maurice Lindley's contract was not renewed. Exeter's 1-0 win consigned Fox's new club to a fourth home defeat of the season.

### 1985

Trailing by a single goal following a League Cup Second Round first leg tie at Roker Park, Swindon went 4-2 in arrears just before half-time in the home leg. But they stormed back through Andy Rowland (58 mins) and an equaliser from Bryan Wade as full-time loomed. Wade struck again nine minutes into extra-time to seal victory.

### 2000

Town recorded their last home win over neighbours Oxford - prior to Tuesday. A goal in each half from Alan Reeves and Guiliano Grazioli secured a 2-1 verdict. A 'double' was completed in March when Steve Robinson hit both goals in a 2-0 victory in the final encounter at the Manor Ground.

### 2013

The last eight games played by Town on this date have all been at the County Ground. Three years ago when Plymouth were beaten 2-1 in the League Trophy - Ty Belford and Raphael Rossi-Branco were both making their senior debuts.

# LOU MACARI'S RED AND WHITE ARMY

## 30 YEARS ON

**SWINDON TOWN ○  
SOUTHAMPTON ○  
8 OCTOBER 1986**

**Facing a three-goal first leg deficit against top flight Saints, Town started off like a train. They forced four corners in the first six minutes - on their way to an impressive tally of 16 on the night. It took the visitors 87 minutes to force their only one!**

Swindon should have pulled a goal back just 17 minutes in after Mark Wright had upended big Dave Bamber in the box. Chris Kamara's penalty was placed wide of Shilton, but unfortunately also wide of the upright.

Kamara beat the keeper again on the half hour when his fierce shot went closer than the spot kick, but glanced off the same post to safety.

At half-time, Lou Macari switched from the usual 4-3-3 to a 4-2-4 formation. Centre-back Tim Parkin had to go off with a rib injury, Dave Hockaday plugging the gap and Bryan Wade coming on up front.

However it was more of the same from Town, with

*Coyne fires just wide*

Kamara stinging Shilton's palms in the opening minute of the half before the England keeper clawed away a Bamber effort just after the hour. A minute later, Wade was denied when his shot was deflected past Shilton but Gerry Forrest cleared off the line.

With twenty minutes to go, the visitors had another amazing escape. Shilton was beaten again when a Bamber header thudded against the bar, the ball rebounding to Wade who smashed it back in, only to see it rebound off the legs of the fortunate Forrest once more.

But the Town tidal wave just kept coming towards Shilton, who somehow got a touch on a shot from Bamber from point blank range three minutes later.

Steve White came on for Peter Coyne with ten minutes left and it was soon his turn to terrorise the Saints defence and his shot on the run flew past the keeper, only to thump against the underside of the bar and clear.

The visitors' only effort of note came just prior to that, when Colin Clarke forced Fraser Digby to save.

It was said that the Town stopper had so little to do, he should have been charged for admission! Lou Macari summed up the night's events by calling it 'a nil-nil annihilation'.

A combative midfielder, Chris first arrived at the County Ground as a 19-year old, making his debut in a 3-1 League Cup win at Swansea and then scoring just 15 minutes into his first League outing a week later at Hillsborough.

On his way to a career best 11 goals for the season, Chris hit four between Christmas and New Year - with a brace coming in a storming encounter against Oxford at the Manor, where Town came back from a three-goal deficit at the interval!

Former Town defender Frank Burrows took him back to Portsmouth, but he was re-signed by Lou Macari during the first week of the Fourth Division title-winning campaign. Chris missed the first half of the season through injury but was influential as the club then went on a 21-game unbeaten run. And he missed just four games as Town completed a second successive promotion.

Early days - Kamara heads home against former club Portsmouth soon after signing in 1977.

# SUPPORTERS TRUST

Trust board member Simon Cowley continues to promote Pro Red among Swindon schools. Recently he met up with the Principal of Haydon Wick Primary School, Aine Gale, who had this to say: "We are delighted to sign up to the Pro-red initiative. We have many pupils in the school who regularly play football for fun and more competitively in teams throughout Swindon. It is great to support the local team!"

Individual adult tickets for any Swindon Town home match are available for just £15 through the 'Pro Red' scheme, a saving of £10 on normal prices, so please help us to spread the word. Anyone that is local with a young family member in their household can definitely benefit from this deal, so please ask them to visit the Pro Red website – [www.pro-red.co.uk](http://www.pro-red.co.uk) and sign up to this fantastic scheme that encourages a larger fanbase for our future.

Welcome back to The County Ground for what should be a great match against one of the big names in League One. Without doubt Bolton have a very rich history and it should be a great occasion. Many of you will remember those cup battles back in the mid-nineties, let's hope today goes in our favour!

Great news that Michael Doughty is on the mend, we've certainly missed his eye

for goal and all round creativity, however in his absence we've seen a couple of fantastic team goals and hopefully we will see another one today.

Enjoy the match and be sure to back the team as best as you can, three points are much needed to help us climb the table. COYR!

**The Trust are delighted to welcome members of**

**the Bolton Wanderers Supporters' Trust (BWFCST) to The County Ground today.**

On 6th January 2016, an open meeting was held in the Premier Suite in the Macron Stadium and around 1,000 fans gathered to vote unanimously for the formation of a Bolton Wanderers Supporters' Trust. In association with Supporters Direct, the Trust registration process was completed and on 15th January 2016, the Bolton Wanderers Supporters' Trust formally came into being. Club legends Kevin Davies and John McGinlay pledged their

support and helped with the membership drive - numbers continue to grow towards the 6,000 mark.

BWFCST is by the fans and for the fans. The Trust will be democratically run by an elected board. The Trust has been founded to provide the BWFC supporters with a real say in the running of their Club, both in the short term and long term. # John Goddard

It has been quite a week for John Goddard who is looking forward to helping Town get back on track in the league against Bolton Wanderers this afternoon.

**After bagging his first-ever competitive goal for the club in last weekend's 1-1 draw away at Shrewsbury Town with an exquisite header, the attacking midfielder converted a spot-kick during the Reds' Checkatrade Trophy shootout success over Oxford United in midweek.**

"It was a very nice moment and it has been coming with the positions I've been getting in lately," Goddard reflected when asked about opening his account for the club.

"It was really nice to see one hit the back of the net and it is an important part of my game. It makes a big difference to the team if I can get some goals so it was nice to see it go in and contribute to a positive result at the weekend.

"I got twenty goals last season so goals are important for me but it has just been really nice to get a run in the side recently. I feel like I'm finding my feet and making more of an impact, which is important.

"To score from the spot against Oxford was a good moment as well and whatever competition it is in it is always a nice feeling. You could see how much it meant to our fans after the game and it was really important for us.

"It was nice for the boys and hopefully we can continue to do well in that competition."

Goddard is now looking forward to the prospect of pitting his wits against Bolton today, who were a Premier League team as recently as the 2011/12 season.

"It is going to be a real test. We've looked at their side and how they play and they are a very good team," he added.

"But they are not on the best of runs themselves so we'll be going into it positive, we won't look at the names or the club but we'll look at the game as an opportunity to get all three points.

"We'll go into it positive and confident but like any game in this league it isn't going to be easy and we know that."

“

It was really nice to see one hit the back of the net and it is an important part of my game.

Bournemouth are a good outfit who pass the ball around well and we were very compact and organised in the first-half. Bournemouth probably had slightly more possession than us but we had the better chances.

Our superior fitness and play in the second-half shone through and we outplayed them, but we just couldn't find the end pass, the decisive pass, we couldn't find the right cross and we didn't have enough players willing to shoot at goal.

We got ourselves in great opportunities but we just didn't kill them off. But, at the end of the day, I've got to say thanks to my staff, Tom Holmes the Physio and Dan Watson for the conditioning and the fitness because Bournemouth were out on their feet and we ran them ragged.

It was just disappointing that we didn't finish the game off. They did have one counter-attack when we were dominating, which is something that I don't like. I don't like when we're dominating the game and teams counter easily against us, and they could have scored from that.

But, overall, particularly after the defeat down at Plymouth a few weeks ago, they responded well and a clean sheet was good. I was delighted and there were plenty of

people at Stanley Park watching the game which was nice. If people want to come and watch us on a Saturday morning on your way down to watch the first-team, then we would be delighted to have you come along and watch.

We didn't play Saturday just gone, we had an in-house training game which saw our U18s play a mixture of our U16s and U18s. We filmed the game, it was done in the right manner and it was a full-on game. We had one or two players coming back from long-term injury, including Callum Gunner and it was nice to see him get through that. He'll be back in contention for the Bristol Rovers game.

It was nice to see players taking the training game very seriously and putting in maximum effort in - that's all we want. We had the opportunity as well to see one or two U16s in action who had trained with us to see how they coped with that, and, in the main, they did pretty well.

We would have played away at Bristol Rovers by the time you have read these notes, so let's hope we have three points to reflect on in the next programme.

Enjoy today's game.

# GIRLS DEVELOPMENT

Good Afternoon and welcome to today's game. It has been an extremely busy time for the STFC Girls Centre of Excellence and Football Education Programme.

The CFFCE entertained Swansea City Ladies at the weekend in the U10s, U13s, U14s and U15s categories. There were wins for the U10s who won 4-2 and the U15s also won 4-2, which was extremely impressive as they were playing their U16s counterparts.

The U15s have now continued their winning streak under the guidance of Jon Holloway throughout the Gothia Cup and into the new season. Clive Maguire took charge of the U14s for the first time and despite a good performance, went down 1-0. This team is extremely talented and I'm sure that Clive will get the best out of them throughout the rest of the season.

The U13s lost 3-2 in an entertaining game and showed great spirit throughout and almost got an equaliser in the dying minutes.

## C6 Education Programme:

Our C6 girls continued their season on Wednesday with a 3-2 victory over Exeter. In all honesty, the girls should have been out of sight and nearly paid the price for numerous chances wasted in front of goal. However, it is three points and the girls remain unbeaten this season.

We hosted our Female Education Open Evening at C6 on Wednesday evening and we are now pleased to say that applications to join our Female Football Programme are open for the next school year.

If your daughter would like more information regarding our programme, then please email Shane on [shane@stfc-fitc.co.uk](mailto:shane@stfc-fitc.co.uk)

# FOOTBALL IN THE COMMUNITY

Today we extend a warm Community Office welcome to Highworth Town Juniors, who have brought both of their U8's teams to enjoy our Saturday Team Club Package.

This has been organised by Alexia Seller and this morning they enjoyed a comprehensive look behind the scenes here at the club, before going over to St. Joseph's Catholic College and participating in a professional coaching session and tucking in to their Dominos Pizzas for lunch.

The icing on the cake this afternoon will be for Swindon Town to pick up all three points against our visitors, Bolton Wanderers.

## ▶ WILTSHIRE COUNCIL KICK-IT OUT CAMPAIGN

We are delighted to be working in partnership with Paul Pritchard and his staff at Wiltshire Council again this season to help them deliver their Kick-It Out campaign where we will be supporting them on delivering two tournaments on the 24th October in Salisbury and the 28th October in Chippenham.

The tournament is aimed at U18 players competing against

each other to earn the right for the winning team in each tournament to play in the grand final on The County Ground pitch at half-time on November 12th.

We would like to take this opportunity to wish everybody the best of luck and again we are really looking forward to working in partnership with Wiltshire Council, which will be our fourth year of working together.

### ► DISABILITY MATCH AGAINST NORTHAMPTON

For those of you that attended the Northampton game on September 27th, I am sure you will join me in congratulating all of the players who took part in the fantastic, entertaining fixture between the Swindon Town and Northampton Town Disability Programmes.

The amount of positive social media coverage and telephone calls congratulating both Community Trusts and both sets of players for what could only be described as a brilliant spectacle

for all supporters was brilliant. It was a magnificent example of where barriers of disability can be broken down by the true spirit of the wonderful game of association football.

I would like to sincerely thank Russell Lewis and all of his players and staff who came and supported the event at half-time, which we are hoping will be reciprocated on the 14th February 2017 when we travel to Northampton for the away fixture.

# SHAUN HODGETTS

BBC WILTSHIRE

Matches between these two teams in the League are relatively rare!

**The last time the Town picked up maximum points in this fixture was March 1987 when Steve White (our pundit this afternoon) and Mark Jones (from the penalty spot) scored in a 2-0 win at the County Ground.**

There was the Littlewoods Cup "epic" at the end of 1989 which went to a Third replay, "Chalky" was on target again and Ross MacLaren won it in extra-time! Just over five years later, a trip to Wembley was the prize in the Coca-Cola Cup semi-final. Setting off early for radio coverage, we'd already arrived at Burnden Park when the second leg was postponed...so much excitement & expectation eventually evaporated.

Almost two decades ago, another match lingers long in the memory, because of the 'media circus' surrounding it - Swindon suffered a heavy away defeat, 7(seven)-0 - my colleague Stuart Mac began crying during his full-time report, his tears were compared to Gazza at Italia '90! That soundbite (including my brief "are you alright" enquiry) is now in the National Football Museum - at the time it was used by programmes such as The Big Breakfast and They Think It's All Over - fifteen minutes of fame for a fan who's now working on cruise ships

around the world and doubtless dining out on that tale!

A handful of players have moved from the Trotters to the Town in my time covering the club: Mark Seagraves, Charlie Comyn-Platt & Trinidad & Tobago's Ricky Shakes, Tope Obadeyi & Danny Ward. The last two were loan signings (it's not a new phenomenon!) and the latter is surely remembered with the most affection for his contribution to the 2009/10 play-off season - where are they all now?!

For this international weekend, spare a thought for Jamie Sendles-White, on standby for the senior Northern Ireland squad last

time around and now recovering from an injury which has already ended his season.

"And finally"...thank you for your interest in my recent "Oldham adventure", lost between commentary-box and touchline at full-time but privileged to describe that 17-pass early contender for "team goal of the season", scored by Jon Obika - remember BBC Wiltshire brings you every game & every goal throughout the 2016/17 campaign - here's to a charge up the table, gaining momentum from the EFL Trophy victory over Oxford here on Tuesday - well played Will Henry (and his mum, a proud parent indeed after the penalty shootout)!

# AWAY DAY

## PREVIEW

**Town will make the long haul to Sky Bet League One leaders Scunthorpe United on Saturday 29th October, with Kick-Off at 3pm.**

The Iron have made a great start to the season and currently sit three points clear at the top of the table.

Town's last trip to Glanford Park was one to forget with Scunthorpe running out comfortable 6-0 victors in March 2016.

Ticket prices and details for this fixture will be announced in due course.

### ► SAS TRAVEL

The SAS Travel office is open at the following times:

**Tuesday 7pm-8pm**

**Thursday 7pm-8pm**

*Before all home fixtures until 30 minutes prior to kick off*

All seats must be paid for at time of booking. Proof of age may be required when booking Junior seats.

Credit/debit card payment will be taken at time of booking.

All Under-16s must be accompanied by an adult.

At any other time supporters can call the office on 01793 536757 and leave a message on the answer phone and SAS Travel will reply as soon as possible. Alternatively, email [sastravel@sky.com](mailto:sastravel@sky.com) for further details.

You can now follow SAS Travel on Twitter - for all the latest away travel news, follow [@SAS\\_Travel](https://twitter.com/SAS_Travel)

The following guidelines are designed to allow SAS Travel to ensure that they can take as many fans as want to travel with them to each away game.

- As a general rule, SAS Travel have to order coaches one week before the fixture date. Therefore if you leave booking until within this time, they cannot

always guarantee that there will still be spaces available.

- After this time, SAS Travel will always try (alongside their coach provider) to source further coaches and meet all the demand for spaces, although they cannot run a coach unless economically viable to do so.
- SAS Travel tend to open games for booking around three weeks before the fixture date and usually have three fixtures booking at any one time. This may increase to four due to fixture rearrangements.
- SAS Travel advise that the best policy is to book as early as you can to ensure that you get the spaces that you want.

# TICKET OFFICE

**Six and Eight Match Ticket Packs:**

Following on from previous season's success, Town would like to offer supporters another opportunity to select a six or eight-match ticket package that suits their personal requirements.

These packages offer great savings on standard category matchday prices. Season Tickets offer the greatest value for money but they are not always suitable for all supporters which leads to many fans attending fewer matches.

From Season Ticket holders to matchday ticket purchasers, it is important that we listen to all Town fans and, where possible, implement new schemes which we hope will help to take our club forward. This will allow us all to benefit from exciting and entertaining football and, ultimately, further the quest for success on the pitch.

Further details regarding this season's Six and Eight Match Ticket Packs will be released on our official website and across our social media channels within the coming weeks.

## ► Pressing Matters

It was a long time coming wasn't it? Despite what some people are saying, I'm classing Tuesday's shootout success over Oxford United very much as a victory!

“

The highlight of the night for me was Will Henry's penalty heroics and his celebrations with his mum on the pitch after – a special moment he will remember for the rest of his life.

The Tweets on the club's official Twitter account on Tuesday certainly caused much discussion but, after six defeats on the trot to our local rivals, I thought it was only right we shouted from the rooftops!

Anyway, the highlight of the night for me was Will Henry's penalty heroics and his celebrations with his mum on the pitch after – a special moment he will remember for the rest of his life. Having been at the club for a while now, I've got to know Will well and not only is he a very, very talented goalkeeper but he's a great guy as well and I'm sure he'll go a long way in this game.

On to today and it feels strange Bolton being our visitors given that they were an established Premier League outfit only a few years ago. However, they still boast plenty of quality amongst their ranks and will be a tough test this afternoon. But the boys are full of confidence following Tuesday night and I'm sure we're all in for a cracker this afternoon.

As you may have seen on our website and social media channels throughout the week, we will be inducting club

legends Mark Robinson and Dick Mackey into the Hall of Fame and Hall of Service respectively on the pitch prior to kick-off today.

I have recently been invited to join the Hall of Fame/Hall of Service Committee and, for someone who has supported the club since I was a small boy, I can't say how much of an honour and a privilege it is to be a part of that. Both Mark and Dick were loyal servants to the club and I hope they enjoy their returns to SN1.

To finish off I would like to share a funny story I have of Dick. A good few years ago my brother and myself were in the back of the car waiting for our dad to fill up with petrol at a local supermarket when, lo and behold, Dick appears in the car next to us cue me and my brother hanging out of the car waving and shouting at him madly – a story Dick remembers fondly too!

Enjoy the game this afternoon and here's to a return to winning ways in the league.
