LUKE WILLIAMS

Good Afternoon everyone and welcome back to The County Ground for our televised game against Charlton Athletic.

A lot has happened since my last notes and I want to focus on our last two outings, both of which came in cup competitions. We had to battle against both Eastleigh in the FA Cup and against Exeter City in the Checkatrade Trophy.

We had to fight for everything and I've been impressed with the players' attitudes and the changes in personnel have been able to adapt, so that has been very encouraging.

We've been drawn at home to either Dagenham & Redbridge or FC Halifax Town in the Second Round of the FA Cup but, first and foremost, we've got to concentrate on getting a victory against Eastleigh because they aren't coming to The County Ground to roll over.

They've got talent in the team, they are very organised and they are doing well in their league so we need to get past that game first. The next fixture if we're fortunate to get there is one that is winnable and it is a game we're going to play at The County Ground so we expect to be very strong.

Charlton, like ourselves, aren't where they would like to be in the table at this stage of the season but they

are not going to be there for long. They've got real quality and they've got experienced management staff, so we need to be aware that it is going to be incredibly tough and we need to be at the top of our game to get a result.

Today will also see us reunited with Nicky Ajose and we've got fond memories of Nicky playing at The County Ground for us. He's a fantastic player and he's a great person. I hope he doesn't have a great day - I hope he has an off day but I look forward to seeing him.

The Sky cameras are in town today and it is something I've experienced with young groups over the last three-and-a-half seasons and there is a different feel about a matchday and there is a different atmosphere behind the scenes, so we need to be aware of that but we need to play the game and not the occasion. We need to make sure we are not side-tracked by anything going on and just focus on us.

Enjoy the game today and keep up your fantastic support.

STEVE ANDERSON

Good Afternoon and welcome back to The County Ground for today's televised game against Charlton Athletic. I would like to extend a warm welcome to the players, management, directors and supporters of the Addicks for what is hopefully an exciting game for all concerned.

It has been a busy few weeks since my last set of notes with results not going quite our way, starting with the defeat to Walsall last time out at SN1. We were outdone by two moments of brilliance by Erhun Oztumer who ran the show and finished the game with two superb strikes.

Followed by that was a disappointing trip to Scunthorpe United for the second season in a row. Glanford Park is turning out to be a tough place to visit for us and points are hard to come by. However, it was encouraging to see the boys produce a more determined display in the second-half which is the minimum we would expect in any game. However, it was a shame that effort didn't come from the start but the team will hopefully come back stronger from that setback.

This leads us on to today's game live on Sky Sports and both teams will be trying to get back on track having found themselves at the wrong end of the

Sky Bet League One table. Charlton come into today's game having been undefeated in their previous four league games and will be looking to build on that this afternoon. They have a very strong and talented squad on paper, which includes Nicky Ajose, who was of course our top scorer last season. It will be good to see Nicky back at SN1 and I hope he gets the reception he deserves.

As we are aware, last weekend saw the commencement of this season's Emirates FA Cup, which was kicked-off last Friday night with our game against Eastleigh live on BBC Two. It was great to see so many travelling away fans and your backing was superb throughout, despite the tough conditions on the night. We now need you all to get behind the team for the replay on Tuesday (7.45pm Kick-Off) at The County Ground in order to set up a second-round tie at home against either Dagenham & Redbridge or FC Halifax Town.

Today's game will see us pay our respects to all the men, women and children that have given their lives for this country with a minute's silence. The Last Post will also be played before kick-off. Therefore can I please kindly request that you get to your seats 10 minutes prior to Kick off.

Enjoy the game!

LATEST NEWS

TOWN TO FACE DAGENHAM & REDBRIDGE OR FC HALIFAX TOWN IN FA CUP SHOULD THEY GET PAST EASTLEIGH

Swindon Town or Eastleigh have been drawn against Dagenham & Redbridge or FC Halifax Town in the Second Round of the Emirates FA Cup.

The draw took place on Monday and Luke Williams' side will know they will have a home tie to look forward to should they get past Eastleigh in their First Round Replay on Tuesday 15th November 2016.

Town's potential Second Round opponents will also have to contest a replay after Dagenham & Redbridge played out a 0-0 draw with FC Halifax Town last Saturday.

Second Round ties are due to be played between the 2nd and 5th of December 2016.

Speaking about the draw, Town Head Coach Luke Williams said: "I think it is a good draw because it is a home tie, I think it would be a lot trickier against either of those opponents."

"We should be confident enough of ourselves to feel like we can beat either of those opponents."

"The big thing is we have to win the replay first before we consider anything else."

REMINDER – TODAY'S GAME A 12PM KICK-OFF

Swindon Town would like to remind all fans that today's game at Charlton Athletic will get underway at the earlier time of 12pm.

This afternoon's Sky Bet League One encounter will be broadcast live on Sky Sports – the third time Town have featured on TV already this season.

Ian Holloway and former Robins midfielder David Prutton will be watching on from the studio for Sky, and Luke Williams' men will be hoping to put on a show as they look to get back to winning ways in League One.

NATHAN THOMPSON

Good Afternoon everyone and welcome back to The County Ground for today's Sky Bet League One encounter against Charlton Athletic live on Sky Sports.

It is nice to be back at SN1 after a tough couple of weeks on the road following our last home game against Walsall. On that note, it was really disappointing to lose to the Saddlers after the highs of beating Rochdale just a few days before, but we were outdone on the day by two pieces of individual brilliance. Sometimes you've just got to hold your hands up and there was nothing we could do about Erhun Oztumer's two brilliant strikes.

However, we were bitterly disappointed with our first-half display away at Scunthorpe United at the end of October and we as a team know our performance was far from good enough. We actually started the game well and gave the League One leaders a run for their money, but our reaction to going a goal behind wasn't acceptable. We then went on to concede three awful goals and I can promise you that there were a few cross words said in the dressing-room at half-time.

We changed things up a bit in the second-half by bringing on Michael Doughty and Lloyd Jones and it worked to an extent. We managed to prevent Scunthorpe from wreaking further damage and it was nice to get on the scoresheet from a personal point of view, although the manner of that crushing defeat overshadowed my goal and rightly so.

We've had a break from league action in recent weeks but we've really been put to the test in two gruelling cup encounters. We opened our Emirates FA Cup campaign with a 1-1 draw away at Eastleigh in what were very tough conditions. The pitch was far from perfect but you've got to expect that when you go to a non-league ground. I thought we handled ourselves well after a shaky opening and we showed great character to haul ourselves level just minutes after falling behind.

Michael Doughty showed just what a big miss he has been for us and it was great to see him back on the scoresheet - I'm sure he'll now only go from strength to strength.

We've got a number of key players returning and that will only help us in our replay on Tuesday. We know that should we beat Eastleigh then we've got a realistic chance of reaching the Third Round of the FA Cup and a long cup run is overdue for this club.

On a personal note, it was extremely disappointing to have suffered a hamstring injury against Eastleigh. I feel like I have started the season well and, more importantly, injury free so to pick up a knock of this extent is really frustrating. The road to recovery starts now and I hope to be back in action as quickly as possible. I would like to thank everyone for their messages of support, it really does mean a lot!

We're also through to the knockout stages of the Checkatrade Trophy after beating Exeter City on penalties on Tuesday. It was great to see Luke Norris open his account for the club and Will Henry once again showed his quality with a string of superb saves. Hopefully by the time you are reading this we would have been given a good draw as we look to go all the way in this competition.

Finally, despite their struggles so far this season, we know Charlton are going to be extremely difficult to play against today and they have an abundance of quality amongst their ranks. Today's game will give both teams an ideal chance to get back on track, especially being on TV, and although I'm frustrated not to be out there today, I know all the boys will be doing everything within their powers to get the three points.

It will also be nice to see Nicky Ajose back at SN1 this afternoon and I hope he gets the reception he deserves. His goals were absolutely vital for us last season and I just hope he doesn't find the back of the net today!

Enjoy the game.

All in all, Charlton had assembled a squad to be feared at this level and entered the term boasting quality in all areas of the pitch.

• CHARLTON ATHLETIC •

The Addicks have endured a frustrating start to life back in the Sky Bet League One and will be looking to kick-start their season with victory at SN1 this afternoon.

Following their relegation from the Championship at the end of the 2015/16 campaign, Athletic have found it hard to recover and are currently lying in 14th place in the table. However, with a squad packed to the brim full of quality and experience, Charlton will be hoping for a repeat of the 2011/12 season which saw them lift the League One title.

It was a summer of change at The Valley with experienced Football League manager Russell Slade being brought in to help restore the good times and steady an unstable ship. And the former Yeovil Town and Cardiff City chief was certainly busy having recruited no less than ten fresh faces.

Jason Pearce and Kevin Foley were both brought in from the league above to add some much-needed steel to the Addicks' defence. Matt Carter and Andrew Crofts bolstered the club's options in the engine room whilst Ricky Holmes, Josh Magennis and former Birmingham City hitman Lee Novak were tasked with providing the firepower. And Charlton also raided The County Ground, paying an undisclosed fee to prise Nicky Ajose to South London.

All in all, Charlton had assembled a squad to be feared at this level and entered the term boasting quality in all areas of the pitch. However, the Addicks endured a slow start to the 2016/17 campaign after losing to Bury on the opening day, before bowing out of the EFL Cup at the hands of League Two outfit Cheltenham Town. But wins against Shrewsbury Town and Walsall followed before Athletic saw out the month of August with back-to-back draws against Bolton Wanderers in the league and against Southampton's U21s in the Checkatrade Trophy.

It has only got harder for Charlton since and they have recorded just two victories on the domestic front since 20th August, which both came in October against Coventry City and Chesterfield respectively. However, Athletic have only lost three times in the league all season but eight draws have halted their progress.

Russell Slade will be hoping his all-star squad begin to fire sooner rather than later and they will be expected to be firing on all cylinders in-front of the Sky cameras today with both teams on the hunt for a vital three points.

DANGERMAN

RICKY HOLMES

**R&W TAKES A CLOSER
LOOK AT ONE OF CHARLTON
ATHLETIC'S DANGERMEN
THIS AFTERNOON...**

The lively winger joined the Addicks for an undisclosed fee from Northampton Town in the summer after playing a key role in the Cobblers' promotion to League One. The 29-year-old scored 16 goals in 53 games for Northampton after making the switch from Portsmouth in January 2015.

Began his career with Chelmsford City where he helped them to promotion and a memorable run in the FA Cup. Earned a call-up up to the England C National Team and finished as City's top goalscorer at the end of the 2009/10

campaign with 21 goals, fine form which led to a move to Barnet in June 2015.

Holmes then joined Portsmouth following Barnet's relegation to the Conference and was a massive hit at Fratton Park, finishing the 2013/14 campaign with an incredible 50 assists and the club's fans' Player of the Season Award. A move to Northampton Town followed in January 2015 and the attacker notched nine goals last term to help fire the Cobblers to promotion, earning a place in League Two's PFA Team of the Year.

Holmes has carried that stunning form into this season and has helped himself to three goals and 4 assists in 16 games for Charlton.

MEET THE REST...

DIMITAR MITOV

The Bulgarian goalkeeper joined the Addicks in May 2013 following an impressive trial at the Valley. Has represented his country at U17 level and has been on the fringes of the Charlton first-team squad.

DILLON PHILLIPS

Made his first-team debut for Charlton this season against Southampton U23s in the Checkatrade Trophy, keeping a clean sheet and saving a penalty in the subsequent penalty shoot-out. Spent time out on loan at Cheltenham Town in 2015/16 and helped the Robins secure an immediate return to the EFL.

EZRI KONSA

Has risen through the ranks of Charlton's Academy and spent pre-season with the first-team. Konsa is versatile and is comfortable at the heart of the defence,

in central midfield and can also operate as a right-back.

JASON PEARCE

The no-nonsense centre-back penned a three-year deal at the Valley in the summer after parting ways with Wigan Athletic, for whom he helped get promoted last season. Pearce knows the Football League inside out having had spells with Portsmouth, AFC Bournemouth and Leeds United, where he wore the captain's armband at all three clubs.

JORGE TEIXEIRA

Has been with Charlton since January 2015 after penning a four-and-a-half-year deal with the club, joining for an undisclosed fee from Standard Liege. The defender is able to boast both Champions League and Europa League experience and has played in the top domestic leagues in Switzerland, Italy and Israel.

AHMED KASHI

The midfielder became Charlton's fourth summer signing of the 2015/16 season after arriving from FC Metz on a three-year deal. Spent his entire career in France prior to his move to London and has also represented Algeria in the 2015 African Cup of Nations.

ADEMOLA LOOKMAN

The teenage striker burst onto the first-team scene for Charlton in November 2015, making his debut away at Milton Keynes Dons. He then netted his first goal for the senior side away at Brighton & Hove Albion in a 2-2 draw the following month and bagged a brace against Bolton Wanderers in December 2015. Leads the Addicks in scoring this season with five goals to his name.

KARLAN AHEARNE-GRANT

Became one of the youngest players to represent the Addicks in late 2014 and scored his first professional goal last season. Has been with Charlton since the age of 12 and has been tipped for a bright future at the Valley.

DECLAN RUDD

Is on a season-long loan at Charlton having arrived from Norwich City in August 2016. The 25-year-old has racked up over 100 professional appearances and featured on eleven occasions in the Premier League last season. Has also been capped at U16, U17, U19, U20 and U21 level.

KEVIN FOLEY

The vastly experienced defender became the Addicks' seventh signing of summer 2016 after putting pen to paper on an initial five-month contract with the club. The Irishman, who is capable of playing at both at right-back and in central midfield, began his career with Luton Town before racking up over 200 games for Wolverhampton Wanderers.

ADAM CHICKSEN

Signed for Charlton on a free transfer prior to the start of the season and made his debut for the club against Southampton's U23s in the Checkatrade Trophy. Started his career with hometown club MK Dons at the age of 14 and made his bow for the first-team just two years later. Has also played for Leyton Orient, Brighton & Hove Albion, Gillingham and Fleetwood Town.

PATRICK BAUER

Was one of the bright sparks for Charlton during an otherwise disastrous season at SE7, which resulted in the club's relegation from the Championship. The big German defender impressed at the back before suffering a season-ending injury at Burnley in December 2015. The 23-year-old began his career with Stuttgart in his native Germany and has represented his country at U17, U18 and U21 level.

ROGER JOHNSON

The experienced defender has over 500 league games under his belt and made his professional debut for Wycombe Wanderers at the ripe old age of 17, before securing a move to Cardiff City in 2006. Johnson made 136 appearances for the Bluebirds, helping the club reach the FA Cup Final and being named Player of the Year twice. Has also won the League Cup with Birmingham City in 2011.

JOHNNIE JACKSON

The Charlton skipper is currently into his sixth year with the club and the midfielder surpassed the 200-appearances milestone last season. Jackson is a firm fans' favourite at the Valley and skipped the side to the League One title and the former England youth international has enjoyed a bright start to this season, bagging four goals.

ANDREW CROFTS

Joined the Addicks on a one-year deal in July 2016 following a successful trial with the club throughout pre-season. An assured presence at the base of midfield, Crofts has won 28 caps for Wales and has proven to be a star performer for the likes of Gillingham, Brighton & Hove Albion and Norwich City.

JORDAN BOTAKA

Is on a season-long loan deal at the Valley from Championship outfit Leeds United. Nicknamed the Wizard, Botaka began his professional career with Belgian outfit Club Brugge, signing his first pro contract in 2012. Signed for Leeds prior to the start of the 2015/16 season for a seven-figure sum and is also a full international with DR Congo.

FREDRIK ULVESTAD

Signed on loan from Premier League outfit Burnley on Transfer Deadline Day of summer 2016. Made over 132 appearances for his hometown club Aalesunds FK, scoring 20 goals during a four-year period. Ulvestad is a full Norway international and has also represented his country at U20, U21 and U23 level.

JOSH MAGENNIS

Northern Irish striker Josh Magennis became the club's eighth capture of summer 2016 after joining from an undisclosed fee from Kilmarnock. Began his career in Northern Ireland as a striker before opting to go between the sticks, but opted to revert back to a striker after joining Cardiff City. Bagged the goal that booked Northern Ireland's place at the 2016 European Championships.

NICKY AJOSE

A face that Swindon fans will know well having bagged 25 goals for Town last season, exploits which saw him named in the 2015/16 Football Manager Football League Team of the Year. Began his career with Manchester United and has had spells with the likes of Peterborough United, Crewe and Leeds United. Has four goals for Charlton so far this season.

LEE NOVAK

Another new signing at Charlton and should score goals at this level. Netted an impressive 15 goals in 38 games whilst on loan at Chesterfield last season, but made his name with Huddersfield Town where he notched 42 times in 172 games. Enjoyed a spell with Birmingham City and began his career at the famous Wallsend Boys Club.

MANAGER

RUSSELL SLADE

Following their relegation from the Championship at the end of last season, Charlton Athletic looked to the experienced Football League campaigner as the man to take them straight back up.

Slade was handed a three-year deal by the Addicks in June 2016 and was immediately tasked with taking the club back to the second tier of English football.

Having spent the vast majority of his playing career at reserve team level, the 56-year-old moved into coaching in 1993 with Notts County, where he eventually took charge of the team on a Caretaker basis. From there, Slade had short spells with Armitage and Leicester United before being offered the chance to join Sheffield United's coaching staff in 1997.

Slade had two spells as Caretaker Manager of the Blades before landing his first permanent managerial post at Scarborough. The club were adrift at the bottom of the Conference upon his arrival in November 2001, but a remarkable run of 39 points from the final 19

games of the season ensured that they finished 13th.

It only got better the following season when Slade led Scarborough to 4th by Christmas, before resigning and then re-joining the club following a petition by the fans after the club went into administration. Scarborough also enjoyed a superb run in the FA Cup under Slade, defeating Hinckley United, Doncaster Rovers, Port Vale and Southend United, before suffering a narrow 1-0 defeat to Premier League giants Chelsea following a gutsy and courageous display.

Slade then took over at Grimsby Town, who he led to famous victories over Derby County and Tottenham Hotspur in the League Cup, before being lured to Yeovil Town. They reached the League One Play-Off Final under Slade, an achievement which led to a move to Brighton and Hove Albion.

Slade succeeded in his mission of saving Albion from the drop and it wasn't long before he was on the move again, filling the hot seat at Leyton Orient in April 2010. He kept Orient in League One by a single point before leading them to a fifth-place finish and a replay against Arsenal in the FA Cup the following season.

Cardiff City then came calling in October 2014 with Slade tasked with cutting the wage bill following the club's relegation from the Premier League. He led the club to 11th in his first season and 8th in his second, before being moved upstairs in a 'Head of Football' role. But Slade resigned from that role on 3rd June 2016 before taking over at Charlton just days later, and he'll be hoping to lead his new club to promotion this term.

SCOUT REPORT DOSSIER

How Charlton Athletic could line up...

Charlton Athletic changed to a 4-4-2 formation at half-time during their 1-1 draw away at Gillingham last month and have stuck to it since.

Former Town striker Nicky Ajose has endured a difficult start to life at The Valley but could well partner experienced frontman Lee Novak up top in a two-pronged attack. Loyal servant Johnnie Jackson could line up on the left-side of midfield, while the likes of Andrew Crofts, Jordan Botaka, Fredrik Ulvestad and Ahmed Kashi provide plenty of options in the engine room. Ricky Holmes has been in fine form for Charlton so far this term and will provide plenty of creativity and attacking threat on the right-side of midfield.

Charlton are able to boast an abundance of quality at the back with the likes of Roger Johnson, Kevin Foley, Patrick Bauer and Jason Pearce all on the books, whilst Declan Rudd is a pair of safe hands in-between the sticks for today's visitors.

COMMERCIAL COMMENT

WITH ADAM WAINWRIGHT

Good Afternoon and welcome back to The County Ground for today's televised game against Charlton Athletic. After our cup pursuits let's hope we can get back to winning ways at home in the league.

SEATONS BUILDING SERVICES

You will see that Seatons Building Services Limited have joined forces with us as our Scoreboard Sponsor. This is a lucrative commercial deal for the club and we very much look forward to working with Dwayne Seaton and all of his team now and in the future.

If you have any building, electrical or plumbing needs, please think of Seatons and give them a chance to quote. By supporting them you are also supporting the club commercially.

MATCHDAY SPONSORSHIPS

Today we welcome great numbers in the Imagine Cruising Suite and all of our match sponsorships have sold out today, which is fantastic. The packages offer an array of benefits and there are still a number of games available in which to sponsor. These packages start from as little as £600 and are great value so please make contact with one of our team to discuss in more detail.

BRANDING OPPORTUNITIES – YOUR NAME IN LIGHTS!

If you have a business that wants to put its brand in-front of thousands on a matchday, please get in contact and join forces with us. We have a package for all budgets. We still have a limited number of ground board opportunities from as little

as £500 and we still also have the floodlight sponsorship, which is a fantastic branding package and will literally put your name in lights. For more information on any partnership package, please don't hesitate to make contact with a member of our team.

COMPLIMENTARY HOSPITALITY ON SIGN-UP

We currently have an offer whereby we will include hospitality for ten in your own side suite with any branding package that you sign up to. This is a fantastic offer and a great way in which to blend advertising with hospitality where you will see your brand come alive. Once again, to find out the details regarding this exceptional offer, please contact Kay or Adam. Their details can be found below.

ON TO TODAY...

We welcome today our match sponsors who are the STFC Supporters Club. Over the many years they have supported this club magnificently and they have put in an unbelievable amount of time and effort to help improve the club on and off the pitch. We hope you enjoy your day with us.

Our matchball sponsors are new to proceedings and we would like to welcome all the guests from SSL Electrical – we hope this is the first sponsorship of many.

Next in line are our good friends from Cotswold Farm Machinery who sponsor the captain today and, last but not least, we are also delighted to have Serco Ramp Services with us as Programme sponsors.

We hope you all have a great day with us.

I would just like to finish the notes by announcing my own new arrival. Lizzy, Addison and I were delighted to bring in a new little STFC fan into this world last Saturday 29th October at 08:03am – Ellison Wainwright who we hope will score a few goals in-front of the Town end someday.

We will also be holding a minute's silence prior to kick-off today in order to mark Remembrance Sunday tomorrow, and I would like to ask everyone to make sure they get to their seats early this afternoon.

Enjoy the game. Come on you Reds.

WITH CHARLTON ATHLETIC THE VISITORS TO SN1 TODAY, TOWN'S MIDFIELD GENERAL IS ON THE LOOKOUT FOR A POSITIVE RESULT TO HELP KICK-START THE ROBINS' SEASON...

“

We just need to focus on what we can do, how we play, the way we play and the way we defend – we need to keep working on what is best for us.

Charlton Athletic would have been expected to be riding high in League One at this stage of the season, it hasn't worked out that way but they will still post a tough test today won't they?

I think every game right now is a tough test but we just need to do the work in training and take that into games. What is important is that we concentrate on ourselves and keep working on the training ground.

We just need to focus on what we can do, how we can play, the way we play and the way we defend. We need to keep working on what is best for us and then it is down to the team to get the three points.

Today's game will be shown live on Sky Sports, just days after our Emirates FA Cup First Round game against Eastleigh was played out in-front of the BBC cameras. How does being on TV impact the players, if at all?

FACT FILE

- ▶ Age: 25
- ▶ Place of Birth: Karrada, Baghdad, Iraq
- ▶ Position: Midfielder
- ▶ Squad Number: 8
- ▶ Previous Clubs: Tottenham Hotspur, Brighton and Hove Albion, Luton Town (L), Macclesfield Town (L)

There is a little bit more of a buzz before the game but once you are on the pitch it is all the same. You've got to do the right things, you've got to do your job and then instincts come in during different situations.

So there is a little bit more of a buzz pre-game but once the game starts it is all very much the same.

The season hasn't gone as we would have hoped so far, but today's game represents a massive opportunity to start making steps in the right direction doesn't it?

I think it started with the FA Cup game against Eastleigh. We've had a good productive week and now we've just got to keep it going. We need to make sure everyone stays fit and the characters in the team keep shining.

On the subject of the FA Cup, what was it like playing in that game

“

It was a nice atmosphere at Eastleigh's ground and I enjoyed the game. I enjoyed playing in it and we were strong.

against Eastleigh last Friday with all the hype around it?

It was a nice atmosphere at Eastleigh's ground and I enjoyed the game. I enjoyed playing in it and we were strong. It is a good competition but any game is enjoyable. The most important thing is the work we do every day, we've got to have fun and we've got to enjoy what we do but we've got to work hard and that's the most important thing.

Let's focus on your performances from a personal point of view now, what have you made of your season so far?

I can't say too much from a personal aspect because I'm just thinking about the team at the moment and how we can get things rolling in the right direction. If we start picking at this and that then you start thinking a little bit too much.

We need to get playing the right way and I'm sure everything else will click into place.

Things turn round when you take action and everybody has to take action and take responsibility, that way we will make it to the top.

Finally, with the important festive period fast approaching, how important is it to get The County Ground back to being a fortress?

It is important to be winning your home games but all games are the same. We are going to play our football, we are going to keep doing our thing and we've just got to rise up together on the football pitch.

REMEMBRANCE SUNDAY

SWINDON TOWN AND THE EFL WILL UNITE TO PAY TRIBUTE TO FALLEN SERVICEMEN, WOMEN AND FORMER PLAYERS AS PART OF REMEMBRANCE SUNDAY COMMEMORATIONS AND THE FIRST WORLD WAR CENTENARY.

Sky Bet League One and League Two clubs will honour those that lost their lives at war over the weekend of the 12-13 November, whilst the 24 Sky Bet Championship teams will pay their respects the following weekend on Saturday 19 November to mark the Centenary of the Battle of the Somme which ended 100 years earlier on 18 November 1916.

Across all of the 72 member clubs between 12-19 November, there will be a minute's silence and an EFL wreath laid on the pitch prior to kick-off to remember and honour all of those that have fallen in battle.

The shirts and balls from this year's Remembrance fixtures will be auctioned to help support the fantastic work the British Legion does by supporting members of the Royal Navy, British Army, Royal Air Force, veterans and their families all year round.

In addition, Sky Bet and individual clubs will supply the British Legion with an allocation of tickets for all EFL fixtures across the three divisions between the 12-19 November, to be donated to current and retired service personnel.

EFL Communications Director, Mark Rowan said: "Every single one of our clubs lost players, staff and supporters, it is only right and appropriate that we

pay a tribute. Football is all about community and the EFL's clubs, fans and staff will all stand in silence together to pay our respects this November."

Sky Bet spokesman Sandro Di Michele added: "We're delighted to be continuing our relationship with the Royal British Legion into a third season after raising a terrific amount of money last year. The generosity shown by fans of Championship clubs was truly remarkable and we hope this year's campaign will be no different."

Fought over 141 days between 1 July and 18 November 1916, the Battle of the Somme was one of the defining battles of the First World War. With over 400,000 British casualties and over 1 million men of all nationalities killed, the Somme remains one of the most brutal individual battles ever fought.

One hundred years on, the Battle of the Somme is being remembered across the country as part of the official First World War Centenary commemorations of which the EFL is proud to play its part by marking the centenary of the Battle of the Somme's end on 19 November

Having launched the #FootballRemembers campaign in March 2014 at the start of the First World War Centenary to mark the contribution made

by the game, football continues to pay its respects to those who made the ultimate sacrifice 100 years ago.

Sadly, many players, staff and fans of EFL clubs were killed at the Somme, 1,000 whom fought for the Footballers Battalions which included many of the great stars of the day and some of those who would go on to achieve great footballing feats in the post-war era.

In recent weeks, EFL clubs and the communities in which they are embedded have been paying tribute to those who lost their lives. A full Sky Bet Championship fixture list will take place 24 hours after the 100-year anniversary of the final day of the

Battle of Somme, giving clubs the opportunity to pay their respects to their fallen players and supporters.

This activity will support the British Legion's national campaign, Sport Remembers the Somme, to commemorate the role played by sporting men and women for the centennial year.

Town will be paying their respects at today's game with a minute's silence to be held, before Frances Cowley from the Swindon Brass Band comes out on to the pitch to play the Last Post. The captains from Swindon and Charlton Athletic will also be laying out a wreath on to the pitch prior to kick-off.

ON THIS DAY:

12 NOVEMBER

1904

It was a busy day at The County Ground with a 'double header' - both a League and an FA Cup fixture on the same afternoon! The first-team fell to a 3-1 defeat to Brentford in the Southern League, but the reserves - kicking off earlier at 1 p.m. - had a much easier task against minnows Longfleet St Marys in the Cup. Freddy Wheatcroft netted a hat-trick on his debut as Town romped to an 8-0 win. Six of the eleven in the Dorset village side were named Brown!

1949

Town faced a tough trip to Third South leaders Notts County, who had lost just once previously. And their task was made even tougher when, in front of over 37,000, keeper Frank Boulton was carried off early in the second-half with a dislocated ankle. It would prove to be his last game for the club. With no substitutes then, full-back Albert Young went in goal. England forward Tommy Lawton hit all the goals in a 3-0 win.

1955

Swindon slumped to their 13th successive away defeat - 0-4 at Gillingham - and their 25th without a win. The run would come to an end a fortnight later at Reading.

Frank Boulton - carried off

Gary Emmanuel

Raffa de Vita celebrates in 2011

1983

After five 'blanks' on this date in history, Town recorded their first goal and first win for 51 years. Recovering from an early Simon Gibson own goal, Gary Emmanuel put his side level against visitors Hartlepool. Andy Rowland and Leigh Barnard both found the target in the final five minutes to bag three Fourth Division points for the hosts. The attendance was just 3,074.

2002

Horrendous travel problems delayed fans getting to a Trophy game at Kidderminster and then a floodlight failure prevented play from starting until gone nine o'clock! Swindon were two goals up just after the break, through Danny Invincible and Alan Young, but then allowed the hosts to level within two minutes. The tie went to extra-time, Abdu Sall netting a 'golden goal' for the Harriers to end proceedings at 23.05!

2011

Five years ago today, Town came back from a goal down to ease to a 4-1 victory over Huddersfield in the FA Cup. Two goals in three minutes from Aden Flint and Raffaele de Vita were followed by another two in the final fifteen, from Mehdi Kerrouche and Simon Ferry.

The Robins haven't won a home league game (excluding play-offs) against Charlton since March 1997, drawing one and losing three since then.

"The £50,000 operation
at Great Ormond Street Hospital
will give Zach the chance
to walk independently"

Look out for
the charity buckets
around the ground today!

Let's support Zach in his fight to WALK!

Football is a passion, an addiction and arguably a way of life. Every week dedicated fans like yourselves follow teams across the country supporting something we all feel passionate about. Being a football fan comes with great highs and lows, but without fail there is an unbreakable bond and understanding with fellow supporters who share this passion.

Today we ask for your support off the pitch and would like to introduce a young five-year-old football fan called Zachery. He not only has a passion for football, but also to be given the opportunity to stand on his own two feet, like the football idols that he sees each week playing the game we all adore.

Zach and his parents were told in 2012 that he had quadriplegic Cerebral Palsy and that he would never be able to sit, crawl, stand, walk or talk. Whilst great progress has been made with physiotherapy and sheer determination, Zach and his family are now fundraising for a £50,000 operation at Great Ormond Street Hospital. This operation will potentially give him the chance to walk independently, improve his balance and sitting and standing posture. We wish the family all the best in being able to hopefully make a huge difference to this young man's life and would ask that any donations you can afford to make to this great cause are made in the buckets you will see in the ground today or via the websites below.

Michael Doughty

Following a frustrating spell on the sidelines, Michael Doughty was back with an almighty bang for Town last weekend.

After being sidelined for the best part of two months following an operation to have his appendix removed, the talented midfielder made his comeback away at Scunthorpe United last month.

But, with the BBC Two cameras in attendance, it was last Friday that Doughty announced he was well and truly back after notching a second-half penalty to salvage a 1-1 draw with Eastleigh and keep the Robins in the hat for the Second Round of the FA Cup.

It was a typical all-action display from the 23-year-old and one that we've come to expect from the on-loan QPR man, who now has three goals and a number of assists to his name so far this term.

"It was pleasing personally to come through the whole game, be able to contribute to the team and to score," he told R&W.

"On reflection it wasn't a bad result and we can take a lot of positives from it.

"It is a cup competition so the longer you are in it the better it is. Eastleigh coming to our place is a different proposition and we'll be looking to win that game.

"It is nice to have that effect on the team and feel like I'm contributing

again because it was a tough period for me personally feeling unwell for a period of time, but I'm now fully focussed on the next few games and hopefully keeping that run going because if I can continue to contribute then hopefully the team continues to score."

Charlton Athletic will be looking to spark their season into life today and Doughty is looking forward to the encounter, in addition to enjoying a reunion with a certain Nicky Ajose.

"You could probably say the same for us so both teams now are looking to kick-start their seasons again," he added.

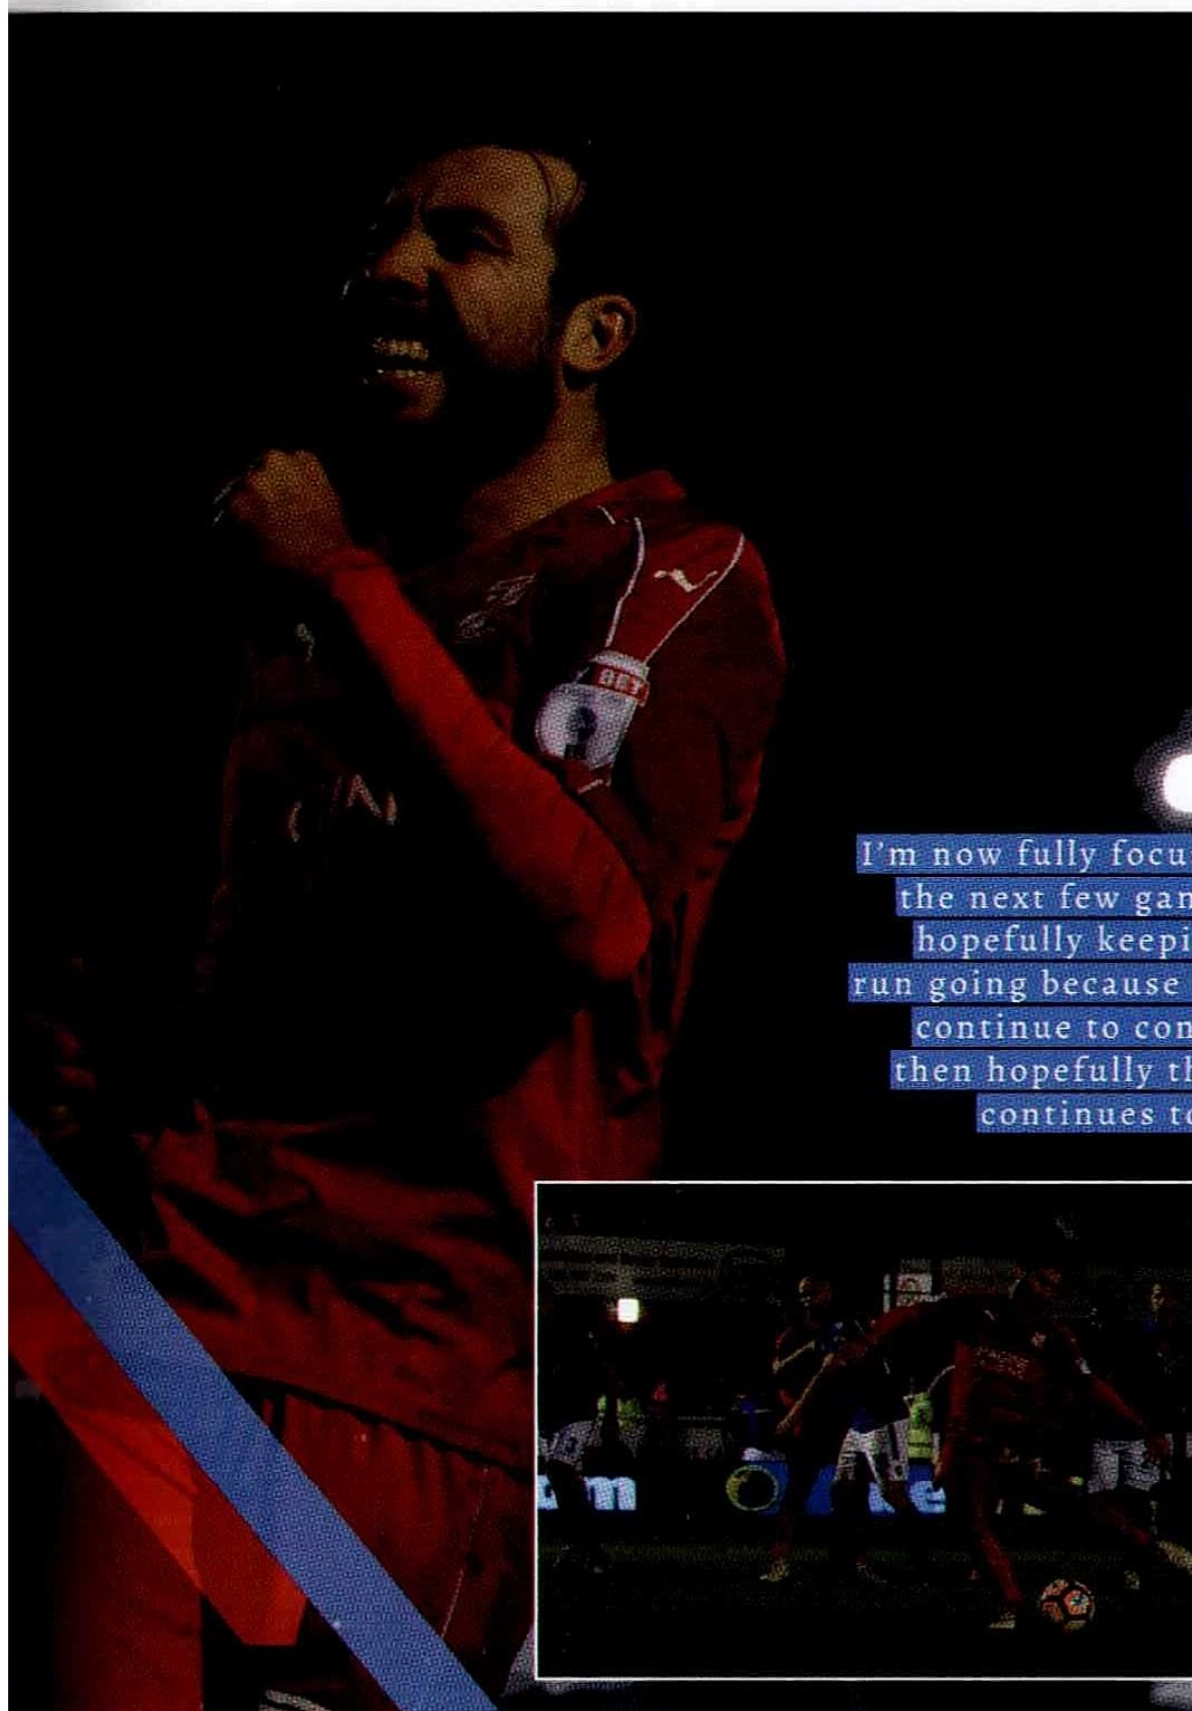

"We'll well aware of the calibre of players they've got. They've got Nicky who we all know has got goalscoring ability and I guess he'll be keen to put one over on his old team.

"I'll certainly be keen to put one over on him!

"Part and parcel of being a professional footballer is being able to produce performances on a national level and those are the games we all love playing in because it provides a platform both personally and as a team.

"Our focus is to win the game and to instigate a run of good performances and good results going forward."

“

I'm now fully focussed on the next few games and hopefully keeping that run going because if I can continue to contribute then hopefully the team continues to score.

ACADEMY

WITH JEREMY NEWTON

Town's Academy Manager reflects on a busy few weeks and dishes out praise to a certain scholar who has come in for some special recognition of late...

Half-term has played a big part in us being busy where we've maximised the contact time with all the players from the 7's all the way through. We've tried to build a challenging games programme within that and this has seen the U13s play Liverpool, which was a fantastic game. The final result was 3-3 and that was a big plus for us and a good challenge for us to go up there and try and compete with the bigger clubs.

Off the back of that we've played Cardiff and again it was a fantastic challenge and some very close games all the way through the age groups. Recently, the U9s, U10s and U12s went up to Leicester and all three age groups got results up there, so it is a fantastic and busy programme.

It is something we want to try and keep doing and our U15s went up to West Brom last weekend and won 6-3, so we're doing okay throughout the age groups but we've just got

to keep getting these games. That is becoming easier following the results and, I know we don't talk about results often, but in order to get the calibre of clubs we're playing you have to do the right things and sometimes you've got to show how to play football, which is our

philosophy, but you've still got to be able to compete against these clubs in order to be invited back and in order to get further games.

That has been a big plus for us and we try and achieve over 50 games a season and we think that is massive for us. We've got lots of tournaments and festivals coming up, our U9s and U12s are involved in a tournament at Southend this weekend with West Ham and Arsenal in attendance, so again that is going to be a tough festival for the boys.

Our U13s are at Watford so it is a busy programme and then we've got the FA Youth Cup as well, so it is something we're all looking forward to and it is going in the right direction.

To finish off, it was brilliant to see our Academy graduate Will Henry named as one of the EFL's Top Ten Talented Teens last month. Will is very mature even though he is so young and a lot of that is based on his education. I don't have to ask him where he is with his education, he is proactive with that and goes to the teachers at the college and gets further work so this enables him to fulfil his requirements to train with the first-team.

That's the deal we've got and it is fantastic recognition that he's achieved that. He received a £50 bonus as well which might fill his car up for a couple of weeks, but it is important that he continues to improve not just on his football but on his college programme as well, because education is an important part of their apprenticeship.

STFC U18s

It has been a busy but extremely positive and rewarding couple of weeks for the U18s who have produced three brilliant results.

We played Cheltenham at the end of October and it was a good win. We played really well and we are starting to find a bit of form. We've changed formation to 4-4-2 and it suits the players that we've got at the moment.

We beat Cheltenham 5-3 although it was a little bit more comfortable than the scoreline suggested. Scott Twine scored his first hat-trick, Tommy Ouldrige got a header at the far post and Sol Pryce scored the first with a shot from close-range. It was a pleasing performance and the two frontmen linked well to cause Cheltenham problems. Overall, it was a good result and a good start to the week.

We then played Salisbury in the FA Youth Cup and eventually ran out 3-2 winners. I was pleased with the first-half because we were in control and we scored within the first 40 seconds. We didn't score until the 43rd minute of the first-half but we should have scored five or six in-between and the game would have been out of sight. We warned the players at half-time that the game wasn't over and Salisbury would be a little bit more direct in their play.

We just panicked a bit after giving away a penalty and then we managed to score an own

goal and that put us right under pressure. Salisbury showed great character to stay in the game but Jack Stanley popped up with a later winner after taking my advice to get into the box. Scott Twine made the free-kick, took the free-kick and it was a reasonable save but Jack popped up to win us the game and we're through to the next round.

It was brilliant to end a superb couple of weeks on a high by beating Exeter City 3-1 last weekend and Scott Twine got another hat-trick to make it seven goals in three games. The system suits him having a strike partner next to him and he has to learn playing as a lone striker but he has enjoyed playing in our current system.

It was a fantastic all-round performance and probably the most pleasing win of the season for me in terms of how we dominated the game. We deserved to win, we were creative from set-pieces and we could have had a few more goals but it was the most satisfying result of the season so far.

Enjoy The Game This Afternoon.

Alan McLoughlin, U18s Coach

FOOTBALL IN THE COMMUNITY

Good Afternoon and welcome to the County Ground to Fairford Under 10's, who are our Saturday Team Club visitors today.

Fairford U10's are made up of local boys and girls and are here with their group organiser today, Steve Garton. The team have been together since they were an Under 5 team and they have a very clear policy of including all players, regardless of ability, as the club recognise that players develop at different rates.

Fairford have two claim to fame with current coach, Steve Garton having competed on the X-Factor in 2004, whilst Bertie Morris, one of the team's star players, has a famous auntie in the form of former X-Factor winner Alexandra Burke!

Fairford Town Youth Under 10's are hoping to remain 'on-song' for the rest of the season and are cheering for a Swindon Town win today!

▶ EXTRA-TIME PROGRAMME

On Tuesday 8th November, we were delighted to welcome Glenda Turton and Carole Howe from Public Health, which is a service provided by the National Health Service. They provide a free screening process for males over the age of 65. The Abdominal

► KICK IT OUT IN CONJUNCTION WITH WILTSHIRE COUNCIL

In recent years we have been delighted to support Paul Pritchard and his team at Wiltshire County Council with their Kick It Out Football Competition. This year has been no exception with us providing support for the two tournaments that were delivered during October half-term at Salisbury and in Chippenham.

This afternoon we are delighted to host the grand final where we have the winners from the Chippenham tournament, who are under the name of Wiltshire's finest, and they will be competing against the Baker Boys from Salisbury. We would like to take this opportunity to wish both sets of players the very best of luck and we hope that they have enjoyed our day with us, which has also included them having hospitality in our Community

Room in the Executive area at the football club.

We would also like to take this opportunity to sincerely thank Paul Pritchard and all his team for their continued support in delivering this programme on an annual basis.

GUEST COLUMN

BY PHIL SMITH

Town's former stopper reflects on THAT famous night against Charlton Athletic in May 2010 which saw the Robins march to Wembley...

I didn't really understand what was going on at first when David Lucas got injured in the first couple of minutes at the Valley. It was all pretty normal, we warmed-up and everything was fine and everyone was geared up for the game.

I was taking my time to get ready and get out, I was normally out for the start of the game but I couldn't find my shin pads so I was a bit late and wasn't out for the start of the game and as I was walking down the tunnel Dave Morrison, the Fitness Coach, was running down saying David was injured and that I had to get warmed-up.

Even then I was thinking he was probably going to be alright but then it became apparent that he wasn't and it was about getting on - I didn't really have too much time to think about it!

It was funny because I was thinking to myself that I should have done better with the first goal and then it has come off Simon Ferry for the own goal. We were in a really strong position having won the first-leg at home and I remember thinking 'oh god, Dave's got injured, I've come in and now we're going to go out.'

It was up and down and I was gutted as it looked like we were going out but then it just seemed to be one of those nights where everything seemed to go for us - it was meant to be in the end.

The penalty shootout was unbelievable and the lads did so well to score five penalties under immense pressure. All of the Charlton penalties were decent apart from Nicky Bailey, who put his over the bar. I think I got close to only one other so the standard of the penalties was amazing

and our lads did so well. Stephen Darby stepped up to take our last one and he was only a young lad then so the pressure was on and I don't think he realised at the time that he was the one who put us through - he didn't quite know what was going on!

It was a great feeling and it was an amazing night for everyone. It is up there as one of the best moments of my playing career. The day we won promotion at home against Walsall was probably the best day of my career because that was such a great feeling, but beating Charlton to go to Wembley was fantastic and there was such a great atmosphere around the club.

It was an amazing day and it is definitely close to being the best day of my career.

The following guidelines are designed to allow SAS Travel to ensure that they can take as many fans as want to travel with them to each away game.

- As a general rule, SAS Travel have to order coaches one week before the fixture date. Therefore if you leave booking until within this time, they cannot

always guarantee that there will still be spaces available.

- After this time, SAS Travel will always try (alongside their coach provider) to source further coaches and meet all the demand for spaces, although they cannot run a coach unless economically viable to do so.
- SAS Travel tend to open games for booking around three weeks before the fixture date and usually have three fixtures booking at any one time. This may increase to four due to fixture rearrangements.
- SAS Travel advise that the best policy is to book as early as you can to ensure that you get the spaces that you want.

► Pressing Matters

Despite what some people may say, the magic of The FA Cup is still truly alive and kicking in my opinion!

“

It was brilliant to see Michael Doughty back doing what he does best on his first start in two months and there's no doubt that his return will prove to be a massive boost in the coming weeks.

While we would have all liked to have returned to Wiltshire with the victory and a guaranteed place in Round Two, it was still an enjoyable night at Eastleigh with the BBC cameras in attendance!

It was a throwback to football of old and both sides had chances to win the game late on, which made for a really exciting encounter. It was brilliant to see Michael Doughty back doing what he does best on his first start in two months and there's no doubt that his return will prove to be a massive boost in the coming weeks. However, it was really sad to see Nathan Thompson forced off with an injury in the first-half and here's hoping it is nothing too serious.

It was nice to be able to catch up with former Town midfielder Lee Peacock and it is good to see him doing so well with the Spitfires. Friday's encounter was my first TV game with the club and, although I probably sprouted a few grey hairs that week, it was an experience I thoroughly enjoyed even if my laptop did take a bit of a battering after crashing to the ground at half-time – it's still somehow working however!

On to today's game and the TV cameras can't seem to get enough of us at the moment with Sky Sports in attendance today. Both ourselves and Charlton Athletic aren't where we would like to be in the table at this stage of the season, so today's game should be an intriguing match-up with plenty at stake. I'm also looking forward to seeing Nicky Ajose back at SN1, provided he doesn't hit the back of the net that is!

There is plenty going on at today's game and we will be paying our respects to the fallen with tomorrow being Remembrance Sunday. There will be a minute's silence prior to kick-off before the Last Post is played and the captains of both teams will bring out a wreath onto the pitch – I hope you can all join us in paying tribute to those who lost their lives in the Battle of the Somme, which took place 100 years ago.

Enjoy the game today and here's to three points live on TV.
