# COLEY'S COMMENTS

**GOOD** evening and welcome to the Wham Stadium for the visit of Swindon Town.

I would also like to extend a warm welcome to David Flitcroft and all of the players, staff and directors who have made the journey up north from the County Ground.

Saturday was an important three points for us, but at the same time we are all well aware that we cannot keep giving sides a two goal advantage and expect to come back and win every week.

We've looked at the video again since, and we feel that both goals we conceded are very avoidable, they hadn't put us under that much pressure to warrant scoring two early goals, that's the disappointing aspect.

We have to start making our play show in the scoreline and that's something we will be addressing as we move into two games, starting tonight, with direct promotion rivals.

Sean McConville is in a real zone at the moment, his confidence couldn't be any higher, and there isn't

anybody that you'd rather have standing over that free-kick to bring us back into the game.

His confidence is high and he's dragging us back into games. The timing of his goal had a huge effect right on the stroke of half time.

Tonight provides us with an opportunity to gain ground on our rivals, as we are only game in League Two. We are aware of the test Swindon will provide us with; I believe they have one of the best away records in this league.

A win will see us move up to second and as it was on Saturday, the support of our fans will be vital in getting us over the line tonight.

It was great to see the flags back in the Clayton End and I know that it's something the players like to see – we are halfway through a huge week and hopefully we can pick up the three points again!

**Enjoy the match.**

# THE STANLEY SCENE

**ONCE** again the team managed to play with the fans emotions in another thrilling win on Saturday afternoon, it would just be nice to sit and enjoy a standard win rather than keep giving our opponents a two goal start!

It has been rewarding to see how much Sean McConville has assumed Seamus's role as captain in his injury induced absence, with Sean once again very much leading by example from the front. As well as being Mr Perpetual motion his contributions continue to be vital to the

success of the team and his goals have come in very useful as well. Whilst Billy continues to lead the line in his own inimitable fashion and is rewarded with his goal haul his partner up front, Kayden, terrorises defences

with his pace but his goal touch has eluded him, despite all his best efforts. Whilst his effort and endeavours remain so high it can surely only be a matter of time before he begins to reap the goal rewards his contributions merit.

It is testament to the strength of the current squad that

Joe Dunne can step in and produce such a mature performance at the heart of the defence which belies his tender years. It was also good to Erico Sousa back on the pitch after his injury traumas suffered against Guiseley and he certainly showed some great touches after replacing Harvey Rodgers.

The competition at the head of the league table is immense with numerous teams thinking they are in with a realistic chance of securing promotion to League 1. Currently only 5 points separate 2nd from 8th, a good positive result to night would see Stanley move up

to 2nd with the same number of games played as most but still one in hand on leaders Luton.

Whatever happens we have 17 cup finals to play between now and early May and

undoubtedly there will be highs and lows along the way, but rest assured we have a united club, with a squad and management team who are more than capable of getting us over the line.

# WHO ARE YA?

## MANAGER DAVID FLITCROFT

**BORN** in Bolton, he played in midfield for a number of Northwest clubs, beginning his career with Preston North End before a move to Chester City.

After racking up nearly 200 appearances for Chester, he moved to Rochdale, after over 100 games at Spotland he had spells with Macclesfield Town, Bury and Hyde before deciding to call time on his playing career.

He opted to move into coaching midway through the 2006/07 campaign, joining old club Rochdale as Keith Hill's Assistant. The pair formed a close working relationship and moved to Barnsley in June 2011. He then became caretaker manager after Hill's departure in 2012/3 season before being offered the job permanently.

He then took over at Bury in December 2013 and again performed miracles, steering

the club away from the relegation zone and to an impressive 12th placed finish. He was announced as Swindon Town's new Manager on Monday 5th June 2017, putting pen to paper on a two-year contract.

# BANNED IN THE MORNING YOU'RE GETTING BANNED IN THE MORNING

All 72 EFL Clubs have signed up to a new Chairman's Charter to help put an end to the dangerous use of pyrotechnics.

It is already a criminal offence to enter a football stadium while in possession of a flare, smoke bomb or firework.

Any supporter now found to be in breach of the terms of the Chairman's Charter will also face a minimum three-season Club ban.

# CAPTAIN'S LOG

**GOOD** evening everybody and welcome to the Wham Stadium for our Sky Bet League Two clash with Swindon.

I was delighted to be back in the match day squad on Saturday and take my place on the bench – hopefully I can get some game time in the coming games and help the lads out.

It was even more pleasing to see the lads secure another huge three points. It was an exciting game, I thought we started poorly but Sean's goal was massive.

That gave us a bit of belief and the half time team talk was much more optimistic. The second half started scrappy and I was worried it might just peter out.

But as soon as we got level, you got the feeling we would find a winner, it was a huge goal for us and I think you could see that with the celebrations at the final whistle.

The character and spirit here is excellent, we feel that we have the morale and the quality to be able to go on a run similar to the one at this stage of last season.

Confidence, belief and momentum can carry you along way in football, we have that in our favour at the moment.

Tonight will be a tough test but we always believe when we are at home, hopefully the fans can create another terrific atmosphere to get us over the line.

**Enjoy the match.**

M GODDEN (14), M MCKEE (38)

**STANLEY** once again heightened the blood pressure of the home faithful as they fought back from 2 goals down to snatch the points against a belligerent Stevenage outfit.

After a cagey start the visitors took the lead with the first shot in anger as Godden latched onto a Revell pass to fire low past Chapman on 14 minutes.

This stung the Reds into action and both Dunne and Jackson had efforts, before the ball fizzed across the visitors penalty area but no one was on hand to apply the finishing touch. Jackson had the best chance as Billy Kee played him through one

on one with the keeper but his effort was blocked by the Stevenage stopper.

Stevenage doubled their lead on 38 when Liam Nolan's misplaced cross field pass was picked up by McKee who advanced before firing into the bottom corner.

On the stroke of half time Sean McConville handed the reds a lifeline when, after a clumsy King tackle on Kayden Jackson, he curled

the resultant free kick past Tom King in the visitor's goal and into the top corner.

The second half again started slowly and Aaron Chapman made a fine save on the hour as he deflected a Smith strike from distance over the crossbar.

Billy Kee pulled Stanley level on 70 minutes when he received a short corner from McConville in the box, turned his marker before slotting the

ball into the far corner.

Erico Sousa had replaced the returning Harvey Rodgers on the hour with Callum Johnson reverting to a defensive role, and the diminutive Portuguese was proving a livewire down the Stanley right. However it was the home goal that had the next close shave as Newton beat Chapman low to his right but the ball hit the post and rebounded to safety.

A few minutes later the home comeback was complete as

Sean McConville jinked into the box and his low shot was deflected past King who was wrong footed, and the ball rolled into the corner.

Kayden Jackson went close to getting the goal his endeavours deserved but the keeper got enough on his effort to gather the ball before it crossed the line.

Stanley played out the remaining minutes and could have added to their advantage but settled for another massive three points.

# MEET OUR NEW SIGNINGS

January was a busy month at the Wham Stadium, as John Coleman bolstered his squad with no fewer than seven additions.

Four signed on permanently, while three loanees arrived looking to continue the next stage of their development in their fledgling careers.

As ever we were first on hand to welcome all of our new signings, lets meet the new lads:

## JIMMY DUNNE

20-year-old Dunne was the first of the winter arrivals, signing on loan from Premier League Burnley.

He'd spent the first half of the campaign at Barrow and impressed enough to earn himself a move to the EFL.

The Republic of Ireland-born player has played 21 games for the Bluebirds and scored two goals – he can play at full back or in the heart of the defence.

He made an immediate debut at the beginning of January

as a second half substitute at home to Chesterfield, before making his first start on Saturday.

"It's definitely a step up for me," said the Manchester United Academy graduate. "I've been on loan at Barrow and that was exactly what I needed for my development. I think that there is going to be more quality and more pace in this league, it's going to be tough but I can't wait to get started.

"I've been lucky enough to be given this opportunity to step up a league, test myself and continue to learn about the physical side of defending."

## AKEEL FRANCIS

No sooner was Zanzala's move announced, Stanley completed the signing another forward, free agent Akeel Francis, as Coleman looked to boost his attacking options following the departures of loanees Jonny Edwards and Mallik Wilks at the beginning of January. Francis signed a short-term deal following his release from Rotherham United and impressed the Stanley staff during a trial period prior to his signing.

"I like it here already," said Francis, who started his football career with Bradford City at the age of eight. "I felt comfortable from the moment that I arrived, I feel like it could be a good fit for me.

"I like to think of myself as a pacey and powerful striker who can finish, I hope I can show that here, I want to impress straight away and help the side towards promotion."

## HARVEY RODGERS

**JUST** when everybody thought Stanley's business for the month was complete, Coleman beat the deadline by five minutes to bring Harvey Rodgers back to the club from Fleetwood, on a permanent basis

Rodgers initially joined the Reds on-loan from Hull in January 2017, and after impressing, moved to League One side Fleetwood Town in the summer.

But, after making just five appearances for the League One side, he's returned to the Wham Stadium looking for regular football and wanting to help the club to promotion

"I knew of Accrington's interest throughout the window, but waking up yesterday morning I thought that I would be staying with Fleetwood," he said. "At about 6.30pm, I got the phone call to say it was happening, it all moved pretty quickly from then. It was a big relief to find out that we'd beaten the clock.

"To sign a permanent deal is pleasing, it shows the staff here thought that I did well last season and hopefully I can repay that faith."

## CHARLIE ROWAN

Charlie Rowan is a centre-back and he arrived at Accrington Stanley, on-loan from Premier League Watford, in January 2018.

The 20-year-old has captained his age group sides at Vicarage Road and comes to the Reds looking to make his EFL debut.

He's yet to make that debut but looks to be an able deputy should he be called upon. "I'm really pleased to be here," said Rowan, after finalising his loan deal. "This is my first loan move and I couldn't ask for more than to be at a good club, who are up there fighting for promotion.

"I've watched the team a couple of times, they play football the right way and there are lots of good players here. Hopefully, I can break into the managers plans, get some minutes under my belt and help the rest of the lads continue picking up points.

"It's going to be a test for me, firstly breaking into such a good side and also out on the pitch I'm expecting it to be much more of a physical battle than I would get in development football."

## DANNY WILLIAMS

Winger Williams completed a busy 48 hours at the Wham Stadium becoming the fourth arrival ahead of the trip to Cheltenham.

The 29-year-old signed a permanent contract following his release from Scottish Premiership club Dundee.

Williams had spells in the non-leagues with FC United, Clitheroe, Kendal Town and Chester, before making the move to Scotland with Inverness Caledonian Thistle.

The winger enjoyed a successful time with Inverness, winning the club's first ever Scottish Cup Final and playing in Europe.

Williams played 108 games for Thistle, scoring five goals; he's yet to make his Stanley debut.

"This is a really ideal move for me," said Williams, who becomes the fourth player to join Stanley this week. "I've always wanted to play in the English Football League, to get a move to a club so close to home and pushing so high up the table is brilliant, who wouldn't want to get involved with a team like that.

"I'm a left winger and I've been playing up in Scotland for the last five years, I enjoyed my time up there, but I felt like it was time for a change and time to come a bit closer to home."

## JONNY MAXTED

Maxted joined Accrington Stanley from Guiseley in the January transfer window of 2018.

Prior to joining, the 25-year-old goalkeeper caught the eye of the Stanley management team with two outstanding performances against the Reds in the FA Cup First Round.

Following an impressive performance in the original tie that ended 0-0, Maxted saved two penalties from Billy Kee and Scott Brown as the non-league side knocked Stanley out of the Cup in a replay. "It was one of those where I got the phone call and I just couldn't say no to it," he said after signing.

"I spoke to Paul Cox and he told me that he wasn't going to stand in my way, I'm thankful for that. It's brilliant that I've got the opportunity to come in to a side pushing for promotion.

"For me, it's a return to the Football League, which I've been out of for about three years now. I've worked hard for this chance to come and I'm looking forward to getting to work with the club."

## OFFRANDE ZANZALA

Highly rated Derby County striker Zanzala, signed a loan deal until the end of the season from Derby County. Zanzala had previously had a loan spell with fellow Sky Bet League Two club Stevenage and also Chester at the start of the 2017-18 campaign.

He made his debut as a late substitute during Stanley's 2-0 victory, away at Cheltenham on 13th January 2018.

He joined the Rams at the age of 12 and signed professional terms at Pride Park in March 2015, finding the back of the net regularly for the Championship club's age-group sides ever since.

In 2015/16, Zanzala played a key role as Derby U21s lifted the Barclays U21 Division 2 title ahead of Arsenal, before enjoying his first taste of senior league football during a one-month loan spell with Stevenage.

Speaking after making the move to Stanley, he said: "This is a massive chance for me, it's a new challenge and I'm looking forward to the first game and to show everybody here what I can do.

"There's a huge difference from Under 23s football to coming and playing men's football, the speed of the game, you have to adapt and change physically and you have to become a man and lead a responsible lifestyle."

# MATCHDAY

Following the reshuffle on Saturday with Joe Dunne & Harvey Rodgers stepping in to the back line and Jordan Clark missing out with a groin strain it is difficult to gauge Coley's starting team for tonight. It is likely that Jordan will be ruled out again which may allow Erico Sousa to start in the wide right berth.

## LAST TIME OUT

### MR EDDIE ILBERTON

Eddie has overseen 18 games so far this term with a mix of League 1 & 2 fixtures on his resume. He has issued 57 yellow and 6 red in his games to date. He was at the Wham Stadium to oversee our 3-2 EFL Cup win over Preston and last took Stanley in our 2-1 win at Port Vale in September.

He officiated Swindon in their 3-0 win at Crewe in December, a game which saw 5 yellows with Taylor, Purkiss, Norris & Woolery being booked by the official.

# Y CENTRE

David Flitcroft will probably have to do without the services of defender Matt Preston who was shown a straight red card in their draw at Lincoln on Saturday. New signing Marc Richards marked his debut with a goal in is likely to retain his place in partnership with Luke Norris up front. Bristol Rovers loanee, Rollin Menayese, who came on when Preston was dismissed may well replace him tonight.

The points headed south with visitors Swindon taking the spoils after a comfortable 2-0 victory at the Crown Ground. In a game largely dominated by the visitors it was ironic that both their goals came on the break.

The first after 39 minutes when De Vita provided the space for Jake Jervis to clinically finish past Dunbavin

from the edge of the box.

The second was an equally impressive strike in the second-half from new loan striker Montano, who shot low from 12 yards.

With Flint securing the visitors back four, Stanley were restricted to fighting for scraps and relying on the long-ball which rarely troubled

the visitors defence.

**Stanley:** Dunbavin, Long, Winnard, Hesse, Murphy, Joyce, Craney, McIntyre, Proctor (Dobie 66), Amond (Hatfield 46), Guthrie (Barnett 46)

**Swindon:** Foderingham, Caddis, Flint, McCormack, Ridehalgh, Ferry, Ritchie, Smith (Risser 54), De Vita, Montano (Connell 77), Jervis (Magera 90)

## FEB HALF TERM HOLIDAY COURSES

**HOLIDAY COURSES**

FEBRUARY HALF TERM 2018 BOOK PLACES NOW

**During the February 1/2 term we are again running our successful holiday Courses and places are available to book now!**

We have 3 different courses running during the Feb half term. We have our Soccer School, Elite Coaching Soccer School and our Activity Club. So there is something for everybody!

We have multiple options to choose from including 9am-3pm or 9am-5pm, single day bookings or full week bookings.

### **ACTIVITY CLUB**

Our Activity Club development team has

carefully put together course itineraries that cover a wide range of different topics including, Arts and Crafts, Dance, Acting, Singing, Cinema Club, Multi-Sports, Games and much more.

These allow children to develop, working individually or in pairs to develop and working in small groups to encourage skill acquisition and decision making. Every day, we have a different theme for example on a Friday we have a 'Stanley Stars Talent Show'.

### **SOCCER SCHOOL**

Our soccer schools cover a wide range of football related topics including, control,

passing, dribbling, shooting, heading and match play.

Our coaches use a variety of activities to allow children to develop, coaching individually or in pairs to develop technique and working in

small groups to encourage skill acquisition and decision making. Every day, children will have the chance to practice in small-sided games and every course will finish with a tournament for players to showcase their new skills.

### **ELITE COACHING SOCCER SCHOOL**

Our Elite Coaching Soccer Schools take place on state of the art 3G AstroTurf and all sessions are led by Accrington Stanley coaches working on behalf of the Community Trust with minimum UEFA 'B' coaching qualifications who work to a specifically designed technical program which is age related with the main emphasis on development and ball mastery. The coaching is structured around

the FC Barcelona philosophy of Tiki-Taka football and every day will consist of technical and high tempo football sessions. The number of places on the courses will be restricted to ensure the coach to player ratio is always kept at an optimal level. The children who will attend the course will be a mixture of the Accrington Stanley Football Club Academy players and local grass roots players who will all be keen to come and develop as footballers over the course of the programme.

Our courses will provide entertainment and care for your child during the holidays which may enable you to continue your busy schedule as a parent. Whether that is a week of football or a week of activities, we can cater for

**TONIGHT WE HAVE OUR GIRLS CUP WINNERS FROM CLITHEROE ROYAL GRAMMAR SCHOOL, THEY WILL BE WALKING OUT WITH STANLEY.**

the needs of all boys and girls with our holiday courses.

The holiday courses remain an affordable activity; that provide the perfect solution for all young children and their parents. All of our holiday courses run from the state of the art facilities at Accrington Academy. Please note this facility is private property and is not used by the general public, therefore ensuring your child is in a safe and secure environment at all times. The dates and times are as follows:

Monday 12th Feb – Friday 18th Feb – Prices start from £12 per day or £50 for the full week.
