GOOD AFTERNOON EVERYONE AND WELCOME BACK TO THE ENERGY CHECK COUNTY GROUND FOR OUR SKY BET LEAGUE TWO CLASH AGAINST MANSFIELD TOWN.

**L**et me kick-off these notes by extending a warm welcome to Steve Evans, his staff, players, directors and fans of Mansfield to Wiltshire for today's game.

It has been a while since we last had a game here and I've been really proud of the boys' efforts over

the last few games. We've had to navigate a tough schedule which has seen us come up against some very tough teams and the lads have given me absolutely everything. I really couldn't have asked for any more and we are all geared up and ready to go again with the business end of the season fast approaching.

Our last game here turned out to be a real thriller against Crewe Alexandra and it was a match that really showed the quality of the squad we have got at our disposal. We had to make changes at 3-1 down and sometimes they work and sometimes they don't, but the changes we made on the day

certainly did work and the second-half saw us put on a real front-foot performance. There was a real purpose to what we did and you can see the added quality of Marc Richards and Timi Elsnik. The most pleasing aspect for me, however, was the fact that even at 3-1 down we stayed on task and we stuck to the game-plan. It was a real spirited fightback and I was chuffed for the players and for the fans.

Transfer Deadline Day saw us add one and lose two and I want to place on record my thanks to John Goddard and James Brophy and we wish them well for the next stage of their careers. We were able to bring in Rollin Menayese from Bristol Rovers and, as you would have seen from the last couple of games, he has already settled in really well and his strength, power and mobility just gives me another option at the back.

Our busy away schedule started at Stevenage and we really had to grind the game out. It was important that we got our noses in-front early and it was always going to be a difficult encounter given their recent record at home. It was a case of everyone sticking to their task, doing their jobs and we had some top performances throughout the team. The lads ran for each other, it was a really galvanised performance and we thoroughly deserved the three points and the clean sheet.

I was left with mixed emotions following our trip to Lincoln City last weekend. It was always going to be a tough game, Lincoln's fans generate a real hostile atmosphere and I thought we did brilliantly. Sometimes it can be easy to go hiding after going a goal down and a man down so early on but we didn't, we came out fighting and we thoroughly deserved to take a lead in at the break. There was a real galvanised spirit and we handled everything that they threw at us in the second-half. It was just bitterly disappointing that we couldn't hold on in the end, there looked to be a foul on Reice Charles-Cook for their equaliser but I was immensely proud of the boys' efforts and that could prove to be a vital point come May.

It proved to be a frustrating night on what was a very cold evening at Accrington Stanley. The pitch wasn't bad

as it looked and I felt we started with a real intent and a real purpose. However, we allowed them to get into the game and we found ourselves two goals down. We did well to get back into the game but a couple of questionable decisions have really halted our momentum, but credit to Accrington because they are a very good team.

The loss hurt but I can't fault the players because they gave absolutely everything to this football club once again and there is still so much to play for.

Today is another big game and we have been much improved at home so far this year. We have worked very hard on the training ground since Tuesday to get the boys recovered and we have done our work on Mansfield. We're focused on the task at hand and we are looking forward to giving you something to cheer about this afternoon.

Let's keep driving forward together as one.

DAVE FLITCROFT.

# FROM THE TOP

Good Afternoon and welcome back to The Energy Check County Ground for today's visit of Mansfield Town. Let me start by extending a warm welcome to the Directors, Management, Players, Staff and Supporters of Mansfield to Wiltshire.

"Before we move on to today's game, last week saw the closing of the January Transfer Window and it was a fairly quiet Deadline Day for us. We were able to bring in highly-rated centre-back, Rollin Menayese from Bristol Rovers and his pace and power will give us another option at the heart of the defence."

It has been a while since our last game here and, barring Tuesday night's result at Accrington Stanley, the team have been on a very good run of form in recent weeks having secured four wins and a draw from our last seven outings. This included a 4-3 win against Crewe Alexandra in our last game here and I'm sure you all left the ground feeling thoroughly entertained! It had everything and I am sure you will all agree that the boys showed great character to come back from 3-1 down to win 4-3. There is nothing better than a last-minute winner and Marc Richards certainly showed why the manager was so keen to bring him to the football club. It was also brilliant to see Timi Elsnik back in action and, after seeing his impact since his return, there is no doubt that he will be vital for us as we head into the final months of the season.

Following this, we embarked on three back to back away games starting with a trip to Stevenage in the final game of January. It was a completely different game to Crewe but one where once

again the boys showed their character to secure a huge three points. Ollie Banks, who has been excellent for us since signing in January, got on the scoresheet again and the team did well to really dig in and grind out an important win. You aren't always going to get pretty football in League Two and it is encouraging that the boys are showing that they can do the ugly side of the game at such an important stage of the season.

It was then a long trip to Lincoln City last Saturday where the team were met by a real hostile atmosphere at Sincil Bank. Lincoln have carried on their momentum from last season where they won promotion and they are enjoying another fine campaign, so we were all well aware that it was going to be another tough fixture. And so it proved as we found ourselves a goal down and a man down following Matt Preston's dismissal for a professional foul inside the area. However, as they have been showing week in and week out, Dave Flitcroft's side were up to the challenge and were able to take a lead in at the break thanks to goals from Marc Richards and Ollie Banks, who have both enjoyed fine starts to their Swindon careers. It was then a real solid defensive display from us in the second-half as we dealt with everything Lincoln had to throw at us, which made the last-gasp equaliser all the more difficult to take. But, given Lincoln's recent form and especially at home, it was a point we would have taken before the game and it is something we can build on going forward.

Tuesday saw us make the long trip for the re-arranged fixture against Accrington Stanley. Again, the

conditions were far from ideal but the game was able to go ahead, despite the freezing temperatures. However, it proved to be another frustrating night at the office with Accrington taking a 2-0 lead and, despite a Marc Richards penalty giving us a way back into the game, another sending-off made it an uphill battle and we were unable to secure an equaliser.

Before we move on to today's game, last week saw the closing of the January Transfer Window and it was a fairly quiet Deadline Day for us. We were able to bring in highly-rated centre-back, Rollin Menayese from Bristol Rovers and his pace and power will give us another option at the heart of the defence. Going in the opposite direction were Johnny Goddard and James Brophy, who sealed permanent transfers to Stevenage and Leyton Orient respectively. I would like to personally give my thanks to the pair for their services to the club and, on behalf of everyone at the football club, we would like to wish them the best of luck for the future.

On to today and we should be in for another thrilling afternoon of football with Mansfield, like us, looking for another win to close the gap on the top three. Steve Evans has recruited well this season and things seem to be finally clicking together with our opponents currently nestled inside the Play-Off places. However, we have been much improved at home so far in 2018 and long may that continue starting with a win this afternoon as we look to keep the pressure on the top three.

Enjoy the game today.

# LATEST NEWS

## HENRY HEADS OUT ON LOAN

Swindon Town Football Club can confirm that Will Henry has joined Hampton & Richmond Borough FC on loan.

The young Goalkeeper will remain with the Vanarama National League South outfit until the end of the season.

Henry, who has made ten appearances since making his debut in 2016, has gone out on loan to gain regular first-team football with Stuart Moore and Reice Charles-Cook ahead of him in the pecking order at SN1.

The 19-year-old will be available to make his Hampton & Richmond Borough debut against Whitehawk today.

We wish Will the very best of luck during his loan spell.

## TOWN BRING IN MENAYESE

Swindon Town made just the one new signing on Transfer Deadline Day with the addition of Rollin Menayese.

The centre-back arrived from League One outfit Bristol Rovers on loan until the end of the season, and made his debut in the 2-2 draw away at Lincoln City last week.

Menayese, who is 20-years-old, will bolster Dave Flitcroft's defensive options and he will provide an aggressive and aerially dominant presence to the back-line.

The 6'3 defender was born in the Democratic Republic of the Congo but moved to South Wales with his family, where he was quickly snapped up by Cardiff City.

He captained the Bluebirds at every youth level and he was also selected as the Skipper for Wales at U16 and U17 level.

After being released by City in December 2016, Menayese joined Weston-super-Mare and started twenty-two games for the National South side.

His form caught the eye of Bristol Rovers and he signed a pre-contract agreement with the Gas in February 2017, before officially joining in the summer.

Rollin has featured in four Sky Bet League One games for Rovers this term, including starts away at Northampton Town in a 6-0 win and away at Scunthorpe United.

His impressive progress was rewarded with a new contract in January and he will now spend the remainder of the 2017/18 campaign at SN1 in a bid to gain more first-team football.

GOOD AFTERNOON EVERYONE AND A VERY WARM WELCOME  
BACK TO THE ENERGY CHECK COUNTY GROUND FOR OUR  
SKY BET LEAGUE TWO FIXTURE AGAINST MANSFIELD TOWN.

**O**ur last game here against Crewe Alexandra seems a while ago now but it was probably a good one to watch! We weren't at our best defensively, that's for sure, but the lads showed great spirit to come back from 3-1 down and in the end we deserved to win the game.

We then kicked off a three-game road trip against Stevenage and you know it isn't going to be a pretty game. We went there to get three points and a clean sheet and I thought the lads did that job very well. It was a very professional performance. A long trip to Lincoln followed and fair play to them because they have created a real hostile atmosphere at Sincil Bank. They've been very successful in the last couple of years, they are doing very well this season and it was a very hostile atmosphere to walk into.

Going 1-0 and being reduced to ten men with twenty-minutes gone, you are looking around and you are thinking that we've got to dig-in to make the game worthwhile, so the lads did really well to go in at half-time 2-1 up. It was just frustrating to concede in the last minute and it was tough to take at the time, but there were a lot of positives to take from the game. It was a soft goal, it could have been a foul but we took a lot of positives from it.

It was a cold one at Accrington Stanley on Tuesday and we started really well, but they've got a very soft penalty and, just as we get some momentum into the second-half, we go down to ten men again and it disrupted our rhythm. We've

shown before that we can finish strong and we were hoping to get at least a draw but it wasn't to be. We're looking forward to the upcoming games now and going on another run.

We are still in very good form after the last seven or eight games and we're still full of confidence. We're not feeling down and we're looking to bounce back quickly. We've started the year really strongly at home and hopefully the fans can get behind us and really push us on for the next few weeks.

Enjoy the game today and here's to three points.

**OLLY LANCASHIRE, Captain**

The Stags are starting to hit top form at just the right time as they look to maintain their promotion assault with the 2017/18 campaign reaching its conclusion.

Managed by Steve Evans, who is able to boast nine promotions on his CV, Mansfield have been there or thereabouts all season but they have really started to turn the style on in recent weeks to cut the gap on the top three. They have won their last three league games on the bounce and are unbeaten in their last nine outings in the Sky Bet League Two.

Mansfield have a squad packed to the brim with quality and experience and their efforts this season have been led by star forward Danny Rose, who has contributed fifteen goals to the

cause so far this season. The likes of Kane Hemmings, Lee Angol and Jimmy Spencer have also chipped in with goals this term, while Peterborough United striker Ricky Miller was brought in last month to further bolster their strikeforce.

The likes of Krystian Pearce, Zander Diamond, Jacob Mellis, Paul Anderson and Alex MacDonald give Town some solid experience down the spine of their team, while a core of talented youngsters help to make a fine balance which will only help Mansfield's automatic promotion hopes during the run-in.

It was Swindon who had reason to cheer the last time these two sides met with efforts from John Goddard, Amine Linganzi and Luke Norris sealing a 3-1 success at Field Mill in October 2017.

**MANSFIELD TOWN HAVE LIFTED FOUR PROFESSIONAL TROPHIES IN THEIR HISTORY, INCLUDING THE FOURTH DIVISION TITLE IN 1974-75 AND THE FOOTBALL LEAGUE TROPHY IN 1986-87.**

## THE MANAGER

### STEVE EVANS

Nine-time promotion winner Steve Evans was unveiled as Mansfield Town's new boss in November 2016, following Adam Murray's departure.

Evans put pen-to-paper on a two-and-half-year deal at One Call Stadium and boasts an outstanding track record of nine promotions in a career spanning over two decades.

Born in Glasgow, he honed his skills as a striker with the Bolton Wanderers academy before going on to amass more than 150 appearances and over 40 goals playing for Clyde, Albion Rovers, Ayr United, Hamilton Academical and St. Johnstone.

Unfortunately, a knee ligament injury cut short his playing days and he stepped over to the other side of the white line as manager of non-league outfit Stamford, whom he led to successive United Counties League Premier Division honours.

Between 1998 and 2007, two stints at Boston United followed where he guided the Pilgrims all the way from the Southern Football League into the League Two.

Evans then took the reins of Crawley Town in 2007 and in the five seasons that followed he secured two promotions, a club-record points haul of 105 and a memorable FA Cup run in the 2010/11 season, before being knocked out by Premier League giants Manchester United after a 1-0 defeat at Old Trafford.

The Scottish manager then added two more promotions to his portfolio between 2012 and 2015, as he masterminded Rotherham United's path to the Championship from League Two.

He parted ways with the Millers in 2015 and was subsequently appointed Leeds United manager. The 54-year-old steered the Whites to a respectable mid-table finish and a fifth round FA Cup tie against Watford, where they bowed out after a 1-0 defeat.

## CONRAD LOGAN

Mansfield signed former Leicester City goalkeeper Conrad Logan just a few days after the conclusion of the 2016/17 season. During a 10-year spell with the Foxes after moving to England, the Irishman enjoyed a loan stint with then-League Two club Stockport County, amongst others, where he won promotion via the play-offs. County beat local rivals, and Logan's future club, Rochdale 3-2 at Wembley as the shot-stopper capped off a fine season in his first loan spell with the North West club. After leaving Leicester in 2015, the 'keeper made the switch to Hibernian for the last two months of the 2015/16 season and quickly wrote himself into the Scottish club's folklore, helping them to win the Scottish Cup.

02

## RHYS BENNETT

Defender Rhys Bennett enjoyed a fine first season at One Call Stadium as he completed every minute of every game in Sky Bet League Two. He capped off a superb maiden season by winning the Chad Readers' Player of the Year, the Supporters' Player of the Year and the Players' Player of the Year. Bennett has also been a regular so far this season.

05

## KRYSTIAN PEARCE

Krystian Pearce has amassed over 300 appearances during his career and boasts experience at this level and above. The defender began his career on the books of Birmingham City, but made his senior debut for Notts County during a loan spell at Meadow Lane in the 2007/08 campaign. He's also represented the likes of Port Vale, Scunthorpe United and Peterborough United, before joining Mansfield and he has become a vital figure at the heart of the defence for The Stags.

06

**ZANDER DIAMOND**

Mansfield Town opted to bring Northampton Town Player of the Season Zander Diamond to One Call Stadium following the defender's decision to turn down a new contract at Sixfields.

He began his career with Scottish side Aberdeen in 2003 and spent eight years at the Pittodrie Stadium. The former Scotland under 21 international made over 200 appearances for The Dons before joining Oldham Athletic for a solitary season in 2011. He won back-to-back promotions with Burton Albion and was also part of the Northampton side that stormed to the League Two Title. He's the current Skipper of Mansfield.

08

**JACOB MELLIS**

Mansfield added to their squad with the impressive acquisition of talented midfielder Jacob Mellis from League One side Bury. The 26-year-old began his career as a youth team scholar at Sheffield United, before joining Premier League champions Chelsea for £1m in 2007. He was a member of the Blues' youth team that reached the FA Youth Cup Final under Paul Clement in 2008. Has been a regular for Mansfield so far this term.

11

**WILL ATKINSON**

Versatile midfielder Will Atkinson joined Mansfield Town in May 2017 after turning down the offer of a new contract at former club Southend United. The 28-year-old previously spent a month on loan at One Call Stadium in 2008, making 12 appearances in the amber and blue. Began his career with Hull and was part of the Bradford City side that reached the League Cup Final in 2011/12. Also has promotions on his CV with both Bradford and Southend.

25

**ADAM KING**

Stags' manager Steve Evans fought off interest from several League One clubs to sign 22-year-old Adam King from Swansea City in the January transfer window. The Swans spotted King's talents when he was a teenager with boyhood heroes Hearts and swooped to buy the versatile midfielder in 2014. He has since enjoyed loan spells in League One, with Crewe Alexandra in 2015-16, scoring five goals in 26 appearances and Southend United the season after. Has also represented Scotland at U18, U19 and U21 levels.

10

**PAUL ANDERSON**

Experienced Championship winger Paul Anderson joined boss Steve Evans' squad after leaving League One side Northampton Town at the end of the 2016/17 season. After swapping Hull City for Liverpool as a youngster, Anderson was a regular in their under 18s' side which won the 2006 FA Youth Cup and his outstanding performances earned him a spot on the first team's bench for their Champions League Round of 16 second leg against Benfica. He moved on to Swansea City and was named their Young Player of the Year, before going on to have spells with a number of EFL clubs.

15

**JIMMY SPENCER**

Striker Jimmy Spencer joined Mansfield Town following his departure from promotion-winning Plymouth Argyle. The 25-year-old forward spent 12 years with Huddersfield Town from the age of seven and made his professional debut for League Two side Morecambe after joining the Shrimps on a season-long loan deal. He scored eight goals in 32 League appearances for the Lancashire side before returning to the Terriers, where he signed a new two-year contract. Spencer fired Plymouth to promotion last season and he will be hoping to do the same with Mansfield this term.

32

**DANNY ROSE**

The Stags fought off competition from League One clubs to capture Bury frontman Danny Rose in May 2016. Rose's committed displays in his first season at One Call Stadium has led him to become a firm fans' favourite, regularly putting his body on the line against physical centre-halves and always providing a goal threat. He has been in fine form this season, contributing fifteen goals so far.

11 PLAYERS WHO HAVE SERVED BOTH CLUBS

## CAMERON BELFORD

The elder of the goalkeeper siblings, Cameron joined Mansfield at the beginning of 2014/15, being allocated squad number 23. But he signed for Northern Premier League Rushall Olympic before making a first team appearance for the Stags. And before the season was out he had come to Swindon. On the final day, he was called into action from the bench when brother Ty was red-carded - saving a penalty with his first touch! He signed for Forest Green last month.

## KEVIN HORLOCK

Signed in July 1991 on a free transfer from West Ham, the Hammers had to pay £300,000 to get Kevin back in 2003! He played as an orthodox left-back in his early days with Town, but he was soon handed a central midfield role and made almost forty Premiership appearances there. By 1995/96 Kevin had added goals to his game, netting 16 as Swindon lifted the Second Division title. He made five appearances as a substitute for Mansfield towards the end of 2007/08. STFC 199 apps / MTFC 5

## KEN MELLOR

Ken joined the Stags from his home-town club Leicester in July 1957, playing regularly in the final season of the Third North. After helping them avoid the drop to the Fourth in 1959, Ken came south to Swindon - where he was preferred at centre-half to veteran 'Garth' Hudson. But after losing his place in December, Ken was given another chance in April - replacing the injured 'Bronco' Layne at centre-forward! Ken hit three goals in seven games. STFC 32 apps / MTFC 71

## TED DRANSFIELD

A Yorkshireman, Ted arrived at Swindon from Birmingham in May 1931. After a couple of appearances at left-back, he took over from Harold Stansfield on the other flank in the October. Ted moved up a division in 1933, with Southampton, but after failing to make a senior appearance there, switched to Mansfield. He stayed at Field Mill for three years before joining Bath City, where he played for ten years and was the club trainer for a further twenty. STFC 68 apps / MTFC 85

## ANDY NICHOLAS

A former trainee at Anfield, Andy linked up with Town in the summer of 2003, initially slotting into the line-up at left-back. Injury forced him to miss most of 2004/05 and it was not until after Iffy Onuora took over that Andy regained a regular place in the side, at centre-back. After five years at the County Ground he joined Rotherham, from where he spent the final three months of 2009/10 on loan at Mansfield. STFC 141 apps / MTFC 14

**MIKE GRAHAM**

After making 18 top flight appearances during four years with Bolton, Mike signed for Swindon in July 1981. He made maximum appearances for Town in 1982/83 but looked set to leave in 1984, until the appointment of Lou Macari persuaded him to stay. But Mike went a year later - to Field Mill a few weeks after Colin Calderwood had made the same move south. Mike helped Mansfield to finish three places behind Town in the race for the Fourth Division title. STFC 163 apps / MTFC 168

**DAVE SYRETT**

Dave joined the pro ranks at the County Ground in November 1973 after first signing shortly before his 16th birthday. Following a loan spell at Wolves, he netted 15 goals for Town in both 1975/76 and 1976/77. Dave then joined the Stags and was top scorer in his first season there with 16 goals - but he could not save them from relegation from the old Second Division. He sadly passed away in July 2016, aged just 60. STFC 135 apps / MTFC 79

**IFFY ONUORA**

Glasgow-born, Iffy spent the first five years of his pro career at Huddersfield before joining Mansfield in the summer of 1994. He started only 17 games in two seasons at Field Mill. His only full season with Swindon - 1998/99 - was a prolific one as he netted 20 goals despite playing in a struggling side. Swindon, rapidly heading for administration, were forced to sell Iffy early in 2000. He returned to the County Ground in 2004, being manager for 40 games from September 2005. STFC 80 apps / MTFC 30

**RAY CLARKE**

A former Tottenham reserve, Ray netted just twice in his one season at the County Ground, in 1973/74. His first was in the first Sunday fixture played by Town - against Bolton - and the other brought a rare victory that season, at Hull on Easter Monday. He moved to Fourth Division Mansfield in the summer, hitting thirty goals as the Stags lifted the title - and followed that with 29 in 1975/76 when they did the 'double' over Swindon, Ray scoring in both games. STFC 14 apps / MTFC 114

**EDDIE MUNNINGS**

Winger Eddie had only played in his native Lincolnshire prior to signing for Swindon in June 1930. He scored in a 4-1 win over Queens Park Rangers on his debut but added only two more before switching to Hull City in the following summer. Eddie then made a surprise move back to the County Ground in 1932 and netted 11 goals. He moved to Mansfield in 1933 and then, a year later, returned to his hometown club Boston - having left there in 1927. STFC 48 apps / MTFC 32

**STEVE PELOW**

Signed by Fred Ford in May 1970 on a season long loan from Liverpool, Steve had to wait ten months before being given a League outing. The move became permanent when the loan expired, but he still spent most of the season in the reserves. Steve finally hit form in 1972/73, netting seven in 23 starts, before being dropped by new boss Les Allen. Dave Mackay took him to Forest in the following summer, but by December he found himself at Field Mill, where he grabbed three goals in a four-game loan spell. STFC 45 apps / MTFC 4

**HARRY MARTIN** - seen here in 1954 - was part of the backroom staff at the County Ground for twenty years. During his playing days he had made over 400 League appearances plus one for England in 1914. After hanging up his boots in 1929, at 37, Harry went to York City as trainer and was then manager at Mansfield for 14 months - from January 1934 to March 1935. Appointed trainer at Swindon in the following year, Harry - a former winger - played in goal in the club's final pre-war game in May 1940. By then aged 48, he kept a clean sheet in a 4-0 win over Swansea Town.

**OTHERS WHO SERVED BOTH CLUBS (EXCLUDING CURRENT STAFF):**

Calvin Andrew, Amari'l Bell, Shayne Bradley, Frank Burrows, Colin Calderwood, Dave Caldwell, Mike Carter, Giles Coke, Paul Edwards, Fred Fisher, Jimmy Gauld, Darius Henderson, Ben Hutchinson, Harry Keeling, Brian Kildine, Andy King, Fred Laycock, Martin Ling, Harry Martin, Frank Richardson, Jamie Sendles-White, Alan Sheehan, Blair Sturrock, Danny Williams, Adam Willis.

**GOOD AFTERNOON AND A WARM WELCOME TO THE ENERGY CHECK COUNTY GROUND FOR TODAY'S VERY IMPORTANT CLASH WITH THE STAGS AS WE ENTER THE BUSINESS END OF THE SEASON. LET'S HOPE FOR A WELL-EARNED THREE POINTS TODAY TO SEND YOU ALL HOME HAPPY.**

This week marked an important milestone for me personally as I celebrated ten years here at this great football club. I would just like to thank all of my colleagues past and present and all of our sponsors, businesses, hospitality guests and the supporters who I have had the pleasure of meeting and getting to know over the last decade. Thank you for all of your support then and now and long may it continue.

Details of our very popular Sponsors Dinner have now been launched so please head to page 66 for more information and details on how to book this event. All of the players and the management will be present and the evening will be hosted by the legendary Shaun Hodgetts. This event has sold out for the last five seasons so please do not leave it until the last minute to book. We look forward to seeing you there.

We have also recently sent invitations out to all of our partners welcoming them to the next instalment of the Red & White Networking Event, which will be held here at The Energy Check County Ground. The Energy Check have very kindly sponsored this event and will be talking to those in attendance

regarding their partnerships in sport, the world that is energy and their future goals. We will also have virtual reality in-play for guests to enjoy. If you are a business who is yet to engage with us and an event like this one is of interest to you, please make contact with one of the team about booking your place with us. The event will take place on Thursday 8th March from 1pm until 3:30pm. The chef's buffet with refreshments will also be served.

Next up here at The Energy Check County Ground is Port Vale on Saturday 17th February (3pm kick-off) and we have the Captain's Sponsorship available under offer at just £600 including VAT for a table of eight. We also have the very sought after Mascot Experiences discounted to just £149 including VAT. For more details on these packages, please make contact with one of the team who will happily assist you further. Please also note that our hospitality packages are selling very well for all remaining fixtures so again please book early to avoid disappointment.

On to today and we welcome Save On Tyres as the Main Match Sponsors to proceedings this afternoon. Andy and Warren

Cook have supported us very well commercially across the past seasons and are back on board this season, which is great news. When you are searching for a local tyre supplier, then please consider Save On Tyres and support them as they support us. They also supply British Manufactured Avon Tyres who as you will be aware are one of our Main Sponsors. New to the Sponsorship arena today is Miles Windows who join us as Matchball Sponsors. We hope you will have a great day with us and make sponsorship days out a regular habit. Finally, we would like to wish the following guests a very Happy Birthday, as they celebrate their special day across the suites today - Mel O'Reilly-Meredith, Kyle Maundrell, David Robinson, Linda and Daphney Jones, Hannah Wickens, Jade Warren, Kelly Roze and, last but not least, Linda Shawyer.

IN-DEPTH WITH...

# MARC *Richards*

THE FRONTMAN HAS ENJOYED A SUPERB  
START TO HIS TOWN CAREER HAVING SHOWN  
ALREADY WHY HE IS SUCH A FEARED FINISHER  
IN-FRONT OF GOAL. AND, AS HE TELLS RED  
REVIEW, HE'S HUNGRY FOR MORE AS HE LOOKS  
TO FIRE THE REDS TOWARDS PROMOTION...

# IN- DEPTH WITH...

Marc, you've been at Swindon for a few weeks now so how have you found the whole settling in process both on and off the field?

It has been brilliant and I couldn't have asked for any more from the club. I've settled in really well and knowing a few faces when I first came through the door was always a big help as well. I've worked with Matty Taylor, Keshi Anderson and Ollie Banks at previous clubs so that helped, but we've got a good group of lads so it would have been easy for me to settle in anyway. We've got a good bunch, a lot of characters and the first few weeks have been good. The results have been pretty good too. My first game against Coventry was disappointing but we've come away with a few good wins. All in all, it has been a great first few weeks and I couldn't have asked for anything more from the club and from the lads.

It must have been pleasing for you too to have been able to come in and hit the ground running too in terms of the games played and the goals you've been able to score...

My first aim was to get into the new team because I'm a new signing and I never expected to come straight into the team. I was training at Northampton without really getting much game time and that was frustrating for me, but I'm the type of character that doesn't shine away from training and the hard work. I came into training, I worked hard, I got my head down and then it was a case of trying to push for as much game time as possible. To get my first start, my first home game and my first goal all within a few minutes against Crewe Alexandra was a perfect start for me and to then get a last-minute winner was even

better. So, on the goal side of things it has been brilliant and it couldn't have gone any better. It isn't just about myself though, if the lads weren't creating those chances for me then I would never be in the positions to score the goals, so it is about the team and what the team are doing for me as well as me doing my bit for the team.

You are obviously here to score goals so I would imagine that you would take a few more of those moments against Crewe Alexandra if it meant promotion at the end of the season, right?

Yeah, without a doubt. We're not taking things lightly and we are taking things game by game, which I think you have to because you can't get carried away. We're in a strong position at the moment despite losing on Tuesday and the lads are hurting from that, but we've been on a good run of form, promotion chasing form and if we can carry that on for the rest of the season then it will only stand us in good stead.

You know what this league is about, you won the League Two title with Northampton and it will go down to the wire this season given how tight the standings are, so it is about remaining focussed on what we do isn't it?

It is about being consistent and consistency will get you rewards at the end of the season. If we can turn the bad results that we're having into more draws and carry on picking up points on a more regular basis as well as picking up wins on the way, then that is something we need to improve on. You look at the table and

“

It has been brilliant and I couldn't have asked for any more from the club. I've settled in really well and knowing a few faces when I first came through the door was always a big help as well.

”

it is a case of we either win or we lose and there aren't many draws in there. We can change that, we can turn that round and it will be a step in the right direction.

**If there is one trait you can take from the last few games then it is the fighting spirit we have shown and that will be key to our promotion chances, won't it?**

I am a big believer in team spirit and I have been in teams in the past that have been bang average teams but they've been successful towards the end of the season. That team spirit can get you ten, fifteen points a season and we've got bags of team spirit at Swindon, so there is no reason why that can't help us over the line towards the end of the season.

**In terms of your role as one of the more experienced leaders in the dressing room, do you look to lead by example on the pitch on a matchday or do your talking before the game? Or is it a bit of both?**

It is a bit of both. I am quite vocal in the changing room before the game just as we go out, feeding drips of information to any players that might need that little bit of help and for anyone who has seen me on the pitch, I tend not to shut up to be honest! That just comes from the experience of playing the game for so long and you need to have that vocal side of the game. A lot of young players don't use that enough and if I can help or any of the lads can help by communicating on the pitch, then it is only going to help the team. I'm all for the team and I'll do whatever I can to win the game.

**Mansfield today will pose a tough test, they are flying at the moment but we've been in good form at home in 2018 and it is a big opportunity to take three points off a team in and around us isn't it?**

Mansfield are one of the top teams in the league at the moment and they are being managed by a very experienced manager at this level and a manager who knows what it takes to get out of this division. They've brought in a lot of quality players and they are fighting for promotion like we are, so we are under no illusions that today is going to be a tough game and we're fully expecting a great atmosphere from our fans and their fans. It should be a really tasty match for the neutral.

“

That team spirit can get you ten, fifteen points a season and we've got bags of team spirit at Swindon, so there is no reason why that can't help us over the line towards the end of the season.

## HAPPY BIRTHDAY LINDA & DAPHNE JONES

Daphne and Linda have been supporting Swindon for over 30 years and have been season ticket holders for most of this time. John Trollope was the STFC Manager when they first started going to Swindon games, but their all-time favourite player/manager has to be the one and only Lou Macari and of course it goes without saying Phil King was also a big favourite. Onto the present-day team, Matt Taylor and Donal McDermott are their favourites.

They have both done the executive package 3 times before now, but have only seen Swindon win once, so they are both hoping for a big win on their birthday today!

## HAPPY BIRTHDAY JADE WARREN

This is Jades 26th season watching Swindon Town. Her favourite memory so far, came in only her 2nd season as a 16-year-old when the Town beat Leicester City at Wembley. This is closely followed by a very fun day out at a sunny Loftus Road to watch Swindon's last away game in the Premier League and winning that game to do the double over QPR. Jade now has the pleasure watching games with her son Charly who strangely enough is a mad Swindon Town fan as well, not sure how that happened! Her favourite Town player during the years is Wes Foderingham.

## HAPPY BIRTHDAY HANNAH WICKENS

A very happy 28th birthday Hannah, who celebrated her birthday on the 8th February. Hannah joins us with her Family in the Imagine Cruising Suite today, have a great day! Lots of love from Mum and Dad xx

## HAPPY BIRTHDAY DAVID ROBINSON

David is going to turn the big 70 on February 15th! Have a great day from all your fellow Robins Suite Season Ticket Holders and from your better half -The lovely Janet x

## HAPPY BIRTHDAY MEL O'REILLY-MEREDITH

Happy 60th to Mel O'Reilly-Meredith! Mel turned 60 on the 28th January. His first game was Vs Millwall in 1970 and he's been a season ticket holder at the County Ground for as long as he can remember! Mel has a bit of a soft spot for Chelsea as well, but we won't dwell on that! Happy Birthday Mel, hope you enjoy your day out in the Imagine Cruising Suite today!

# FOOTBALL IN THE *Community*

## COMMUNITY CLUB HUB FACILITY – UPDATE

We are pleased to announce that Swindon Town Football in the Community Trust in partnership with Swindon Harriers Athletics Club have resubmitted an amended planning application for the proposed Community Club Hub Facility located on the County Ground recreational area.

We have taken on board the feedback from the previous planning application notice and the third public consultation and we believe this amended plan has taken into consideration the points raised at these meetings.

We have worked extremely hard to address these concerns and we are not only hopeful that the new plan will not only allow us to build a fantastic new sporting and social facility, but also still provide local residents with an open useable area in which to enjoy their leisure time.

We would be grateful if our participants, supporters and partners could take the time to visit the SBC planning portal and leave a message of support:

<http://pa1.swindon.gov.uk/publicaccess/applicationDetails.do?activeTab=makeComment&keyVal=P2T8I6PTKOH00>

We are hopeful that this amended planning application will go before the March Planning Committee where a final decision will be made.

Please spread the word so collectively we can make this dream come true.

### ENGLAND CALL UP – IZZY COOK

We are extremely proud to announce that Izzy Cook from our Girls Centre of Excellence U16's has been selected for the England U16 squad for their upcoming UEFA tournament against Denmark, Spain and Scotland. The fixtures will take place next week from the 12th - 19th February in York.

Head of Trust and Girls CFFE U16's Manager Jon Holloway commented 'This is fantastic news for Izzy, her family, team mates and Swindon Town Football in the Community. Izzy is a very talented player but matches her talent with a phenomenal work rate and great attitude. These key attributes have clearly been recognized during this selection process. It is brilliant to have Izzy playing for England and this will further inspire our players across all our centre's.

Congratulations Izzy and best wishes for the tournament. Proud to be England, Proud to be Swindon.

# ON THE ROAD

## WYCOMBE WANDERERS

13/02/2018 • KICK-OFF: 7:45PM  
ADAMS PARK • SKY BET LEAGUE TWO

### BY ROAD

The stadium is located on the outskirts of Wycombe on the Sands Industrial Estate. Leave the M40 at Junction 4 and take the A4010 towards Aylesbury. Turn left at the fourth roundabout into Lane End Road and then continue straight down this road. The ground is down at the very bottom of this road.

### PARKING

There is a fair sized car park located at the ground which costs £5 per car or, alternatively, some of the industrial units provide match day parking for £3 per car.

### BY TRAIN

Wycombe Railway Station is situated around two-and-a-half miles away from the stadium and is too far to walk. It is served by trains from London Marylebone and Birmingham Moor Street. You can either take a taxi (costs about £8) or get the Football Special Bus that runs from the station to the ground on match days. The Football Special (No.32) departs the Railway Station for stadium at 13:55pm on Saturday matchdays and 18:40pm for midweek games. It costs £2:50 for a return and the bus returns ten minutes after the final whistle.

### PUBS

Located at the ground is the Scores Bar and Vere Suite which welcomes away fans - there is no entry charge for supporters. Other than that, there is the Hourglass pub which is located about a 15-minute walk from the ground.

### LAST TIME WE MET

Wycombe Wanderers 0

# WHEN YOU SEE RED, ARE YOU SURE IT'S NOT GREEN, OR BLACK?

NORMAL VISION

COLOUR-BLIND SIMULATION (PROTANOPIA)

Approximately **one in 12 men** inherit colour blindness. It's carried on the X-chromosome, so only **one in 200 women** inherit the condition.

It can be a real issue in football, whether you're watching, playing, managing or officiating. Imagine not being able to tell the difference between kit colours and how that would affect you, your teammate or your child.

There are three types of colour blindness – and myriad colour combinations which cause problems. The common perception that colour-blind people only confuse reds and greens is a myth.

The FA has been working closely with UEFA and specialist organisation Colour Blind Awareness to highlight the issue. The intention is to positively influence decision-makers at every level of the game and improve the experience of colour-blind people – whatever their involvement in football.

This work has seen the production of a comprehensive guidance booklet. You can read and download it at [www.TheFA.com/colourblindness](http://www.TheFA.com/colourblindness)

And please visit the Colour Blind Awareness website: [colourblindawareness.org](http://colourblindawareness.org) for ways you can help maximise awareness.

**Together, let's make sure football's future is FOR ALL.**
