• HEAD COACH •

LUKE WILLIAMS

Good Afternoon everyone and welcome back to The County Ground for our crucial clash against MK Dons.

I want to start by extending a warm welcome to Robbie Neilson, his coaching staff, his players and MK's travelling supporters.

It goes without saying that we now face five huge cup finals, starting with today's game against an opponent who have now secured their status in this division for next season. However, I am sure that Robbie will make sure his team are firing on all cylinders this afternoon and we know we are in for a tough test.

A lot of people may have written us off two weeks ago but two superb results against two very good teams have given us a fighting chance to stay in this league. Millwall were our last visitors here and I thought we were excellent on the day, keeping their dangerous front-two quiet throughout while controlling the game ourselves. We had to be patient but it was so nice to see us score a last-gasp goal of our own after having a few of those go against us this season.

I have mentioned it quite a lot in the press over the last couple of weeks but I was over the moon for Conor Thomas to have got that winning goal. It has not been an easy season for Conor in terms of his playing time, but he's the ultimate professional and he took his opportunity with both hands. Long may it continue.

We have struggled with consistency this season but I am seeing signs that this team have matured as a group and I thought that was very evident away at Fleetwood last weekend. I felt we dominated large periods of the game and we produced an accomplished display in the second-half, restricting a very good and in-form team

to half-chances. Nicky Ajose did what he does best by putting the ball in the back of the net in superb style and, unlike our trip to Bradford, we were able to see the game out with ease and the way that we killed off the match was the most pleasing aspect for me.

I thought your backing at Fleetwood was outstanding from start to finish and your support really did make a difference to the boys. We need that support to continue for the final five games of the season because, if we all stick together, then I'm confident we will be able to achieve our goal of staying in this division.

On the subject of support, the club have been busy promoting their #PackTheCG campaign all week in order to try and fill the stadium this afternoon. This has been an initiative that the players and the coaching staff have all fully got behind and we're looking forward to walking out to a sea of red and white. Our destiny is in our own hands and we know today's game is a huge one, so to have a packed stadium cheering us on will make a huge difference. We can't wait.

So, on that note, Be Proud, Be Loud and make sure you make as much noise as possible throughout the course of the 90 minutes. We will be giving everything we've got to give you the win we all crave.

Enjoy the game.

NATHAN THOMPSON

Good Afternoon everyone and welcome back to The County Ground for what is simply a huge game against MK Dons.

We have just five games left this season and, although it is a cliché, they are all massive cup finals. We have given ourselves a real fighting chance to remain in this division and it is imperative that we all stick together throughout the course of the next few weeks.

Things change quickly in football and we have found that out to our benefit in the last two weeks. Two 1-0 wins on the bounce have given us a real fighting chance now and a victory today could potentially see us climb out of the relegation zone, which would be a huge boost to everyone at the club.

We know that there is still a lot of work to do but we're heading in the right direction and we're all focussed on getting the job done now.

Personally, there is no better feeling in football than scoring a last minute winner and we could well look back at Conor Thomas' last-gasp strike against Millwall as a turning point in our season. I felt we performed really well as a team and we kept their front-two quiet, which we knew would be key heading into the game. No one deserved that goal more than Conor and he has really taken his opportunity with both hands.

That win gave us renewed confidence going into our game away at Fleetwood

last weekend and, again, I thought we produced a real professional display from start to finish. They had plenty of chances in the first-half but we stepped up to the plate after the break and got our just rewards thanks to Nicky Ajose's goal. However, the most pleasing aspect of the victory for me was the way we saw the game out, something we failed to do at Bradford just a few weeks before. Our game management was superb and we must take those lessons into the final five games of the season.

On to this afternoon's game and, despite the fact that MK Dons know they are safe and have nothing to play for, we're under no illusions that we will be in for a tough test and we will be punished if we start sloppy. It is quite simply a massive game and we have to be at our very best from the very get-go if we are to make it three wins on the bounce.

I know all the boys are looking forward to hopefully playing in-front of a full house today with the club having been busy promoting the #PackTheCG campaign throughout the week. It is an initiative all the boys have got behind fully and I cannot stress how important your support will be throughout the 90 minutes today. The County Ground is a special place to be when it is packed to the rafters and we will be looking to play our part in generating an electric atmosphere.

Here's to a vital three points.

Enjoy the game – COME ON YOU REDS!

The Dons will have one eye on next season after securing their Sky Bet League One status last weekend.

Having suffered a difficult season, MK now know they will be once again plying their trade in this division in 2017/18 after beating Gillingham and Charlton Athletic in their last two outings.

After suffering relegation from the Sky Bet Championship last term, The Dons endured a difficult start to the 2016/17 campaign, winning just three of their opening ten fixtures on the domestic front.

That poor run of form led to long-serving boss Karl Robinson leaving the club, with Richie Barker taking the reins on a temporary basis. Former Hearts manager Robbie Neilson was then appointed as the club's new chief in December after impressing North of the Border.

MK have enjoyed an upturn in fortunes under their new manager and nine victories from Neilson's twenty-one games in charge have put their relegation worries to an end. The Dons will now be planning for next season and they will be looking to impress this afternoon.

Town and MK have met once already this season but goals from Luke Norris and Raphael Rossi-Branco were not enough to prevent The Reds from falling to a 3-2 defeat at Stadium MK in December 2016.

DANGERMAN

KIERAN AGARD

R&W TAKES A CLOSER LOOK AT ONE OF MK DONS' DANGERMEN THIS AFTERNOON...

The 27-year-old began his career with Premier League outfit Everton, making his first-team debut for The Toffees in a League Cup match against Hull City in September 2009. His Premier League bow soon followed, coming on as a substitute for Louis Saha against Chelsea. However, he was released at the end of the 2010/11 campaign, going on to pen a one-year deal with Yeovil Town.

However, Agard was soon on the move again after sealing a transfer to Rotherham United prior to the start of the 2012/13 season. He scored 27 goals in 78 outings for the Millers, form that led to a move to Bristol City in 2014.

After making over a half century of appearances for the Robins, Agard was snapped up by MK who shelled out a club record transfer fee for the forward. He has enjoyed a fruitful campaign so far, leading The Dons in scoring with thirteen goals while he notched twice against Town earlier this term.

MEET THE REST

LEE NICHOLLS

The stopper put pen to paper on a two-year deal with MK in the summer of 2016 after parting company with Wigan Athletic. He began his career with the Latics, making twelve appearances for the club, while he also represented the likes of Northampton Town and Bristol Rovers.

CHARLIE BURNS

A product of the club's Youth Academy, the young keeper joined MK as a youngster in 2011 and he signed professional terms in May 2014 after impressing during his time as a scholar. He made his professional debut for The Dons on the final day of the 2013/14 season after replacing the injured David Martin between the sticks.

SCOTT WOOTTON

Wootton signed for MK a day prior to the start of the 2016/17 campaign after leaving Sky Bet Championship

outfit Leeds United. Able to operate at the heart of the defence or in either full-back position, he featured for Manchester United in the UEFA Champions League on two occasions.

PAUL DOWNING

Downing became The Dons' second signing of the summer when he joined on a two-year deal from Sky Bet League One rivals Walsall. The towering defender began his career with West Bromwich Albion before gaining experience with Hereford United and Barnet. He made a total of 183 outings for Walsall.

ORAN JACKSON

The young defender put pen to paper on a professional deal prior to the start of this season after impressing during the first-half of 2016. Having been with the club since the age of nine, Jackson made his first-team debut on the final day of the 2015/16 campaign and is highly-rated at Stadium MK.

BEN TILNEY

Tilney became only the fourth Dons' Academy player to sign professional

terms before his 18th birthday when he penned a one-and-a-half-year deal in October 2014. Able to play in both defence and in midfield, Tilney marked his MK debut with a stunning goal against Newport County in August 2016.

GIORGIO RASULO

Has been on the fringes of the first-team at Stadium MK since signing a professional deal in May 2014. The midfielder made his first-team debut for the club in a 6-1 FA Cup win against Cambridge City in November 2011, while he has also represented England at U17 level.

CHUKS ANEKE

Signed for The Dons prior to the start of the 2016/17 campaign and has recently agreed terms on a new one-year deal. Once highly-rated by Arsenal, the attacking midfielder spent time out on loan with the likes of Stevenage, Preston North End and Crewe Alexandra, while he also spent a lime out in Belgium with Zulte Waragem.

DAVID MARTIN

The goalkeeper began his career with Wimbledon but made the transition to Milton Keynes, before joining the then-European Champions

Liverpool in January 2006. However, first-team opportunities were hard to come by at Anfield and Martin returned to MK in 2010, where he has since racked up over 300 outings and over 100 clean sheets.

GEORGE BALDOCK

Baldock established himself as the Dons' first-choice right-back during the second-half of the 2015/16 campaign after

enjoying a fruitful loan spell at Oxford United. With MK since the age of ten, the defender made his first-team debut at the end of the 2010/11 season and he has also played in the Europa League for IBV.

GEORGE WILLIAMS

Williams re-joined MK in June 2016 four years after leaving the club as an apprentice to join Loughborough University where he gained a degree in sports

science. He combined his studies with playing duties for Worcester City and he was soon snapped up by Barnsley, playing a big role in helping the Tykes win both promotion to the Championship and the JPT Title last season.

DEAN LEWINGTON

A club legend, Lewington has already clocked up more than 600 games for the club and he is the only player at the Dons to have been

with the club since it was formed in Milton Keynes in 2004. Club Captain, the defender is a reliable and steady figure in the defence.

JOE WALSH

Despite suffering relegation last season, Walsh was a standout performer for MK and he has established himself a key figure at the heart

of the defence this term. The defender began his career with Swansea City but went on to have plenty of success with Crawley Town, which led to a move to The Dons in 2015. He has also represented Wales at U21 level.

ED UPSON

The midfielder became The Dons' first signing of the 2016/17 season when he put pen to paper on a two-year deal at Stadium MK in June

2016. Began his career with Ipswich Town and helped the Tractor Boys lift the 2005 FA Youth Cup. Helped Yeovil achieve a remarkable promotion to the Championship in 2012/13 and made just shy of 100 appearances for Millwall.

DARREN POTTER

The long-serving midfielder is currently in his sixth campaign with the club and is MK's Vice Captain. Starting his playing career with Liverpool

in 2003, Potter made his Reds debut in the Champions League in August 2004 before sealing a £250,000 switch to Wolverhampton Wanderers in January 2007. Has also been capped at international level by Republic of Ireland.

BEN REEVES

A product of the fabled Academy at Southampton, Reeves notched his first professional goal in a 4-1 rout of Stevenage in the Capital One Cup, before making

his Premier League debut the following month away at Everton. Joined MK in 2013 and was crowned the club's Player of the Year in his first season at Stadium MK. Has eight goals and five assists to his name so far this season.

HARVEY BARNES

Was snapped up by The Dons in January 2016 on a loan deal from reigning Premier League Champions Leicester City. Having been

with the Foxes since the age of nine, Barnes was awarded his first professional contract last year and made his first-team debut away at FC Porto in the UEFA Champions League earlier this season.

DEAN BOWDITCH

Bowditch is currently one of MK's longest-serving players having plied his trade for the club for the last six seasons. Began his

career with Ipswich Town where he made 82 appearances, before joining Yeovil Town on a free transfer in 2009. A move to Stadium MK followed in 2011 and he has amassed over 200 games for The Dons.

NICKY MAYNARD

The well-travelled striker was once one of the most feared finishers in the EFL and he is still capable of causing plenty of trouble for defences on

his day. His explosive form for Crewe Alexandra led to a bumper move to Bristol City before West Ham United came calling. Maynard has also spent time with the likes of Cardiff and Wigan Athletic, before joining MK early on in the 2015/16 season.

ROBBIE MUIRHEAD

Was reunited with former Hearts Boss Robbie Neilson at MK in January 2016 and he has one goal to his name for his new club so far this term. The

striker began his career with Kilmarnock before spells with Dundee United and Partick Thistle followed. Neilson signed Muirhead for Hearts at the end of the 2015/16 campaign and the forward was a key figure for The Jambos.

MANAGER

ROBBIE NEILSON

The former defender was announced as MK Dons' new manager on 2nd December 2016 after leaving his post at Hearts.

Neilson formed a reputation as a bright young boss during his time North of the Border and he will now be hoping to enjoy success in this country with MK.

Before he turned his hand to coaching, Neilson began his playing career with boyhood club Rangers before joining Heart of Midlothian's Youth Academy at the age of 16 in 1996. The former defender had spells out on loan with Cowdenbeath and Queen of the South, helping the latter win the Scottish Challenge Cup in 2002 after beating Brechin in 2002.

Neilson returned to Hearts in 2003 and he carved out an illustrious career at Tynecastle, scoring the winning goal in the club's 2-1 win against FC Basel in the 2004/05 UEFA Cup – his first goal in any competition for The Jambos.

Following the departure of fellow defender Christophe Berra in 2009, he was announced as the new Captain of Hearts but he was soon on the move, joining Leicester City later that year. After making 26 appearances for the Foxes, Neilson spent a short spell on loan with Brentford before returning to Scotland after agreeing terms on a deal with Dundee United.

Neilson would go on to hang up his boots in 2013 following short stints with Falkirk and East Fife, while he also won one cap for the Scotland National team, in addition to representing his country at U21 level.

After deciding to cut his teeth in management, Neilson was appointed as Hearts' U20s Development Manager in August

2013, but he was promoted to Head Coach of the first-team just a year later.

Neilson enjoyed a dream debut campaign in charge of The Jambos as he guided the club to promotion to the SPL, being crowned champions of the Scottish Championship in the process. Hearts clinched the Title with seven games remaining and won 29 of their 36 matches, scoring 96 goals in the process and conceding just 26.

He then guided Hearts to second place in the Scottish Premiership before filling the hot-seat at MK Dons, where he will be hoping to turn them into promotion hopefuls next season after saving them from the drop.

MK DONS

How MK Dons could line up...

The Dons secured their Sky Bet League One status last weekend and opted to line-up in a 4-5-1 formation for their clash against Charlton Athletic in midweek.

Lee Nicholls is a promising young stopper between the sticks while George Baldock, Joe Walsh, Paul Downing and Dean Lewington make up a reliable back-four.

Ed Upson, Harvey Barnes, Darren Potter and Stuart O'Keefe provide plenty of style and substance in the middle of the park, while Ben Reeves is relied upon to provide an attacking spark for his team.

Robbie Muirhead was a January addition for MK and he has proved to be useful competition for the likes of Kieran Agard, Dean Bowditch, Chuks Aneke and Nicky Maynard.

Invites have gone out to all of our main sponsors and those that support us with a mixed array of branding packages. This is the first event of which we hope there

will be many where those businesses who invest in this great Football Club, can socialise in a relaxed and informal environment. We strongly believe that sponsorship and affiliation with the Football Club should be fun, rewarding as well as successful for those that invest. We look forward to your company on the 2nd.

HOSPITALITY PRICING INCLUDING SEASON-LONG 2017/18

We are still yet to announce the pricing for Executive Season Tickets for the 2017/18 campaign. We are fully aware that a number of you are keen to know, however, we will endeavour to finalise what the packages and pricing looks like in the next couple of weeks. As you will all be aware following an email, pricing was always going to be available at some point in April. For any of those who are potential new customers to an Executive Season Ticket with first-class hospitality provided every home game, please do not hesitate to get in contact with us for more information.

ON TO TODAY...

On to today's proceedings and it gives me great delight to welcome our good friend Simon Carrington from Cotswold Farm Machinery, who are also the team's short sponsor. Simon and his team join us as Match Sponsors this afternoon and we hope you have a very enjoyable day with us. The Paul Hedges Party are next in line and once again Paul supports us extremely well and is a very generous sponsor. We hope you enjoy your stay as Match Ball Sponsors. Swindon Town Football In The Community, in association with PCUK, are with us today as Captain Sponsors and, last but not least, we welcome Les Durrant and his guests from DPDS who are kindly sponsoring the Matchday Programme today. Thank you all for all of your support commercially.

Keep the faith, Come On You Reds.

WITH A STRING OF ASSISTS UNDER HIS BELT IN RECENT WEEKS, THE CREATIVE FORCE IS AT THE PEAK OF HIS POWERS AND IS DETERMINED TO PLAY A BIG ROLE IN HELPING TO PUSH TOWN OVER THE FINISHING LINE...

“

Fleetwood were third in the league so it was another huge result and this is the turning point now. The fans were with us there and hopefully we can get more of them behind us.

Charlie, let's start with recent results and two weeks ago a lot of people would have written us off but, fast forward to today and after two straight wins, things are looking up again aren't they?

"We really do have a chance to stay up. Things are on the up and we've put two good results together now, we've beaten two good teams and we've just got to keep that up, keep that belief and keep the confidence and momentum going."

The Town fans are right behind us and are starting to believe that we can beat the drop, so it's important that we all stick together in order to achieve this goal, isn't it?

"We've had good support from the away fans in the last few games and we've noticed that they have been behind us a lot more. We need that going forward and we need everybody to stick together. If the fans can continue to get behind us, then that will be a great help."

- ▶ Height: **5ft 9in**
- ▶ Position: **Midfielder**
- ▶ Squad Number: **20**
- ▶ Former Clubs: **Chelsea, Bristol Rovers (L)**

Let's reflect on the win against Millwall last month because that is the game that has really sparked this upturn in fortunes. It was brilliant to see the scenes at the end of the game following Conor Thomas' last-gasp goal and it was an impressive performance from us, wasn't it?

"You've got to take into consideration the fact that they were sixteen games unbeaten in the league prior to that game and that's an immense run, so to put that to an end after we dominated at home and we stopped them from scoring was pleasing. When we've kept clean sheets we've produced at the other end so we need to keep doing that going forward."

Moving on to Fleetwood last weekend, would you say that the manner of that win was another important moment in our season given what happened at Bradford only a few weeks ago?

"We certainly have learned some lessons and as a team we looked more composed and comfortable when we were in the lead. I had no doubt that we were going to win the game and everyone else had that same mentality as well. It showed when I was trying to control the game at times or when Fankaty (Dabo) ran from one end of the pitch to the other to just win a corner. It shows that we are maturing and our game management was a lot better. Fleetwood were third in the league so it was another huge result and this is the turning point now. The fans were with us there and hopefully we can get more of them behind us."

You have become a bit of an assist king in recent weeks, including supplying that sublime pass for Nicky Ajose to get the winner at Fleetwood last weekend. Would it be fair to say that you are enjoying your football at the moment?

"I was performing well but to perform well consistently at this stage of the season is really important and I enjoy the pressure and I take it on. My job for the team is to produce at the end of the day and I seem to be doing that at the right times at the moment, so hopefully I can do that over the last five games."

And talk us through that assist last weekend because it was a pretty impressive pass...

"We won the first ball and I managed to receive a pass and it is just having that confidence. Luke (Williams) always tells me to turn and face up your opponent because if he comes towards me then I can get round him. I managed to shift it to the side

and my game is based around quick vision and it was a good weighted pass in-behind for Nicky (Ajose). I couldn't have picked a better person to be on the end of it because he's putting it in the back of the net at the moment."

And is the personal goal for you in the remaining matches to add goals to your game, in addition to the assists?

"I want to add a few more assists, do my bit for the team so we keep clean sheets and then I want to chip in with a few more goals."

We've mentioned the away support already, but just how good were they away at Fleetwood?

"It was a nice little compact stadium and all we could hear was our fans and it helped. You do get in the zone and you don't hear much once you are out on the pitch but there are always those spells in the game where you manage to hear the fans and it does give you that little lift and that little boost. We need them to continue to support us going forward and they are a big help."

“

There are always those spells in the game where you manage to hear the fans and it does give you that little lift and that little boost. We need them to continue to support us going forward and they are a big help.

The club have been running a #PackTheCG Campaign all week in order to fill The County Ground for today's game, so how big a role will the fans have to play both this afternoon and for the remainder of the season?

"It is great that the club have been willing to do this campaign because they know how important it is for us to have that support and the extra man, so hopefully the fans realise that as well. It is the most important time of the season and we need the fans."

These next five games are arguably the five biggest games in the club's recent history and perhaps in your young career so far, so how do you go about dealing with that pressure?

"They are five huge cup finals and it is all about these upcoming games now. We will just keep on preparing as we have been and we'll build on the last two matches. I am feeling the pressure but I'm ready to enjoy it and give it our best shot."

MK Dons are the visitors today and they don't have anything to play for now, but what sort of test do you expect from them this afternoon?

"I remember playing against them earlier on in the season for Bristol Rovers and they had a similar set-up to us in terms of how they liked to get the ball down and play football. We'll just focus on us like we have done for the last two games and we'll go into it with the same mentality. If we turn up on the day and get our job done, then we can beat anyone."

SUPPORTERS CLUB

Good afternoon and welcome to The County Ground to all Swindon Town Supporters. We also extend a warm welcome to management, players and supporters from MK Dons who have travelled to the game today.

Today I would like to make a special mention to all of you who still travel to away games at this difficult time. With our position in the league it takes an extra effort to make this commitment. It also makes it harder to organise coaches, so we thank Sally and Marc at SAS Travel for giving up their time to make sure those who still want to go by coach can do so. A big thank you to all concerned!!

On Tuesday 28th March the Supporters Club held their Annual Dinner. It was a smaller gathering than the past few years which we feel this was due to a number of reasons - our position in the League, being held on a Tuesday evening and well before the end of the season so there were no awards for Player of the Season. There were 84 of us present plus twelve players and Luke Williams and Ross Embleton.

It was good for three groups within Swindon Town FC to come together for

the evening - the Disabled Group, SAS Travel and the Official Supporters Club. Our thanks go BBC Wiltshire's Shaun Hodgetts who hosted the evening. After an enjoyable dinner we had a question and answer session with Luke and the players and a few jokes from Lawrence Vigouroux to end with! There was also a raffle and our thanks go to Imagine Cruising, Phil King and Swindon Town Commercial Department for their contributions to the prizes. Thanks also go to Rachel Burt and Kay Wainright for their help.

Our 'Player of the Season' presentation for all three groups will be made before the last home game of the season against Scunthorpe.

Don't forget it's time to renew your membership to the Supporters Club - at just three pounds for a year to support your club it's a bargain!

NICKY AJOSE

Town have been running their #PackTheCG Campaign all week in order to try and create an electric atmosphere for today's game.

Striker Nicky Ajose has thrown his support behind the initiative and he's hoping to see a full house this afternoon.

"The away fans have been particularly good this season and we've had a few good results on the road," he told R&W.

"It would be nice to see The County Ground as full as possible and we've not really seen that for a long time.

"It is a big game and probably as big a game as we've had in recent times, so if we can get as many people to The County Ground on Saturday as possible then it would be brilliant.

"When you score and you get to celebrate with

the fans and you are able to have the rapport with them afterwards, then it is brilliant.

"It has been a bit more hit and miss at home but there are only five games left now, three at home so it would be nice to see as many fans as possible at The County Ground this weekend.

"It is a massive game for us and we've got ourselves in the position now where we have got a real fighting chance, so if we could get the win today then that will leave us in good stead for the remaining four games of the season."

MK Dons have now mathematically secured their place in the Sky Bet League One for the 2017/18 season but Ajose isn't expecting them to let Town have it easy this afternoon.

"I don't read too much into the what teams have got to play for business because we were in that position last year," he added.

"We were safe but we battered Shrewsbury at home when we had nothing to play for.

"MK are a good side, they've got good players and they've underachieved this year. They've got a relatively new manager and they'll be playing for contracts for next season, so we know what we've got to do.

"We're in a good place now and if we can replicate the second-half performances from the last two games then we'll have a very good chance."

GIRLS DEVELOPMENT

Good Afternoon and welcome to today's crucial game against MK Dons.

Firstly, I must start by congratulating the Kingsdown U16 Girls, who competed in the Kinder +Sport U16's Futsal Cup Final in Derby last week.

The girls managed to get to the semi-finals but were unfortunately knocked out by a strong Hartlepool United team. What was extremely pleasing was the fact that 6 of the 7 girls are part of our Girls Elite set up and will be part of our STFC C6 squad.

STFC C6

It was a disappointing result last week for our STFC C6 girls who suffered their first league defeat of the season away to Neath. The girls still need one point from their last league game to clinch the League Title. Hopefully we will be celebrating the Title by the time I write my next programme notes.

We have just 6 days until the Holland cup for our G13's and G14's.

Here are our opening fixtures for our Girls:

G13 V Buitenboys (Neth)

G14 V Sporting Almere (Neth). The girls are proudly wearing their hoodies this week at training.

Ben Gladwin

'Big Ben' believes there is a renewed sense of confidence in and around the club at present and he also feels that he and his team-mates have learned some valuable lessons in recent weeks.

After conceding two late goals away at Bradford a few weeks ago, the Reds have showed their mettle in the last two weeks, beating both Millwall and Fleetwood by 1-0 scorelines.

And Gladwin believes the ability to grind out a result will be crucial to Town's chances of survival in the final few weeks of the season.

"The mood around the club is really good and the changing room is probably the one place where we've always had faith," he told R&W.

"It does come into question at some point but on the back of those two results hopefully we've built a little bit of momentum now and we can finish very strong.

"We sometimes lack a little bit of maturity with such a young group in terms of managing games and that showed massively away at Bradford a few weeks ago, but the pleasing thing against Fleetwood last weekend was that we were able to manage the game late on and we really killed the game and suck the life out of it to make sure we got the win, which was brilliant.

"It is always going to be tight now and I don't think there is going to be too many goals in it, so being able to manage a game to make sure you come away with the points is going to be a huge factor."

MK Dons are in town today and they will arrive at The CG safe in the knowledge that they have already secured their Sky Bet League One status for next season, but Gladwin isn't expecting an easy ride from the opposition.

"They are always tough ones when you know you are safe with a few games to go because some teams may take their foot off the pedal a little bit, which is something that happens every year," Ben added.

"It is going to be a tough test for us and obviously we'll go out there and give it our all from the very first minute.

"As long as we get the win then I don't care how many goals there are - another 1-0 win will do the job."

Finally, Town have been pushing their #PackTheCG campaign all week in order to try and create an electric atmosphere for this afternoon's game, an initiative that Gladwin has thrown his support behind.

"It is huge when there is a good atmosphere around the place and it is rocking because it really does help the players and it helps to create a good energy around the place," he continued.

"If that happens today and the fans get behind the players then it will be different class."

ACADEMY

WITH JEREMY NEWTON

Town's Academy Manager looks ahead to an upcoming tour to Holland and he explains the benefits of these trips...

Half-term week has come upon us with it being the Easter break and our U9's, U10's, U11's and U12's are all going to Holland for the first week of Easter.

They will be playing Willem II, Gravesande, FC Den Bosch and they will be involved in a big tournament on the Wednesday with Feyenoord and ADO Den Haag, so it will be a really good challenge for us. Again, it is important we take our young groups away and we've got an U8 coming with us this year so it will be a good experience for him and it will be a challenge as well.

The boys will have lots of time together so we are looking forward to it and the second group then go to Holland the following week, with the U13's, U14's and U15's having a similar games programme out there but with Ajax

included too. It is a real big test and it is something that the players and the coaches look forward to in terms of looking at the different styles, the coaching methods, the tactical awareness that the coaches have to have because we go there to try and win every game so we try to change the mentality of the players.

We work with the coaches in identifying certain weaknesses of other teams that we are playing against to try and work an advantage, so it is just preparing the boys for that elite environment that we're trying to create at the Academy. It is great for the boys to be away all together and so much is looked at other than football. The football games look after themselves so it is more about the players looking after themselves so focussing on their time management, their social skills, communication skills with other age groups and other coaches and life skills in terms of making sure that their downtime is used effectively. It is just making sure that they learn good habits.

The likes of Tom Smith, Jake Evans and Jordan Young have been on tours for many, many years and it is something that they've always reflected back on as being an integral part of their Academy development. We are taking them very, very young now so it is just getting them used to being away and making sure that they continue their development plan.

Jeremy NEWTON,
Swindon Town Academy Manager.

FOOTBALL IN THE COMMUNITY

Good Afternoon everybody and welcome to today's important fixture against MK Dons. We are delighted to have with us today Wroughton Juniors who are here with Paul Brown, and Fairford U8's who are led by Alan Stratford. Both teams are attending our Saturday Team Club package and the youngsters have been treated to a tour of the stadium and a professional coaching session before tucking into their Domino's Pizza lunch.

▶ EASTER COURSES

We are all set for our Easter Courses which could be a record breaking period for us, with next week's courses at bumper sized numbers. The second week, which will be delivered on Wednesday, Thursday and Friday, still has spaces available so if you are planning to attend one of our activities, please contact us on 01793 421303 as soon as possible. Alternatively, you can visit our official online booking system www.officialsoccerschools.co.uk.

▶ WALKING FOOTBALL

Charlie Forster has worked extremely hard over recent months to encourage as many Over 50's as possible to take up the very popular sport of Walking Football. The group has risen to nearly 30 players who attend the sessions on a Monday evening up at Croft. We are delighted this afternoon to showcase this project with some half-time entertainment when our Walking Football team have a fifteen-minute game against the group from MK Dons. If we could please ask you to show your support to these guys, who I am sure will keep you entertained during the half-time period.

► FUTSAL U16 KINDER SPORTS COMMUNITY CUP

I was delighted to travel up to Derby County on Tuesday 28th March where Kingsdown U16 Girls represented our Swindon Town Football In The Community Trust in the National Finals against tough opposition. The girls fought gallantly within their group, finishing second to take their place in the Semi-Final

against a very strong Hartlepool team. The girls competed right until the end and were finally beaten 4-2, before making the long trek back to Swindon via the M1 and M5. I would like to say a big thank you to all the girls and all the staff who supported the girls on the day.

► PREMIER LEAGUE PRIMARY STARS

On Wednesday we welcomed 100 youngsters who attend Swindon Academy Junior School, based in Pinehurst, as part of our Premier League Primary Stars campaign, which is led and delivered by our very own Tom Cox. This is our second group of children over recent months that have come from Swindon Academy to enjoy a tour of the stadium whilst completing their educational worksheets in relation to the history of Swindon Town Football Club. In the afternoon they engaged in their physical education where they joined in a gladiator session, before having some friendly football matches amongst themselves. The icing on the cake for the youngsters was when they were treated to a Q&A session with Jake Evans and Will Henry in the Legends Lounge

here at STFC. We would like to say a big thank you to both Jake and Will for coming in to meet the youngsters who asked some really interesting questions. Players' input within our programmes is really crucial to our Community Trust, showing the youngsters that our professional footballers on the whole support us and understand all the good work that is going on on behalf of Swindon Town Football Club within our local communities.

GUEST COLUMN

BBC Wiltshire's Shaun Hodgetts reflects on previous 'Great Escapes' and is keeping his fingers crossed that the current Town vintage can achieve something similar this season...

"Have you got the Great Escape trail at the ready?!" a text from BBC Wiltshire's former Swindon Town striker Sam Parkin read after the 1-0 win at Fleetwood last time out.

Maybe just maybe?

Remember 2001? I was in the commentary-box for THAT Danny Invincible goal ... against Peterborough ... in the last home game of the season.

Gary Alexander put the hosts ahead - Alan Reeves put through his own net for the Posh equaliser - the Australian's spectacular volley secured all three points, taking the Town tally to 52.

Having trawled through the archives, this is how the BBC Wiltshire audience heard the unfolding drama...

"The crowd are willing him to score with his pace & his flair - it's up towards Reeves, it's headed away, it's fallen to O'Halloran, back in the box Invincible shoots,

YES, Danny Invincible's scored, Danny Invincible's scored the most important goal of his debut season at Swindon Town - he's threatened so often and he's rifled it in left-footed!" The pictures can be better on the radio!

That result really is only half the story. Bristol Rovers had two games in hand, losing them both. We linked up with our sister local radio station for their commentary on the defeat by Wycombe, linking live on our own output to Swindon manager Andy King on the final whistle. With their status preserved mathematically, nobody listening to that interview could have doubted his passion for the club, as he declared his undying love for players & fans alike. There was an obvious sense of relief. I later learned he'd spent the daytime "getting away from it all" with mates on a golf course, which may also have contributed to his "tired & emotional" state!!

The Town (including one-game wonder Adrian Bakalli) went on

to lose 4-1 at promotion-chasing Stoke in their final fixture, in front of more than 20,000 fans - they were ultimately 20th, one point above the dotted line. Rovers, Luton, Swansea & bottom-of-the-table Oxford were relegated to the Football League basement, with contrasting fortunes in subsequent years.

As the current campaign draws to a close, looking forward to the Junior Reds end-of-season party on Monday having been fortunate to host the Supporters' Club "do" a couple of weeks ago, with its usual interesting Q & A session ... and unexpected stand-up jokes from goalkeeper Lawrence Vigouroux whom we congratulate on being included in the FourFourTwo Football League Top 50.

He started this term partnering Conor Thomas for "A Question of Swindon Town" on BBC Wiltshire, taking on James Brophy & Johnny Goddard in our footballers' quiz. We'd like them back for a rematch in the summer, hopefully looking forward to another year in League One.

Come On You Reds!

always guarantee that there will still be spaces available.

- After this time, SAS Travel will always try (alongside their coach provider) to source further coaches and meet all the demand for spaces, although they cannot run a coach unless economically viable to do so.
- SAS Travel tend to open games for booking around three weeks before the fixture date and usually have three fixtures booking at any one time. This may increase to four due to fixture rearrangements.
- SAS Travel advise that the best policy is to book as early as you can to ensure that you get the spaces that you want.

► Pressing Matters

How quickly things can change, especially in football! A lot of people would have written us off two weeks ago but fast forward to today and we could well find ourselves out of the relegation zone come 5pm.

That is real testament to the coaching staff and to the players who haven't given up and have been working extremely hard to try and get out of the trouble we find ourselves in.

Everybody loves a last minute winner and we could well find ourselves looking back at Conor

Thomas' late, late goal against Millwall as a turning point in the season – let's hope so.

In my opinion, nobody deserved that moment more than Conor who is the ultimate pro on and off the pitch. He has worked hard for his opportunity and I was thrilled when that ball hit the back of the net in the dying seconds – what celebrations after the game too!

The boys then produced a real professional display to grind out an impressive 1-0 victory away at Fleetwood last weekend and, again, I think it is fair to say that their performance proved a few people wrong.

Those two results have now given us a real fighting chance hence why we took the decision to launch our #PackTheCG Campaign. Talking to the boys, I know how much of a difference your support really does make

and they need everyone behind them heading into the final five games of the season.

We've been working closely with the Swindon Advertiser all week on this with unity being the key word. We must all put on a united front to help push the boys over the finishing line. These next five games are arguably the most important in our recent history and we must all pull together in order to achieve our aim of staying in this division.

So, on that note, let's really #PackTheCG today and make it a noisy wall of red and white for the players. Your support will be so crucial throughout the 90 minutes.

Here's to a vital three points – COME ON YOU REDS!

Andrew STEELE-DAVIS,

Press Officer
