he clean sheet on Saturday against Carlisle United was important to me, emphasising the work we are doing behind the scenes, but the penalty box at both ends of the pitch define teams at the end of the season and the chances we are creating suggests to me that we need to relax in-front of goal and take the handbrake off if we're going to win four out of the next five games to get in the Play-Offs.

Pressure is a wonderful commodity and players that thrive under these conditions normally are the ones that go on to have good solid careers. However, if you look around at most teams in any division, whether they are at the top of the table or are at the bottom, the majority have must-win games! This is quite simply a natural product of the season as a whole and if you don't like the

pressure then you're quite simply in the wrong job.

I'm delighted with the progress we've made in the short space of time but there's still a lot of hard work to

do, starting with the visit of Yeovil. We would like to welcome Darren Way, his backroom staff, players and the fans of Yeovil to The Energy Check County Ground this evening and we wish them a safe journey home.

Again, the emphasis is on our performance to get you, the supporters, off your seats and get behind the lads.

Enjoy the game. PB.

Good Evening everyone and welcome back to The Energy Check County Ground for tonight's re-arranged fixture against Ycovil Town. I would like to welcome the Directors, management, players, staff and fans of our visitors today.

'However, it was sad to see Kellan Gordon leaving the field within the first five minutes with a dislocated shoulder, We would like to This evening's fixture sees us take on our West Country rivals who are currently 18th in the Sky Bet League Two table having gone through a spell of indifferent form in recent weeks, which did include an excellent 6-2 victory away at Coventry. As we know in this division, anyone can beat anyone regardless of their league position which means that we will have to give them the respect that they deserve. Given that tonight's game is a local derby of sorts we are hoping for an entertaining, free-flowing game that will hopefully see us secure a big three points and further

enhance our push for the Play-Offs at this key stage of the season.

Looking back at the weekend's fixture against Carlisle United, it was great to see Swindon Town Club Captain Olly Lancashire make his return and his presence at the back can only benefit the team going forward. However, it was sad to see Kellan Gordon leaving the field within the first five minutes with a dislocated shoulder. We would like to wish Kellan all the best for a speedy recovery.

On to the game itself and the performance as a whole was encouraging with every player giving 100% on the day, unfortunately we couldn't quite get the ball in the back of the net despite creating plenty of chances. We never looked like conceding a goal which is always a solid base to build from, but it just wasn't working for us in the final-third of the pitch. I am sure this is something Phil and Brian have been working on with the boys leading up to tonight's game.

Let's all get behind the team tonight as your support will be vital during the run-in. Enjoy the game.

LATEST NEWS

STFC TO MARK PREMIER LEAGUE ANNIVERSARY IN STYLE!

Swindon Town are delighted to announce that we will be holding two events to mark the 25th anniversary of our promotion to the Premier League.

31st May 1993 will forever go down as one of the club's greatest days in its history, with a Paul Bodin penalty sealing a 4-3 success against Leicester City at Wembley and promotion to the top flight of English football.

That side are still revered to this day with the class of 1992/93 held in the same regard as the 1969 team that so famously won the League Cup.

This year marks 25-years since Town painted Wembley red and proudly took their place amongst English football's elite.

So, to celebrate this milestone, we have organised two events in order to make sure we mark the anniversary in style.

On Friday 20th April we will be hosting a 25th Anniversary Dinner in the Legends Lounge at 7pm, where members of the team from that famous day at Wembley will be present to share tales and pose for pictures.

The cost to attend will be £25 per person and you can register interest via https://www.eticketing.co.uk/swindontown/.

Then, players from the class of 92/93 will be in attendance at our Sky Bet League Two clash against Grimsby Town at The Energy Check County Ground the following day!

We can confirm that Fraser Digby, Paul Bodin, Micky Hazard, Shaun Taylor and John Gorman will be in attendance, plus further names will be announced in due course.

GOOD EVENING EVERYONE AND WELCOME BACK TO THE ENERGY CHECK COUNTY GROUND FOR OUR SKY BET LEAGUE TWO FIXTURE AGAINST YEOVIL TOWN.

here were a lot of positives to take from our 0-0 draw with Carlisle United on Saturday. However, not scoring at home isn't great and it is obvious but scoring goals is what gets you wins and points, especially when you can keep a clean sheet. But we're unbeaten in three and we're only two points off the Play-Offs, so we look at the positives and there is a lot to play for with five games to go.

We got into some good areas in the final-third for the majority of the game on Saturday and we produced a lot of crosses, but the ball just didn't really seem to fall for us. We hit the post in the first-half but other than that we didn't really create an obvious chance, we've been working on that and we'll look to build on a solid base tonight and score some goals.

On a personal note I was delighted to be back on the pitch with the lads on Saturday. When you are out you do miss the matchday feeling and being out there helping the boys. I was hoping to last the full 90 but one proper training session in seven weeks took its toll but I'm glad that we were able to keep the

clean sheet. Taking me off when they did has given me a good chance of playing the whole game tonight so it was the right decision to come off and it is just great to be back out there.

We don't need any extra motivation and everyone knows what the script is between now and the end of the season.

Tonight's game in-hand is a great carrot knowing that if we win we could get into the Play-Off places and it gives us a great opportunity to do that. When we played Yeovil earlier in the game it was one of our best games of the season for me. We conceded early but we dominated the rest of the game and we got two goals in-front of our fans at the end. Hopefully we can have a

YEOVIL TOWN

It looks set to be another season of consolidation in the Sky Bet League Two for Yeovil Town who will be hoping to finish their season with a flourish in order to secure a midtable finish.

The Glovers, under the guidance of former player Darren Way, are currently 17th in the standings ahead of today's clash and they will be hoping to start March off on a positive note after enduring a mixed February, which saw them pick up three wins, one draw and two defeats.

Although their league form has been far from spectacular, Yeovil did enjoy a long

ACHIEVE BY UNITY

run in The Emirates FA Cup, defeating Southend United, Port Vale and Bradford City to set up a glamour Fourth Round Tie against Manchester United at Huish Park, which they lost despite producing a brave display.

Way has built a squad mixed full of youth and experience with veteran frontman Francois Zoko ably supported by talented youngsters in the ilk of Otis Khan, Rhys Browne and Sam Surridge.

The last meeting between these two sides was a dramatic one as Keshi Anderson struck in the dying minutes to secure a 2-1 victory for Town at Huish Park in November 2017.

did you know?..

THE CLUB'S NICKNAME "THE GLOVERS" IS A REFERENCE TO THE HISTORY OF GLOVE-MAKING IN THE TOWN OF YEOVIL, WHICH BECAME A CENTRE OF THE INDUSTRY DURING THE 18TH AND 19TH CENTURIES.

THE MANAGER DARREN WAY

Darren Way has been at Yeovil Town for the club's entire period in the EFL as a player, coach and now manager.

He first arrived at Huish Park as a combative midfielder in 2000 and became a club legend by helping the Glovers achieve promotion from the National League in 2003 and League Two in 2005, as well as lifting the FA Trophy in 2002.

After leaving for Swansea City in January 2006, Way returned to Somerset on loan in 2007, before signing permanently ahead of the 2008/09 season.

However, Way's playing career was ended on December 17th, 2008 when he was involved in a severe car accident.

The determined character defied the doctor's prognosis of not being able to walk again by returning to Yeovil as a coach, working under Russell Slade, Terry Skiverton and Gary Johnson - achieving promotion to the Championship with the latter.

Two years after the club's solitary season in the second tier, Way worked under Paul Sturrock as first team coach, before taking interim charge in December 2015.

He was appointed as permanent boss after six games and led Yeovil to safety during the 2015/16 season by a margin of 14 points, putting together a six-game unbeaten run in the process and turning the club's fortunes around.

The Town legend signed a new three-year contract in the summer of 2016 to keep him at Huish Park, before guiding the Glovers to a 20th place finish during the 2016/17 campaign, accruing the club's highest points tally in the last four campaigns.

ARTUR KRYSIAK

Goalkeeper Artur Krysiak joined the Glovers at the beginning of the 2014/15 season from Devon outfit Exeter City.

After joining Birmingham from his hometown club in Poland for £60,000 in 2008, Krysiak spent time out on loan at Gretna, York, Swansea, Motherwell and Burton Albion before joining The Grecians two years later.

Krysiak made 142 appearances for Exeter over four seasons primarily as the number one keeper, before agreeing to join Yeovil on a two-year deal at the beginning of the 2014/15 season after the expiry of his contract at St James Park.

Under contract until the summer of 2018, the Polish stopper reached the 100-appearance milestone towards the end of the 2016/17 campaign.

NATHAN SMITH

The defender arrived at Huish Park for his second spell with Yeovil at the beginning of the 2014/15 season.

Smith, who was signed from non-league Potters Bar in 2008, became an instant hit with the Glovers faithful going on to make 119 appearances scoring once – a 30-yard rocket against Stockport.

The Londoner joined Chesterfield at the start of the 2011/12 season and spent three years with The Spireites being named Players' and Supporters' Player of the Season for the 2012/13 campaign.

Smith, who has two caps for Jamaica, re-joined Town ahead of the 2014/15 season and has since gone on to make over 250 appearances for the club — more than any other player since reaching the EFL in 2003.

RYAN DICKSON

Left-back Ryan Dickson returned for a second spell at Huish Park in the summer of 2015.

The experienced defender, who has made over 300 EFL appearances, enjoyed a loan spell at Huish Park in 2012 from parent club Southampton, where he made five appearances scoring once before returning to St Mary's.

Cornish born Dickson began his career with Plymouth Argyle in 2004 before joining Brentford in 2008 where he would go on to attract the attention of Southampton.

He spent three years in Hampshire including three loans before joining Colchester in 2013 and spent the 2014/15 season with Crawley, becoming a firm fans' favourite.

TOM JAMES ----

The versatile defender Tom signed for Yeovil in January 2017 from Championship outfit Cardiff City.

The Cardiff-born defender became a key part of the Bluebirds' Under-21 side before arriving in Somerset, having made his first-team debut against Chelsea in the Premier League in May 2014.

Having represented Wales at Under-19 level, James can operate across the back four and was snapped up by Darren Way, who tried to sign the young defender prior to the start of the 2016/17 season.

Having made three appearances towards the end of the 2016/17 season, James extended his Glovers stay until the summer of 2019 after agreeing a new deal.

07

OTIS KHAN

The talented youngster started his career at Manchester United before joining Sheffield United in 2012, enjoying loan spells at Buxton, Matlock Town and Barrow before being snapped up by Barnsley in January 2016.

Comfortable central or out wide, Khan scored on his Glovers debut netting in the 2-0 opening day victory against Notts County at Huish Park in League Two before going on to end the season with eight goals and five assists to his name.

A key part of Town's attacking force, Khan signed a new two-year deal ahead of the 2017/18 season.

80

CONNOR SMITH

Connor Smith joined Yeovil on a free transfer from Plymouth Argyle ahead of the 2017/18 season, penning a two-year deal.

An academy product at Watford, the former Republic of Ireland under-21 international made his debut for the Hornets in 2012 before spending brief stints with Gillingham and Stevenage.

Smith left Watford by mutual consent and signed permanently with AFC Wimbledon where he achieved promotion to Sky Bet League One via the play-offs.

He earned his second promotion in as many years, going up automatically with Plymouth in 2016/17.

09

RHYS BROWNE

The tricky winger was signed from Grimsby Town for an undisclosed fee in the summer, putting pen to paper on a two-year contract at Huish Park.

Browne spent his youth career at Norwich City and Charlton Athletic, winning the FA Youth Cup with the latter.

With the Addicks he got international recognition, making his debut for Antigua and Barbuda in a World Cup qualifer against St Lucia in 2015 before moving to Aldershot Town where he netted six goals in his debut year.

The Romford-born wide man then moved to Grimsby with the Mariners loaning him to Macclesfield Town for the second half of the 2016/17 campaign.

He scored a number of impressive goals for the Silkmen including one at Wembley in the FA Trophy final which led to Darren Way bringing him to Huish Park.

16

JAMES BAILEY

The Yeovil Captain joined the club on a free transfer in July 2017, putting pen to paper on a two-year deal that ties him to the club until 2019.

Bailey began his career at Crewe Alexandra before transferring to Derby County. He made 64 appearances for the Rams in four years and was loaned out to Coventry City twice.

Barnsley purchased his signature in 2014 and after a season, he left for a new challenge.

Pune City in India was Bailey's next destination where he played against big names such as Florent Malouda, Simao and Helder Positaga.

After a solitary campaign in Asia, Bailey spent time in Canada before returning to England with Carlisle United.

The Cumbrians offered him a new deal at the end of their 2016/17 play-off campaign but he opted for pastures new with Town.

13

FRANCOIS ZOKO

The experienced striker initially arrived at Huish Park in November 2015 on a short-term deal, which was then extended until the end of the season.

Zoko, who has played for a host of clubs including Carlisle United, Notts County, Stevenage, Blackpool and Bradford, scored eight goals in 29 appearances during the 2015/16 season, becoming an integral part of Darren Way's side.

Having agreed to remain in Somerset, the former Ivory Coast Under 23 international finished the 2016/17 season as Town's top scorer with 13 goals, pushing him into the top 10 list of goalscorers since the club reached the EFL in 2003.

An integral part of Yeovil's strike force, Zoko signed a new deal to keep him at Huish Park until the summer of 2019.

SAM SURRIDGE

Sam Surridge joined on a season-long loan from AFC Bournemouth two days prior to the start of the 2017/18 season.

The Cherries youngster scored eight goals in 10 appearances on loan at Poole Town last term and was promoted to Eddie Howe's first-team having continued his good goalscoring form for Bournemouth Under-21s.

He featured heavily in pre-season for the Dorset outfit and went on their 10-day training camp to Marbella in the summer. He has scored six goals for the Glovers so far this term.

JAKE KEAN

The 6'5" stopper had been at Blackburn for five years when he linked up with League One strugglers Yeovil on loan in September 2014. He was at Huish Park for just a month before going to Oldham for the second half of the season. Jake left Ewood Park in the summer to sign for Norwich, from where he joined Town on an emergency loan in April 2016. With both Lawrence Vigouroux and Ty Belford injured he played three games in eight days. STFC 3 apps / YTFC 5

After almost five years as a pro at Ashton Gate, Kevin left City to assist League Two leaders Yeovil in February 2005 – and he stayed in Somerset until the summer of 2006. Kevin arrived at the County Ground on a free two years later and in 2009/10, under his former boss Danny Wilson, he helped Town to a play-off final. Kevin was assigned squad number two for 2011/12, but his contract was terminated at the end of August. STFC 102 apps /YTFC 59

STAN EARL

When new Town boss Bert Head arrived in November 1956 to replace player-coach Geoff Fox, Stan filled the vacancy at left-back. He had broken into the Orient first team when Stan Charlton was sold to Arsenal a year earlier, the O's losing just two of the 23 games in which Earl played on their way to winning the Third South title. But Jimmy Lee and then Walter Bingley soon came to the County Ground so Stan left for Yeovil in January 1958, staying there until 1960. STFC 25 apps

LEIGH BARNARD

Signed on a free transfer from Portsmouth by John Trollope in 1982, Leigh spent seven years at the County Ground - from 1982 to 1989 - during which Town rose from the basement to the second tier. In 1986, he scored the goal at Mansfield which clinched the Fourth Division title. Leigh assisted Yeovil during his first season at Fratton Park, joining the Somerset club on loan early in 1978. STFC 267 apps / YTFC 10

NICK NAGY

A sturdily-built 6'2" defender from Budapest, Miklos 'Nick' Nagy carne to the UK soon after the last War, starting his career at Scunthorpe. After a one-month trial, Louis Page gave him a part-time pro contract at Town in August 1951. He made 35 appearances at centre-half for the reserves but two of his three games in the Third South were at inside-right. Nick left for The Huish in July 1952 and won a Southern League championship medal there in 1955. STFC 3 apps

STAN HARLAND

Town's Wembley skipper in 1969, Stan had arrived from Carlisle in the summer of 1966 for a little over £6,000. He missed just one game in five full seasons at the County Ground, before losing his place after Dave Mackay had taken over. Appointed player-manager at Yeovil in May 1975, Stan guided them to second and seventh placed finishes in his first two seasons there. He left in 1978, joining his old centre-back partner Frank Burrows at Portsmouth. STFC 294 apps

TERRY HUBBARD

A hugely talented midfielder, Terry suffered a catalogue of injuries which restricted him to barely a hundred games in ten years as a professional. He started out as a 15-year old apprentice at the County Ground in 1966, signing pro forms in November 1968. Terry's best return came in 1974/75, when he made 28 appearances, but his season ended on Boxing Day, Town cancelled his contract in February 1976 and he signed for Yeovil 18 months later. STEC 96 apps / YTEC 6

JON OBIKA

Jon had no less than four loan spells at Huish Park - netting 18 goals - either side of his first spell at Swindon at the end of 2010/11. He had spent most of the previous season in Somerset - until being loaned to Millwall in February by parent club Tottenham - and was also there for the 2011/12 campaign. Danny Wilson's penultimate signing for Town, he was largely ignored by successor Paul Hart. Jon returned on a two-year deal in 2014, scoring in each of his first four Town games. STFC 108 apps / YTFC 74

ANDY WILLIAMS

Andy first Joined Yeovil in July 2010 from Bristol Rovers, finishing top scorer there in 2011/12. He made the switch to Swindon in the June, netting on his debut - his 26th birthday. But just three days after Mark Cooper took charge in August 2013, Andy was off to Huish Park on a season-long loan. That, however, finished abruptly when he ruptured a cruciate ligament in mid-October. His return to action in 2014/15 saw him top score for Town with 22 goals. STEC 105 apps / YTEC 88

HOWARD PRITCHARD

Signed from Ashton Gate in July 1981, the Welsh winger had been relegated with City in his last two seasons there. Unfortunately, he made that a hattrick in 1982 when Town fell into the basement. Howard managed only one League goal that season - at City! He was rather more prolific in the F.A.Cup during his stay with Town, netting eight in eight games. Howard moved to Yeovil in November 1990, soon after the opening of Huish Park. STFC 76 apps / YTFC 38

DON ROGERS

Somerset-born, at Old Mills near Paulton, The Huish was the venue for Don's first away trip with Town's first team - a Second Round F.A.Cup tie in November 1962. The winger went on to net 90 goals in just three seasons on his way to a 180-goal haul that would make him Swindon's third highest scorer of all time. After four years in the capital, Don came back to end his career in Wiltshire, spending two months on loan at Yeovil in 1977 when former teammate Stan Harland was manager there. STFC 490 apps

Swindon-born centre-forward DICK PLUMB made 337 appearances for Yeovil, netting 150 goals for the club in two spells at The Huish - from 1968 to 1970 and 1974 to 1978 - placing him second in the list of top post-War goalscorers there. He had begun his career as an apprentice at the County Ground, in May 1962, and two years later was in the line-up that played Manchester United in the semi-final of the F.A. Youth Cup.

By that time Dick had joined the pro ranks at Town but was unable to break into Bert Head's first team squad and moved on to Bristol Rovers in May 1965.

GOOD EVENING AND A WARM WELCOME BACK TO THE ENERGY CHECK COUNTY GROUND FOR TONIGHT'S RESCHEDULED SKY BET LEAGUE TWO FIXTURE AGAINST YEOVIL TOWN.

We continue to meet with key partners and associated businesses with a view to renewals for next season. Following a positive meeting with PrePay Solutions last week, the proposal sent has been signed and agreed to for the 2018/19 season. The commercial deal includes Matchday Sponsorships (6 in total) and a substantial branding package. So, a big thank you to Ray, Paul, Daniel and all the team at Pre Pay for all their superb

previous commitment and for your continued support. More meetings are being scheduled in the coming weeks, with Better Leisure Centres and Cotswold Farm Machinery just two of a number of businesses we will be engaging with.

I appreciate a number of you as Executive Season Ticket Holders have enquired as to when pricing will be announced for the new season, as per the last set of notes we will be soon sitting down to discuss all our hospitality offerings which will include executive Season Tickets. We certainly hope to announce the packages within the next couple of weeks and we do hope that a large percentage will renew and continue to back us as we move forward and push for a promotion. We will be communicating all information via personal email to all those that currently support us with an executive Season Ticket outlining the payment options. For any of those supporters who are new to considering a season-long pass in one of our popular suites, please do not hesitate to get in contact to register your interest. Please also look out for information across club channels. We sold out of hospitality for a majority of our games across the last couple of seasons but we are always trying to raise the bar and looking to the optimum of selling out week in and week out.

On to today we welcome the Dave Johnson Party as our Match Sponsors. Dave was originally scheduled in for the postponed game against Yeovil as part of his 50th birthday celebrations. He has done fantastically well to keep his group and the booking together for tonight. We sincerely hope that you have a great belated 50th and we can take all three points for you and your party tonight. Our Matchball Sponsors are our very good friends SW Group Logistics. They need little introduction and have supported the club fantastically well over the years with a number of sponsorships. Last but certainly not least is our Captain Sponsors tonight and also a Silver Branding Partner, Dennis's Removals. Enjoy your night with us.

CARLISLE

IN-DEPTH WITH...

Kyle, let's look back at the last couple of games where the team's battling qualities have really come to the fore. What have been your thoughts on our recent displays?

I feel like we have come a long way under the new manager. We found ourselves 1-0 down in both games over Easter but we fought back and we probably should have gone on to win those games, but we got the point which was important because earlier on in the season we might have lost those games. Even though you want to win every game a draw is still positive.

The new Gaffer has been in charge a few weeks now, how have you found life under him so far?

I've really enjoyed it. At first I wasn't in the team but I thought it was down to myself to get back into the team and since I've been back in I've really enjoyed it

We've switched to a back-four in recent weeks, so how have you found playing at right-back following a stint at wing-back earlier on in the season?

I've been pleased with my performances. I do enjoy playing as a wing-back but I'm a natural right-back so it is a lot easier for me both defensively and offensively, because I know exactly what I've got to do. I've had to adapt to the attacking side of the game and I feel I can take what I learned from my time playing at wing-back into my role at right-back.

Matty Taylor has praised you in the local media, how have you found being able to learn from someone like him this season?

Tails has been very good with me personally. He's played at the highest level and you have to take everything you can from those types of players 66

because you aspire to play at the highest level. He speaks to me a lot and just gives me advice on what to do during games.

On a personal note, you've had to bide your time for a chance at times this season but how would you rate your campaign overall?

It was frustrating to start with because of the injury and I had to be patient because it was quite a while before I got my opportunity, but I felt I took it with both hands. I've learnt a lot this season in regards to taking your chance and I feel like I've had a progressive season. Hopefully the aim for me now is to give my best to the team for the next six games and get into the Play-Offs and then the Play-Off Final. There has been lots of different situations that I've had to deal with them this season but I felt that I've dealt with them well and I'm happy with where I am at.

With five games to go our destiny is still very much in our hands so how are you as a dressing room approaching these next batch of fixtures?

We are literally taking one game at a time and we aren't getting too focussed on the end goal.

Finally, tonight's game is our game in hand so it is a massive opportunity to keep the pressure on the chasing pack isn't it?

It is a great chance to do well, pick up the three points and then we'll be flying.

WITH ANNIE

Good evening and welcome to the County Ground to all Swindon Town Supporters. We also extend a warm welcome to the management, players and supporters from Yeovil who have travelled to the game this evening.

Today we have given one of our young members the chance to be a mascot. His name Keni Watson and he is 10 years

old. Keni comes to games with his Granma and two more siblings. He was chosen randomly from our list of young members under fourteen. Keni will have a tour of the ground, a three course meal before going out onto the pitch for a kick about and will be with his Granma to watch the match.

All our younger members also have the opportunity to win with the Supporters Club - but you must join to win!

We are now taking bookings for our Annual Player of the Season Presentation Dinner which will be held on Tuesday 8th May at 7.00pm in Legends Lounge. The menu will be leek and potato soup, Supreme Chicken with tarragon sauce (optional) with vegetables and potatoes and salted caramel with chocolate tart. There is also an option of vegetarian tart. The cost of the evening is £23.00. As an alternative to the sweet, cheese and biscuits are available at an extra £4.00.

Don't forget it's time to renew your membership! It's now £5.00 to join or renew. We have increased the fee to cover the ever rising prices of printing and stationery, etc. Having done some research into membership costs at other clubs we have found that ours is one of the cheapest, with many at £10 to £12.

FOOTBALL REMEMBERS WALTER TULL NO BARRIERS MEDAL CHALLENGE

Remember Walter Tull and stand up against discrimination by doing the No Barriers medal challenge

One hundred years ago, on the 25th March 1918, during the final year of the First World War, footballer Walter Tull was killed in action at the age of just 29.

Before the outbreak of war in 1914, Tull's playing career had seen him make more than 100 senior appearances for Northampton Town, before becoming the first infantry officer of black heritage in the British Army to lead his men into battle. From the football pitch to pitch battle, he made history and was an inspiration to others.

To mark the centenary of Walter Tull's death, the Ministry of Housing, Communities and Local Government and Big Ideas in conjunction with the EFL, Football Association and Premier League's Football Remembers initiative invite schools, football teams and youth, arts and voluntary groups to celebrate his life and achievements through Tull 100 – Football Remembers.

Find out how to earn your medal, receive your free Tull 100 resource pack and apply for small scale funding by emailing tull 100@big-ideas.org

FOOTBALL IN THE Constant

WE KNOW THE SCORE- DO YOU?

This April is Bowel Cancer Awareness Month and Swindon Town Football in the Community and Swindon Town Football Club are supporting the eighth annual Know the Score campaign.

Bowel cancer is the UK's fourth most common cancer, with over 41,200 new cases each year. It's also the second biggest cancer killer. Every 90 minutes three people die of the disease. That's 44 people each day - the equivalent to four football teams - but it needn't be that way. Bowel cancer is treatable and curable especially if diagnosed early. Over 95% of bowel cancer patients will survive the disease for five years or more if diagnosed at the earliest stage.

Symptoms of bowel cancer can include:

- Bleeding for your bottom and/or blood in your poo
- · A change in bowel habit lasting three weeks or more
- Extreme tiredness for no obvious reason
- · A pain or lump in your tummy
- Unexplained weight loss

Most people with these symptoms won't have bowel cancer, but if you have one or more of these, or if things just don't feel right, visit your doctor. You're not wasting anyone's time by getting it checked out. If it's not serious, your mind will be eased, and if it is bowel cancer, the earlier you are diagnosed, the better the chance of successful treatment and cure. A trip to your doctor could save your life.

ETHE EBDITOR

Here we go again! A second home game in a matter of days and another huge three points up for grabs.

I talked plenty about what's at stake in my last set of notes so I won't repeat myself, but tonight's game is another massive opportunity to get more points on the board and potentially move back into the Play-Off spots.

Saturday's result against Carlisle was disappointing in the fact that we created numerous chances to win the game and we were by far the better team. One thing you couldn't fault was the effort the players put in from start to finish and I'm sure we'll win more games than we lose if we keep putting in that same kind of application.

Wins will also come if we keep creating the amount we did against Carlisle. Between the tandems of Matt TaylorChris Hussey and Kyle Knoyle-Donal McDermott, there were a glut of balls pumped into the opposition's box and it just proved to be one of those days in-front of goal with the United keeper making a couple of smart stops too. However, there is no doubt the goals will come if we keep on applying that relentless pressure in our remaining fixtures.

Yeovil have been somewhat of a bogey team for us in recent years, although the

2-1 victory at their place in November was certainly one to remember given our late, late winner. It showed that this side has character in abundance and that will again be crucial tonight as we look to round off back-to-back home games with a flourish.

Here's to three points. Enjoy the game.

Andrew Steele-Davis, Head of Media & Communications.
